By Order of the Board

R G Barber
Group Company Secretary

15 April 2011

Notes:

- (1) Voting at the Meeting shall be conducted by way of a poll.

The issued share capital of the Company with voting rights on 5 April 2011, being the latest practicable date prior to the printing of this document, was 17,706,957,622 ordinary shares of US\$0.50 each (“Ordinary Shares”).

- (2) A member entitled to attend and vote at the Meeting is entitled to appoint another person as his or her proxy to exercise all or any of his or her rights to attend, speak and vote instead of the member. A member may appoint more than one proxy in relation to the Meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by the member. A proxy need not be a member. Completion and submission of an instrument appointing a proxy will not preclude a member from attending and voting in person at the Meeting. A Form of Proxy is provided with this Notice for members. If a member wishes to appoint more than one proxy and so requires additional Forms of Proxy, the original Form of Proxy may be photocopied or additional forms can be obtained from Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol, BS99 6BD, United Kingdom; Computershare Hong Kong Investor Services Limited, Rooms 1712-1716, 17th Floor, Hopewell Centre, 183 Queen’s Road East, Hong Kong SAR; or the Investor Relations Team, HSBC Bank Bermuda Limited, 6 Front Street, Hamilton HM 11, Bermuda. Shareholders with internet access may submit their proxy form electronically at www.hsbc.com/proxy.

The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from HSBC in accordance with section 146 of the UK Companies Act 2006 (“nominated persons”). Nominated persons may have a right under an agreement with the registered shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy for the Meeting. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights at the Meeting.

The main point of contact for nominated persons remains the registered shareholder (for example the stockbroker, investment manager, custodian or other person who manages the investment). Any changes or queries relating to nominated persons’ personal details and holdings (including any administration thereof) must continue to be directed to the registered shareholder and not HSBC’s Registrars. The only exception is where the Company, in exercising one of its powers under the UK Companies Act 2006, writes to nominated persons directly for a response.

- (3) In order to be valid, the instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed, or a copy of such authority certified notarially or in some other way approved by the Board, must be deposited not less than 48 hours before the time of the holding of the Meeting (or any adjourned meeting) at: the offices of Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol, BS99 6BD, United Kingdom; the offices of Computershare Hong Kong Investor Services Limited, Rooms 1712-1716, 17th Floor, Hopewell Centre, 183 Queen’s Road East, Hong Kong SAR; or the offices of the Investor Relations Team, HSBC Bank Bermuda Limited, 6 Front Street, Hamilton HM 11, Bermuda. Amended instructions must also be received by the Company’s Registrars by the deadline for receipt of an instrument appointing a proxy. In the case of an appointment of a proxy submitted in electronic form, such appointment must be received not less than 48 hours before the time of the holding of the Meeting (or any adjourned meeting). It should be noted, however, that any power of attorney or other authority relating to an appointment of a proxy cannot be submitted electronically and must be deposited as referred to above for the appointment to be valid.

Any member attending the Meeting has the right to ask a question in relation to the business of the Meeting. The Company must cause to be answered any such question relating to the business being dealt with at the Meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or good order of the Meeting that the question be answered.

- (4) Pursuant to the Uncertificated Securities Regulations 2001 (as amended), changes to entries on the principal register of members of the Company maintained in England (the “Principal Register”) after 12.01 am (London time) on the day immediately before the day of the Meeting or any adjourned meeting (as the case may be) shall be disregarded in determining the rights of a member

to attend or vote at the Meeting or any adjourned meeting (as the case may be). Accordingly, a member entered on the Principal Register at 12.01 am on the day immediately before the day of the Meeting or any adjourned meeting (as the case may be) shall be entitled to attend and vote at the Meeting or any adjourned meeting (as the case may be) in respect of the number of such shares entered against the member's name at that time.

- (5) CREST members who wish to appoint a proxy or proxies by using the CREST electronic proxy appointment service may do so for the Meeting or any adjourned meeting by following the procedures described in the CREST manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) by the latest time for receipt of proxy appointments specified in Note (3) above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointees through other means.

CREST members and, where applicable, their CREST sponsor or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.

Pursuant to Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended) the Company may treat as invalid a CREST Proxy Instruction if the Company has actual notice that:

- the information in the instruction is incorrect;
 - the person expressed to have sent the instruction did not in fact send it; or
 - the person sending the instruction on behalf of the relevant shareholder did not have the authority to do so.
- (6) In the case of joint registered holders of any share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders. For this purpose seniority shall be determined by the order in which the names of the holders stand in the Principal Register or either the Hong Kong or Bermuda Overseas Branch Registers of the Company, as appropriate.
- (7) Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that, if it is appointing more than one corporate representative, it does not do so in relation to the same share or shares.
- (8) Under section 527 of the UK Companies Act 2006, members meeting the threshold requirements in that section may require the Company to publish on its website a statement setting out any matter that the members propose to raise at the Meeting relating to the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Meeting or any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid. The Company may not require the members requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the UK Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the UK Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available

on the website. The business which may be dealt with at the Meeting includes any statement that the Company has been required under section 527 of the UK Companies Act 2006 to publish on its website.

- (9) A copy of this notice, and other information required by section 311A of the UK Companies Act 2006, can be found on the Company's website (www.hsbc.com/agm).
- (10) Under section 338 and section 338A of the UK Companies Act 2006, members meeting the threshold requirements in those sections have the right to require the Company (i) to give to members of the Company entitled to receive notice of the Meeting, notice of a resolution which may properly be moved and is intended to be moved at the Meeting; and/or (ii) to include in the business to be dealt with at the Meeting any matter (other than a proposed resolution) which may be properly included in such business. A resolution may properly be moved or a matter may properly be included in the business of the Meeting unless (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise), (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business of the Meeting, must be authorised by the person or persons making it, must be received by the Company not later than the time at which notice is given of the Meeting, and (in the case of a matter to be included in the business of the Meeting only) must be accompanied by a statement setting out the grounds for the request.

† *Independent non-executive Director*

The Board has determined all of the non-executive Directors standing for re-election to be independent. When determining independence the Board considers that calculation of the length of service of a non-executive Director begins on the date of his or her first election by shareholders as a Director of HSBC Holdings plc. Given the complexity and geographical spread of HSBC's business, the experience of previous service on a subsidiary company board can be a considerable benefit to HSBC and does not detract from a Director's independence. In reaching its determination of each non-executive Director's independence the Board has concluded that there are no relationships or circumstances which are likely to affect a Director's judgement and any relationships or circumstances which could appear to do so were considered not to be material.

None of the Directors standing for re-election has any material relationship with another Director, member of senior management or substantial or controlling shareholder.

Resolution 8 proposes an increase in the fee payable to each non-executive Director to £95,000 per annum. The reasons for this proposal are set out on page 3 of the Chairman's letter dated 15 April 2011. Committee fees are determined by the Board. Those Directors to whom fees are payable do not participate in that determination. It is proposed, taking into account the background to the proposed increase in fees payable to non-executive Directors, that fees for service to the Board Committees will be increased with effect from 1 January 2011 such that the Chairman of each Committee will be entitled to receive £50,000 per annum (except in the case of the Chairmen of the Nomination and Corporate Sustainability Committees who will each be entitled to receive £40,000 per annum) and members of each Committee will be entitled to receive £30,000 per annum (except in the case of members of the Nomination and Corporate Sustainability Committees who will each be entitled to receive £25,000 per annum).
