trusts, authorities and discretions vested in it by this Trust Deed separately and independently in relation to each Series of Notes.

3. AMOUNT OF NOTES

- 3.1 Notes may be issued from time to time by the Issuer in one or more series (each a "**Series**") (which may be issued on the same date or which may be issued in more than one tranche (each a "**Tranche**") on different dates), maturing on the same date, bearing interest (if any) on the same basis and otherwise on identical terms save as specified in the relevant Final Terms. - 3.3.1 no legal opinion has been issued to the Dealers under the Dealer Agreement in connection with any issue of Notes during the immediately preceding 12 months prior to the date of request by the Trustee and at such time the Issuer is proposing to issue any Notes and no Dealer is requesting that the Issuer deliver to such Dealer a legal opinion addressed to such Dealer as a condition precedent to such Dealer undertaking any obligations in connection with such proposed issue; or
- 3.3.2 the Issuer is proposing to issue any Notes and the Trustee has reasonable grounds to believe the provision of a legal opinion or opinions to be desirable in view of any change (or proposed change) in any applicable law or regulation (or the interpretation thereof) affecting the Issuer, the Trust Deed or

4. **ISSUE OF NOTES**

4.1

- 4.2.2 The Issuer shall, in relation to Notes which are represented by a Temporary Global Note, ensure that there is delivered to the Principal Paying Agent, not less than five days before the relevant Temporary Global Note becomes exchangeable therefor, the Permanent Global Note (in unauthenticated form but executed by the Issuer and otherwise complete) in relation thereto or, as the case may be, the Definitive Bearer Notes (in each case in unauthenticated form but executed by the Issuer and otherwise complete) in relation thereto. The Principal Paying Agent shall authenticate and deliver such Permanent Global Note or, as the case may be, Definitive Bearer Notes, in accordance with the terms of the relevant Temporary Global Note;

- 4.2.3 The Issuer shall, in relation to Notes which are represented by a Permanent Global Note and where notice has been given in accordance with the terms of such Permanent Global Note, ensure that there is delivered to the Principal Paying Agent, not less than five days before the date on which such Permanent Global Note becomes exchangeable therefor, the Definitive Bearer Notes (in unauthenticated form but executed by the Issuer and otherwise complete) in relation thereto. The Principal Paying Agent shall authenticate and deliver such Definitive Bearer Notes in accordance with the provisions of the relevant Permanent Global Note and the Agency Agreement; and

- 4.2.4 Global Notes shall be prepared, completed and delivered in accordance with the provisions of the Agency Agreement to such Depository for such Clearing System(s) as set out in the relevant Final Terms.

- 4.3 The Issuer will pay any stamp or other similar duties or taxes payable in the United Kingdom on or in connection with (i) the execution of this Trust Deed, (ii) the constitution, issue and delivery of the Notes or (iii) any action taken by the Trustee to enforce the provisions of the Notes or the Coupons or this Trust Deed.

- 4.4 The Issuer hereby covenants to comply with those provisions of this Trust Deed which are expressed to be binding on it and to perform and observe the same. The Notes and Coupons shall be held subject to the provisions contained in this Trust Deed, all of which shall be binding to the extent aforesaid upon the Issuer and/or the Noteholders and the Couponholders and all persons claiming through or under them respectively.
- 4.5 If the Issuer becomes subject generally to the taxing jurisdiction of any territory or any authority or political subdivision therein or thereof having power to tax other than or in addition to the United Kingdom or any such authority or political subdivision in or of the United Kingdom then the Issuer shall (unless the Trustee shall otherwise agree) give to the Trustee an undertaking or covenant in form and manner satisfactory to the Trustee in terms corresponding to the terms of Condition 7 with the substitution for, or (as the case may require) the addition to, the references therein to the United Kingdom or any such authority or political subdivision in or of the United Kingdom having power to tax of references to that other or additional territory or any authority or political subdivision therein or thereof having power to tax to whose taxing jurisdiction the Issuer shall have become subject as aforesaid.

5. COVENANT TO REPAY AND TO PAY INTEREST

- 5.1 As and when the Notes of any Series or any of them become due to be redeemed in accordance with the Conditions, the Issuer shall unconditionally pay or procure to be paid to or to the order of the Trustee in the Specified Currency in which the same is required to be paid under the Conditions of such Notes and in immediately available funds the principal amount (or such other amount as may be set out in or calculated in accordance herewith or with the Conditions of the relevant Final Terms) of the Notes becoming due for repayment on that date together with any premium payable in respect thereof and shall (subject as aforesaid) until such payment (as well after as before any judgment or other order of any court of competent jurisdiction is duly made) pay in the manner and at the rate prescribed by the Conditions to or to the order of the Trustee as aforesaid interest on the principal amount of the Notes (or such other amount as set out in the relevant Final Terms), **provided that** every payment of any sum due in respect of the Notes made to or to the order of the Principal Paying Agent or the Registrar in the manner provided in the Agency Agreement shall be a satisfaction *pro tanto* of the relevant covenant by the Issuer contained in this Clause except to the extent that there is default in the subsequent payment thereof to the Noteholders or Couponholders in accordance with the Conditions. In any case where a due date for any payment in respect of the Notes is not both a Relevant Financial Centre Day and a Local Banking Day (each as defined in Condition 19), such payment shall be made by such Paying Agent or the Registrar on the next succeeding day which is such a day with the same force and effect as if it had been made on such date for payment.
- 5.2 Subject to anything contrary provided in the Conditions applicable to a relevant Series of Notes, a Holder of Notes or Coupons shall not be entitled to apply any claims he may have in respect of such Notes or Coupons in set-off against any obligations he may have to the Issuer, the Trustee or any other person nor shall he be entitled to raise any such claims by way of counterclaim in respect of any claims against him by the Issuer, the Trustee or any other person and by his acceptance of Notes or Coupons,

such Holder waives any entitlement to such set-off or counterclaim that he might otherwise have.

- 5.3 In circumstances where the second proviso to Clause 8.1 and Condition 9(a) has been applied in relation to any Notes, the Trustee may at any time and from time to time by notice in writing to the Issuer require the Issuer to take such action (including but not limited to proceedings for a declaration by a relevant court) as the Trustee in its absolute discretion considers appropriate to resolve the doubt, in which event the Issuer shall forthwith take and expeditiously proceed with such action and shall be bound by any final resolution of the doubt resulting therefrom. If such resolution determines that the relative payment can be made without infringing any applicable law, regulation or order, then the said proviso shall forthwith cease to apply and the grace periods provided for in Clause 8.1 and Condition 9(a), shall expire seven days or, if later, the date on which they would have expired, after service by the Trustee on the Issuer of notice informing it of such resolution. If so required by the Trustee the Issuer shall as promptly as practicable after such resolution give a notice to holders of such Notes with regard thereto in accordance with Condition 13 in a form previously approved by the Trustee.
- 5.4 At any time after a Default in relation to any Notes and at any other time with the written consent of the Issuer the Trustee may:
- 5.4.1 by notice in writing to the Issuer, the Principal Paying Agent and the other Paying Agents (if any) (and, in the case of Notes settling in CDS, the Registrar), require the Principal Paying Agent and the other Paying Agents (if any) (and, in the case of Notes settling in CDS, the Registrar) (so far as permitted by applicable law) pursuant to the Agency Agreement:
- (a) thereafter as Principal Paying Agent and Paying Agents (and, in the case of Notes settling in CDS, the Registrar) respectively of the Trustee in relation to payments to be made by or on behalf of the Trustee under the provisions of this Trust Deed in relation to such Notes *mutatis mutandis* on the terms provided in the Agency Agreement (save that the Trustee's liability under any provisions thereof for the indemnification of the Registrar or Paying Agents shall be limited to the amounts in respect of such Notes and the Coupons appertaining thereto for the time being held by the Trustee on the trusts of this Trust Deed) and thereafter to hold all such Notes and Coupons which are cancelled, and all sums, documents and records held by them in respect of such Notes, Coupons and Talons, on behalf of the Trustee; and/or
- (b) to deliver up all such Notes and Coupons which are cancelled and all sums, documents and records held by them in respect of such Notes and Coupons to the Trustee or as the Trustee shall direct in such notice, **provided that** such notice shall be deemed not to apply to any documents or records which the Principal Paying Agent, Registrar or the relative other Paying Agent (if any) is obliged not to release by any law or regulation; and

5.4.2 by notice in writing to the Issuer, require the Issuer to make all subsequent payments in respect of such Notes and/or the Coupons (if any) appertaining thereto (as the case may be) to or to the order of the Trustee and not to the Principal Paying Agent or Registrar; with effect from the issue of any such notice to the Issuer until such notice is withdrawn the proviso to Clause 5.1 shall cease to have effect in respect of such Notes.

6. SUBORDINATION

6.1 In the event of a winding up of the Issuer the claims of the Noteholders or Couponholders in respect of Subordinated Notes shall be postponed to the claims of the Senior Creditors and any amounts receivable by the Trustee from the liquidator in such winding up in respect of Notes or Coupons relating to Subordinated Notes shall be received by the Trustee upon trust to apply the same as follows:

6.1.1 *first*, in payment or satisfaction of the costs, charges, expenses and liabilities incurred by the Trustee including any unpaid remuneration in or about the execution of the trusts of this Trust Deed;

6.1.2 *secondly*, in payment of claims of the Senior Creditors outstanding at the commencement of or arising by virtue of the winding up of the Issuer (excluding interest, if any, accruing after the date of the commencement of the winding up) to the extent that such claims shall be admitted in the winding up and shall not be satisfied out of the other resources of the Issuer;

6.1.3 *thirdly*, in payment of any claims in respect of the Notes and Coupons relating to Subordinated Notes (to the extent that the Trustee's claims in respect thereof shall be admitted in such winding up) *pari passu* and rateably; and

6.1.4 *fourthly*, in payment of any claims in respect of Junior Indebtedness (to the extent that the Trustee's claims in respect thereof shall be admitted in such winding up) *pari passu* and rateably in accordance with the subordination provisions of the relevant trust deed or other instrument governing the same.

6.2 The trust mentioned in sub-clause 6.1.2 hereof may be performed by the Trustee paying over to the liquidator for the time being in the winding up of the Issuer the amounts received by the Trustee as aforesaid (less any amounts thereof applied in the implementation of the trust mentioned in sub-clause 6.1.1 hereof) on terms that such liquidator shall distribute the same accordingly. The receipt of the liquidator for the said amounts shall be a good discharge to the Trustee.

6.3 The Trustee shall be entitled and is hereby authorised to call for and to accept as conclusive evidence thereof a certificate from the liquidator for the time being of the Issuer as to:

6.3.1 the amount of the claims of the Senior Creditors which shall have been admitted in the winding up and which shall not have been satisfied out of the other resources of the Issuer; and

6.3.2 the persons entitled thereto and their respective entitlements.

- 6.4 Notwithstanding anything contained in this Trust Deed to the contrary, the foregoing provisions of this Clause shall be construed and have effect so that in the event of the winding up of the Issuer the obligations of the Issuer under the Subordinated Notes on the one hand and the Existing Eurobonds on the other hand will rank *pari passu* and rateably *inter se* so far as concerns subordination to claims of Senior Creditors.
- 6.5 The provisions of Clauses 6.1 to 6.4 above apply only to the principal and interest payable in respect of the Notes and Coupons relating to Subordinated Notes and nothing in this Clause or Clause 8.1 or 8.2 or Condition 9(a) shall affect or prejudice the payment of the costs, charges, expenses and liabilities incurred by the Trustee including any unpaid remuneration in or about the execution of the terms of this Trust Deed or the rights and remedies of the Trustee in respect thereof.
- 6.6 The perpetuity period applicable to the provisions of Clauses 6.1 to 6.4 above shall be 80 years from the date hereof.

7. EVIDENCE OF DEFAULT

- 7.1 Should the Trustee make any claims or lodge any proof in a winding up of the Issuer under this Trust Deed or under the Notes or Coupons:
- 7.1.1 proof that as regards any specified Note the Issuer has made default in paying any principal or interest due to the relative holder shall (unless the contrary be proved) be sufficient evidence that the Issuer has made the like default as regards all other Notes which are then repayable or interest which is then payable; and
- 7.1.2 proof that as regards any specified Coupon relating to the Notes the Issuer has made default in paying any interest due to the relative holder of the Coupon shall (unless the contrary be proved) be sufficient evidence that the Issuer has made the like default as regards all other outstanding Coupons relating to the Notes in respect of which interest has at such time become due.

8. PROCEDURE ON DEFAULT

- 8.1 If default is made for a period of 14 days or more in the repayment of any principal or interest due on the Notes of any Series or any of them, then the Trustee may, in order to enforce payment, at its discretion and without further notice institute proceedings for the winding up of the Issuer in England, **provided that** it shall not be such a default to withhold or refuse any such payment (1) in order to comply with any fiscal or other law or regulation or with the order of any court of competent jurisdiction, in each case applicable to such payment or (2) in cases of doubt as to the validity or applicability of any such law, regulation or order, in accordance with advice given at any time during the said period of 14 days, as the case may be, by independent legal advisers acceptable to the Trustee, as to such validity or applicability.
- 8.2 The Trustee may at its discretion and without further notice institute such proceedings against the Issuer as it may think fit and may, subject as hereinafter provided, institute proceedings for the winding up of the Issuer in England to enforce any obligation, condition or provision binding on the Issuer under this Trust Deed in relation to such Series of Notes or under such Notes of such Series or the Coupons appertaining

thereto (other than any obligation for the payment of any principal, interest or expenses in respect of such Notes or Coupons or any other payment obligation in respect thereof), **provided that** the Issuer shall not by virtue of the institution of any such proceedings other than proceedings for the winding up of the Issuer be obliged to pay any sum or sums (whether in respect of principal or interest or other sums in respect of the relevant Notes or the Coupons appertaining thereto or by way of damages in respect of any breach of any such obligation, condition or provision or otherwise howsoever). The Trustee may only institute proceedings for the winding up of the Issuer to enforce the obligations above referred to in this paragraph if a default by the Issuer thereunder is not remedied to the satisfaction of the Trustee within 60 days (or such longer period as the Trustee may permit) after notice of such default has been given to the Issuer by the Trustee requiring such default to be remedied.

- 8.3 In the case of any Series of Notes, in the event of an order being made or an effective resolution being passed for the winding up of the Issuer in England (otherwise than in connection with a scheme of reconstruction or amalgamation the terms of which shall previously have been approved in writing by the Trustee or by an Extraordinary Resolution of the holders of the relevant Series of Notes), the Trustee may declare the Notes of the relevant Series to be due and redeemable immediately (and such Notes shall thereby become so due and redeemable) at their principal amount or such other amount as set out in the relevant Final Terms together with accrued interest as provided in this Trust Deed and the relevant Final Terms or at such other amount, or at such amount calculated in accordance with such other formula, as is set out in the relevant Final Terms.
- 8.4 The Trustee shall not in any event be bound to take any of the actions referred to in Clauses 8.1, 8.2 or 8.3 above in respect of any Series of Notes unless (i) it shall have been so requested in writing by the holders of at least one-fifth of the principal amount of the Notes of the relevant Series then outstanding or it shall have been so directed by an Extraordinary Resolution of the holders of the Notes of the relevant Series and (ii) it shall have been indemnified and/or secured and/or pre-funded to its satisfaction against all liabilities, proceedings, claims and demands to which it may be or become liable and all costs, charges and expenses which may be incurred by it in connection therewith, including the cost of using its managements' time and/or other internal resources calculated using its normal hourly rates in force from time to time.
- 8.5 No remedy against the Issuer other than as specifically provided by this Clause 8 of the Conditions shall be available to the Trustee, the Noteholders or the Couponholders in respect of any Series of Notes whether for the recovery of amounts owing in respect of such Notes or the Coupons appertaining thereto or under this Trust Deed or in respect of any breach by the Issuer of any obligation, condition or provision under this Trust Deed or such Notes or Coupons or otherwise, and no Noteholder or Couponholder shall be entitled to proceed directly against the Issuer unless the Trustee, having become bound to proceed, fails to do so within a reasonable period and such failure shall be continuing in which case any such holder may, upon giving an indemnity satisfactory to the Trustee, in the name of such Trustee (but not otherwise), himself institute proceedings against the Issuer for the relevant remedy to the same extent (but not further or otherwise) that the Trustee would have been entitled to do so.

9. APPLICATION OF MONIES RECEIVED BY THE TRUSTEE

9.1 In relation to each Series of Notes, all monies received by the Trustee (including any amounts received from the Issuer under Clause 25) shall be held by the Trustee (subject always in the case of monies received in a winding up of the Issuer to the provisions of Clause 6) upon trust to apply the same:

9.1.1 *first*, in payment of all costs, charges, expenses and liabilities incurred and payments made by the Trustee under the provisions hereof and all remuneration payable to the Trustee;

9.1.2 *secondly*, in or towards payment *pari passu* and rateably of all monies due in respect of the Notes of such Series and all interest (if any) unpaid in respect of such Notes, **provided that** where Notes of more than one Series have become due and repayable, the monies so received shall be applied as between the amounts outstanding in respect of the different Series (subject always in the case of monies received in a winding-up of the Issuer to the provisions of Clause 6) *pari passu* and rateably; and

9.1.3 *thirdly*, the balance (if any) in payment to the Issuer.

Without prejudice to the provisions of this Clause, if the Trustee shall hold any monies which represent principal or interest in respect of Notes or Coupons which have become void under Condition 10 the Trustee shall (subject to payment or provision for the payment or satisfaction of the said costs, charges, expenses and liabilities including the remuneration of the Trustee) pay the same to the Issuer.

9.2 The Trustee shall give not less than 14 days' notice to the Noteholders and Couponholders in accordance with Condition 13 of the day fixed for any payment to them under Clause 9.1. Such payment shall be made in accordance with Condition 8 and any payment so made shall be a good discharge to the Trustee.

9.3 If in relation to any Series of Notes the amount of the monies at any time applicable under Clause 9.1 for payment of the item set out in sub-clause 9.1.2 shall be less than 10 per cent. of the amount then due to the Noteholders and/or the Couponholders in relation to such Series of Notes the Trustee may, at its discretion, invest such moneys upon some or one of the investments hereinafter authorised with power from time to time, at the like discretion, to vary such investments; such investments with the resulting income thereof may be accumulated until the accumulation together with any other funds for the time being under the control of the Trustee and applicable for the purpose shall amount to a sum sufficient to pay at least the above percentage amount due on such Notes and/or Coupons and then such accumulations and funds shall be applied in manner aforesaid.

10. DISCHARGE BY PAYMENT

Any payment to be made in respect of the Notes and/or the Coupons by the Issuer, or the Trustee may be made in the manner provided in this Trust Deed and any payment so made shall be a good discharge *pro tanto* to the Issuer or the Trustee, as the case may be. Any payment of interest made in respect of a Coupon shall extinguish any

claim which may arise directly or indirectly in respect of such interest from the relative holder of the Note to which such Coupon relates.

11. ENFACEMENT OF NOTES AND COUPONS

Upon any payment under the provisions of Clause 9.1 the Note or Coupon in respect of which such payment is made shall be produced to the Trustee or the Paying Agent by or through whom such payment is made who shall, in the case of partial payment, cause the Note or Coupon concerned to be enfaced with a memorandum of the amount and date of payment on such Note or Coupon and who shall, in the case of payment in full, cause to be surrendered to the Issuer such Note or Coupon or shall cancel or procure the same to be cancelled and shall certify or procure the certification of such cancellation.

12. AUTHORISED INVESTMENTS

Any monies which under the trusts herein contained ought to or may be invested by the Trustee may be invested in the name or under the control of the Trustee in any of the investments for the time being authorised by English law for the investment by trustees of trust monies or in any other investments, whether similar to the aforesaid or not, which may be selected by the Issuer and approved by the Trustee or by placing the same on deposit with a bank (including with the Trustee or any subsidiary or holding company of the Trustee, if a banker) in the name or under the control of the Trustee as the Trustee may think fit and in such currency as the Trustee may think fit and the Trustee may at any time vary or transpose any such investments for or into other such investments and shall not be responsible for any loss occasioned thereby whether by depreciation in value or otherwise.

13. COVENANTS BY THE ISSUER

13.1 So long as any of the Notes remains outstanding the Issuer shall at all times maintain (i) a Paying Agent having a specified office in a city approved by the Trustee (such approval not to be unreasonably withheld or delayed) in Europe which, so long as any Notes are admitted to listing, trading and/or quotation by any listing authority, stock exchange and/or quotation system, shall be the place required by such listing authority, stock exchange and/or quotation system and (ii) in the case of any Registered Notes, a Registrar with a specified office in England or such city as may be specified in the relevant Final Terms.

13.2 So long as any Notes issued by the Issuer remain outstanding, the Issuer shall:

13.2.1 at all times carry on and conduct its affairs in a prudent manner and in accordance with accepted banking practice, **provided that** this sub-clause 13.2.1 shall not apply in the case of Subordinated Notes;

13.2.2 at all times keep proper accounting records and arrange for the Auditors to prepare for the Trustee such reports on its financial position as the Trustee may reasonably require;

13.2.3 upon becoming aware of any Default or any event which with lapse of time and/or giving of notice would be a Default, forthwith give notice thereof in

writing to the Trustee and without waiting for the Trustee to take any of the actions mentioned herein;

- 13.2.4 at all times give to the Trustee such information as it shall reasonably require for the purpose of the discharge of the duties, powers, trusts, authorities and discretions vested in it hereunder or by operation of law;

- 24.1 The Trustee shall have power, without the consent of the holders of the Notes of any Series, or of the holders of the Coupons (if any) appertaining thereto, to agree to the substitution of any subsidiary or holding company of the Issuer or any subsidiary of any such holding company incorporated in any country in the world in place of the Issuer (or of any previous substitute under this Clause) as principal debtor hereunder

in relation to such Series of Notes and under such Notes and the Coupons (if any) appertaining thereto (the substitute being hereinafter called the "**Substituted Company**") if:

- 24.1.1 a trust deed or an indenture is executed or some other form of undertaking is given by the Substituted Company to the Trustee, in form and manner satisfactory to the Trustee, agreeing to be bound by the terms of this Trust Deed and the Notes and Coupons (if any) of such Series with any consequential amendments which may be appropriate as fully as if the Substituted Company had been named in this Trust Deed and on such Notes or Coupons as the principal debtor in place of the Issuer (or, of any previous substitute under this Clause);
- 24.1.2 the Issuer and the Substituted Company comply with such other reasonable requirements as the Trustee may direct in the interests of the Noteholders in relation to such Series;
- 24.1.3 (without prejudice to the generality of paragraphs (A) (i) and (A) (ii) hereof) where the Substituted Company is incorporated, domiciled or resident in a territory other than the United Kingdom an undertaking or covenant shall be given by the Substituted Company in terms corresponding to the provisions of Condition 7 with the substitution for the references to the United Kingdom or any authority or political subdivision of or in the United Kingdom having power to tax of references to the territory or any authority or political subdivision therein or thereof having power to tax in which the Substituted Company is incorporated, domiciled or resident;
- 24.1.4 an unconditional and irrevocable guarantee is given by the Issuer (on a subordinated basis in the case of Subordinated Notes) to the Trustee, in form and manner satisfactory to the Trustee;
- 24.1.5 the directors of the Substituted Company shall certify that the Substituted Company would be solvent immediately after the time at which the said substitution is proposed to be effected (which certificate the Trustee may rely upon absolutely);
- 24.1.6 the Trustee shall not have regard to the financial condition, profits or prospects of the Substituted Company to compare the same with those of the Issuer;
- 24.1.7 (without prejudice to the right of reliance under the immediately preceding sub-paragraph (v) hereof) the Trustee is satisfied that the said substitution is not materially prejudicial to the interests of the relevant Noteholders; and
- 24.1.8 (without prejudice to the generality of sub-paragraphs (A)(i) and (A)(ii) hereof) the Trustee may in the event of such substitution agree (without the consent of the Noteholders and Couponholders (if any) in relation to such Series) to a change in the law governing this Trust Deed and/or the relative Notes and/or the relative Coupons, **provided that** such change would not in the opinion of the Trustee be materially prejudicial to the interests of such Noteholders but the Trustee shall not have regard to the consequences of such change for individual Noteholders or Couponholders (if any) resulting from

their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of any particular territory and the Trustee shall not be entitled to require nor shall any Noteholder or Couponholder be entitled to claim from the Issuer any indemnification or payment in respect of any tax consequence of any such substitution upon individual Noteholders or Couponholders, except to the extent already provided for by Condition 7.

- 24.2 If the Substituted Company is a Banking Subsidiary and the Notes in question are Subordinated Notes, the claims of the Noteholders and Couponholders and Talonholders (if any) shall be subordinated (if legally possible) in a manner *mutatis mutandis* to the provisions of Clause 6 to the rights of Senior Creditors (with the substitution of references to "**the Substituted Company**" in place of references to "**the Issuer**").
- 24.3 Any such agreement by the Trustee shall, if so expressed, operate to release the Issuer or any previous Substituted Company as principal debtor from any or all of its obligations under the relevant Notes and Coupons (if any) or any or all of its relevant obligations under this Trust Deed. Not later than 14 days after the execution of any such documents as aforesaid and after compliance with the said requirements of the Trustee, the Trustee shall give notice thereof to the Noteholders in relation to such Series in the manner provided in Condition 13.
- 24.4 Upon the execution of such documents and compliance with the said requirements, the Substituted Company shall be deemed to be named in this Trust Deed in relation to such Series of Notes and on the relevant Notes and Coupons (if any) as the principal debtor in place of the Issuer (or of any previous Substituted Company under this Clause) and insofar as relevant this Trust Deed and the relevant Notes and Coupons (if any) shall be deemed to be amended in such manner as shall be necessary to give effect to the substitution and in relation to such Series of Notes any references in this Trust Deed, the relevant Notes and the relevant Coupons (if any) to the Issuer shall be deemed to be references to the Substituted Company.

25. WINDING UP

- 25.1 In relation to any Series of Notes, in the event of a winding up of the Issuer at any time while any amount or any damages remain owing to the Trustee or the Noteholders or Couponholders (if any) in relation to such Series under this Trust Deed, the Issuer shall indemnify and hold the Trustee harmless against any deficiency arising or resulting from any variation in rates of exchange between (i) the date as of which the equivalent amount denominated in the currency claimed by the Trustee against the relevant specified currency as the case may be due or contingently due under this Trust Deed (other than this Clause 25.1) is calculated for the purpose of such winding up and (ii) the final date or dates for the filing of proofs of claim in such winding up. For the purpose of this Clause 25.1) the final date or dates for the filing of proofs in a winding up of the Issuer shall be the date fixed by the liquidator or otherwise applicable under the relevant provisions of English law as being the latest practicable date as at which liabilities of the Issuer may be ascertained for such winding up prior to payment by the liquidator in respect thereof.
- 25.2 **Provided always that** any claim in respect of the above indemnities shall remain subject to postponement in accordance with Clause 6, the above indemnities shall

constitute separate and independent obligations of the Issuer from its other obligations under this Trust Deed, shall apply irrespective of any indulgence granted by the Trustee from time to time and shall continue in full force and effect notwithstanding the filing of any proof or proofs in such winding up of the Issuer for the liquidated sum or sums in respect of amounts due hereunder (other than under Clause 25.1 hereof). Any such deficiency as aforesaid shall be deemed to constitute a loss suffered by the Trustee, the Noteholders and the Couponholders in relation to such Series of Notes and no proof or evidence of any actual loss shall be required by the Issuer or its liquidator. The amount of such deficiency shall not be deemed to be reduced by any variation in rates of exchange occurring between the said final date or dates and the date of any liquidation distribution.

27. **TRUSTEE'S POWERS ADDITIONAL TO THOSE UNDER GENERAL LAW**

The powers conferred by this Trust Deed upon the Trustee shall be in addition to any powers which may from time to time be vested in it by general law or as the holder of any of the Notes.

28. **FURTHER ISSUES**

For the purposes of permitting the creation and issue of further Notes which are to form a single Series with any Notes for the time being outstanding as envisaged by Condition 15, the Trustee may agree to such modification or supplement of this Trust Deed and the Conditions as it may consider appropriate.

29. **GOVERNING LAW**

This Trust Deed, the Notes and the Coupons and any non contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with the laws of England.

30. **RIGHTS OF THIRD PARTIES**

No person shall have any right to enforce any term or condition of this Trust Deed under the Contracts (Right of Third Parties) Act 1999.

IN WITNESS WHEREOF this Trust Deed has been executed as a deed by the parties hereto and is intended to be and is hereby delivered on the date first above written.

Any reference in this Temporary Global Note to Final Terms shall, in the case of a Tranche of Exempt Notes which is the subject of a Pricing Supplement, be read and construed as a reference to such Pricing Supplement.

Except as specified herein, the bearer of this Temporary Global Note is entitled to the benefit of the Conditions and of the same obligations on the part of the Issuer as if such bearer were the bearer of the Notes represented hereby and to the benefit of those provisions of the Conditions (and the obligations on the part of the Issuer contained therein) applicable specifically to Temporary Global Notes, and all payments under and to the bearer of this Temporary Global Note shall be valid and effective to satisfy and discharge the corresponding liabilities of the Issuer in respect of the Notes.

This Temporary Global Note is issued subject to, and with the benefit of, the Conditions and a Trust Deed dated 28 June 2000 (such Trust Deed as last modified and restated on 30 March 2020 and as further modified and/or restated and/or supplemented from time to time, the "**Trust Deed**") and made between the Issuer and The Law Debenture Trust Corporation p.l.c. as trustee for the holders of the Notes.

This Temporary Global Note is issued pursuant to an Agency Agreement dated 28 June 2000 (such Agency Agreement as last modified and restated on 30 March 2020 and as further modified and/or restated and/or supplemented from time to time, the "**Agency Agreement**") and made between, *inter alios*, the Issuer, HSBC Bank plc in its capacities as principal paying agent, as transfer agent and as registrar (in such capacities, the "**Principal Paying Agent**", the "**Transfer Agent**" and the "**Registrar**" respectively, each of which expressions shall include any successor to HSBC Bank plc in its capacity as such) and the Trustee.

As a New Global Note, the nominal amount of Notes represented by this Temporary Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear Bank SA/NV. and Clearstream Banking S.A. (together the "**relevant Clearing Systems**"). The records of the relevant Clearing Systems (which expression in this Temporary Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customer's interest in the Notes) shall be conclusive evidence of the nominal amount of Notes represented by this Global Note and, for these purposes, a statement issued by a relevant Clearing System stating the nominal amount of Notes represented by this Temporary Global Note at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.

This Temporary Global Note is exchangeable in whole or in part for a permanent global note (the "**Permanent Global Note**") representing the Notes and in substantially the form (subject to completion) set out in Part I(A) of Schedule 1 to the Trust Deed or, if so specified in the Final Terms, for definitive bearer notes ("**Definitive Bearer Notes**") in substantially the form (subject to completion) set out in Part III of Schedule 1 to the Trust Deed. An exchange for a Permanent Global Note or, as the case may be, Definitive Bearer Notes will be made only on or after the Exchange Date specified in the Final Terms and upon presentation or, as the case may be, surrender of this Temporary Global Note to the Principal Paying Agent at its specified office in relation to the Notes and upon and to the extent of delivery to the Principal Paying Agent of a certificate or certificates issued by such Clearing System as may be agreed in the relevant Final Terms and dated on the Exchange Date in substantially the form set out in Annex I hereto regarding certifications received by such clearing system in substantially the form of Annex II hereto. Definitive Bearer Notes will be made available in accordance with the Conditions and the Agency Agreement. Details of payments of interest otherwise

falling due before the Exchange Date shall be entered pro-rata in the records of the ICSDs and such payments will only be made upon or to the extent of delivery to the Principal Paying Agent of a certificate or certificates issued by such Clearing System as may be agreed in the Final Terms and dated on the relevant interest payment date expected to be in substantially the form set out in Annex I hereto.

The bearer of this Temporary Global Note shall not (unless, upon due presentation of this Temporary Global Note for exchange (in whole or in part) for a Permanent Global Note or for delivery of Definitive Bearer Notes such exchange or delivery is improperly withheld or refused and such withholding or refusal is continuing at the relevant payment date) be entitled to receive any payment in respect of the Notes represented by this Temporary Global Note which falls due on or after the Exchange Date or be entitled to exercise any option on a date after the Exchange Date.

On any occasion on which a payment of principal or redemption amount is made in respect of this Temporary Global Note or on which this Temporary Global Note is exchanged in whole or in part as aforesaid or on which Notes represented by this Temporary Global Note are to be cancelled or forfeited, the Issuer shall procure that details of such redemption, payment (or, in the case of a partial payment, the corresponding part thereof), or purchase and cancellation, as the case may be, shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Temporary Global note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled. Such payments will only be made upon or to the extent of delivery to the Principal Paying Agent of a certificate or certificates issued by such Clearing System as may be agreed in the Final Terms and dated on the relevant interest payment date expected to be in substantially the form set out in Annex I hereto.

Payments due in respect of Notes for the time being represented by this Temporary Global Note shall be made to the bearer of this Temporary Global Note and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above shall not affect such discharge.

Insofar as applicable, this Temporary Global Note shall be subject also to those matters set out in "Summary of Provisions Relating to Notes while in Global Form" in the Base Prospectus and the Conditions shall be modified accordingly.

This Temporary Global Note and any non-contractual obligations arising out of or in connection with it are governed by, and will be construed in accordance with, English law.

This Temporary Global Note shall not be valid for any purpose until authenticated for and on behalf of HSBC Bank plc as Principal Paying Agent and, if the applicable Final Terms indicates that this Temporary Global Note is intended to be held in a manner which would allow Eurosystem eligibility, effectuated by the entity appointed as common safekeeper by the relevant Clearing System.

Except as specified herein, the bearer of this Permanent Global Note is entitled to the benefit of the Conditions and of the same obligations on the part of the Issuer as if such bearer were the bearer of the Notes represented hereby and to the benefit of those Conditions (and the obligations on the part of the Issuer contained therein) applicable specifically to Permanent Global Notes, and all payments under and to the bearer of this Permanent Global Note shall be valid and effective to satisfy and discharge the corresponding liabilities of the Issuer in respect of the Notes.

This Permanent Global Note is issued subject to, and with the benefit of, the Conditions and a Trust Deed dated 28 June 2000 (such Trust Deed as last modified and restated on 30 March 2020 and as further modified and/or restated and/or supplemented from time to time, the "**Trust Deed**") and made between the Issuer and The Law Debenture Trust Corporation p.l.c. as trustee for the holders of the Notes.

This Permanent Global Note is issued pursuant to an Agency Agreement dated 28 June 2000 (such Agency Agreement as last modified and restated on 30 March 2020 and as further modified and/or restated and/or supplemented from time to time, the "**Agency Agreement**") and made between, *inter alios*, the Issuer, HSBC Bank plc in its capacities as principal paying agent, as transfer agent and as registrar (in such capacities, the "**Principal Paying Agent**", the "**Transfer Agent**" and the "**Registrar**" respectively, each of which expressions shall include any successor to HSBC Bank plc in its capacity as such) and the Trustee.

As a New Global Note, the nominal amount of Notes represented by this Permanent Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear Bank SA/NV ("**Euroclear**") and Clearstream Banking S.A. ("**Clearstream, Luxembourg**") (together the "**relevant Clearing Systems**"). The records of the relevant Clearing Systems (which expression in this Temporary Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customer's interest in the Notes) shall be conclusive evidence of the nominal amount of Notes represented by this Permanent Global Note and, for these purposes, a statement issued by a relevant Clearing System stating the nominal amount of Notes represented by this Permanent Global Note at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.

This Permanent Global Note is exchangeable in whole but not in part for definitive bearer Notes ("**Definitive Bearer Notes**") in substantially the form (subject to completion) set out in Part III of Schedule 1 to the Trust Deed if (a) the Notes of the relevant Series become immediately repayable in accordance with Condition 9; (b) Euroclear or Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of public holidays) or announces an intention to cease business permanently or in fact does so; (c) if the Issuer so elects, where the Issuer or any Paying Agent, by reason of a change in, or amendment to, the laws of the United Kingdom, is or will be required to make any deduction or withholding from any payment under the Notes which would not be required if such Notes were in definitive form; or (d) if the Issuer so elects, where the Issuer would suffer a material disadvantage in respect of the Notes as a result of a change in the laws or regulations (taxation or otherwise) of any jurisdiction which would not be suffered were the Notes in definitive form, in each case at the cost and expense of the Issuer. The bearer hereof must, not less than 45 days before the date upon which the delivery of such Definitive Bearer Notes, deposit this Permanent Global Note with the Principal Paying Agent at its specified office for the purposes of the Notes with the form of exchange notice endorsed hereon duly completed.

The Issuer may, at any time in writing, waive or limit its right to elect to exchange this Permanent Global Note for Definitive Notes in the circumstances described in (d) above, where the Issuer at its sole discretion considers such limitation or waiver to be desirable in respect of the Notes.

Any Definitive Bearer Notes will be made available for collection by the persons entitled thereto at the specified office of the Principal Paying Agent.

On any occasion on which a payment of principal or redemption amount is made in respect of this Permanent Global Note or on which this Permanent Global Note is exchanged as aforesaid or on which any Notes represented by this Permanent Global Note are to be cancelled or forfeited, the Issuer shall procure that, details of such redemption, payment (or, in the case of partial payment, the corresponding part thereof) or purchase and cancellation (as the case may be) shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Permanent Global Note shall be reduced by the aggregate principal amount of the Notes so redeemed or purchased and cancelled.

Insofar as the Temporary Global Note by which the Notes were initially represented has been exchanged in part only for this Permanent Global Note and is then to be further exchanged as to the remaining principal amount or part thereof for this Global Note, then the Issuer shall procure that details of such exchange shall be entered in the records of the relevant Clearing Systems.

Payments due in respect of Notes for the time being represented by this Permanent Global Note shall be made to the bearer of this Permanent Global Note and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above shall not affect such discharge.

In certain circumstances, further notes may be issued which are intended on issue to be consolidated and form a single Series with the Notes. In such circumstances, the Issuer shall procure that details of such further notes may be entered in the records of the relevant Clearing Systems such that the nominal amount of the Notes represented by this Permanent Global Note may be increased by the amount of such further notes so issued.

Insofar as applicable, this Permanent Global Note shall be subject also to those matters set out in "Summary of Provisions Relating to Notes while in Global Form" in the Base Prospectus and the Conditions shall be modified accordingly.

This Permanent Global Note and any non-contractual obligations arising out of or in connection with it are governed by, and will be construed in accordance with, English law.

Except as specified herein, the bearer of this Temporary Global Note is entitled to the benefit of the Conditions and of the same obligations on the part of the Issuer as if such bearer were the bearer of the Notes represented hereby and to the benefit of those provisions of the Conditions (and the obligations on the part of the Issuer contained therein) applicable specifically to Temporary Global Notes, and all payments under and to the bearer of this Temporary Global Note shall be valid and effective to satisfy and discharge the corresponding liabilities of the Issuer in respect of the Notes.

This Temporary Global Note is issued subject to, and with the benefit of, the Conditions and a Trust Deed dated 28 June 2000 (such Trust Deed as last modified and restated on 30 March 2020 and as further modified and/or restated and/or supplemented from time to time, the "**Trust Deed**") and made between the Issuer and The Law Debenture Trust Corporation p.l.c. as trustee for the holders of the Notes.

This Temporary Global Note is issued pursuant to an Agency Agreement dated 28 June 2000 (such Agency Agreement as last modified and restated on 30 March 2020 and as further modified and/or restated and/or supplemented from time to time, the "**Agency Agreement**") and made between, *inter alios*, the Issuer, HSBC Bank plc in its capacities as principal paying agent, as transfer agent and as registrar (in such capacities, the "**Principal Paying Agent**", the "**Transfer Agent**" and the "**Registrar**" respectively, each of which expressions shall include any successor to HSBC Bank plc in its capacity as such) and the Trustee.

This Temporary Global Note is exchangeable in whole or in part for a permanent global note (the "**Permanent Global Note**") representing the Notes and in substantially the form (subject to completion) set out in Part II of Schedule 1 to the Trust Deed or, if so specified in the Final Terms, for definitive bearer notes ("**Definitive Bearer Notes**") in substantially the form (subject to completion) set out in Part III of Schedule 1 to the Trust Deed. An exchange for a Permanent Global Note or, as the case may be, Definitive Bearer Notes will be made only on or after the Exchange Date specified in the Final Terms and upon presentation or, as the case may be, surrender of this Temporary Global Note to the Principal Paying Agent at its specified office in relation to the Notes and upon and to the extent of delivery to the Principal Paying Agent of a certificate or certificates issued by such Clearing System as may be agreed in the relevant Final Terms and dated not earlier than the Exchange Date in substantially the form set out in Annex I hereto regarding certifications received by such clearing system substantially in the form of Annex II hereto. Definitive Bearer Notes will be made available in accordance with the Conditions and the Agency Agreement. Payments of interest otherwise falling due before the Exchange Date will be made only upon presentation of this Temporary Global Note to the Principal Paying Agent at its specified office in relation to the Notes and upon or to the extent of delivery to the Principal Paying Agent of a certificate or certificates issued by such Clearing System as may be agreed in the Final Terms and dated on the relevant interest payment date expected to be in substantially the form set out in Annex I hereto.

The bearer of this Temporary Global Note shall not (unless, upon due presentation of this Temporary Global Note for exchange (in whole or in part) for a Permanent Global Note or for delivery of Definitive Bearer Notes such exchange or delivery is improperly withheld or refused and such withholding or refusal is continuing at the relevant payment date) be entitled to receive any payment in respect of the Notes represented by this Temporary Global Note which falls due on or after the Exchange Date or be entitled to exercise any option on a date after the Exchange Date.

On any occasion on which a payment of interest is made in respect of this Temporary Global Note, the Issuer shall procure that the same is noted on Schedule I hereto.

On any occasion on which a payment of principal or redemption amount is made in respect of this Temporary Global Note or on which this Temporary Global Note is exchanged in whole or in part as aforesaid or on which Notes represented by this Temporary Global Note are to be cancelled or forfeited, the Issuer shall procure that (i) the aggregate principal amount of the Notes in respect of which such payment is made (or, in the case of a partial payment, the corresponding part thereof) or which are delivered in definitive or registered form or which are to be exchanged for a Permanent Global Note or which are to be cancelled or forfeited and (ii) the remaining principal amount of this Temporary Global Note (which shall be the previous principal amount hereof less the amount referred to at (i) above) are noted on Schedule II hereto, whereupon the principal amount of this Temporary Global Note shall for all purposes be as most recently so noted.

Insofar as applicable, this Temporary Global Note shall be subject also to those matters set out in "Summary of Provisions Relating to Notes while in Global Form" in the Base Prospectus and the Conditions shall be modified accordingly.

This Temporary Global Note and any non-contractual obligations arising out of or in connection with it are governed by, and will be construed in accordance with, English law.

Except as specified herein, the bearer of this Permanent Global Note is entitled to the benefit of the Conditions and of the same obligations on the part of the Issuer as if such bearer were the bearer of the Notes represented hereby and to the benefit of those Conditions (and the obligations on the part of the Issuer contained therein) applicable specifically to Permanent Global Notes, and all payments under and to the bearer of this Permanent Global Note shall be valid and effective to satisfy and discharge the corresponding liabilities of the Issuer in respect of the Notes.

This Permanent Global Note is issued subject to, and with the benefit of, the Conditions and a Trust Deed dated 28 June 2000 (such Trust Deed as last modified and restated on 30 March 2020 and as further modified and/or restated and/or supplemented from time to time, the "**Trust Deed**") and made between the Issuer and The Law Debenture Trust Corporation p.l.c. as trustee for the holders of the Notes.

This Permanent Global Note is issued pursuant to an Agency Agreement dated 28 June 2000 (such Agency Agreement as last modified and restated on 30 March 2020 and as further modified and/or restated and/or supplemented from time to time, the "**Agency Agreement**") and made between, *inter alios*, the Issuer, HSBC Bank plc in its capacities as principal paying agent, as transfer agent and as registrar (in such capacities, the "**Principal Paying Agent**", the "**Transfer Agent**" and the "**Registrar**" respectively, each of which expressions shall include any successor to HSBC Bank plc in its capacity as such) and the Trustee.

This Permanent Global Note is exchangeable in whole but not in part for definitive bearer Notes ("**Definitive Bearer Notes**") in substantially the form (subject to completion) set out in Part III of Schedule 1 to the Trust Deed if (a) the Notes of the relevant Series become immediately repayable in accordance with Condition 9; (b) Euroclear Bank SA/NV as operator of the Euroclear System ("**Euroclear**") or Clearstream Banking S.A. or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of public holidays) or announces an intention to cease business permanently or in fact does so; or (c) if the Issuer so elects, where the Issuer or any Paying Agent, by reason of a change in, or amendment to, the laws of the United Kingdom, is or will be required to make any deduction or withholding from any payment under the Notes which would not be required if such Notes were in definitive form; or (d) if the Issuer so elects, where the Issuer would suffer a material disadvantage in respect of the Notes as a result of a change in the laws or regulations (taxation or otherwise) of any jurisdiction which would not be suffered were the Notes in definitive form, in each case at the cost and expense of the Issuer. The bearer hereof must, not less than 45 days before the date upon which the delivery of such Definitive Bearer Notes, deposit this Permanent Global Note with the Principal Paying Agent at its specified office for the purposes of the Notes with the form of exchange notice endorsed hereon duly completed.

The Issuer may, at any time in writing, waive or limit its right to elect to exchange this Permanent Global Note for Definitive Notes in the circumstances described in (d) above, where the Issuer at its sole discretion considers such limitation or waiver to be desirable in respect of the Notes.

Any Definitive Bearer Notes will be made available for collection by the persons entitled thereto at the specified office of the Principal Paying Agent.

On any occasion on which a payment of interest is made in respect of this Permanent Global Note, the Issuer shall procure that the same is noted on Schedule I hereto.

On any occasion on which a payment of principal or redemption amount is made in respect of this Permanent Global Note or on which this Permanent Global Note is exchanged as aforesaid or on which any Notes represented by this Permanent Global Note are to be cancelled or forfeited, the Issuer shall procure that (i) the aggregate principal amount of the Notes in respect of which such payment is made (or, in the case of a partial payment, the corresponding part thereof) or which are delivered in definitive or registered form or which are to be cancelled or forfeited and (ii) the remaining principal amount of this Permanent Global Note (which shall be the previous principal amount hereof less the amount referred to at (i) above) are noted on Schedule II hereto, whereupon the principal amount of this Permanent Global Note shall for all purposes be as most recently so noted.

Insofar as the Temporary Global Note by which the Notes were initially represented has been exchanged in part only for this Permanent Global Note and is then to be further exchanged as to the remaining principal amount or part thereof for this Global Note, then upon presentation of this Permanent Global Note to the Principal Paying Agent at its specified office in relation to the Notes and to the extent that the aggregate principal amount of such Temporary Global Note is then reduced by reason of such further exchange, the Issuer shall procure that (i) the aggregate principal amount of the Notes in respect of which such further exchange is then made and (ii) the new principal amount of this Permanent Global Note (which shall be the previous principal amount hereof plus the amount referred to at (i) above) are noted on Schedule II hereto, whereupon the principal amount of this Permanent Global Note shall for all purposes be as most recently noted.

Insofar as applicable, this Permanent Global Note shall be subject also to those matters set out in "Summary of Provisions Relating to Notes while in Global Form" in the Base Prospectus and the Conditions shall be modified accordingly.

This Permanent Global Note and any non-contractual obligation arising out of or in connection with it are governed by, and will be construed in accordance with, English law.

This Permanent Global Note shall not be valid for any purpose until authenticated for and on behalf of HSBC Bank plc as principal paying agent.

The Issuer for value received promises all in accordance with the Conditions attached hereto and the Final Terms to pay to [CEDE & Co.] as the registered holder (the "**Holder**") of Notes represented by this Global Registered Note, on [*maturity date*] or on such earlier date as the same may become repayable in accordance with the Conditions, the principal sum as is noted at the time of payment on the Register of the Registrar as the principal sum hereof or such other redemption amount as may be specified therein and to pay interest and all other amounts as may be payable in accordance with the Conditions, all subject to and in accordance with the Conditions.

Except as permitted by the terms of the following paragraphs, transfers of this Global Registered Note shall be limited to transfers in whole, but not in part, to nominees of DTC or to a successor of DTC or such successor's nominee.

This Global Registered Note will become exchangeable, in whole but not in part, in accordance with the requirements hereof, for US Definitive Registered Notes, without Coupons attached, if:

- (a) DTC notifies the Issuer that it is no longer willing or able to discharge properly its responsibilities as depository with respect to this Global Registered Note or ceases to be a "clearing agency" registered under the United States Securities Exchange Act of 1934, or is at any time no longer eligible to act as such, and the Issuer is unable to locate a qualified successor within 90 days of receiving notice of such ineligibility on the part of DTC; or
- (b) the Issuer, at its option, elects to terminate the book-entry system through DTC; or
- (c) the Notes become immediately repayable in accordance with Condition 9; or
- (d) if so specified in the Final Terms, the Holder of this Global Registered Note requests that such interest be exchanged for US Definitive Registered Notes, in all cases at the cost and expense of the Issuer.

Such US Definitive Registered Notes shall be registered in such names as DTC shall direct in writing. The Issuer shall procure that the Registrar will give notice in accordance with this Global Registered Note of the occurrence of any of the events specified above as soon as practicable thereafter.

Whenever this Global Registered Note is to be exchanged for US Definitive Registered Notes, the Issuer shall procure the prompt delivery of such US Definitive Registered Notes to the Registrar (and in any event within five Relevant Banking Days) of receipt by the Registrar or any Transfer Agent of this Global Registered Note, the certification described in the next succeeding sentence and any further information required to authenticate and deliver such US Definitive Registered Notes against the surrender by DTC or its Custodian of this Global Registered Note at the specified office of the Registrar or any Transfer Agent, all in accordance with the provisions of the Agency Agreement and, in particular, the regulations concerning the transfer, exchange and registration of the Notes set out in Schedule 2 thereto.

In order to receive the US Definitive Registered Note(s) registered in his name, each person having a beneficial interest in this Global Registered Note must provide the Registrar with a fully completed, signed certification substantially to the effect that the exchanging holder is not transferring its interest at the time of such exchange or, in the case of simultaneous sale

pursuant to Rule 144A, a certification that the transfer is being made in compliance with the provisions of Rule 144A. Any US Definitive Registered Note delivered in exchange for an interest in this Global Registered Note shall, except as otherwise provided by clause 12.11 of the Agency Agreement, bear the legend regarding transfer restrictions applicable to this Note set forth on the face of this Note.

Exchange of beneficial interests in this Rule 144A Global Registered Note for US Definitive Registered Notes, will be effected without charge to the holder or the transferee thereof, but against such indemnity as the Registrar or the relevant Transfer Agent may require in respect of any tax or other duty of whatever nature which may be levied or imposed in connection therewith.

The US Definitive Registered Notes delivered pursuant to the terms hereof shall be in substantially the form (subject to completion) set out in Part IX of Schedule 1 to the Trust Deed and shall be subject to the Conditions.

On each occasion on which:

- (a) a payment of principal or redemption amount is made in respect of this Global Registered Note; or
- (b) US Definitive Registered Notes are delivered; or
- (c) Notes represented by this Global Registered Note are to be cancelled in accordance with the Conditions,

the Issuer shall procure that the aggregate principal amount of such Registered Notes or of the Registered Notes to which such payment relates and the remaining principal amount of this Global Registered Note (which shall be the previous principal amount hereof *less* the aggregate principal amount of such Registered Notes or of the Registered Notes to which such payment relates) are noted in Schedule I hereto and in the Register relating to the Notes, whereupon the principal amount of this Global Registered Note shall for all purposes be as most recently so noted.

All payments in respect of this Global Registered Note shall be made against presentation and (in the case of payment of principal in full [with all interest accrued thereon]) surrender of this Global Registered Note at the specified office of the Registrar and shall be effective to satisfy and discharge the corresponding liabilities of the Issuer in respect of the Notes. [Payments of interest in respect of this Global Registered Note shall be made to the Holder of this Global Registered Note in accordance with the Conditions.] On each occasion on which a payment of [interest and/or] principal is made in respect of this Global Registered Note, the Issuer shall procure that the same is noted in Schedule I hereto and, in the case of a payment of principal, that the aggregate principal amount of this Global Registered Note is decreased accordingly. Notwithstanding Condition 8(b), each payment in respect of this Global Registered Note shall be made to the person shown in the Register as the registered holder of the Notes represented by this Global Registered Note at the close of business (in the relevant clearing system) on the Clearing System Business Day before the due date for such payment (the "**Record Date**") where the "**Clearing System Business Day**" means a day on which each clearing system for which the Global Registered Note is being held is open for business.

Until the whole of this Global Registered Note has been exchanged or (as the case may be) transferred to a transferee who has requested that the Registered Notes in respect of which he is the beneficial holder shall be represented by US Definitive Registered Notes as provided herein or cancelled in accordance with the Agency Agreement, the registered holder of this Global Registered Note shall be subject to the Conditions and, subject as herein or in the Trust Deed otherwise provided, shall be entitled to the same rights and benefits under the Conditions as if the registered holder were the Holder (as defined in the Conditions) of the US Definitive Registered Notes represented by the relevant part of this Global Registered Note.

Notwithstanding Condition 13, while this Global Registered Note is held on behalf of DTC or any other clearing system (the "**Alternative Clearing System**") notices may be delivered to DTC or, as the case may be, the Alternative Clearing System, and any such notice shall be deemed to have been given to the Holders in accordance with Condition 13 on the date of delivery to DTC or, as the case may be, the Alternative Clearing System and each Agent; **provided, however, that** so long as the Notes are Listed Notes, notices shall also be published as the FCA (or any other competent authority, stock exchange and/or quotation system on which such Listed Notes have been admitted to listing, trading and/or quotation) may require.

Insofar as applicable, this Global Registered Note shall be subject also to those matters set out in "Summary of Provisions Relating to Notes while in Global Form" in the Base Prospectus and the Conditions shall be modified accordingly.

The statements set forth in the legend, if any, set forth above are an integral part of the terms of this Note and by acceptance hereof each Holder of this Note agrees to be subject to and bound by the terms and provisions set forth in such legend, if any.

This Global Registered Note and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law.

²⁶ Insert only where the Notes are issued with original issue discount for US tax purposes.

The Notes are in registered form in denominations of [] and integral multiples thereof.

The Issuer for value received promises all in accordance with the Conditions attached hereto and the Final Terms to pay to [CEDE & Co.] as the registered holder (the "**Holder**") of Notes represented by this Restricted Global Registered Note on [maturity date] or on such earlier date as the same may become repayable in accordance with the Conditions the principal sum as is noted at the time of payment on the Register of the Registrar as the principal sum hereof or such other redemption amount as may be specified therein and to pay interest and all other amounts as may payable in accordance with the Conditions, all subject to and in accordance with the Conditions.

Except as permitted by the terms of the following paragraphs, transfers of this Restricted Global Registered Note shall be limited to transfers in whole, but not in part, to nominees of DTC or to a successor of DTC or such successor's nominee.

This Restricted Global Registered Note will become exchangeable, in whole but not in part, in accordance with the requirements hereof, for US Definitive Registered Notes, without Coupons attached, if:

- (a) DTC notifies the Issuer that it is no longer willing or able to discharge properly its responsibilities as depositary with respect to this Restricted Global Registered Note or ceases to be a "clearing agency" registered under the United States Securities Exchange Act of 1934, or is at any time no longer eligible to act as such, and the Issuer is unable to locate a qualified successor within 90 days of receiving notice of such ineligibility on the part of the DTC; or
- (b) the Issuer, at its option, elects to terminate the book-entry system through DTC; or
- (c) the Notes become immediately repayable in accordance with Condition 9; or
- (d) if so specified in the Final Terms, the Holder of this Restricted Global Registered Note requests that such interest be exchanged for US Definitive Registered Notes,

in all cases at the cost and expense of the Issuer.

Such US Definitive Registered Notes shall be registered in such names as DTC shall direct in writing. The Issuer shall procure that the Registrar will give notice in accordance with this Registered Global Registered Note of the occurrence of any of the events specified above as soon as practicable thereafter.

If the Unrestricted Global Registered Note relating to the Series or (if issued in Tranches) Tranche of which this Restricted Global Registered Note forms a part has, pursuant to its terms, been exchanged in whole, and not in part, for Regulation S Definitive Registered Notes, interests in this Restricted Global Registered Note may, in accordance with the requirements hereof, be transferred to a person who wishes to take delivery thereof in the form of a Regulation S Definitive Registered Note. Such Regulation S Definitive Registered Notes shall be registered in such name(s) as DTC shall direct in writing.

Upon (i) notification to the Registrar by the Custodian of the Restricted Global Registered Note for DTC that the appropriate debit entry has been made in the account of the relevant participant of DTC and (ii) receipt by the Registrar of a certificate in the form of Schedule 4 to the Agency Agreement given by the transferee of the beneficial interest in the Restricted

Global Registered Note and stating that the transfer of such interest has been made in compliance with the transfer restrictions applicable to the Notes and pursuant to and in accordance with Regulation S under the Securities Act, the Issuer shall procure that the Registrar will (against presentation by DTC or the Custodian, of this Restricted Global Registered Note at the specified office of the Registrar or the Transfer Agent, all in accordance with the provisions of the Agency Agreement and, in particular, the regulations concerning the transfer, exchange and registration of Notes set out in Schedule 2 thereto) decrease the aggregate principal amount of Notes registered in the name of the Holder of, and represented by, this Restricted Global Registered Note and shall, without charge, procure, in exchange therefor, the delivery, within five Relevant Banking Days of the receipt by the Registrar of this Restricted Global Registered Note of the notification and certification referred to in paragraphs (i) and (ii) of this paragraph and registration information required to authenticate and deliver such Regulation S Definitive Registered Notes, of an equal aggregate principal amount of duly authenticated and completed Regulation S Definitive Registered Notes substantially in the form (subject to completion) scheduled to the Trust Deed.

If a holder of a beneficial interest in the Notes evidenced by this Restricted Global Registered Note wishes at any time to transfer such beneficial interest to a person who wishes to take delivery thereof in the form of a beneficial interest in the Unrestricted Global Registered Note of the same Series or (if issued in Tranches) Tranche such holder may transfer such beneficial interest in accordance with the rules and operating procedures of DTC, Euroclear and Clearstream, Luxembourg. Upon (a) notification to the Registrar by the custodian of the Restricted Global Registered Note for DTC and the common depository of the Unrestricted Global Registered Note for Euroclear and Clearstream, Luxembourg that the appropriate debit and credit entries have been made in the accounts of the relevant participants of DTC, Euroclear and Clearstream, Luxembourg and (b) receipt by the Registrar of a certificate in the form of Schedule 4 to the Agency Agreement given by the holder of such beneficial interest and stating that the transfer of such interest has been made in compliance with the transfer restrictions applicable to the Notes and pursuant to and in accordance with Regulation S, the Issuer shall procure that the Registrar will decrease the aggregate principal amount of Notes registered in the name of the Holder of, and represented by, this Restricted Global Registered Note, and increase the aggregate principal amount of Notes registered in the name of the registered holder for the time being of, and represented by, the Unrestricted Global Registered Note.

Whenever this Restricted Global Registered Note is to be exchanged for US Definitive Registered Notes, the Issuer shall procure the prompt delivery of such US Definitive Registered Notes to the Registrar (and in any event within five Banking Days (as defined in the Agency Agreement) of receipt by the Registrar or any Transfer Agent, of this Restricted Global Registered Note, the certification described in the next succeeding sentence and any further information required to authenticate and deliver such US Definitive Registered Notes) against the surrender by DTC or the Custodian of this Restricted Global Registered Note at the specified office of the Registrar or such Transfer Agent, all in accordance with the provisions of the Agency Agreement and, in particular, the regulations concerning the transfer, exchange and registration of the Notes set out in Schedule 2 thereto.

In order to receive the US Definitive Registered Note(s) registered in his name, each person having a beneficial interest in this Restricted Global Registered Note must provide the Registrar with a fully completed, signed certification substantially to the effect that the exchanging holder is not transferring its interest at the time of such exchange or, in the case

of simultaneous sale pursuant to Rule 144A, a certification that the transfer is being made in compliance with the provisions of Rule 144A. Any US Definitive Registered Note delivered in exchange for an interest in this Restricted Global Registered Note shall, except as otherwise provided by clause 12.11 of the Agency Agreement, bear the legend regarding transfer restrictions applicable to this Note set forth on the face of this Note.

Exchange of beneficial interests in this Restricted Global Registered Note for US Definitive Registered Notes or beneficial interests in the Unrestricted Global Registered Note will be effected without charge to the holder or the transferee thereof, but against such indemnity as the Registrar or the relevant Transfer Agent may require in respect of any tax or other duty of whatever nature which may be levied or imposed in connection with such registration or transfer.

- (a) The US Definitive Registered Notes, delivered in accordance with the terms hereof, shall be in substantially the form scheduled to the Trust Deed and shall be subject to the Conditions; and
- (b) the Regulation S Definitive Registered Notes, delivered in accordance with the terms hereof, shall be in substantially the form scheduled to the Trust Deed and shall be subject to the Conditions.

On each occasion on which:

- (a) a payment of [principal/redemption amount] is made in respect of this Restricted Global Registered Note;
- (b) US Definitive Registered Notes or Regulation S Definitive Registered Notes are delivered;
- (c) Notes represented by this Restricted Global Registered Note are to be exchanged for interests in an Unrestricted Global Registered Note in accordance with provisions of this Restricted Global Registered Note; or
- (d) Notes represented by this Restricted Global Registered Note are to be cancelled in accordance with the Conditions,

the Issuer shall procure that the aggregate principal amount of such Registered Notes or of the Registered Notes to which such payment relates and the remaining principal amount of this Restricted Global Registered Note (which shall be the previous principal amount hereof *less* the aggregate principal amount of such Registered Notes or of the Registered Notes to which such payment relates) are noted in Schedule I hereto and in the Register relating to the Notes, whereupon the principal amount of this Restricted Global Registered Note shall for all purposes be as most recently so noted.

If this Restricted Global Registered Note was originally issued in exchange for part only of an Unrestricted Global Registered Note representing the Notes, then, if at any time any further portion of such Unrestricted Global Registered Note is exchanged for an interest in this Restricted Global Registered Note, the principal amount of this Restricted Global Registered Note shall be increased by the amount of such further portion, and the Issuer shall procure that the principal amount of this Restricted Global Registered Note (which shall be the previous principal amount hereof *plus* the amount of such further portion) is noted in

Schedule I hereto and in the Register relating to the Notes, whereupon the principal amount of this Restricted Global Registered Note shall for all purposes be as most recently so noted. On each occasion on which Regulation S Definitive Registered Notes are, in accordance with the provisions of the Agency Agreement and of such Definitive Registered Notes, exchanged for, or transferred to a person who takes delivery thereof in the form of, an interest in this Restricted Global Registered Note, the Issuer shall procure that the principal amount of this Restricted Global Registered Note (which shall be the previous principal amount hereof *plus* the amount of such Regulation S Definitive Registered Notes, as the case may be) is noted in Schedule I hereto and in the Register relating to the Notes, whereupon the principal amount of this Restricted Global Registered Note shall for all purposes be as most recently so noted.

All payments in respect of this Restricted Global Registered Note shall be made against presentation and (in the case of payment of principal in full [with all interest accrued thereon]) surrender of this Restricted Global Registered Note at the Specified Office of the Registrar and shall be effective to satisfy and discharge the corresponding liabilities of the Issuer in respect of the Notes. [Payments of interest in respect of this Restricted Global Registered Note shall be made to the Holder of this Restricted Global Registered Note in accordance with the Conditions.] On each occasion on which a payment [of interest and/or] principal is made in respect of this Restricted Global Registered Note, the Issuer shall procure that the same is noted in Schedule I hereto and in the case of a payment of principal, that the aggregate principal amount of this Restricted Global Registered Note is decreased accordingly. Notwithstanding Condition 8(b), each payment in respect of this Global Registered Note shall be made to the person shown in the Register as the registered holder of the Notes represented by this Global Registered Note at the close of business (in the relevant clearing system) on the Clearing System Business Day before the due date for such payment (the "**Record Date**") where the "**Clearing System Business Day**" means a day on which each clearing system for which the Global Registered Note is being held is open for business.

Until the whole of this Restricted Global Registered Note has been exchanged or (as the case may be) transferred to a transferee who has requested that the Registered Notes in respect of which he is the beneficial holder shall be represented by US Definitive Registered Notes or Regulation S Definitive Registered Notes, as the case may be, or an interest in an Unrestricted Global Registered Note as provided herein or cancelled in accordance with the Agency Agreement, the registered holder of this Restricted Global Registered Note shall be subject to the Conditions and, subject as herein otherwise or in the Trust Deed provided, shall be entitled to the same rights and benefits under the Conditions as if the registered holder were the Holder (as defined in the Conditions) of the US Definitive Registered Notes or Regulation S Definitive Registered Notes, as the case may be, represented by the relevant part of this Restricted Global Registered Note.

Notwithstanding Condition 13, while this Restricted Global Registered Note is held on behalf of DTC or any other clearing system (the "**Alternative Clearing System**") notices may be delivered to DTC or, as the case may be, the Alternative Clearing System, and any such notice shall be deemed to have been given to the Holders in accordance with Condition 13 on the date of delivery to DTC or, as the case may be, the Alternative Clearing System and each Agent; **provided, however, that** so long as the Notes are Listed Notes, notices shall also be published as the FCA (or any other competent authority, stock exchange and/or quotation system on which such Listed Notes have been admitted to listing, trading and/or quotation) may require.

Insofar as applicable, this Global Registered Note shall be subject also to those matters set out in "Summary of Provisions Relating to Notes while in Global Form" in the Base Prospectus and the Conditions shall be modified accordingly.

The statements set forth in the legend, if any, set forth above are an integral part of the terms of this Note and by acceptance hereof each Holder of this Note agrees to be subject to and bound by the terms and provisions set forth in such legend, if any.

This Restricted Global Registered Note and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law.

The nominal amount of the Notes represented by this Permanent SIS Global Note shall be the aggregate amount from time to time entered in the records of SIX SIS AG ("**SIS**", which expression shall include any other clearing institution recognised by the SIX Swiss Exchange). The records of SIS (which expression in this Permanent SIS Global Note means the records that SIS holds for its customers which reflect the amount of such customer's interest in the Notes) shall be conclusive evidence of the nominal amount of Notes represented by this Permanent SIS Global Note and, for these purposes, a statement issued by SIS stating the nominal amount of Notes represented by this Permanent SIS Global Note at any time shall be conclusive evidence of the records of SIS at that time.

This Permanent SIS Global Note is exchangeable in whole but not in part for definitive bearer Notes ("**Definitive Bearer Notes**") in substantially the form (subject to completion) set out in Part III of Schedule 1 to the Trust Deed if (a) the Notes of the relevant Series become immediately repayable in accordance with Condition 9; (b) SIS or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of public holidays) or announces an intention to cease business permanently or in fact does so; (c) the Issuer or any Paying Agent in Switzerland, by reason of any change in, or amendment to, the laws of the United Kingdom, is or will be required to make any deduction or withholding from any payment under the Notes which would not be required if such Notes were in definitive form, at the cost and expense of the Issuer or (d) the Swiss Principal Paying Agent deems the printing of Definitive Bearer Notes to be necessary, after consultation with the Issuer, or if, under Swiss or any other applicable laws and regulations, the enforcement of obligations under the Notes can only be ensured by means of Definitive Bearer Notes. In

order to exercise such option, the bearer hereof must, not less than 45 days before the date upon which the delivery of such Definitive Bearer Notes, deposit this Permanent SIS Global Note with the Swiss Principal Paying Agent at its specified office for the purposes of the Notes with the form of exchange notice endorsed hereon duly completed.

Any Definitive Bearer Notes will be made available for collection by the persons entitled thereto at the specified office of the Swiss Principal Paying Agent.

On any occasion on which a payment of principal or redemption amount is made in respect of this Permanent SIS Global Note or on which this Permanent SIS Global Note is exchanged as aforesaid or on which any Notes represented by this Permanent SIS Global Note are to be cancelled or forfeited, the Issuer shall procure that (i) details of such redemption, payment (or, in the case of partial payment, the corresponding part thereof) or purchase and cancellation (as the case may be) shall be noted electronically in the records of SIS, and (ii) upon any such entry being made, the nominal amount of the Notes noted electronically in the records of SIS and represented by this Permanent SIS Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled.

Payments due in respect of Notes for the time being represented by this Permanent SIS Global Note shall be made to the Swiss Principal Paying Agent and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above shall not affect such discharge.

No payment of interest or principal in respect of this Permanent SIS Global Note shall be made within the United States or its possessions.

So long as the Notes are listed on the SIX Swiss Exchange and so long as the rules of the SIX Swiss Exchange so require, all notices in respect of the Notes will be validly given through the Swiss Principal Paying Agent (i) by means of electronic publication on the internet website of the SIX Swiss Exchange (www.six-swiss-exchange.com/news/official_notices/search_en.html), or (ii) by publication in a daily newspaper with national circulation in Switzerland, (expected to be the "*Neue Zürcher Zeitung*") or (iii) otherwise in accordance with the regulations of the SIX Swiss Exchange. Condition 13 shall be construed accordingly.

Insofar as applicable, this Permanent SIS Global Note shall be subject also to those matters set out in "**Summary of Provisions Relating to Notes while in Global Form**" in the Base Prospectus and the Conditions shall be modified accordingly.

This Permanent SIS Global Note and any non-contractual obligation arising out of or in connection with it are governed by, and will be construed in accordance with, English law.

TERMS AND CONDITIONS OF THE NOTES

This Note is one of a Series of Notes (the "**Notes**") issued pursuant to the debt issuance programme (the "**Programme**") established by HSBC Holdings plc (the "**Issuer**") and is constituted by and issued subject to and with the benefit of a Trust Deed dated 28 June 2000 (such Trust Deed as last modified and restated on or about 30 March 2020 and as further modified and/or supplemented and/or restated from time to time, the "**Trust Deed**") made between the Issuer and The Law Debenture Trust Corporation p.l.c. (the "**Trustee**" which expression shall wherever the context so admits include its successors) and has the benefit of an Agency Agreement dated 28 June 2000 (such Agency Agreement as last modified and restated on or about 30 March 2020 and as further modified and/or supplemented and/or restated from time to time, the "**Agency Agreement**") each made between, amongst others, the Issuer, the Principal Paying Agent (the "**Principal Paying Agent**" which expression shall wherever the context so admits include its successors as such, and, together with any successor or additional paying agent appointed in respect of the Notes, the "**Paying Agents**", which expression shall wherever the context so admits include any successor and/or additional paying agents), the Registrar (the "**Registrar**" which expression shall wherever the context so admits include any successor or additional person appointed as such in respect of the Notes), the Transfer Agent (the "**Transfer Agents**", which expression shall wherever the context so admits include any successor or additional person appointed as such in respect of the Notes), the Calculation Agent (the "**Calculation Agent**" which expression shall wherever the context so admits include any successor or other person appointed as such in respect of the Notes or any Series of Notes) each named therein and the Trustee. The initial Principal Paying Agent, the initial Registrar and (if applicable) the initial Calculation Agent are as named herein. The Trustee shall exercise the duties, power, trusts, authorities and discretions vested in it by the Trust Deed separately in relation to each Series of Notes in accordance with the provisions of the Trust Deed. Copies of the Trust Deed and the Agency Agreement are available for inspection during normal business hours by prior arrangement at the registered office for the time being of the Trustee and at the specified office of each of the Principal Paying Agent, the other Paying Agents (if any), the Registrar and the Transfer Agents appointed from time to time pursuant to the terms of the Agency Agreement. The Holders (as defined in Condition 1(e) (*Title*)) for the time being of Notes (the "**Noteholders**") and of any coupons ("**Coupons**") or talons ("**Talons**") (the "**Couponholders**") are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and the Agency Agreement applicable to them. Certain provisions of these Conditions are summaries of the Trust Deed and the Agency Agreement and are subject to their detailed provisions.

References in these terms and conditions (the "**Conditions**") to "Notes" shall, where the context so requires include the temporary global Notes, the permanent global Notes, subordinated Notes ("**Subordinated Notes**"), Notes which are not subordinated and such other Notes as may from time to time be issued under the Programme, as the case may be, and the term "**Notes**" includes debt instruments, by whatever name called, issued under the Programme. All Notes will be issued in series (each, a "**Series**") and each Series may comprise one or more tranches (each, a "**Tranche**") of Notes. Each Tranche will be the subject of a Final Terms (the "**Final Terms**"), a copy of which will be attached to or incorporated by reference in each Note of such Tranche, **provided that** in the case of a Tranche of Exempt Notes which is the subject of a pricing supplement (a "**Pricing Supplement**"), each reference to Final Terms or to information being specified or identified in the relevant Final Terms shall be read and construed as a reference to the Pricing Supplement or to such information being specified or identified in the relevant Pricing Supplement, unless the context requires otherwise. Subject as set out in the relevant Final Terms, all Notes issued pursuant to the Programme on the same date, denominated in the same currency, having the same maturity date, bearing interest, if any, on the same basis and issued on identical terms will constitute one Tranche of Notes.

Words and expressions defined or used in the Final Terms relating to a Tranche of Notes shall have the same meanings where used in these Conditions unless the context otherwise requires.

Any defined terms not defined in Condition 19 (*Definitions*) have the meaning given to them elsewhere in the Conditions or the Final Terms (as applicable).

1. **Form, Denomination and Title**

(a) **Form**

Notes are issued in bearer form ("**Bearer Notes**") or in registered form ("**Registered Notes**") as set out in the relevant Final Terms.

(b) ***Form of Bearer Notes***

Bearer Notes will be in substantially the relevant form (subject to amendment and completion) scheduled to the Trust Deed or in such other form as from time to time may be agreed. Interest-bearing Bearer Notes will, if so specified in the relevant Final Terms, have attached at the time of their initial delivery Coupons, presentation of which will be a prerequisite to the payment of interest in certain circumstances specified below. Interest-bearing Bearer Notes will also, if so specified in the relevant Final Terms, have attached at the time of their initial delivery a Talon exchangeable for further Coupons and the expression "Coupons" shall, where the context so requires, include Talons.

(c) ***Form of Registered Notes***

Registered Notes will be in substantially the relevant form (subject to amendment and completion) scheduled to the Trust Deed or in such other form as may from time to time be agreed. A single Registered Note will be issued to each Holder of Registered Notes in respect of its registered holding. Each Registered Note will be numbered serially with an identifying number which will be recorded in the Register.

(d) ***Denomination***

Bearer Notes will be in the Specified Denomination(s) set out in the relevant Final Terms. Registered Notes will be in the denomination(s) and multiples set out in the relevant Final Terms.

(e) ***Title***

Title to Bearer Notes, Coupons and Talons will pass by delivery. Title to Registered Notes passes by registration in the register (the "**Register**") which is kept by the Registrar. References herein to the "**Holders**" of Bearer Notes or of Coupons are to the bearers of such Bearer Notes or such Coupons and references herein to the "**Holders**" of Registered Notes are to the persons in whose names such Registered Notes are so registered in the Register.

To the extent permitted by law and subject to the provisions of the fourth paragraph of Condition 13(a) (*Notices*) while the Notes of any Series are represented by a Note or Notes in global form, the Issuer, the Principal Paying Agent, any other Paying Agents, the Transfer Agents, the Calculation Agent and the Registrar may deem and treat the Holder of any Bearer Note or of any Coupon and the person in whose name any Registered Note is registered (and, if more than one, the first named thereof) as the absolute owner thereof (whether or not such Note shall be overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for the purpose of receiving payment on account thereof and for all other purposes.

(f) ***Transfer of Registered Notes***

Subject as provided in the final sentence of this Condition 1(f), a Registered Note may, upon the terms and subject to the conditions set forth in the Agency Agreement, be transferred in whole or in part only upon the surrender of the Registered Note to be transferred, together with the form of transfer (including, without limitation, any certification as to compliance with restrictions on transfer included in such form of transfer) endorsed on it duly completed and executed, at the specified office of the Registrar or any of the Transfer Agents together with such evidence as the Registrar, or as the case may be, the relevant Transfer Agent may reasonably require to prove the title of the transferor and the authority of the persons who have executed the form of transfer. A new Registered Note will be issued to the transferee and, in the case of a transfer of part only of a Registered Note, a new Registered Note in respect of the balance not transferred will be issued to the transferor. No Holder may require the transfer of a Registered Note to be registered during the period of 15 calendar days ending on the due date for any payment (whether of principal, redemption amount, interest or otherwise) in respect of such Note.

(g) ***Delivery***

Each new Registered Note to be issued upon the transfer of a Registered Note will, within five Relevant Banking Days (as defined in Condition 12 (*Replacement and Transfer*)) of the Transfer Date (as defined in Condition 12 (*Replacement and Transfer*)), be available for delivery at the specified office of the Registrar or, as the case may be, the relevant Transfer Agent or (at the request and risk of the Holder of such Registered Note) be mailed by uninsured post to such address as may be specified by such Holder. For these purposes, a form of transfer received by the Registrar or any of the Transfer Agents after the Record Date (as defined in Condition 8(b) (*Registered Notes*)) in respect of any payment due in respect of Registered Notes shall be deemed not to be effectively received by the Registrar or such Transfer Agent until the day following the due date for such payment.

(h) ***No charge***

The issue of new Registered Notes on transfer will be effected without charge to the Holder or the transferee by or on behalf of the Issuer, the Registrar or the relevant Transfer Agent, but upon payment by the applicant of (or the giving by the applicant of such indemnity as the Registrar or, as the case may be, the relevant Transfer Agent may require in respect of) any tax or other duty of whatsoever nature which may be levied or imposed in connection with such transfers or exchanges.

(i) ***Regulations concerning transfer and registration of Registered Notes***

All transfers of Registered Notes and entries on the Register will be made subject to the detailed regulations (the "**Regulations**") concerning exchange and transfer of Registered Notes scheduled to the Agency Agreement. The Regulations may be amended, supplemented or replaced by the Issuer with the prior written approval of the Registrar but without the consent of the Holders of any Notes. A copy of the current Regulations are available for inspection during usual business hours at the specified office of the Registrar and the Transfer Agent.

(j) ***Rule 144A Legend***

Upon the transfer, exchange or replacement of Registered Notes bearing the private placement legend (the "**Rule 144A Legend**") for the purpose of Rule 144A under the United States Securities Act of 1933, as amended (the "**Securities Act**"), set forth in the form of Registered Note scheduled to the Trust Deed, the Registrar shall deliver only Registered Notes that also bear such legend unless there is delivered to the Issuer and to the Registrar such satisfactory evidence, which may include an opinion of counsel, as may reasonably be required by the Issuer, that neither the Rule 144A Legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of Rule 144A, Rule 144 or Regulation S under the Securities Act or that such Registered Notes are not "**restricted securities**" within the meaning of Rule 144 under the Securities Act. The Issuer has covenanted and agreed in the Trust Deed that it will not acquire any beneficial interest, and will cause its affiliates not to acquire any beneficial interest, in any Registered Note bearing the Rule 144A Legend unless it notifies the Registrar in writing of such acquisition. The Registrar and all Holders shall be entitled to rely without further investigation on any such notification (or lack thereof).

(k) ***No Exchange***

Registered Notes may not be exchanged for Bearer Notes and Bearer Notes may not be exchanged for Registered Notes.

2. **Status and Subordination**

The Notes of each Series (other than Subordinated Notes) constitute direct, unsecured obligations of the Issuer, ranking *pari passu* without any preference among themselves and, at their Issue Date, ranking *pari passu* with all other unsecured and unsubordinated obligations of the Issuer other than any such obligations preferred by law.

The Notes of each Series of Subordinated Notes constitute direct, unsecured obligations of the Issuer ranking *pari passu* without any preference among themselves. The rights of Holders of Subordinated Notes will, in the event of the winding up of the Issuer in England, (i) be subordinated in right of payment to the claims of Senior Creditors (as defined in the Trust Deed) in the manner provided in the Trust Deed and (ii) rank senior to the Issuer's ordinary shares, preference shares and any junior subordinated obligations or other securities of the Issuer which by law rank, or by their terms are expressed to rank, junior to the Subordinated Notes in the manner provided in the Trust Deed.

Claims in respect of any Notes or Coupons may not be set off, or be the subject of a counterclaim, by the Holder against or in respect of any obligations of his to the Issuer, the Trustee or any other person and every Holder waives, and shall be treated for all purposes as if he had waived, any right that he might otherwise have to set off, or to raise by way of counterclaim any claim of his in respect of any Notes or Coupons, against or in respect of any obligations of his to the Issuer, the Trustee or any other person. If, notwithstanding the preceding sentence, any Holder receives or recovers any sum or the benefit of any sum in respect of any Note or Coupon by virtue of any such set off or counterclaim, he shall hold the same on trust for the Issuer and shall pay the amount thereof to the Issuer or, in the event of the winding up of the Issuer, to the liquidator of the Issuer.

3. **Interest on Fixed Rate Notes and Resettable Notes**

(a) ***Interest on Fixed Rate Notes***

Notes which are specified in the relevant Final Terms as being Fixed Rate Notes (each a "**Fixed Rate Note**") will bear interest on the principal amount of each Note as at the Issue Date at the applicable fixed rate or rates per annum specified in the relevant Final Terms as the Rate of Interest from the Interest Commencement Date specified in the relevant Final Terms. Interest will be payable in arrear on the Fixed Interest Payment Date(s). The first payment of interest will be made on the first Fixed Interest Payment Date following the Interest Commencement Date.

(b) ***Interest on Resettable Notes***

Notes which are specified in the relevant Final Terms as being Resettable Notes (each a "**Resettable Note**") will bear interest on the principal amount of each Note as at the Issue Date:

- (i) from (and including) the Interest Commencement Date specified in the relevant Final Terms until (but excluding) the First Reset Date at the Initial Rate of Interest;
- (ii) from (and including) the First Reset Date until (but excluding) the Second Reset Date or, if no such Second Reset Date is specified in the relevant Final Terms, the Maturity Date, at the First Reset Rate of Interest; and
- (iii) for each Subsequent Reset Period thereafter (if any), at the relevant Subsequent Reset Rate of Interest.

Interest will be payable in arrear on the Resettable Note Interest Payment Date(s). The first payment of interest will be made on the first Resettable Note Interest Payment Date following the Interest Commencement Date.

(c) ***Determination of Resettable Note Reference Rate, First Reset Rate of Interest and Subsequent Reset Rate of Interest***

The Resettable Note Reference Rate and the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as the case may be) applicable to the Notes for each Reset Period shall be determined by the Calculation Agent on the following basis:

- (i) ***Mid-Swap Rate***
 - (A) if Mid-Swap Rate is specified in the relevant Final Terms as the Resettable Note Reference Rate, the Mid-Swap Rate in relation to a Reset

Determination Date (each such a rate, a "**Mid-Swap Rate**") shall be either:

(1) if Single Mid-Swap Rate is specified in the relevant Final Terms, the rate for swaps in the Specified Currency:

(x) with a term equal to the relevant Reset Period; and

(y) commencing on the relevant Resettable Note Reset Date,

which appears on the Relevant Screen Page; or

(2) if Mean Mid-Swap Rate is specified in the relevant Final Terms, the arithmetic mean (expressed as a percentage rate per annum and rounded, if necessary, to the nearest 0.001 per cent. (0.0005 per cent. being rounded upwards)) of the bid and offered swap rate quotations for swaps in the Specified Currency:

(x) with a term equal to the relevant Reset Period; and

(y) commencing on the relevant Resettable Note Reset Date,

which appear on the Relevant Screen Page,

in either case, as at approximately the Relevant Time in the Relevant Financial Centre on such Reset Determination Date, all as determined by the Calculation Agent; **provided, however, that** if there is no such rate appearing on the Relevant Screen Page for a term equal to the relevant Reset Period, then the Mid-Swap Rate shall be determined through the use of straight-line interpolation by reference to two rates, one of which shall be determined in accordance with the above provisions, but as if the relevant Reset Period were the period of time for which rates are available next shorter than the length of the actual Reset Period and the other of which shall be determined in accordance with the above provisions, but as if the relevant Reset Period were the period of time for which rates are available next longer than the length of the actual Reset Period, and the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) for the relevant Reset Period shall be the sum of the Mid-Swap Rate as determined in accordance with the above provisions and the First Margin or Subsequent Margin (as applicable) with such sum converted as set out in the definition of "First Reset Rate of Interest" or "Subsequent Reset Rate of Interest" (as applicable), all as determined by the Calculation Agent; and

(B) if on any Reset Determination Date the Relevant Screen Page is not available or the Mid-Swap Rate does not appear on the Relevant Screen Page, the Calculation Agent shall request each of the Reference Banks to provide the Calculation Agent with its Mid-Market Swap Rate Quotation as at approximately the Relevant Time in the principal financial centre of the Specified Currency on the Reset Determination Date in question; provided that:

(1) if two or more of the Reference Banks provide the Calculation Agent with Mid-Market Swap Rate Quotations, the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) for the relevant Reset Period shall be the sum of the arithmetic mean (rounded, if necessary, to the nearest 0.001 per cent. (0.0005 per cent. being rounded upwards)) of the relevant Mid-Market Swap Rate Quotations and the First Margin or Subsequent Margin with such sum converted as set out in the

definition of First Reset Rate of Interest or Subsequent Reset Rate of Interest (as applicable), all as determined by the Calculation Agent; and

- (2) if only one or none of the Reference Banks provides the Calculation Agent with a Mid-Market Swap Rate Quotation as provided in the foregoing provisions of this Condition 3(c)(i), the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) shall be determined to be the rate of interest as at the last preceding Resettable Note Reset Date or, in the case of the first Reset Determination Date, the First Reset Rate of Interest shall be the Initial Rate of Interest (though substituting, where the Subsequent Margin to be applied to the relevant Reset Period differs from the First Margin or Subsequent Margin (as applicable) which applied to the last preceding Reset Period, the Subsequent Margin relating to the relevant Reset Period in place of the First Margin or Subsequent Margin (as the case may be) relating to that preceding Reset Period);

(ii) *Resettable Note Interbank Rate*

if Resettable Note Interbank Rate is specified in the relevant Final Terms as the Resettable Note Reference Rate, then the Calculation Agent will, in respect of a Reset Period, determine the rate or arithmetic mean of the rates (as the case may be) for the relevant Reference Rate for such Reset Period in accordance with the provisions of Condition 4(c) (*Screen Rate Determination for Floating Rate Notes not referencing SONIA, SOFR or €STR*) (but excluding sub-paragraph (ii) thereof) and Condition 4(e) (*Benchmark Replacement*), but as if:

- (A) references therein to 'Rate of Interest' were to 'First Reset Rate of Interest' or 'Subsequent Reset Rate of Interest' (as applicable);
- (B) references therein to 'Interest Determination Date' were to 'Reset Determination Date'; and
- (C) references therein to 'Interest Period' were to 'Reset Period',

and the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) for the relevant Reset Period shall be the sum of the rate or (as the case may be) arithmetic mean of the rates so determined and the First Margin or Subsequent Margin with such sum converted as set out in the definition of First Reset Rate of Interest or Subsequent Reset Rate of Interest (as applicable), all as determined by the Calculation Agent;

(iii) *Benchmark Gilt Rate*

if Benchmark Gilt Rate is specified in the relevant Final Terms as the Resettable Note Reference Rate, then the Calculation Agent will, in respect of a Reset Period, calculate the gross redemption yield (in accordance with generally accepted market practice at such time) on a semi-annual compounding basis (rounded up (if necessary) to four decimal places) of the Reset Benchmark Gilt, with the price of the Reset Benchmark Gilt for this purpose being the arithmetic average (rounded up (if necessary) to the nearest 0.001 per cent. (0.0005 per cent. being rounded upwards)) of the bid and offered prices of such Reset Benchmark Gilt quoted by the Reference Banks at 3.00 p.m. (London time) on the relevant Reset Determination Date on a dealing basis for settlement on the next following Business Day in London (such yield, the "**Benchmark Gilt Rate**"), provided that:

- (A) if at least four quotations are provided, the Benchmark Gilt Rate in respect of such Reset Period will be determined by reference to the

arithmetic mean (rounded as aforesaid) of the quotations provided, eliminating the highest quotation (or, in the event of more than one highest quotation, one of the highest) and the lowest quotation (or, in the event of more than one lowest quotation, one of the lowest);

- (B) if only two or three quotations are provided, the Benchmark Gilt Rate will be determined by reference to the arithmetic mean (rounded as aforesaid) of the quotations provided; and
- (C) if only one quotation is provided, the Benchmark Gilt Rate will be determined by reference to the quotation provided (rounded as aforesaid),

and the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) for the relevant Reset Period shall be the sum of the Benchmark Gilt Rate as determined in accordance with the above provisions and the First Margin or Subsequent Margin (as applicable) with such sum converted as set out in the definition of "First Reset Rate of Interest" or "Subsequent Reset Rate of Interest" (as applicable), all as determined by the Calculation Agent; **provided, however, that** if no quotations are provided, the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) shall be determined to be the rate of interest as at the last preceding Resetable Note Reset Date or, in the case of the first Reset Determination Date, the First Reset Rate of Interest shall be the Initial Rate of Interest (though substituting, where the Subsequent Margin to be applied to the relevant Reset Period differs from the First Margin or Subsequent Margin (as applicable) which applied to the last preceding Reset Period, the Subsequent Margin relating to the relevant Reset Period in place of the First Margin or Subsequent Margin (as the case may be) relating to that preceding Reset Period); and

(iv) *Resetable Note Reference Bond Rate*

if Resetable Note Reference Bond Rate is specified in the relevant Final Terms as the Resetable Note Reference Rate, the Calculation Agent will, in respect of the Reset Period, determine the yield to maturity or interpolated yield to maturity (on the relevant day count basis) of the Reference Bond, assuming a price for the Reference Bond (expressed as a percentage of its principal amount) equal to the Reference Bond Price (determined by reference to one or more Reference Government Bond Dealer Quotations) for such Reset Period (such yield, the "**Resetable Note Reference Bond Rate**"), and the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) for the relevant Reset Period shall be the sum of the Resetable Note Reference Bond Rate as determined in accordance with this Condition 3(c)(iv) and the First Margin or Subsequent Margin (as applicable) with such sum converted as set out in the definition of "First Reset Rate of Interest" or "Subsequent Reset Rate of Interest" (as applicable), all as determined by the Calculation Agent; **provided, however, that**, if no Reference Government Bond Dealer Quotations are received, the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) shall be determined to be the rate of interest as at the last preceding Resetable Note Reset Date or, in the case of the first Reset Determination Date, the First Reset Rate of Interest shall be the Initial Rate of Interest (though substituting, where the Subsequent Margin to be applied to the relevant Reset Period differs from the First Margin or Subsequent Margin (as applicable) which applied to the last preceding Reset Period, the Subsequent Margin relating to the relevant Reset Period in place of the First Margin or Subsequent Margin (as the case may be) relating to that preceding Reset Period).

(d) *Notification of Rate of Interest for Resetable Notes*

The Calculation Agent will cause the First Reset Rate of Interest or (if applicable) the relevant Subsequent Reset Rate of Interest for each interest period to be notified to the Issuer, the Principal Paying Agent and, for as long as such Notes are admitted to listing,

trading and/or quotation by any listing authority, stock exchange and/or quotation system, to such listing authority, stock exchange and/or quotation system in accordance with the rules thereof, and, for as long as such Notes are represented by Global Notes, Euroclear and/or Clearstream, Luxembourg and/or such other clearing system or depository as may be set out in the relevant Final Terms as soon as possible after the determination thereof but in any event no later than the fourth business day thereafter. In respect of Resetable Notes which are Definitive Notes, the Calculation Agent will give notice to the Noteholders of the First Reset Rate of Interest and (if applicable) the relevant Subsequent Reset Rate of Interest in accordance with the provisions of Condition 13 (*Notices*).

(e) ***Fixed Coupon Amounts and Resetable Coupon Amounts***

If the Fixed Rate Notes are in definitive form and a Fixed Coupon Amount is specified in the relevant Final Terms, the amount of interest payable in respect of each Fixed Rate Note for any Interest Period shall be the relevant Fixed Coupon Amount multiplied by a fraction equal to the Specified Denomination of such Note divided by the Calculation Amount and, if the Notes are in more than one Specified Denomination, shall be the relevant Fixed Coupon Amount multiplied by a fraction equal to that relevant Specified Denomination divided by the Calculation Amount.

If the Resetable Notes are in definitive form and a Resetable Coupon Amount is specified in the relevant Final Terms in relation to a Resetable Note Interest Payment Date, the amount of interest payable in respect of each Resetable Note on such a Resetable Note Interest Payment Date shall be the relevant Resetable Coupon Amount multiplied by a fraction equal to the Specified Denomination of such Note divided by the Calculation Amount and, if the Notes are in more than one Specified Denomination, shall be the relevant Resetable Coupon Amount multiplied by a fraction equal to that relevant Specified Denomination divided by the Calculation Amount.

(f) ***Calculation of Interest Amount for Fixed Notes or Resetable Notes***

Except in the case of Fixed Rate Notes and Resetable Notes in definitive form where an applicable Fixed Coupon Amount or (as the case may be) Resetable Coupon Amount in relation to an Interest Period is specified in the relevant Final Terms, the amount of interest payable in respect of a Fixed Rate Note or (as the case may be) Resetable Note in relation to any period shall be calculated by applying the Rate of Interest (in the case of a Fixed Rate Note) or the Initial Rate of Interest, First Reset Rate of Interest or (if applicable) relevant Subsequent Reset Rate of Interest (in the case of a Resetable Note) to:

- (i) in the case of Fixed Rate Notes or, as the case may be, Resetable Notes which are represented by a Global Note, the principal amount of the Notes represented by such Global Note during such Interest Period; or
- (ii) in the case of Fixed Rate Notes or, as the case may be, Resetable Notes in definitive form, the Calculation Amount (as defined in Condition 19) during such Interest Period, as so specified in the applicable Final Terms,

in each case, multiplying the product by the relevant Day Count Fraction and rounding the resulting figure to the nearest applicable sub-unit of the currency in which the Note is denominated or, as the case may be, in which such interest is payable (one half of any sub-unit being rounded upwards or otherwise in accordance with applicable market convention, as determined by the Calculation Agent). For this purpose a "**sub-unit**" means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means one cent. Where the Specified Denomination of a Fixed Rate Note or, as the case may be, Resetable Note in definitive form comprises more than one Calculation Amount, the amount of interest payable in respect of such Note shall be the aggregate of the amounts determined in the manner provided above for each Calculation Amount comprising the Specified Denomination without any further rounding.

(g) ***Determination or Calculation by an agent appointed by the Trustee in relation to Resettable Notes***

If the Calculation Agent does not at any time for any reason determine the First Reset Rate of Interest or Subsequent Reset Rate of Interest, the Trustee may (at the expense of the Issuer) appoint an agent to do so and such determination or calculation shall be deemed to have been made by the Calculation Agent. In doing so, such agent appointed by the Trustee shall apply the foregoing provisions of this Condition 3, with any necessary consequential amendments, to the extent that, in its opinion, it can do so, and in all other respects it shall do so in such manner as it shall deem fair and reasonable in all the circumstances.

(h) ***Certificates, etc. to be Final***

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purpose of the provisions of this Condition 3 whether by the Calculation Agent, the Independent Adviser or any agent appointed by the Trustee shall (in the absence of manifest error) be final and binding on the Issuer, the Trustee, any agent appointed by the Trustee, the Paying Agents, (where appropriate) the Registrar and the Holders of Notes and of the Coupons appertaining thereto. No Holder of Notes or of the Coupons appertaining thereto shall be entitled to proceed against the Calculation Agent, the Independent Adviser, the Trustee, any agent appointed by the Trustee, the Paying Agents, the Registrar or any of them in connection with the exercise or non-exercise by them of their powers, duties and discretions hereunder, including, without limitation, in respect of any notification, opinion, communication, determination, certificate, calculation, quotation or decision given, expressed or made for the purposes of this Condition 3.

(i) ***Cessation of Interest Accrual***

Interest will cease to accrue on each Fixed Rate Note or Resettable Note on the due date for redemption thereof unless, upon due presentation thereof or, in the case of a Registered Note, upon such due date, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue (as well after as before any judgment) up to and including the date on which, in the case of a Bearer Note, upon further presentation thereof, payment in full of the principal amount due in respect of such Fixed Rate Note or (as the case may be) Resettable Note is made or (if earlier) the date upon which notice is duly given to the Holder of such Fixed Rate Note or (as the case may be) Resettable Note that sufficient funds for payment of the principal amount due in respect of it, together with accrued interest, have been received by the Principal Paying Agent or the Trustee or, in the case of a Registered Note, the date on which payment in full is made.

4. **Interest on Floating Rate Notes**

(a) ***Accrual of Interest***

Notes which are specified in the relevant Final Terms as being Floating Rate Notes (each a "**Floating Rate Note**") bear interest on the principal amount of each Note as at its Issue Date from the Interest Commencement Date specified in the relevant Final Terms.

Interest will cease to accrue on each Floating Rate Note on the due date for redemption thereof unless, upon due presentation thereof or, in the case of a Registered Note, upon such due date, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue (as well after as before any judgment) up to and including the date on which, in the case of a Bearer Note, upon further presentation thereof, payment in full of the principal amount due in respect of such Note is made or (if earlier) the date upon which notice is duly given to the Holder of such Note that sufficient funds for payment of the principal amount due in respect of it, together with accrued interest, have been received by the Principal Paying Agent or the Trustee or, in the case of a Registered Note, the date on which payment in full is made.

(b) ***Interest Payment Dates***

Interest on each Floating Rate Note will be payable in arrear on the Interest Payment Date(s). The first payment of interest will be made on the first Interest Payment Date following the Interest Commencement Date.

(c) ***Screen Rate Determination for Floating Rate Notes not referencing SONIA, SOFR or €STR***

If Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be determined by the Calculation Agent on the following basis:

(i) if the Reference Rate is a composite quotation or customarily supplied by one entity, the Calculation Agent will determine the rate of the relevant Reference Rate for the Relevant Period as being, the rate which appears on the Relevant Screen Page for the Relevant Period as of the Relevant Time on the relevant Interest Determination Date;

(ii) if Linear Interpolation is specified as applicable in respect of an Interest Period or generally in relation to the Notes in the relevant Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Calculation Agent by straight-line linear interpolation by reference to two rates for the relevant Reference Rate which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date, where:

(A) one such rate shall be determined as if the Relevant Period were the period of time for which rates for the relevant Reference Rate are available next shorter than the length of the relevant Interest Period; and

(B) the other such rate shall be determined as if the Relevant Period were the period of time for which rates for the relevant Reference Rate are available next longer than the length of the relevant Interest Period,

provided, however, that if no such rate is available for a period of time next shorter or, as the case may be, next longer than the length of the relevant Interest Period, then the Calculation Agent, acting in a commercially reasonable manner, shall determine such rate for the relevant Reference Rate at such time and by reference to such sources as it determines appropriate;

(iii) in any other case, the Calculation Agent will determine the arithmetic mean of the rates for the relevant Reference Rate for the Relevant Period which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;

(iv) if a Screen Rate Fallback Trigger has occurred, then:

(A) if ISDA Determination for Fallback provisions is specified in the relevant Final Terms as being applicable, the Calculation Agent will determine the relevant Floating Rate for the relevant Interest Determination Date in accordance with Condition 4(f) (*ISDA Determination*) on the basis of the Floating Rate Option, Designated Maturity and Reset Date specified in the relevant Final Terms;

(B) if ISDA Determination for Fallback provisions is not specified in the relevant Final Terms as being applicable, the Specified Currency is AUD and the Reference Rate is BBSW, the Calculation Agent will, in its discretion, determine the rate for the relevant Interest Determination Date for the Relevant Period having regard to comparable indices then available;

- (C) if ISDA Determination for Fallback provisions is not specified in the relevant Final Terms as being applicable, the Specified Currency is CAD and the Reference Rate is CDOR, the Calculation Agent will:
- (1) request the principal Toronto office of each of four major Canadian Schedule 1 chartered banks to provide a quotation of their bid rate for CAD bankers acceptances for the Relevant Period at approximately 10.00 a.m. Toronto time on the Interest Determination Date; and
 - (2) determine the arithmetic mean (rounded, if necessary, to the nearest four decimal places, with 0.00005 being rounded upwards) of such quotations; and
 - (3) if fewer than two quotations are provided as requested, the Calculation Agent will determine the arithmetic mean of the bid rates for CAD bankers acceptances for the Relevant Period quoted by major banks in Toronto, selected by the Calculation Agent, at approximately 10.00 a.m. Toronto time on the first day of the relevant Interest Period and in a representative amount accepted by those banks;
- (D) if ISDA Determination for Fallback provisions is not specified in the relevant Final Terms as being applicable, the Specified Currency is EUR and the Reference Rate is EURIBOR, the Calculation Agent will:
- (1) request the principal Euro-zone office of each of five major banks in the Euro-zone interbank market to provide a quotation at approximately 11.00 a.m. Brussels time on the Interest Determination Date of the rate offered by it to prime banks in the Euro-zone interbank market for a period equal to the Relevant Period and in an amount that is representative for a single transaction in that market at that time; and
 - (2) discard the highest and lowest quotation and determine the arithmetic mean (rounded, if necessary, to the nearest four decimal places, with 0.00005 being rounded upwards) of the remaining quotations; and
 - (3) if fewer than three quotations are provided as requested, the Calculation Agent will determine the arithmetic mean of the rates quoted by major banks in the Euro-zone interbank market, selected by the Calculation Agent, at approximately 11.00 a.m. Brussels time on the first day of the relevant Interest Period for loans in EUR to leading Euro-zone banks for a period equal to the Relevant Period and in an amount that is representative for a single transaction in that market at that time;

- (2) determine the arithmetic mean (rounded, if necessary, to the nearest four decimal places, with 0.00005 being rounded upwards) of such offered quotations; and
 - (3) if only one of such banks provides the Calculation Agent with such a quotation, determine the rate as being the rate quoted by that bank;
- (F) if ISDA Determination for Fallback provisions is not specified in the relevant Final Terms as being applicable, the Specified Currency is TWD and the Reference Rate is TAIBIR, the Calculation Agent will:

 - (2) determine the arithmetic mean (rounded, if necessary, to the nearest four decimal places, with 0.00005 being rounded upwards) of such quotations; and
 - (3) if fewer than four quotations are provided as requested, the Calculation Agent will determine the rate in its discretion;
- (G) if ISDA Determination for Fallback provisions is not specified in the relevant Final Terms as being applicable, the Specified Currency is KRW and the Reference Rate is CD-KSDA, the Calculation Agent will:
- (1) request the principal Seoul offices of five major dealers in negotiable KRW Certificates of Deposit to provide a quotation of the secondary market final closing rates for 91 day certificates of deposit at approximately 4.30 p.m. Seoul time on the Interest Determination Date; and
 - (2) determine the arithmetic mean (rounded, if necessary, to the nearest four decimal places, with 0.00005 being rounded upwards) of such quotations; and
 - (3) if fewer than four quotations are provided as requested, the Calculation Agent will determine the rate in its discretion;
- (H) if ISDA Determination for Fallback provisions is not specified in the relevant Final Terms as being applicable, the Specified Currency is MXN and the Reference Rate is TIIE, the Calculation Agent will:
- (1) request the principal Mexico City office of the Reference Banks to provide a quotation of their mid-market cost of funds for MXN for the Relevant Period at approximately 11.00 a.m. Mexico City time on the Interest Determination Date in an amount that is representative for a single transaction in that market at that time; and
 - (2) determine the arithmetic mean (rounded, if necessary, to the nearest four decimal places, with 0.00005 being rounded upwards) of such quotations; and
 - (3) if fewer than two quotations are provided as requested, the Calculation Agent will determine the rate in its discretion, using a representative rate;

(I) in all other cases where ISDA Determination for Fallback provisions is not specified in the relevant Final Terms as being applicable, the Calculation Agent will:

- (1) request the Relevant Financial Centre office of each of the Reference Banks to provide a quotation at approximately the Relevant Time on the Interest Determination Date of the rate offered by it to prime banks in the Relevant Financial Centre interbank market for a period equal to the Relevant Period and in an amount that is representative for a single transaction in that market at that time; and

- (ii) If the Notes become due and payable in accordance with Condition 9 (*Enforcement*), the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the applicable Final Terms, be deemed to be the date on which the Notes became due and payable and the Rate of Interest applicable to the Notes shall, for so long as any such Note remains outstanding, be that determined on such date and as if (solely for the purpose of such interest determination) the relevant Interest Period had been shortened accordingly.
- (iii) If "Payment Delay" is specified as the Observation Method in the relevant Final Terms, all references in these Conditions to interest on the Notes being payable on an Interest Payment Date shall be read as reference to interest on the Notes being payable on an Effective Interest Payment Date instead.

Reserve's Website on the next succeeding Reference Rate Business Day for trades made on such Reference Rate Business Day" were a reference to the short-term interest rate target set by the Federal Open Market Committee, as published on the Federal Reserve's Website and as prevailing on such Reference Rate Determination Date, or if the Federal Open Market Committee has not set a single rate, the mid-point of the short-term interest rate target range set by the Federal Open Market Committee, as published on the Federal Reserve's Website and as prevailing on such Reference Rate Determination Date (calculated as the arithmetic average of the upper bound of the target range and the lower bound of the target range, rounded, if necessary, to the nearest second decimal place with 0.005 being rounded upwards);

- (D) The Issuer (in consultation with the Calculation Agent) may at any time, specify any SOFR Replacement Conforming Changes which changes shall apply to the Notes for all future Interest Periods (without prejudice to the further operation of this Condition 4(d)(vi) and, for the avoidance of doubt, the Trustee shall, at the direction and expense of the Issuer, and having received a certificate from the Issuer, signed by two Authorised Signatories, confirming that the Issuer has made the relevant determinations in accordance with this Condition 4(d)(vi) and attaching the proposed amendments to the Conditions, be obliged to concur with the Issuer to effect such amendments to the Conditions together with such consequential amendments to the Trust Deed and Agency Agreement as the Trustee may deem appropriate in order to give effect to this Condition 4(d)(vi) and the Trustee shall not be liable to any person for any consequences thereof, save as provided in the Trust Deed. No consent of the Noteholders of the relevant Series or of the Holders of the Coupons appertaining thereto shall be required in connection with effecting such changes, including for the execution of any documents or the taking of other steps by the Trustee, the Issuer or any of the parties to the Agency Agreement (if required)). The Trustee shall not be obliged to agree to any amendments which in the sole opinion of the Trustee would have the effect of (A) exposing the Trustee to any liabilities against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or (B) increasing the obligations or duties, or decreasing the rights or protection, of the Trustee in the documents to which it is a party and/or these Conditions. The Issuer shall promptly following the determination of any changes pursuant to Condition 4(d)(vi) give notice thereof to the Trustee, the Principal Paying Agent, the Calculation Agent and the Noteholders (in accordance with Condition 13 (*Notices*)).

"SOFR Index Cessation Event" means the occurrence of one or more of the following events:

- (A) a public statement by the Federal Reserve Bank of New York (or a successor administrator of the daily Secured Overnight Financing Rate) announcing that it has ceased or will cease to publish or provide the daily Secured Overnight Financing Rate permanently or indefinitely, provided that, at that time, there is no successor administrator that will continue to publish or provide a daily Secured Overnight Financing Rate;
- (B) the publication of information which reasonably confirms that the Federal Reserve Bank of New York (or a successor administrator of the daily Secured Overnight Financing Rate) has ceased or will cease to provide the daily Secured Overnight Financing Rate permanently or indefinitely, provided that, at that time there is no successor administrator that will continue to publish or provide the daily Secured Overnight Financing Rate; or
- (C) a public statement by a U.S. regulator or other U.S. official sector entity prohibiting the use of the daily Secured Overnight Financing Rate that applies to, but need not be limited to, all swap transactions, including existing swap transactions;

"SOFR Replacement Adjustment" means the first alternative set forth in the order below that can be determined by the Issuer (in consultation, to the extent practicable, with the Calculation Agent) or the Issuer's designee (in consultation with the Issuer) as of the SOFR Replacement Date:

- (A) the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected or recommended by the Relevant Governmental Body for the applicable Unadjusted SOFR Replacement;
- (B) if the applicable Unadjusted SOFR Replacement is equivalent to the ISDA Fallback Rate the ISDA Fallback Adjustment; or
- (C) the spread adjustment (which may be a positive or negative value or zero) that has been selected by the Issuer (in consultation, to the extent practicable, with the Calculation Agent) or the Issuer's designee (in consultation with the Issuer) giving due consideration to any industry-accepted spread adjustments, or method for calculating or determining such spread adjustment, for the replacement of the then-current Reference Rate with the applicable Unadjusted SOFR Replacement for U.S. dollar-denominated floating rate notes at such time.

"SOFR Replacement Conforming Changes" means, with respect to any SOFR Replacement Rate or a replacement rate determined in accordance with Condition 4(d)(vi)(B) (the **"Relevant Replacement Rate"**), changes to (1) any Interest Determination Date, Interest Payment Date, Effective Interest Payment Date, Reference Time, Business Day Convention or Interest Period, (2) the manner, timing and frequency of determining the rate and amounts of interest that are payable on the Notes during the Interest Period and the conventions relating to such determination and calculations with respect to interest, (3) rounding conventions, (4) tenors and (5) any other terms or provisions of the Notes during the Interest Period, in each case that the Issuer (in consultation, to the extent practicable, with the Calculation Agent) or the Issuer's designee (in consultation with Issuer) determine, from time to time, to be appropriate to reflect the determination and implementation of Relevant Replacement Rate in a manner substantially consistent with market practice (or, if the Issuer (in consultation, to the extent practicable, with the Calculation Agent) or the Issuer's designee (in consultation with the Issuer) decide that implementation of any portion of such market practice is not administratively feasible or determine that no market practice for use of the Relevant Replacement Rate exists, in such other manner as the Issuer (in consultation, to the extent practicable, with the Calculation Agent) or the Issuer's designee (in consultation with the Issuer) determine is appropriate (acting in good faith)).

"SOFR Replacement Date" means the earliest to occur of the following events with respect to the then-current Reference Rate (including the daily published component used in the calculation thereof):

- (a) in the case of clause (1) or (2) of the definition of "SOFR Transition Event," the later of (i) the date of the public statement or publication of information referenced therein and (ii) the date on which the administrator of the Reference Rate permanently or

indefinitely ceases to provide the Reference Rate (or such component); or

- (b) in the case of clause (3) of the definition of "SOFR Transition Event," the date of the public statement or publication of information referenced therein.

For the avoidance of doubt, if the event that gives rise to the SOFR Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the SOFR Replacement Date will be deemed to have occurred prior to the Reference Time for such determination.

"SOFR Replacement Rate" means the first alternative set forth in the order below that can be determined by the Issuer (in consultation, to the extent practicable, with the Calculation Agent) or the Issuer's designee (in consultation with the Issuer) as of the SOFR Replacement Date.

Subject to the operation of Condition 4(e) (*Benchmark Replacement*), if, in respect of any Reference Rate Business Day(i) in the relevant Applicable Period, the Reference Rate has not been published as provided in the definition thereof in respect of the related Reference Rate Determination Date (the "**Relevant Reference Rate Determination Date**"), Reference Rate(i) in respect of such Reference Rate Business Day(i) shall be the Reference Rate as determined on the Reference Rate Business Day preceding the Relevant Reference Rate Determination Date on which the Reference Rate has been published as provided in the definition thereof.

(e) **Benchmark Replacement**

If any of Condition 4(c) (*Screen Rate Determination for Floating Rate Notes not referencing SONIA, SOFR or €STR*), Condition 3(c)(i) (*Mid-Swap Rate*) or Condition 3(c)(ii) (*Resetable Note Interbank Rate*) is applicable to the Notes or Condition 4(d) (*Screen Rate Determination for Floating Rate Notes referencing SONIA, SOFR or €STR*) is applicable and either "SONIA" or "€STR" is specified as the Reference Rate in the relevant Final Terms, and in any case, Benchmark Replacement is specified as applicable in the relevant Final Terms then notwithstanding the provisions of Condition 4(c) (*Screen Rate Determination for Floating Rate Notes not referencing SONIA, SOFR or €STR*), Condition 3(c)(i) (*Mid-Swap Rate*), Condition 3(c)(ii) (*Resetable Note Interbank Rate*) or 4(d) (*Screen Rate Determination for Floating Rate Notes referencing SONIA, SOFR or €STR*) (as applicable), if the Issuer (in consultation, to the extent practicable, with the Calculation Agent) determines that a Benchmark Event has occurred in relation to an Original Reference Rate when any Rate of Interest (or the relevant component part thereof) remains to be determined by reference to that Original Reference Rate, then the following provisions shall apply:

- (i) (A) the Issuer shall use reasonable endeavours to appoint, as soon as reasonably practicable, an Independent Adviser to determine (acting in good faith and in a

commercially reasonable manner), no later than five (5) Business Days prior to the relevant Interest Determination Date or Reset Determination Date (as applicable) relating to the next succeeding Interest Period or Reset Period (as applicable) (the "**IA Determination Cut-off Date**"), a Successor Rate (as defined below) or, alternatively, if the Independent Adviser determines that there is no Successor Rate, an Alternative Reference Rate (as defined below) for purposes of determining the Rate of Interest (or the relevant component part thereof) applicable to the Notes; or

(B) if the Issuer is unable to appoint an Independent Adviser, or the Independent Adviser appointed by it fails to determine a Successor Rate or an Alternative Reference Rate prior to the IA Determination Cut-off Date, the Issuer (in consultation, to the extent practicable, with the Calculation Agent and acting in good faith and in a commercially reasonable manner) may determine a Successor Rate or, if the Issuer determines that there is no Successor Rate, an Alternative Reference Rate;

- (ii) if a Successor Rate or, failing which, an Alternative Reference Rate (as applicable) is determined in accordance with the preceding provisions, such Successor Rate or, failing which, an Alternative Reference Rate (as applicable) shall subsequently be used in place of such Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for each of the future Interest Periods or Reset Periods (as applicable) (subject to the subsequent operation of, and to adjustment as provided in, this Condition 4(e) (*Benchmark Replacement*)); provided, however, that if sub-paragraph (i)(B) applies and the Issuer is unable to or does not determine a Successor Rate or an Alternative Reference Rate prior to the relevant Interest Determination Date or Reset Determination Date (as applicable), the Rate of Interest applicable to the next succeeding Interest Period or Reset Period (as applicable) shall be equal to the Rate of Interest applicable to the Notes in respect of the Interest Period or Reset Period (as applicable) preceding such Interest Period or Reset Period; for the avoidance of doubt, the proviso in this sub-paragraph (ii) shall apply to the relevant Interest Period or Reset Period (as applicable) only and any subsequent Interest Periods or Reset Periods (as applicable) shall be subject to the subsequent operation of, and to adjustment as provided in, this Condition 4(e) (*Benchmark Replacement*);
- (iii) if the Independent Adviser (in consultation with the Issuer) or (if the Issuer is unable to appoint an Independent Adviser, or the Independent Adviser appointed by it fails to determine whether an Adjustment Spread should be applied) the Issuer (in consultation, to the extent practicable, with the Calculation Agent and acting in good faith and in a commercially reasonable manner) determines that an Adjustment Spread should be applied to the relevant Successor Rate or the relevant Alternative Reference Rate (as applicable) then such Adjustment Spread shall be applied to such Successor Rate or Alternative Reference Rate (as applicable). If the Independent Adviser or the Issuer (as applicable) is unable to determine the quantum of, or a formula or methodology for determining such Adjustment Spread, then the Successor Rate or Alternative Reference Rate (as applicable) will apply without an Adjustment Spread;
- (iv) if the Independent Adviser or the Issuer determines a Successor Rate or, failing which, an Alternative Reference Rate (as applicable) and, in each case, any Adjustment Spread in accordance with the above provisions, the Independent Adviser or the Issuer (in consultation, to the extent practicable, with the Calculation Agent) (as applicable), may also specify changes to these Conditions, including but not limited to the Relevant Time, Relevant Financial Centre, Reference Banks, Relevant Number of Quotations, Leading Banks, Day Count Fraction, Business Day Convention, Business Days and/or Interest Determination Date applicable to the Notes, and the method for determining the fallback rate in relation to the Notes, in order to follow market practice in relation to the Successor Rate, the Alternative Reference Rate (as applicable) and/or the Adjustment Spread, which changes shall apply to the Notes for all future Interest Periods

(subject to the subsequent operation of this Condition 4(e) (*Benchmark Replacement*)). For the avoidance of doubt, the Trustee shall, at the direction and expense of the Issuer, and having received a certificate from the Issuer, signed by two Authorised Signatories, confirming that the Issuer or the Independent Adviser has made the relevant determinations in accordance with this Condition 4(e) (*Benchmark Replacement*); and attaching the proposed amendments to the Conditions, be obliged to concur with the Issuer to effect such amendments to the Conditions together with such consequential amendments to the Trust Deed and the Agency Agreement as the Trustee may deem appropriate in order to give effect to this Condition 4(e) (*Benchmark Replacement*); and the Trustee shall not be liable to any person for any consequences thereof, save as provided in the Trust Deed. No consent of the Holders of the Notes of the relevant Series or of the Holders of the Coupons appertaining thereto shall be required in connection with implementing the Successor Rate, Alternative Reference Rate (as applicable) and/or any Adjustment Spread or such other changes, including for the execution of any documents, amendments or other steps by the Trustee, the Issuer or any of the parties to the Agency Agreement (if required). The Trustee shall not be obliged to agree to any amendments which in the sole opinion of the Trustee would have the effect of (A) exposing the Trustee to any liabilities against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or (B) increasing the obligations or duties, or decreasing the rights or protection, of the Trustee in the documents to which it is a party and/or these Conditions; and

- (v) the Issuer shall promptly, following the determination of any Successor Rate, Alternative Reference Rate (as applicable) and/or any Adjustment Spread, give notice thereof to the Trustee, the Principal Paying Agent, the Calculation Agent and the Holders of the Notes (in accordance with Condition 13 (*Notices*)), which notice shall specify the effective date(s) for such Successor Rate, Alternative Reference Rate (as applicable) and/or any Adjustment Spread and any consequential changes made to these Conditions.

Notwithstanding any other provision of this Condition 4(e) (*Benchmark Replacement*), no Successor Rate or Alternative Rate will be adopted, nor will the applicable Adjustment Spread be applied, nor will any Benchmark Amendments be made, if in the determination of the Issuer, the same could reasonably be expected to prejudice the qualification of the Notes as eligible liabilities or loss absorbing capacity instruments for the purposes of the Loss Absorption Regulations or as own funds instruments for the purposes of the Applicable Rules.

For the purposes of this Condition 4(e) (*Benchmark Replacement*):

"Adjustment Spread" means a spread (which may be positive or negative or zero) or formula or methodology for calculating a spread, in each case to be applied to the Successor Rate or the Alternative Reference Rate (as the case may be), and is the spread, formula or methodology which:

- (i) in the case of a Successor Rate, is formally recommended, or formally provided as an option for parties to adopt, in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body; or
- (ii) (if no such recommendation has been made, or in the case of an Alternative Reference Rate), the Independent Adviser (in consultation with the Issuer) or the Issuer (in consultation, to the extent practicable, with the Calculation Agent) (as applicable) determines is customarily applied to the relevant Successor Rate or Alternative Reference Rate (as the case may be) in international debt capital markets transactions to produce an industry-accepted replacement rate for the Original Reference Rate; or
- (iii) (if the Independent Adviser or the Issuer determines that there is no customarily applied spread in relation to the Successor Rate or Alternative Reference Rate (as the case may be) as envisaged by limb (ii) above), the Independent Adviser (in

consultation with the Issuer) or the Issuer (in consultation, to the extent practicable, with the Calculation Agent) (as applicable) determines is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Reference Rate (as the case may be);

"Alternative Reference Rate" means the rate that the Independent Adviser or the Issuer (as applicable) determines (acting in good faith and in a commercially reasonable manner) has replaced the Original Reference Rate in customary market usage in the international debt capital markets for the purposes of determining rates of interest in respect of bonds denominated in the Specified Currency and of a comparable duration to the relevant Interest Period or Reset Period (as applicable);

"Benchmark Event" means:

- (i) (A) the Original Reference Rate has ceased to be published for a period of at least 5 Business Days or has ceased to exist; (B) the making of a public statement by the administrator of the Original Reference Rate that it has ceased publishing the Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the Original Reference Rate); or (C) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate has been permanently or indefinitely discontinued; or
- (ii) the later of (A) the making of a public statement by the administrator of the Original Reference Rate that it will, on or before a specified date, cease publishing the Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the Original Reference Rate) and (B) the date falling six months prior to such date specified in (A); or
- (iii) the later of (A) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate will, on or before a specified date, be permanently or indefinitely discontinued and (B) the date falling six months prior to the date specified in (A); or
- (iv) the later of (A) the making of a public statement by the supervisor of the administrator of the Original Reference Rate as a consequence of which the Original Reference Rate will, on or before a specified date, be prohibited from being used or that its use will be subject to restrictions or adverse consequences, either generally, or in respect of the Notes and (B) the date falling six months prior to the date specified in (A); or
- (v) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that, in the view of such supervisor, the Original Reference Rate is no longer representative of an underlying market or, in any case, should be used for informational purposes only rather than as a benchmark Reference Rate for securities such as the Notes; or
- (vi) it has or will prior to the next Interest Determination Date or Reset Determination Date, as applicable, become unlawful for the Calculation Agent or the Issuer to calculate any payments due to be made to any Securityholder using the Original Reference Rate (including, without limitation, under Regulation (EU) 2016/1011 (as amended), if applicable);

"Original Reference Rate" means (A) the benchmark or screen rate (as applicable) originally specified in the applicable Final Terms for the purposes of determining the relevant Rate of Interest (or any component part(s) thereof) in respect of the Notes or (B) (if applicable) any other Successor Rate or Alternative Reference Rate (or any component

part(s) thereof) determined and applicable to the Notes pursuant to the earlier operation of this Condition 4(e) (*Benchmark Replacement*);

"Relevant Nominating Body" means, in respect of a benchmark or screen rate (as applicable):

- (i) the central bank, reserve bank, monetary authority or any similar institution for the currency to which the benchmark or screen rate (as applicable) relates, or any other central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable); or
- (ii) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (A) the central bank, reserve bank, monetary authority or any similar institution for the currency to which the benchmark or screen rate (as applicable) relates, (B) any other central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable), (C) a group of the aforementioned central banks or other supervisory authorities, (D) the International Swaps and Derivatives Association, Inc. or any part thereof, or (E) the Financial Stability Board or any part thereof; and

"Successor Rate" means a successor to or replacement of the Original Reference Rate (for the avoidance of doubt, whether or not such Original Reference Rate (as applicable) has ceased to be available) which is formally recommended by any Relevant Nominating Body.

(f) ***ISDA Determination***

If ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be the sum of the Margin and the relevant ISDA Rate where **"ISDA Rate"** in relation to any Interest Period means a rate equal to the Floating Rate (as defined in the ISDA Definitions) that would be determined by the Calculation Agent under an interest rate swap transaction if the Calculation Agent were acting as Calculation Agent for that interest rate swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (i) the Floating Rate Option (as defined in the ISDA Definitions) is as specified in the relevant Final Terms;
- (ii) the Designated Maturity (as defined in the ISDA Definitions) is a period specified in the relevant Final Terms;
- (iii) the relevant Reset Date (as defined in the ISDA Definitions) is as specified in the relevant Final Terms; and
- (iv) if Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Calculation Agent by straight-line linear interpolation by reference to two rates based on the relevant Floating Rate Option, where:
 - (A) one rate shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period; and
 - (B) the other rate shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period;

provided, however, that if there is no rate available for a period of time next shorter than the length of the relevant Interest Period or, as the case may be, next longer than the length of the relevant Interest Period, then the Calculation Agent

shall determine such rate at such time and by reference to such sources as it determines appropriate.

(g) ***Maximum or Minimum Rate of Interest***

The relevant Final Terms may specify a maximum rate of interest (a "**Maximum Rate of Interest**") and/or a minimum rate of interest (a "**Minimum Rate of Interest**"). If a Maximum Rate of Interest and/or a Minimum Rate of Interest is so specified in the relevant Final Terms, then the Rate of Interest in respect of an Interest Period shall in no event be greater than the Maximum Rate of Interest or be less than the Minimum Rate of Interest.

In no event shall the Rate of Interest in respect of any Interest Period be less than zero.

(h) ***Determination of Rate of Interest and Calculation of Interest Amount***

The Calculation Agent will (i) as soon as practicable in respect of Floating Rate Notes subject to the provisions of Condition 4(d) (*Screen Rate Determination for Floating Rate Notes referencing SONIA, SOFR or €STR*) and (ii) as soon as practicable after the Relevant Time in respect of any other Floating Rate Notes, on each Interest Determination Date, determine the Rate of Interest and calculate the amount of interest payable in respect of each denomination of the relevant Floating Rate Notes (the "**Interest Amount**") for the relevant Interest Period.

The Interest Amount will be calculated by applying the Rate of Interest for such Interest Period to:

- (i) in the case of Floating Rate Notes which are represented by a Global Note, the principal amount of the Notes represented by such Global Note during such Interest Period; or
- (ii) in the case of Floating Rate Notes in definitive form, the Calculation Amount during such Interest Period, as so specified in the applicable Final Terms,

and in each case multiplying the product by the relevant Day Count Fraction and rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards or otherwise in accordance with applicable market convention, as determined by the Calculation Agent). For this purpose a "**sub-unit**" means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means one cent. Where the Specified Denomination of a Floating Rate Note in definitive form comprises more than one Calculation Amount, the amount of interest payable in respect of such Note shall be the aggregate of the amounts determined in the manner provided above for each Calculation Amount comprising the Specified Denomination without any further rounding.

(i) ***Notification of Rate of Interest and Interest Amount***

The Calculation Agent will cause the Rate of Interest, the Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Principal Paying Agent, for as long as such Notes are admitted to listing, trading and/or quotation by any listing authority, stock exchange and/or quotation system, to such listing authority, stock exchange and/or quotation system in accordance with the rules thereof, and, for as long as such Notes are represented by Global Notes, Euroclear and/or Clearstream, Luxembourg and/or such other clearing system or depository as may be set out in the relevant Final Terms as soon as possible after the determination thereof but in any event no later than the fourth business day thereafter. In respect of Floating Rate Notes which are Definitive Notes, the Calculation Agent will give⁹

notice to the Noteholders of the Rate of Interest, the Interest Amount and the relevant Interest Payment Date in accordance with the provisions of Condition 13 (*Notices*). The Interest Amount and the Interest Payment Date so notified in respect of any Notes may subsequently be amended (or appropriate alternative arrangements made by way of

adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified, for as long as such Notes are admitted to listing, trading and/or quotation by any listing authority, stock exchange and/or quotation system, to such listing authority, stock exchange and/or quotation system in accordance with the rules thereof.

(j) ***Determination or Calculation by agent appointed by the Trustee***

If the Calculation Agent does not at any time for any reason determine the Rate of Interest or calculate the Interest Amount, the Trustee may (at the expense of the Issuer) appoint an agent to do so and such determination or calculation shall be deemed to have been made by the Calculation Agent. In doing so, such agent appointed by the Trustee shall apply the foregoing provisions of this Condition 4, with any necessary consequential amendments, to the extent that, in its opinion, it can do so, and in all other respects it shall do so in such manner as it shall deem fair and reasonable in all the circumstances.

(k) ***Certificates, etc. to be Final***

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purpose of the provisions of this Condition 4 whether by the Calculation Agent, the Independent Adviser or any agent appointed by the Trustee shall (in the absence of manifest error) be final and binding on the Issuer, the Trustee (or such agent appointed by the Trustee), the Paying Agents, (where appropriate) the Registrar and the Holders of Notes and of the Coupons appertaining thereto. No Holder of Notes or of the Coupons appertaining thereto shall be entitled to proceed against the Calculation Agent, the Independent Adviser, the Trustee or any agent appointed by the Trustee, the Paying Agents, the Registrar or any of them in connection with the exercise or non-exercise by them of their powers, duties and discretions hereunder, including, without limitation, in respect of any notification, opinion, communication, determination, certificate, calculation, quotation or decision given, expressed or made for the purposes of this Condition 4.

5. **Zero Coupon Notes**

If any amount in respect of any Note which is non-interest bearing (a "**Zero Coupon Note**") is improperly withheld or refused, they shall be redeemed at a redemption amount equal to the sum of:

- (a) the Reference Price as specified in the applicable Final Terms; and
- (b) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding):
 - (i) in the case of a Bearer Note, (A) the date on which such Note has been presented and payment in full of the principal amount due in respect of such Note is made or (B) (if earlier) the date upon which notice is duly given to the Holder of such Note that sufficient funds for payment of the principal amount due in respect of it have been received by the Principal Paying Agent or the Trustee (except to the extent that there is subsequent default in payment); or
 - (ii) in the case of a Registered Note, the date on which payment is made in full.

Where such calculation is to be made for a period which is not a whole number of years, the calculation in respect of the period of less than a full year shall be made on the basis of such Day Count Fraction as may be specified in the Final Terms for the purposes of this Condition 5 or, if none is so specified, a Day Count Fraction of 30E/360.

6. **Redemption and Purchase; Substitution or Variation**

(a) ***Final Redemption***

Unless previously redeemed or purchased and cancelled as specified below, Notes will be redeemed at their principal amount or such other redemption amount as may be specified in the relevant Final Terms on the Maturity Date specified in the relevant Final Terms.

(b) ***Redemption for Taxation Reasons***

If the Issuer satisfies the Trustee immediately prior to the giving of the notice referred to below that:

- (i) on a subsequent date for the payment of interest on any Series of Notes the Issuer would be required to pay any additional amounts in accordance with the provisions of Condition 7 (*Taxation*); or
- (ii) if the Issuer were to seek to redeem the Notes (for which purpose no regard shall be had as to whether or not the Issuer would otherwise be entitled to redeem such Notes), the Issuer would (notwithstanding its having made such endeavours as the Trustee shall consider reasonable) be required to pay any additional amounts in accordance with the provisions of Condition 7 (*Taxation*); or
- (iii) unless the relevant Final Terms specify that this Condition 6(b)(iii) does not apply, on a subsequent date for the payment of interest on any Series of Notes, interest payments (or funding costs of the Issuer as recognised in its accounts) under or with respect to the Notes are no longer fully deductible for UK corporation tax purposes,

then, subject to the final two paragraphs of this Condition 6(b) and Condition 6(j) (*Supervisory Consent*), the Issuer may, having given not less than 30 nor more than 45 days' notice (ending, in the case of Floating Rate Notes, on an Interest Payment Date) to the Noteholders in respect of such Series of Notes, redeem all, but not some only, of the Notes, at their principal amount or such other redemption amount as may be specified in the relevant Final Terms together with interest accrued and unpaid, if any, to the date fixed for redemption **provided that** no such notice of redemption shall be given earlier than 90 days (or in the case of Floating Rate Notes a number of days which is equal to the aggregate of the number of days in the then current Interest Period plus 60 days **provided that** such aggregate number of days shall not be greater than 90 days) prior to the earliest date on which the Issuer would be obliged to pay such additional amounts or (if applicable) is unable to make such deduction, were a payment in respect of the Notes then due.

The Issuer may exercise such option in respect of any Note notwithstanding the prior exercise by the Holder thereof of its option to require the redemption of such Note under Condition 6(d) (*Redemption at the Option of the Noteholders*) below, if the due date for redemption under this Condition 6(b) would occur prior to that under Condition 6(d) (*Redemption at the Option of the Noteholders*) but not otherwise and, in such circumstances, the exercise of the option under Condition 6(d) (*Redemption at the Option of the Noteholders*) shall be rendered ineffective.

Subject only to the obligation of the Issuer to use such endeavours as aforesaid, it shall be sufficient, to establish the circumstances required to be established pursuant to this Condition 6(b), if the Issuer shall deliver to the Trustee a certificate or opinion of an independent legal adviser or accountant satisfactory to the Trustee to the effect either that such circumstances do exist or that, upon a change in or amendment to the laws (including any regulations pursuant thereto), or in the interpretation, application or administration thereof, of the United Kingdom or any political subdivision or any authority thereof or therein having power to tax, which at the date of such certificate or opinion is proposed and in the opinion of such legal adviser or accountant is reasonably expected to become effective on or prior to the date on which the relevant payment of principal or interest in respect of the Notes would otherwise be made, becoming so effective, such circumstances

would exist and, for these purposes, the Trustee shall accept such certificate or opinion without further enquiry as sufficient evidence of the existence of such circumstances and such certificate or opinion shall be conclusive and binding on the Noteholders and Couponholders.

(c) ***Redemption at the Option of the Issuer***

If this Condition 6(c) is stated to be applicable in the relevant Final Terms, Notes shall be redeemable at the option of the Issuer, subject to Condition 6(j) (*Supervisory Consent*). In such case, the Issuer may at any time (in the case of Fixed Rate Notes, Resetable Notes or Zero Coupon Notes), or on any Interest Payment Date (in the case of Floating Rate Notes), on giving (in accordance with Condition 13 (*Notices*)) not less than 30 nor more than 60 days' notice to the Noteholders (or such other period specified in the relevant Final Terms) (such notice being irrevocable) specifying the date fixed for such redemption, on the date so fixed, redeem all of such Notes (or, if so specified in the relevant Final Terms and subject as therein specified, some only of the Notes) at the Early Redemption Amount (Call), together with interest accrued and unpaid thereon, if any, to the date fixed for redemption.

If the Notes of a Series are to be redeemed in part only on any date in accordance with this Condition 6(c):

- (i) in the case of Bearer Notes (other than a temporary global Note or permanent global Note), the Notes to be redeemed shall be drawn by lot in such European city as the Principal Paying Agent may specify, or identified in such other manner or in such other place as the Principal Paying Agent and the Trustee may approve and deem appropriate and fair; and
- (ii) in the case of Registered Notes, the Notes shall be redeemed (so far as may be practicable) *pro rata* to their principal amounts, **provided always that** the amount redeemed in respect of each Note shall be equal to the minimum denomination thereof or an appropriate multiple thereof,

subject always to compliance with all applicable laws and the requirements of each listing authority, stock exchange and/or quotation system (if any) by which the relevant Notes may have been admitted to listing, trading and/or quotation.

In the case of the redemption of part only of a Registered Note, a new Registered Note in respect of the unredeemed balance shall be issued in accordance with Condition 12 (*Replacement and Transfer*) which shall apply as in the case of a transfer of Registered Notes as if such new Registered Note were in respect of the untransferred balance.

(d) ***Redemption at the Option of the Noteholders***

If this Condition 6(d) is stated to be applicable in the relevant Final Terms, Notes shall be redeemable at the option of the Noteholders. In such case, upon any Noteholder giving to the Issuer notice of redemption (such notice being irrevocable) the Issuer will redeem in whole (but not in part) the Note(s) specified in such notice at the Early Redemption Amount (Put), together with interest accrued and unpaid thereon, if any, to the date fixed for redemption.

In order to give such notice, the Holder must, not less than 45 days before the date for redemption as set out in the relevant Final Terms (or such other period as may be set out in the Final Terms), deposit the relevant Note (together, in the case of an interest-bearing definitive Note, with any unmatured Coupons appertaining thereto) with, in the case of a Bearer Note, any Paying Agent, or, in the case of a Registered Note, the Registrar or any Transfer Agent together with a duly completed redemption notice in the form which is available from the specified office of any of the Paying Agents or, as the case may be, the Registrar or any Transfer Agent. The Holder of a Note may not exercise such option in respect of any Note which is the subject of an exercise by the Issuer of its option to redeem such Note under Condition 6(b) (*Redemption for Taxation Reasons*), 6(c) (*Redemption at*

the Option of the Issuer) or Condition 6(i) (*Redemption upon Loss Absorption Disqualification Event*).

(e) ***Purchases***

Subject to Condition 6(j) (*Supervisory Consent*), the Issuer or any holding or subsidiary company of the Issuer or any subsidiary of any such holding company may purchase Notes at any price in the open market or otherwise and may resell the same.

(f) ***Cancellation***

All Notes redeemed pursuant to Condition 6(a) (*Final Redemption*), 6(b) (*Redemption for Taxation Reasons*), 6(c) (*Redemption at the Option of the Issuer*), 6(d) (*Redemption at the Option of the Noteholders*), 6(h) (*Redemption upon Capital Disqualification Event*) or 6(i) (*Redemption upon Loss Absorption Disqualification Event*) shall, and all Notes purchased pursuant to Condition 6(e) (*Purchases*) may, at the option of the Issuer, be cancelled forthwith (together with, in the case of Definitive Bearer Notes, all unmatured Coupons and unexchanged Talons attached thereto or surrendered therewith) by the Paying Agent through which they are redeemed or by the Principal Paying Agent to which they are surrendered. All Notes redeemed or purchased and cancelled as aforesaid may not be re-issued or resold.

(g) ***Zero Coupon Notes***

Where Zero Coupon Notes are redeemed by the Issuer prior to the Maturity Date specified in the relevant Final Terms, they shall be redeemed at a redemption amount equal to the sum of:

- (i) the Reference Price; and
- (ii) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which the Notes becomes due and payable.

Where such calculation is to be made for a period which is not a whole number of years, the calculation in respect of the period of less than a full year shall be made on the basis of such Day Count Fraction as may be specified in the Final Terms for the purposes of this Condition 6(g) or, if none is so specified, a Day Count Fraction of 30E/360.

(h) ***Redemption upon Capital Disqualification Event***

This Condition 6(h) may only be specified as being applicable to Subordinated Notes.

If this Condition 6(h) is specified as being applicable in the relevant Final Terms, then, following the occurrence of a Capital Disqualification Event and subject to Condition 6(j) (*Supervisory Consent*), the Issuer may, within 90 days of the occurrence of the relevant Capital Disqualification Event and on giving not less than 30 nor more than 60 days' notice (ending, in the case of Floating Rate Notes, on an Interest Payment Date) to the Trustee (with a copy to the Principal Paying Agent) and to the Noteholders in accordance with Condition 13 (*Notices*), at its option, redeem all, but not some only, of the Subordinated Notes (such option to redeem being referred to herein as a "**Capital Disqualification Event Early Redemption Option**") at the Capital Disqualification Event Early Redemption Price specified in the relevant Final Terms, together with interest accrued and unpaid, if any, to the date fixed for redemption.

Prior to giving the above notice to the Trustee pursuant to this Condition 6(h), the Issuer shall deliver to the Trustee a certificate signed by two Authorised Signatories stating that a Capital Disqualification Event has occurred and is continuing, the Trustee shall accept such certificate without further inquiry as sufficient evidence of the same and it shall be conclusive and binding on the Noteholders.

(i) ***Redemption upon Loss Absorption Disqualification Event***

This Condition 6(i) may only be specified as being applicable to Notes which are not Subordinated Notes.

If this Condition 6(i) is specified as being applicable in the relevant Final Terms, then, following the occurrence of a Loss Absorption Disqualification Event and subject to Condition 6(j) (*Supervisory Consent*), the Issuer may, within 90 days of the occurrence of the relevant Loss Absorption Disqualification Event and on giving not less than 30 nor more than 60 days' notice (ending, in the case of Floating Rate Notes, on an Interest Payment Date) to the Trustee (with a copy to the Principal Paying Agent) and to the Noteholders in accordance with Condition 13 (*Notices*), at its option, redeem all, but not some only, of the Notes (such option to redeem being referred to herein as a "**Loss Absorption Disqualification Event Early Redemption Option**") at the Loss Absorption Disqualification Event Early Redemption Price specified in the relevant Final Terms, together with interest accrued and unpaid, if any, to the date fixed for redemption.

The Issuer may exercise the Loss Absorption Disqualification Event Early Redemption Option in respect of any Note notwithstanding the prior exercise by the Holder thereof of its option to require the redemption of such Note under Condition 6(d) (*Redemption at the Option of the Noteholders*) if the due date for redemption under this Condition 6(i) (*Redemption upon Loss Absorption Disqualification Event*) would occur prior to that under Condition 6(d) (*Redemption at the Option of the Noteholders*) but not otherwise and, in such circumstances, the exercise of the option under Condition 6(d) (*Redemption at the Option of the Noteholders*) shall be rendered ineffective.

Prior to giving the above notice to the Trustee pursuant to this Condition 6(i), the Issuer shall deliver to the Trustee a certificate signed by two Authorised Signatories stating that a Loss Absorption Disqualification Event has occurred and is continuing, the Trustee shall accept such certificate without further inquiry as sufficient evidence of the same and it shall be conclusive and binding on the Noteholders.

This Condition 6(i) will not apply if such application would cause a Loss Absorption Disqualification Event to occur.

(j) ***Supervisory Consent***

The Issuer may only exercise a right to redeem or purchase Notes pursuant to Conditions 6(b) (*Redemption for Taxation Reasons*), 6(c) (*Redemption at the Option of the Issuer*), 6(e) (*Purchases*), 6(h) (*Redemption upon Capital Disqualification Event*) or Condition 6(i) (*Redemption upon Loss Absorption Disqualification Event*):

- (i) in the case of a redemption pursuant to Condition 6(h) (*Redemption upon Capital Disqualification Event*) where the date fixed for redemption falls before the fifth anniversary of the issue date of the most recently issued Tranche of the relevant Series, if the Issuer has first complied with the Regulatory Preconditions and obtained any Relevant Supervisory Consent; and
- (ii) in any other case, unless (x) the relevant Notes have (or will have on the date fixed for redemption or purchase) ceased fully to qualify as part of the Issuer's regulatory capital or own funds and eligible liabilities or loss absorbing capacity instruments, as the case may be or (y) the relevant Notes are repurchased for market-making purposes in accordance with any permission given by the Lead Regulator applicable to the Issuer pursuant to Applicable Rules (including, without limitation, Article 29(3) of Commission Delegated Regulation (EU) No. 241/2014) within the limits prescribed in such permission, or (z) the relevant Notes are being redeemed or repurchased pursuant to any general prior permission granted by the Lead Regulator applicable to the Issuer or the Relevant

UK Resolution Authority pursuant to Applicable Rules or Loss Absorption Regulations within the limits prescribed in such permission, if the Issuer has first:

- (A) obtained any Relevant Supervisory Consent; and
- (B) in the case of a redemption of Subordinated Notes pursuant to Condition 6(b) (*Redemption for Taxation Reasons*) or a purchase of Subordinated Notes pursuant to Condition 6(e) (*Purchases*), where the date fixed for redemption or repurchase falls before the fifth anniversary of the issue date of the most recently issued Tranche of the relevant Series, complied with the Regulatory Preconditions.

For these purposes, as between the Issuer and the Noteholders, the Issuer shall be deemed to have complied with items (i) or (ii) above (as and where applicable) if it has obtained a Relevant Supervisory Consent, and a certificate signed by two Authorised Signatories stating that it has obtained a Relevant Supervisory Consent delivered to the Trustee (who shall accept such certificate without further inquiry as sufficient evidence of the same) shall be conclusive as to the Issuer having obtained such consent and shall be binding on the Noteholders.

(k) ***Substitution or Variation***

If this Condition 6(k) is specified as being applicable in the relevant Final Terms, then following the occurrence of a Relevant Disqualification Event in relation to any Notes (the "**Existing Notes**"), the Issuer may, subject to the other provisions of this Condition 6(k) (without any requirement for the consent or approval of the Noteholders or the Trustee (but subject to the notice requirements below)), either substitute all (but not some only) of such Existing Notes for, or vary the terms of such Existing Notes so that they remain or, as appropriate, become, Compliant Securities. Upon the expiry of the notice required by this Condition 6(k), the Issuer shall either substitute or vary the terms of the Existing Notes in accordance with this Condition 6(k) and, subject as set out below, the Trustee shall agree to such substitution or variation.

In connection with any substitution or variation in accordance with this Condition 6(k), the Issuer shall comply with the rules of any listing authority, stock exchange and/or quotation system on which the Existing Notes are for the time being admitted to listing, trading and/or quotation.

Any substitution or variation in accordance with this Condition 6(k) is subject to the Issuer (i) obtaining any Relevant Supervisory Consent and (ii) giving not less than 30 nor more than 60 days' notice to the Trustee (with a copy to the Principal Paying Agent) and to the Noteholders in accordance with Condition 13 (*Notices*), which notice shall be irrevocable.

Any substitution or variation in accordance with this Condition 6(k) shall not otherwise give the Issuer an option to redeem the relevant Existing Notes under the Conditions.

Prior to the publication of any notice of substitution or variation pursuant to this Condition 6(k), the Issuer shall deliver to the Trustee a certificate signed by two Authorised Signatories stating that the Relevant Disqualification Event giving rise to the right to substitute or vary has occurred and is continuing and the Trustee shall accept such certificate without any further inquiry as sufficient evidence of the same and it shall be conclusive and binding on the Noteholders.

The Trustee shall concur in the substitution of the Existing Notes for Compliant Securities, or the variation of the terms of the Existing Notes so that they remain or become Compliant Securities, as the case may be, provided that the Trustee shall not be obliged to concur in any such substitution or variation if the terms of the proposed Compliant Securities or the concurring in such substitution or variation would impose, in the Trustee's opinion, more onerous obligations upon it or require the Trustee to incur any liability for which it is not indemnified and/or secured and/or pre-funded to its satisfaction.

7. **Taxation**

All payments by the Issuer of principal and interest in respect of the Notes will be made without withholding or deduction for or on account of any taxes, duties, assessments or governmental charges of whatever nature, present or future, as are imposed or levied by or on behalf of the United Kingdom (or any authority or political subdivision therein or thereof having power to tax) unless the Issuer is required by law to withhold or deduct any such taxes, duties, assessments or governmental charges.

In that event, the Issuer will pay such additional amounts in respect of payments of interest only (and not principal) as may be necessary in order that the net amounts received by the Noteholders or Couponholders, as the case may be, after such withholding or deduction shall equal the respective amounts which would have been received by them in respect of the relevant payments of interest in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note or Coupon:

- (a) to, or to a third party on behalf of, a Holder of a Note or Coupon who is liable to such taxes, duties, assessments or governmental charges in respect of such Note or Coupon by reason of his having some connection with the United Kingdom other than the mere holding of such Note or Coupon; or
- (b) unless it is proved, in the case of Bearer Notes, to the satisfaction of the Principal Paying Agent or the Paying Agent to whom the same is presented, or, in the case of Registered Notes, to the satisfaction of the Registrar, that the Holder is unable to avoid such withholding or deduction by satisfying any statutory requirement or by making a declaration of non-residence or other similar claim for exemption to a Paying Agent or the relevant tax authorities (as applicable) or by notifying (and/or presenting evidence of such notification to) any tax authorities of such payment of principal or interest or by presenting the relevant Note or Coupon at the specified office of another Paying Agent (whether within or outside the European Union); or
- (c) more than 30 days after the Relevant Date (defined below) except, in the case of Bearer Notes, to the extent that the Holder thereof would have been entitled to such additional amounts on presenting the same for payment on the last day of such period of 30 days; or
- (d) in the case of Registered Notes, unless the Holder, immediately upon becoming the Holder, (i) is eligible for the benefits of a tax treaty with the United Kingdom that provides for a complete exemption from withholding taxes on payments under the Notes, or (ii) is otherwise entitled to a complete exemption from withholding taxes on payments under the Notes; or
- (e) to, or to a third party on behalf of, a Holder who is not the sole beneficial owner of the Note or any Coupon, or a portion of either, or that is a fiduciary or partnership, but only to the extent that a beneficiary or settlor with respect to the fiduciary, a beneficial owner or member of the partnership would not have been entitled to the payment of an additional amount had the beneficiary, settlor, beneficial owner or member received directly its beneficial or distributive share of the payment.

As used herein, the "**Relevant Date**" means the date on which such payment first becomes due but, in the case of Bearer Notes, if the full amount of the money payable has not been received by the Principal Paying Agent or the Trustee on or prior to such due date, it means the date on which, the full amount of such money having been so received, notice to that effect shall have been duly given to the relevant Noteholders in accordance with Condition 13 (*Notices*).

Any reference in these Conditions to principal or interest or both in respect of the relevant Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable under this Condition 7 or pursuant to any undertakings given in addition thereto or in substitution therefor pursuant to the Trust Deed;
- (ii) the principal amount payable on the relevant Notes on the Maturity Date specified in the relevant Final Terms;

- (iii) the principal amount payable on redemption of the relevant Notes prior to such Maturity Date; and
- (iv) any premium and any other amounts which may be payable under or in respect of the relevant Notes.

Notwithstanding any other provision in these Conditions, the Issuer shall be permitted to withhold or deduct any amounts required by the rules of U.S. Internal Revenue Code of 1986 Sections 1471 through 1474 (or any amended or successor provisions), pursuant to any inter-governmental agreement, or implementing legislation adopted by another jurisdiction in connection with these provisions, or pursuant to any agreement with the U.S. Internal Revenue Service ("**FATCA withholding**"). The Issuer will have no obligation to pay additional amounts or otherwise indemnify a holder for any FATCA withholding deducted or withheld by the Issuer, a Paying Agent or any other party as a result of any person (other than an agent of the Issuer) not being entitled to receive payments free of FATCA withholding.

8. **Payments**

(a) ***Bearer Notes***

Payments of principal and interest (if any) in respect of Bearer Notes will (subject as provided below) be made against presentation and surrender of the relevant Note or, in the case of payments of interest, surrender of the relevant Coupon at the specified office of any Paying Agent outside the United States (subject to the next paragraph).

Payments of amounts due in respect of interest on Bearer Notes and exchanges of Talons for Coupon sheets will not be made at the specified office of any Paying Agent in the United States (as defined in the U.S. Internal Revenue Code of 1986 and Regulations thereunder) unless (a) payment in full of amounts due in respect of interest on such Notes when due or, as the case may be, the exchange of Talons at all the specified offices of the Paying Agents outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions and (b) such payment or exchange is permitted by applicable United States law, in which case the Issuer shall forthwith appoint a further Paying Agent with a specified office in New York City.

If the due date for payment of any amount due in respect of any Bearer Note is not both a Relevant Financial Centre Day and (unless the Notes are in global form) a Local Banking Day (each as defined below), then the Holder thereof will not be entitled to payment thereof until the next day which is such a day and no further payment on account of interest or otherwise shall be due in respect of such postponed payment unless there is a subsequent failure to pay in accordance with these Conditions in which event interest shall continue to accrue as provided in Condition 3 (*Interest on Fixed Rate Notes and Resettable Notes*) or Condition 4 (*Interest on Floating Rate Notes*), as appropriate.

Upon the due date for redemption of any Definitive Bearer Note other than a Fixed Rate Note, all unmatured Coupons and Talons (if any) relating to such Definitive Bearer Note (whether or not attached) shall become void and no payment shall be made in respect of them.

Definitive Bearer Notes which are Fixed Rate Notes should be presented for payment with all unmatured Coupons appertaining thereto, failing which the face value of any missing unmatured Coupon (or, in the case of payment not being made in full, that portion of the amount of such missing unmatured Coupon which the sum of principal so paid bears to the total amount of principal due) will be deducted from the sum due for payment. Any amount of principal so deducted will be paid in the manner mentioned above against surrender of the relevant missing Coupon within a period of 10 years from the Relevant Date (as defined in Condition 7 (*Taxation*)) for the payment of such principal, whether or not such Coupon has become void pursuant to Condition 10 (*Prescription*) or, if later, five years from the date on which such Coupon would have become due.

Notwithstanding the above, if any Definitive Bearer Notes should be issued with a Maturity Date and an interest rate or rates such that, on the presentation for payment of any such Definitive Bearer Note without any unmatured Coupons attached thereto or surrendered therewith, the amount required to be deducted would be greater than the amount otherwise due for payment, then, upon the due date for redemption, such unmatured Coupons (whether or not attached) shall become void (and no payment shall be made in respect thereof) as shall be required so that the amount required to be deducted would not be greater than the amount otherwise due for payment. Where the application of the foregoing sentence requires some but not all of the unmatured Coupons relating to a Definitive Bearer Note to become void, the relevant Paying Agent shall determine which unmatured Coupons are to become void, and shall select for such purpose Coupons maturing on later dates in preference to Coupons maturing on earlier dates.

Upon any Definitive Bearer Notes becoming due and repayable prior to their Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

In relation to Definitive Bearer Notes initially delivered with Talons attached thereto, on or after the due date for the payment of interest on which the final Coupon comprised in any Coupon sheet matures, the Talon comprised in the Coupon sheet may be surrendered at the specified office of any Paying Agent outside the United States (save as provided above) in exchange for a further Coupon sheet (including any appropriate further Talon), subject to the provisions of Condition 10 (*Prescription*). Each Talon shall, for the purpose of these Conditions, be deemed to mature on the due date for the payment of interest on which the final Coupon comprised in the relative Coupon sheet matures.

If (otherwise than by reason of the application of the above) the due date for redemption of any Definitive Bearer Note is not the due date for the payment of a Coupon appertaining thereto, interest accrued in respect of such Note from (and including) the last preceding due date for the payment of a Coupon (or from the Issue Date or the Interest Commencement Date, as the case may be) will be paid only against surrender of such Bearer Note and all unmatured Coupons appertaining thereto.

(b) ***Registered Notes***

Payment of the amount due on final redemption (the "**Final Redemption Amount**") in respect of Registered Notes will be made against presentation and, save in the case of partial payment of the Final Redemption Amount, surrender of the relevant Registered Notes at the specified office of the Registrar or any Transfer Agent.

Payment of amounts (whether principal, interest or otherwise) due (other than the Final Redemption Amount) in respect of Registered Notes will be paid to the Holder thereof (or, in the case of joint Holders, the first-named) as appearing in the Register kept by the Registrar at the close of business (local time in the place of the specified office of the Registrar) on the 15th day prior to the due date for such payment (the "**Record Date**").

If the due date for payments of amounts in respect of any Registered Note is not both a Relevant Financial Centre Day and (if such Note is not in global form and in relation to payments of redemption amount only) a Local Banking Day, then the Holder thereof will not be entitled to payment thereof until the next day which is such a day and no further payment on account of interest or otherwise shall be due in respect of such postponed payment unless there is a subsequent failure to pay in accordance with these Conditions in which event interest shall continue to accrue as provided in Condition 3 (*Interest on Fixed Rate Notes and Resettable Notes*) or Condition 4 (*Interest on Floating Rate Notes*), as appropriate.

(c) ***Renminbi-denominated Notes - Payment of U.S. Dollar Equivalent***

This Condition 8(c) only applies to Notes in relation to which the Specified Currency of denomination and payment is Renminbi.

Notwithstanding the foregoing, if by reason of Inconvertibility, Non-transferability or Illiquidity, the Issuer is not able to satisfy payments of principal or interest in respect of the Notes when due in Renminbi in Hong Kong, the Issuer may, on giving not less than five or more than 30 calendar days' irrevocable notice to the Principal Paying Agent and Holders in accordance with Condition 13 (*Notices*) prior to the due date for payment, settle any such payment in U.S. Dollars on the due date (or if such date is not a Relevant Business Day, on the next succeeding Relevant Business Day) at the U.S. Dollar Equivalent of any such Renminbi-denominated amount.

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 8(c) by the Calculation Agent, will (in the absence of manifest error) be binding on the Issuer, the Trustee, the Paying Agents and all Holders.

(d) **General Provisions**

The following provisions apply to both Bearer Notes and Registered Notes. Payments of amounts due (whether principal, interest or otherwise) in respect of Notes will be made in the currency in which such amount is due by transfer to an account denominated in the relevant currency (or, if that currency is euro, any other account to which euro may be credited or transferred) specified and maintained by the payee with a bank in the principal financial centre of that currency (or, if that currency is euro, the relevant principal financial centre of any Member State of the European Union), except where payments of amounts due (whether principal, interest or otherwise) in respect of Notes are in Renminbi, in which case such payments will be made by credit or transfer to an account denominated in Renminbi and maintained by the payee with a bank in Hong Kong in accordance with applicable laws, rules and regulations and guidelines issued from time to time (including all applicable laws and regulations with respect to settlement in Renminbi in Hong Kong). Payments of principal, interest and other amounts (if any) in respect of Notes are subject in all cases to any fiscal or other laws and regulations applicable in the place of payment but without prejudice to the provisions of Condition 7 (*Taxation*).

Without prejudice to the generality of the foregoing, the Issuer reserves the right to require any person receiving payment of principal, interest and/or other sums or, as the case may be, payment of interest with respect to any Note or Coupon to provide a Paying Agent with such certification or information as may be required to enable the Issuer to comply with the requirements of U.S. federal income tax laws or such other laws as the Issuer may be required to comply with.

9. **Enforcement**

- (a) If default is made for a period of 14 days or more in the repayment of any principal or interest due on the Notes of any Series or any of them, then the Trustee may, in order to enforce payment, at its discretion and without further notice institute proceedings for the winding up of the Issuer in England, provided that it shall not be such a default to withhold or refuse any such payment:
- (i) in order to comply with any fiscal or other law or regulation or with the order of any court of competent jurisdiction, in each case applicable to such payment; or
 - (ii) in cases of doubt as to the validity or applicability of any such law, regulation or order, in accordance with advice given at any time during the said period of 14 days, as the case may be, by independent legal advisers acceptable to the Trustee as to such validity or applicability.
- (b) The Trustee may at its discretion and without further notice institute such proceedings against the Issuer as it may think fit and may, subject as hereinafter provided, institute proceedings for the winding up of the Issuer in England and/or prove in any winding-up or administration of the Issuer in England, to enforce any obligation, condition or provision binding on the Issuer under the Trust Deed in relation to any Series of Notes or under such Notes or the Coupons appertaining thereto (other than any obligation for the

payment of any principal, interest or expenses in respect of such Notes or Coupons or any other payment obligation in respect thereof) **provided that** the Issuer shall not by virtue of the institution of any such proceedings other than proceedings for the winding up of the Issuer be obliged to pay any sum or sums (whether in respect of principal or interest or other sums in respect of the relevant Notes or the Coupons appertaining thereto or by way of damages in respect of any breach of any such obligation, condition or provision or otherwise howsoever). The Trustee may only institute proceedings for the winding up of the Issuer to enforce the obligations above referred to in this paragraph and/or prove in any winding-up or administration of the Issuer in England if a default by the Issuer thereunder is not remedied to the satisfaction of the Trustee within 60 days (or such longer period as the Trustee may permit) after notice of such default has been given to the Issuer by the Trustee requiring such default to be remedied.

NB: The restriction on the payment of damages would have the effect of limiting the remedies available to the Trustee in the event of a breach of certain covenants by the Issuer.

- (c) In the case of any Series of Notes, in the event of an order being made or an effective resolution being passed for the winding up of the Issuer in England (otherwise than in connection with a scheme of reconstruction or amalgamation the terms of which shall previously have been approved in writing by the Trustee or by an Extraordinary Resolution of the Holders of the relevant Series of Notes) the Trustee may declare the Notes of the relevant Series to be due and redeemable immediately (and such Notes shall thereby become so due and redeemable) at their principal amount together with accrued interest as provided in the Trust Deed or at such other amount specified as the "Early redemption amount upon enforcement" in the relevant Final Terms.
- (d) The Trustee shall not in any event be bound to take any of the actions referred to in Condition 9(a), Condition 9(b) or Condition 9(c) in respect of any Series of Notes unless (i) it shall have been so requested in writing by the Holders of at least one-fifth of the principal amount of the Notes of the relevant Series then outstanding or it shall have been so directed by an Extraordinary Resolution of the Holders of the Notes of the relevant Series and (ii) it shall have been indemnified and/or secured and/or pre-funded to its satisfaction.
- (e) No remedy against the Issuer (including any right of set-off) other than as specifically provided by this Condition 9 or the Trust Deed shall be available to the Trustee, the Noteholders or Couponholders in respect of any Series of Notes whether for the recovery of amounts owing in respect of such Notes or the Coupons appertaining thereto or under the Trust Deed or in respect of any breach by the Issuer of any obligation, condition or provision under the Trust Deed or such Notes or Coupons or otherwise, and no Noteholder or Couponholder shall be entitled to proceed directly against the Issuer or to proceed in any winding up of the Issuer in England unless the Trustee, having become bound to proceed, fails to do so within a reasonable period and such failure shall be continuing in which case any such Holder may itself institute proceedings for the relevant remedy and/or prove in any winding up of the Issuer in England in respect of his Notes or, as the case may be, Coupons to the same extent (but not further or otherwise) that the Trustee would have been entitled to do so.

10. **Prescription**

Notes and Coupons will become void unless presented for payment within a period of 10 years and five years, respectively, from the Relevant Date (as defined in Condition 7 (*Taxation*)) in respect thereof. Any monies paid by the Issuer to the Principal Paying Agent or the Trustee for the payment of the principal or interest in respect of any Notes or Coupons and remaining unclaimed when such Notes or Coupons become void will then revert to the Issuer and all liability of the Principal Paying Agent or the Trustee with respect thereto will thereupon cease.

Mutilated or defaced Notes or Coupons must be surrendered before replacements will be issued.

Upon the terms and subject to the conditions set out in the Agency Agreement, a Registered Note may be transferred in whole or in part only (**provided that** such part is, or is an appropriate multiple of, the minimum denomination set out in the Final Terms) by the Holder or Holders surrendering the Registered Note for registration of transfer at the office of the Registrar, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Registrar, duly executed by the Holder or Holders thereof or his or their attorney duly authorised in writing. The costs and expenses of effecting registration of transfer pursuant to the foregoing provisions, except for the expenses of delivery by other than regular mail or insurance charges that may be imposed in relation thereto, shall be borne by the Issuer.

The Registrar shall not be required to register the transfer of Registered Notes for a period of 15 days preceding the due date for any payment of principal or interest in respect of such Notes.

13. Notices

Any such notice shall be deemed to have been given on the date of such publication or, if published more than once, on the date of the first such publication (or, if required to be published in more than one newspaper, on the first date on which publication shall have been made in all the required newspapers).

Holders of any Coupons appertaining to Bearer Notes will be deemed for all purposes to have notice of the contents of any notice given to the Holders of such Bearer Notes in accordance herewith.

Any notices to Holders of Registered Notes will be deemed to have been validly given if mailed to their registered addresses (as advised by the Registrar) or to that of the first named of them in the case of joint Holders. Any such notice shall be deemed to be given on the second day after the date of mailing.

Notwithstanding the foregoing, while the Notes of any Series are represented by a Note or Notes in global form ("**Global Notes**") and such Global Notes are deposited with, or with a depository for or on behalf of, Euroclear and/or Clearstream, Luxembourg and/or any other clearing system or depository, each person who has for the time being a particular principal amount of the Notes credited to his securities account in the records of Euroclear or Clearstream, Luxembourg or such other clearing system or depository shall be treated as the Holder in respect of that principal amount of the Notes for all purposes other than for the purposes of payment of principal and interest on such Notes, and in such case notices to the Holders may be given by delivery of the relevant notice to the relevant clearing system or depository and such notices shall be deemed to have been given to the Holders holding through the relevant clearing system or depository on the date of delivery to the relevant clearing system or depository.

Notwithstanding the foregoing, in respect of all forms of Notes described in this Condition 13(a), so long as they are listed on any stock exchange, notices will also be published as required by the rules and regulations of such stock exchange.

- (b) Notices given by any Noteholder shall be in writing and given by lodging the same, together with the relative Note or Notes, with the Principal Paying Agent or other Paying Agent (if any) at its specified office.
- (c) For so long as any Registered Notes remain outstanding and are "restricted securities" within the meaning of Rule 144(a)(3) under the Securities Act, the Issuer has agreed under the Trust Deed that it shall, during any period in which it is neither subject to Section 13 or 15(d) under the United States Securities Exchange Act of 1934 (the "**Exchange Act**") nor exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, furnish to

any Holder of, or beneficial owner of an interest in, such Registered Notes, or to any prospective purchaser thereof, upon request of such Holder, such information as is required to be provided pursuant to Rule 144A(d)(4) under the Securities Act in order to permit compliance with Rule 144A in connection with the resale of such restricted securities.

14. **Modification of Terms, Waiver and Substitution**

The Trust Deed contains provisions for convening meetings of the Holders of the Notes of any Series to consider any matter affecting their interests, including, subject to the agreement of the Issuer, the modification by Extraordinary Resolution of the terms and conditions of such Notes or the provisions of the Trust Deed with respect to such Notes. The quorum for any meeting convened to consider an Extraordinary Resolution will be one or more persons holding or representing a clear majority in principal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Holders of Notes whatever the principal amount of the Notes so held or represented; provided, however, that the modification of certain terms concerning, among other things, the amount and currency and the postponement of the due date of payment of the Notes and the Coupons appertaining thereto or interest or other amount payable in respect thereof, may only be sanctioned by an Extraordinary Resolution passed at a meeting the quorum at which is persons holding or representing two-thirds, or at any adjourned such meeting not less than one third, in principal amount of the Notes of such Series for the time being outstanding.

The Trust Deed provides that (i) a resolution passed at a meeting duly convened and held in accordance with the Trust Deed by a majority consisting of not less than three-quarters of the votes cast on such resolution, (ii) a resolution in writing signed by or on behalf of the holders of not less than three-quarters in principal amount of the Notes for the time being outstanding or (iii) consent given by way of electronic consents through the relevant clearing system(s) (in a form satisfactory to the Trustee) by or on behalf of the holders of not less than three-quarters in principal amount of the Notes for the time being outstanding, shall, in each case, be effective as an Extraordinary Resolution of the Holders of Notes. An Extraordinary Resolution passed at any meeting of the Holders of the Notes of any Series will be binding on all Holders of Notes of that Series, whether or not they are present at the meeting, and on the Holders of Coupons appertaining to the Notes of that Series.

The Trust Deed contains provisions for convening a single meeting of holders of Notes of more than one Series in certain circumstances where the Trustee so decides.

Subject to certain exceptions, the Trustee may agree, without the consent of the Holders of Notes of any Series or the Holders of the Coupons appertaining thereto (if any) to any modification to these Conditions or the provisions of the Trust Deed, the Agency Agreement or the Notes or Coupons if, in the opinion of the Trustee, such modification (i) is of a formal, minor or technical nature, (ii) is made to correct a manifest error or (iii) is not materially prejudicial to the interests of the Holders of Notes of that Series. The Trustee may also, without the consent of the Holders of Notes of any Series or the Holders of the Coupons appertaining thereto (if any), waive or authorise any breach or prospective breach by the Issuer of any of the provisions of the Trust Deed or the Notes or Coupons or determine that any Default (as defined in the Trust Deed) or any event which with the lapse of time and/or the giving of notice would be a Default shall not be treated as such, provided that in the opinion of the Trustee the interests of Holders of Notes of the relevant Series will not be materially prejudiced thereby. In addition, the Trustee shall be obliged to agree to such modifications to the Trust Deed, the Agency Agreement and these Conditions as may be required in order to give effect to (i) Condition 4(e) (*Benchmark Replacement*) in connection with effecting any Alternative Reference Rate, Successor Rate or related changes, (ii) Condition 4(d)(vi) in connection with effecting any changes in connection to the replacement of SOFR, or (iii) any substitution, or variation of the terms, of any Notes pursuant to Condition 6(k) (*Substitution or Variation*), in each case without requirement for the consent or sanction of the Noteholders or Couponholders (provided, however, that the Trustee shall not be obliged to agree to any amendments which in the sole opinion of the Trustee would have the effect of (i) exposing the Trustee to any liabilities against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or (ii) increasing the obligations or duties, or decreasing the rights or protection, of the Trustee in the documents to which it is a party and/or these Conditions.). Any

such modification, waiver, authorisation or determination shall be binding on the Holders of Notes of that Series and the Holders of the Coupons appertaining thereto and, unless the Trustee agrees otherwise, shall be notified to the Holders of Notes of that Series as soon as practicable thereafter.

Subject to such amendment of the Trust Deed and such other conditions as the Trustee may require, but without the consent of the Holders of Notes of any Series or the Holders of the Coupons appertaining thereto (if any), the Trustee may also agree, subject to such Notes and the Coupons appertaining thereto being irrevocably guaranteed by the Issuer (on a subordinated basis in the case of Subordinated Notes), to the substitution of a subsidiary or holding company of the Issuer or any subsidiary of any such holding company in place of the Issuer as principal debtor under such Notes and the Coupons appertaining thereto (if any) and the Trust Deed insofar as it relates to such Notes.

In the case of a substitution under this Condition 14, the Trustee may agree, without the consent of the Holders of the Notes of any Series or of the Coupons appertaining thereto, to a change of the law governing the Notes of any Series or the Coupons appertaining thereto and/or the Trust Deed insofar as it relates to such Series of Notes, as further described in Condition 16 (*Law and Jurisdiction*).

In connection with the exercise of its powers, trusts, authorities or discretions (including, but not limited to those in relation to any proposed modification, waiver, authorisation, or substitution as aforesaid) the Trustee shall have regard to the interests of the Holders of the Notes of the relevant Series as a class and in particular, but without limitation, shall not have regard to the consequences of such exercise for individual Noteholders or Couponholders resulting from the individual Noteholders or Couponholders being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the Issuer any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders or Couponholders.

15. **Further Issues**

The Issuer may from time to time, without the consent of the Noteholders or the Couponholders, to the extent permitted by applicable laws and regulations, create and issue further notes having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest) so as to form a single series with the Notes. The Issuer may from time to time, with the consent of the Trustee, create and issue other series of Notes having the benefit of the Trust Deed.

16. **Law and Jurisdiction**

The Trust Deed, the Notes and the Coupons (if any) and any non-contractual obligations arising from or connected with the Trust Deed, the Notes and the Coupons (if any) are governed by, and shall be construed in accordance with, English law. The courts of England have exclusive jurisdiction to settle any dispute arising from or connected with the Notes (including any non-contractual obligations arising out of or in connection with the Notes).

In the case of a substitution under Condition 14 (*Modification of terms, Waiver and Substitution*), the Trustee may agree, without the consent of the Holders of the Notes of any Series or of the Coupons appertaining thereto, to a change of the law governing the Notes of any Series or the Coupons appertaining thereto and/or the Trust Deed insofar as it relates to such Series of Notes **provided that** such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Holders of the Notes of such Series, but the Trustee shall, in giving such agreement, have regard to the interests of the Holders of the Notes of such Series as a class and in particular, but without limitation, shall not have regard to the consequences of such change for individual Noteholders or Couponholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory, and the Trustee shall not be entitled to require, nor shall any Holders of the Notes of any Series or of the Coupons appertaining thereto be entitled to claim, from the Issuer any indemnification or payment in respect of any tax consequences of any such substitution upon individual Holders of the Notes of any Series or of the Coupons appertaining thereto.

17. **Third Party Rights**

(b) Neither a reduction or cancellation, in part or in full, of the Amounts Due, the conversion thereof into another security or obligation of the Issuer or another person, as a result of the

exercise of UK Bail-in Power by the Relevant UK Resolution Authority with respect to the Issuer, nor the exercise of the UK Bail-in Power by the Relevant UK Resolution Authority with respect to any Notes will constitute a default under the Notes for any purpose.

- (c) Upon the exercise of the UK Bail-in Power by the Relevant UK Resolution Authority with respect to any Notes, the Issuer shall immediately notify the Trustee and Paying Agent in writing of such exercise and give notice of the same to Noteholders in accordance with Condition 13 (*Notices*). The passing of any such resolution shall be conclusive evidence that the circumstances justified the passing thereof, the intention being that it shall rest with the meeting to determine without appeal whether or not the circumstances justify the passing of such resolution.
20. The expression "**Extraordinary Resolution**" when used in this Schedule means a resolution passed (1) at a meeting of the Noteholders duly convened and held in accordance with the provisions herein contained by a majority consisting of not less than three-quarters of the votes cast thereon, (2) by a Written Resolution (as defined

22. Subject to paragraph 22.2, a Written Resolution may be contained in one document or in several documents in like form, each signed by or on behalf of one or more of the Noteholders.

For so long as the Notes are represented by one or more Global Bearer Notes or a Global Registered Note held by or on behalf of one or more Clearing Systems, then, in respect of any resolution proposed by the Issuer or the Trustee:

- 22.1 *Electronic Resolution*: where the terms of the resolution proposed by the Issuer or the Trustee (as the case may be) have been notified to the Noteholders through the relevant clearing system(s) as provided in sub-paragraphs (i) and/or (ii) below, each of the Issuer and the Trustee shall be entitled to rely upon approval of such resolution given by way of electronic consents communicated through the electronic communications systems of the relevant clearing system(s) to the Principal Paying Agent or another specified agent and/or the Trustee in accordance with their operating rules and procedures by or on behalf of the holders of not less than three-quarters in principal amount of the Notes for the time being outstanding (the "**Required Proportion**") (such approval being an "**Electronic Resolution**") by close of business on the Relevant Date (as defined below). Any resolution passed in such manner shall be binding on all Noteholders and Couponholders, even if the relevant consent or instruction proves to be defective. None of the Issuer or the Trustee shall be liable or responsible to anyone for such reliance.
 - (a) When a proposal for a resolution to be passed as an Electronic Resolution has been made, at least 10 days' notice (exclusive of the day on which the notice is given and of the day on which affirmative consents will be counted) shall be given to the Noteholders through the relevant Clearing System(s). The notice shall specify, in sufficient detail to enable Noteholders to give their consents in relation to the proposed resolution, the method by which their consents may be given (including, where applicable, blocking of their accounts in the relevant Clearing System(s)) and the time and date (the "**Relevant Date**") by which they must be received in order for such consents to be validly given, in each case subject to and in accordance with the operating rules and procedures of the relevant Clearing System(s).
 - (b) If, on the Relevant Date on which the consents in respect of an Electronic Resolution are first counted, such consents do not represent the Required Proportion, the resolution shall, if the party proposing such resolution (the

"Proposer") so determines, be deemed to be defeated. Such determination shall be notified in writing to the other party or parties to the Trust Deed. Alternatively, the Proposer may give a further notice to Noteholders that the resolution will be proposed again on such date and for such period as shall be agreed with the Trustee (unless the Trustee is the Proposer). Such notice must inform Noteholders that insufficient consents were received in relation to the original resolution and the information specified in sub-paragraph (a) above. For the purpose of such further notice, references to "Relevant Date" shall be construed accordingly.

For the avoidance of doubt, an Electronic Resolution may only be used in relation to a resolution proposed by the Issuer or the Trustee which is not then the subject of a meeting that has been validly convened in accordance with paragraph 3 above, unless that meeting has been cancelled or dissolved.

- 22.2 *Written Resolution*: where Electronic Resolution is not being sought, for the purpose of determining whether a Written Resolution has been validly passed, the Issuer and the Trustee shall be entitled to rely on consent or instructions given in writing directly to the Issuer and/or the Trustee, as the case may be, by accountholders in the Clearing System(s) with entitlements to the Notes represented by such Global Bearer Note or Notes or Global Registered Note and/or, where the accountholders hold any such entitlement on behalf of another person, on written consent from or written instruction by the person for whom such entitlement is ultimately beneficially held, whether such beneficiary holds directly with the accountholder or via one or more intermediaries and **provided that**, in each case, the Issuer and/or the Trustee have obtained commercially reasonable evidence to ascertain the validity of such holding and have taken reasonable steps to ensure that such holding does not alter following the giving of such consent or instruction. Any resolution passed in such manner shall be binding on all Noteholders and Couponholders, even if the relevant consent or instruction proves to be defective. As used in this paragraph, "commercially reasonable evidence" includes any certificate or other document issued by Euroclear, Clearstream, Luxembourg or any other relevant Clearing System, and/or issued by an accountholder of them or an intermediary in a holding chain, in relation to the holding of interests in the Notes. Any such certificate or other document shall, in the absence of manifest error, be conclusive and binding for all purposes. Any such certificate or other document may comprise any form of statement or print-out of electronic records provided by the relevant Clearing System (including Euroclear's EUCLID or Clearstream, Luxembourg's Creation Online system) in accordance with its usual procedures and in which the accountholder of a particular principal amount of the Notes is clearly identified together with the amount of such holding. Neither the Issuer nor the Trustee shall be liable to any person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by any such person and subsequently found to be forged or not authentic.
- 22.3 A Written Resolution and/or Electronic Resolution shall take effect as an Extraordinary Resolution. A Written Resolution and/or Electronic Resolution will be binding on all Noteholders and holders of Coupons and Talons, whether or not they participated in such Written Resolution and/or Electronic Resolution.

23. Subject to the provisions contained in this Schedule, the Trustee may without the consent of the Noteholders or the Couponholders prescribe such further regulations regarding the holding of meetings of Noteholders and attendance and voting thereat as it may in its discretion determine.
- 24.
- (a) If and whenever the Issuer shall have issued and have outstanding Notes of more than one Series the foregoing provisions of this Schedule shall have effect subject to the following modifications:
- (i) a resolution which in the opinion of the Trustee affects the Notes of only one Series shall be deemed to have been duly passed if passed at a separate meeting of the holders of the Notes of that Series;
- (ii) a resolution which in the opinion of the Trustee affects the Notes of more than one Series but does not give rise to a conflict of interest between the holders of Notes of any of the Series so affected shall be deemed to have been duly passed if passed at a single meeting of the holders of the Notes of all the Series so affected;
- (iii) a resolution which in the opinion of the Trustee affects the Notes of more than one Series and gives or may give rise to a conflict of interest between the holders of the Notes of one Series or group of Series so affected and the holders of the Notes of another Series or group of Series so affected shall be deemed to have been duly passed only if passed at separate meetings of the holders of the Notes of each Series or group of Series so affected; and
- (iv) to all such meetings all the preceding provisions of this Schedule shall *mutatis mutandis* apply as though references therein to Notes and holders were references to the Notes of the Series or group of Series in question or to the holders of such Notes, as the case may be.
- (b) If the Issuer shall have issued and have outstanding Notes which are not denominated in US dollars, in the case of any meeting of holders of Notes of more than one currency the principal amount of such Notes shall (i) for the purposes of paragraph 2 above be the equivalent in US dollars at the spot rate of a bank nominated by the Trustee for the conversion of the relevant currency or currencies into US dollars on the seventh dealing day prior to the day on which the requisition in writing is received by the Issuer and (ii) for the purposes of paragraphs 6, 7 and 18 above (whether in respect of the meeting or any adjourned such meeting or any poll resulting therefrom) be the equivalent at such spot rate on the seventh dealing day prior to the day of such meeting. In such circumstances, on any poll each person present shall have one vote for each U.S.\$1 (or such other US dollar amount as the Trustee may in its absolute discretion stipulate) in principal amount of the Notes (converted as above) which he holds or represents.
