HSBC North America Holdings Inc

Capital and Other TLAC-eligible Instruments Main Features 31 December 2019

This document is a disclosure document published to provide a description of the main features of HSBC North America Holdings Inc's regulatory capital instruments and Total Loss Absorbing Capacity ('TLAC') eligible instruments.

The information contained in this document has been compiled in accordance with the final United States (US) TLAC rules, as published in December of 2016 (12 CFR 252, as part of Regulation YY). Assumptions on the regulatory treatment of the capital instruments and eligible liabilities described herein reflect HSBC's interpretation of current rules. These disclosures are made in advance of relevant TLAC reporting requirements coming in to effect in the US. The format of these disclosures have been made in accordance with Template CCA, as per the Basel Committee on Banking Supervision ('BCBS') "Pillar 3 disclosure requirements - consolidated and enhanced framework", issued March 2017.

Disclosure in the required format has resulted in simplification and abbreviation of the features of the capital instruments described herein. The information contained in this document is not intended to be a comprehensive description of such capital instruments. No investor or prospective investor in any such capital instruments should rely upon the description contained in this document and HSBC shall not be liable for any inaccuracy or misstatement contained in this document.

All capital instruments issued by HSBC North America Holdings Inc. are held by HSBC Overseas Holdings (UK) Limited. As such no external investors hold an interest in the securities, however the full terms and conditions for all instruments are available on request via Group Investor Relations (investorrelations@hsbc.com).
