

HSBC 2024 Annual General Meeting Electronic Attendance Guidance

Electronic attendance at the AGM

You may attend the AGM electronically by accessing the Lumi AGM website: <https://web.lumiagm.com/127924916>.

A User Guide on how to join the AGM via the Lumi AGM website is set out below.

If you are a duly appointed proxy or corporate representative, please refer to page 5.

Accessing the AGM website

Lumi AGM can be accessed online using the latest versions of internet browsers such as Chrome, Firefox, Edge and Safari on a PC, laptop or internet-enabled device such as a tablet or smartphone. If you wish to access the AGM using this method, please go to <https://web.lumiagm.com/127924916> on the day.

Logging in

On accessing Lumi AGM at the website above, you will be prompted to enter your Shareholder Reference Number and Personal Identification Number. These can be found printed on your form of proxy or will have been sent to you by email if you have registered an email address to receive electronic communications. For queries on your Shareholder Reference Number and/or Personal Identification Number please contact the Company's registrar using the details in the "General information" section on page 26 of the 2024 Notice of AGM.

You can access the Lumi AGM website from 9.00am London time (4.00pm Hong Kong time) on Friday, 3 May 2024. However, please note that your ability to vote will not be enabled until the Chairman of the AGM formally declares the poll open, which will take place during the AGM.

Electronic voting

Voting on all resolutions will be enabled at the AGM once the Chairman of the AGM formally declares the poll open. Shareholders may, at any time while the poll is open, vote electronically on any or all of the resolutions in the Notice. Resolutions will not be proposed individually.

Once the poll is open, the list of resolutions being put to the AGM will appear on the Lumi AGM platform. The voting options available will appear when you click on the voting icon. Select the option that corresponds with how you wish to vote on each resolution: "FOR", "AGAINST" or "WITHHELD". Once you have selected your choice, the option will change colour and a confirmation message will appear to indicate your vote has been cast and received – there is no submit button.

If you make a mistake or wish to change your vote, simply re-select the correct voting option. If you wish to "cancel" your vote, select the "cancel" button. You will be able to change or cancel your vote at any time whilst the poll remains open and before the Chairman of the AGM announces its closure.

An active internet connection is required in order to successfully cast your vote when the Chairman of the AGM commences polling on the resolutions. It is the user's own responsibility to ensure that they have a sufficient internet connection.

Asking questions via Lumi

Shareholders attending electronically may ask questions via the Lumi AGM website by typing and submitting their question in writing. To ask a question via the Lumi AGM website, you should select the messaging icon from within the navigation bar to open the chat box and type your question at the top of the screen. Once finished, press the 'send' icon to the right of the message box to submit your question.

Questions sent via the chat box on the Lumi AGM website will be moderated before being sent to the Chairman of the AGM, in line with the approach outlined in the "Asking questions related to the business of the AGM" section on page 24 of the 2024 Notice of AGM. In some circumstance a direct response may be given to your question via the platform, rather than the question being put to the meeting to avoid repetition or where the question is not relevant to the business of the meeting.

An active internet connection is required in order to allow you to submit questions via the Lumi AGM website. It is the user's own responsibility to ensure that they have a sufficient internet connection.

Asking questions via the telephone

To be able to speak via telephone at the AGM, shareholders can request to be called once they have logged into the Lumi AGM website and completed the registration process. The Lumi AGM website will be accessible from 9.00am London time (4.00pm Hong Kong time) on Friday, 3 May 2024.

Once connected, you will receive further instructions on how to ask a question. Once your call has been put through to the meeting, you will then be able to ask your question to the meeting. Questions asked on the telephone will be answered in line with the approach outlined in the "Asking questions related to the business of the AGM" section on page 24 of the 2024 Notice of AGM.

If you join the telephone call to ask a question but are also listening to the webcast of the AGM, please ensure the webcast is muted, so that there is no interference between the two when speaking.

We cannot guarantee that all shareholders that wish to ask a question by telephone will be able to do so. If you do not think that your question has been answered during the AGM or by other means outside of the meeting, please send an email to shareholderquestions@hsbc.com as outlined in the "Asking questions related to the business of the AGM" section on page 24 of the 2024 Notice of AGM.

Participation by telephone is solely to facilitate questions and does not permit voting.

This guidance note should be read together with the 2024 Notice of AGM which can be accessed at www.hsbc.com/agm.
