HSBC Holdings plc

Notice of the 2024 Annual General Meeting and Explanatory Notes

Notice is hereby given that the 2024 Annual General Meeting of HSBC Holdings plc will be held at the InterContinental London O2, 1 Waterview Drive, London SE10 0TW, United Kingdom on Friday, 3 May 2024 at 11.00am London time (6.00pm Hong Kong time) in accordance with the information set out on pages 21 to 26 and in Appendix 6 on page 34. Facilities will be made available to allow shareholders to attend, participate and vote electronically at the AGM and to ask questions in real time should they wish to do so. Further information on how to join the meeting electronically can be found on pages 25 to 26.

Resolutions numbered 1 to 8, 11 and 14 will be proposed as ordinary resolutions and those numbered 9, 10, 12, 13, 15 to 17 will be proposed as special resolutions. For ordinary resolutions to be passed, more than half of the votes cast must be in favour of the resolution, while in the case of special resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

The explanatory notes should be read in conjunction with the Annual Report and Accounts 2023. This Notice of AGM, the Annual Report and Accounts 2023 and the 2023 Strategic Report are available at www.hsbc.com.

For the purpose of this Notice, the issued share capital of the Company on 7 March 2024, being the latest practicable date prior to the printing of this document, was 19,051,052,261 ordinary shares of US\$0.50 each and carrying one vote each with total voting rights of 19,051,052,261. This number includes 33,523,867 ordinary shares purchased under the Company's buy-back announced on 22 February 2024 which, as at the latest practicable date prior to printing this document, are still in the process of being cancelled. There are no shares held in treasury.

1. Annual Report and Accounts 2023*

To receive the Annual Accounts and Reports of the Directors and of the Auditor for the year ended 31 December 2023.

The purpose of this resolution is for shareholders to receive and consider the Annual Accounts and the Reports of the Directors and of the Auditor for the year ended 31 December 2023.

2. Directors' Remuneration Report*

To approve the 2023 Directors' Remuneration Report set out on pages 279 to 305 of the Annual Report and Accounts for the year ended 31 December 2023, excluding the summary of the Directors' Remuneration Policy on page 283.

The purpose of this resolution is to seek shareholder approval of the 2023 Directors' Remuneration Report for the year ended 31 December 2023 (other than the summary of the Directors' Remuneration Policy on page 283 of the Annual Report and Accounts 2023). The 2023 Directors' Remuneration Report is on pages 279 to 305 of the Annual Report and Accounts 2023. The actual remuneration paid to Directors in 2023 was made within the boundaries of the 2022 Directors' Remuneration Policy which was approved by shareholders at the 2022 Annual General Meeting for a period of three years and is, therefore, not required to be put to shareholders for approval at this AGM. It will be put to shareholders for approval again no later than the 2025 Annual General Meeting. The vote on the 2023 Directors' Remuneration Report is advisory in nature and cannot impact what is paid under the shareholder-approved 2022 Directors' Remuneration Policy.

3. Approval for the Group Remuneration Committee to set appropriate variable to fixed pay ratio(s) for Material Risk Takers*

THAT the Company and its subsidiaries, where permitted by regulation in place from time to time, be authorised to determine and apply a ratio or ratios in relation to the fixed and variable components of total remuneration for individuals whom the Company has determined to be Material Risk Takers (as such term is defined in the remuneration part of the rulebook published by the United Kingdom Prudential Regulation Authority or similar rules in any overseas jurisdiction, as amended from time to time).

This item seeks shareholder approval to provide the Group Remuneration Committee with the flexibility to set and apply any ratio(s) of variable pay relative to fixed pay for individuals identified as Material Risk Takers (under UK or overseas regulatory rules), where permitted by regulation in place from time to time.

The 4th EU Capital Requirements Directive ('CRD IV') introduced a limit of 100% on the ratio between the fixed and variable components of total remuneration in a single performance period for 'Remuneration Code staff' (now referred to as Material Risk Takers) with effect from 1 January 2014. The Company was permitted under CRD IV to set a higher ratio so that the variable component could not exceed 200% of the fixed component (the 'Cap') provided that the higher ratio was approved by the Company's shareholders. A resolution was passed by shareholders to this effect on 23 May 2014 at the Company's 2014 AGM with 98% of votes cast in favour.

On 24 October 2023, the PRA and the FCA published a joint policy statement confirming that firms can disapply the Cap for and from the performance year in effect on 31 October 2023. Firms are required to set appropriate ratios of variable pay to fixed pay to ensure that:

- fixed and variable remuneration are appropriately balanced (considering all relevant factors, including the firm's business activities and associated prudential and conduct risks, the role of the individual, and the impact different categories of staff have on the risk profile of the firm); and
- the level of fixed remuneration represents a sufficiently high proportion of the total remuneration to allow the operation of a fully flexible policy on variable remuneration, including the possibility to pay no variable remuneration.

The resolution passed by shareholders in 2014 to authorise the Cap for Material Risk Takers remains binding despite the change in approach from the PRA and FCA. This means shareholders are required to pass a new resolution to authorise the Company and its subsidiaries to set a different ratio where permitted by regulation.

Flexibility to increase the ratio will provide HSBC with the ability to reduce fixed pay costs over time and increase the amount of pay subject to performance. It will also enable us to award a larger proportion of total pay as variable pay that can be subject to deferral and malus (i.e. reduction or cancellation) than would be the case if variable pay was limited to 200% of fixed pay.

* Ordinary Resolution
Special Resolution

Increasing flexibility in the structure of reward is important to HSBC. Approval by shareholders of this new resolution will increase our ability to recruit and retain key employees in competitive talent markets. A significant number of our Material Risk Takers are based outside the EU where most of our international peers and domestic competitors do not have to comply with similar pay restrictions.

The Directors consider that removing the Cap for Material Risk Takers where it is able to, and authorising the Company to determine and apply its own ratio(s) so that variable pay can exceed 200% of fixed pay will have no impact on the HSBC Group's requirement to maintain a sound capital base.

HSBC will continue to operate a cap on variable pay, which will be determined by an appropriate ratio(s) based on prevailing PRA/FCA guidance and taking account of the relevant labour markets and the competitive environment. Our ratio(s) will be disclosed as part of our Pillar 3 disclosures in our annual report and accounts as required by law and regulation which will provide all interested parties with transparency on the ratio(s) set in the future.

Material Risk Takers identified under our European entities will remain subject to European Banking Authority ('EBA') regulations which restrict maximum variable pay to 100% of fixed pay and to 200% with shareholder approval for so long as these regulations continue to be in place. The Company will continue to provide approval for entities regulated by the EBA to operate that higher ratio.

Although the original resolution had specific voting thresholds set by CRD IV for it to be passed, there are no special requirements for this resolution. Therefore, a simple majority of voting shareholders (in person or by proxy) must approve the resolution for it to be passed.

HSBC colleagues who are Material Risk Takers with an interest in the subject matter of the resolution and who hold shares in the Company (either directly or indirectly through a nominee or other arrangement) are not allowed to vote on this resolution.

Directors' biographies

Brief biographical details of each of the Directors standing for election or re-election, as at 7 March 2024 (being the latest practicable date prior to the printing of this document), are set out on pages 5 to 9.

Appointment

Appointments to the Board are made on merit and candidates are considered against objective criteria determined with reference to the Board's skills matrix, having due regard to the benefits of diversity in line with the Board's Diversity and Inclusion Policy. The Nomination & Corporate Governance Committee (the "Committee") leads the Board appointment process, agrees the criteria for any appointments and engages independent external search consultants, as required. At the conclusion of this process, the Committee nominates potential candidates for appointment to the Board. In the exercise of its responsibilities, the Committee regularly reviews the Board's structure, size and composition, including skills, knowledge, experience, independence and diversity.

Diversity

The biography of each Director located on pages 5 to 9 can be used to assess how each individual contributes to the diversity of the Board.

Independence

The Board has concluded that all of the non-executive Directors standing for election or re-election at the AGM are independent in character and judgement. The non-executive Group Chairman was considered to be independent on appointment.

When considering independence, the Board calculates the length of service of a non-executive Director by reference to the date of their election by shareholders following their appointment. The Board has determined that there are no relationships or circumstances which are likely to affect the judgement of any of the non-executive Directors. Any relationships or circumstances which could appear to do so are not considered to be material. Each of the Directors standing for election or re-election has confirmed that they have no material relationship with another Director, a member of senior management or any substantial or controlling shareholder of the Company. Each of the Independent non-executive Directors standing for election or re-election at the AGM has confirmed their independence pursuant to Rule 3.13 of the Hong Kong Listing Rules.

Election of new Directors

Ann Godbehere, Brendan Nelson and Swee Lian Teo will offer themselves for election as Directors at this AGM. They were appointed to the Board as Independent non-executive Directors with effect from 1 September 2023, 1 September 2023 and 1 October 2023, respectively.

Time commitment

The Board, both prior to a Director's appointment and when proposing a Director for election or re-election, enquires and obtains assurance that each Director is, or will be, capable of contributing the time expected of them and time that may be unanticipated should additional demands be placed on them in relation to HSBC or in relation to their other commitments.

When assessing that each Director has sufficient time to meet their Board responsibilities the following was considered:

- The Board has carefully considered the other commitments held by the Directors and has applied the same standard of enquiry for each of them. Our focus is to determine the ability of each Director to commit sufficient time to fulfil their individual obligations rather than a strict adherence to a numeric count of directorships. Where Directors hold other roles either outside of or elsewhere within the Group, or prior to accepting any additional roles, particular attention is paid to ensure that they are able to commit sufficient time to the Company.
- Kalpana Morparia and Rachel Duan each hold a total of four listed non-executive directorships. Given that HSBC remains their most significant position based on time commitment, and that they both have attended all scheduled Board meetings during the year (Kalpana was appointed in March 2023), it is considered that they both retain sufficient capacity to fulfil their responsibilities as members of the Board.

* Ordinary Resolution
Special Resolution

– In light of Ann Godbehere’s significant non-executive and financial services experience at complex, international businesses, and having considered the time commitment expected of her across her roles at HSBC, Shell plc and Stellantis N.V., the Board is comfortable that she has sufficient capacity to discharge her responsibilities including upon assumption of the role as Senior independent non-executive Director at the conclusion of the 2024 AGM.

During the year, a number of additional Board meetings were scheduled at short notice. Due to prior commitments, Dame Carolyn Fairbairn was unable to attend the ad hoc meetings held on 9 March 2023 and 16 March 2023, Steven Guggenheimer was unable to attend the ad hoc meeting held on 8 November 2023, and Eileen Murray was unable to attend the Board meeting in September 2023.

Tenure

Non-executive Directors are appointed for an initial three-year term and, subject to re-election by shareholders at each AGM, are typically expected to serve two three-year terms. The Board may invite non-executive Directors to serve additional periods. Any term beyond six years is subject to a rigorous review by the Nomination & Corporate Governance Committee, with any appointment beyond six years to be for a rolling one-year term and subject to thorough review and challenge with reference to the needs of the Board.

The biographies on pages 5 to 9 set out the skills and experience which underpin the contribution that each Director brings to the Board for the long-term sustainable success of the Company. Based upon the review undertaken, the Board has satisfied itself that each of the Directors is fully able to discharge their duties to the Company and that they each have sufficient capacity to meet their commitments to the Company. The Board has therefore concluded that all of the Directors should offer themselves for election or re-election in accordance with the Group’s regular practice. David Nish is retiring at the conclusion of the AGM and is not offering himself for re-election.

Non-executive Directors’ fees

Following a review of fees during 2023, and in accordance with the shareholder approved Directors’ Remuneration Policy at the Company’s 2022 Annual General Meeting, the Board approved increases to certain of the fees payable to the non-executive Directors and for roles on the Board committees with effect from 1 January 2024.

As a result, each non-executive Director receives a fee of £136,500 per annum. The separate travel allowance of £4,000 per annum has been incorporated within this fee. Consequently, non-executive Directors no longer receive an additional travel allowance. The fees paid to non-executive Directors who are standing for election or re-election as members of Board committees are set out in the table below (these Board committees’ fees and Board fees are pro-rated for part year service where relevant).

Further details, including the rationale for the fee increases, can be found in on page 302 of the Annual Report and Accounts 2023.

The following fees were not impacted by the increases and remain unchanged:

- the non-executive Group Chairman receives a fee of £1.5 million per annum;
- the Senior independent non-executive Director receives a fee of £200,000 per annum in addition to their non-executive Director fee and the fees payable for the Chairship or membership of Board committees as applicable; and
- the Workforce Engagement non-executive Director receives a fee of £40,000 per annum in addition to their non-executive Director fee and the fees payable for the Chairship or membership of Board committees as applicable.

In addition, James Forese serves as the non-executive Chair of HSBC North America Holdings Inc. He receives an additional annual fee of US\$550,000 which was approved by the shareholder of, and authorised by the Board of, HSBC North America Holdings Inc.

Non-executive Directors’ terms of appointment

Non-executive Directors and the non-executive Group Chairman do not have service agreements, but are bound by letters of appointment issued for and on behalf of the Company. Subject to their re-election by shareholders, the terms of appointment of the non-executive Directors will expire at the conclusion of the Annual General Meetings held in the following years: Dr José Antonio Meade Kuribreña, Rachel Duan and Dame Carolyn Fairbairn – 2025; Geraldine Buckingham and Kalpana Morparia – 2026; and James Forese, Ann Godbehere, Steven Guggenheimer, Eileen Murray, Brendan Nelson and Swee Lian Teo – 2027.

**** The Board established a new Group Technology Committee on 1 March 2024 to oversee the Group’s technology strategy and alignment with the overall Group strategy. The committee will have responsibility for areas where technology is fundamental to strategic delivery, including innovation, data and cyber risk frameworks.

Ann Godbehere, Brendan Nelson and Swee Lian Teo were appointed following the 2023 AGM and therefore their initial three-year appointment terms are subject to approval of their election by shareholders at the 2024 AGM. Their initial three-year term of appointment will end at the conclusion of the 2027 AGM, subject to annual re-election by shareholders at the relevant AGMs.

5. Re-appointment of Auditor*

To re-appoint PricewaterhouseCoopers LLP as Auditor of the Company, to hold office from the conclusion of this meeting until the conclusion of the next general meeting of the Company at which accounts are laid.

The current appointment of PricewaterhouseCoopers LLP ("PwC") as Auditor of the Company terminates at the conclusion of this year's AGM.

PwC has expressed its willingness to continue in office. The Group Audit Committee and the Board have recommended that PwC be re-appointed until the conclusion of the next general meeting of the Company at which accounts are laid.

In January 2023, it was announced that following a full audit tender process (as more fully described in the Annual Report and Accounts 2022) PwC would be reappointed as the Auditor of the Company from 2025 to 2034, subject to annual shareholder approval which was received on 5 May 2023. As part of the competitive process, PwC committed to a number of initiatives to enhance the Company audit, details of which are set out in the Annual Report and Accounts 2023 on pages 268 to 269.

* Ordinary Resolution
Special Resolution

6. Remuneration of Auditor*

To authorise the Group Audit Committee to determine the remuneration of the Auditor.

The Directors may set the remuneration of the Auditor if authorised to do so by the shareholders. The Board have recommended that the Group Audit Committee be authorised to determine the remuneration of PwC. This resolution seeks authority for the Group Audit Committee to set the remuneration of the Auditor for 2024. An analysis of the remuneration paid in respect of audit and non-audit services provided by our Auditor and their affiliates for each of the past three years is disclosed on page 368 in the Annual Report and Accounts 2023.

7. Political Donations*

THAT in accordance with sections 366 and 367 of the UK Companies Act 2006 (the "Act") the Company, and any company which is a subsidiary of the Company at any time during the period for which this resolution has effect, be authorised to:

- make political donations to political parties and/or independent election candidates, not exceeding £200,000 in total;**
- make political donations to political organisations other than political parties, not exceeding £200,000 in total; and**
- incur political expenditure, not exceeding £200,000 in total,**

in each case during the period starting on the date of the passing of this Resolution 7 and expiring at the conclusion of the Annual General Meeting of the Company to be held in 2025 or at the close of business on 30 June 2025, whichever is earlier, provided the aggregate amount of any such donations and expenditure shall not exceed £200,000 during the period for which this Resolution 7 has effect. For the purposes of this resolution, the terms 'political donations', 'political parties', 'independent election candidates', 'political organisations' and 'political expenditure' shall have the meanings given to them by sections 363 to 365 of the Act.

The Act requires companies to obtain shareholder authority for donations to registered political parties and other political organisations, totalling more than £5,000 in any 12 month period and for any political expenditure, subject to limited exceptions.

In accordance with Group policy, HSBC does not make any political donations or incur political expenditure within the ordinary meaning of those words. We have no intention of altering this policy. However, the definitions of political donations, political parties, political organisations and political expenditure used in the Act are very wide. As a result, they may cover routine activities that form part of the normal business activities of the Group and are an accepted part of engaging with stakeholders to ensure that issues and concerns which affect the Group's operations are considered and addressed, but which would not be considered as political donations or political expenditure in the ordinary sense of those words. Activities including contributions to or support for bodies such as those concerned with policy review and law reform or with the representation of the business community or sections of it may be deemed to be political donations or expenditure as defined by the Act. The activities referred to above are not designed to influence public support for any political party or political outcome. The authority is being sought on a precautionary basis only to ensure that neither the Company nor any of its subsidiaries inadvertently breaches the Act. Resolution 7 proposes a cap of £200,000 per category of political donation or expenditure subject to an aggregate overall cap of £200,000 per annum for all such political donations and expenditure.

If Resolution 7 is passed, this authority will be effective until the conclusion of the 2025 Annual General Meeting or the close of business on 30 June 2025, whichever is the earlier.

8. Authority to allot shares*

THAT the Directors be generally and unconditionally authorised pursuant to and for the purposes of section 551 of the UK Companies Act 2006 (the "Act") to exercise all the powers of the Company to allot shares in the Company and to grant rights to subscribe for, or to convert any security into, shares in the Company:

- (a) up to an aggregate nominal amount of US\$1,905,105,226 (such amount to be restricted to the extent that any allotments or grants are made under paragraphs (b) or (c) of this resolution so that in total no more than US\$3,175,175,376 can be allotted or granted under paragraphs (a) and (b) of this resolution and no more than US\$6,350,350,753 can be allotted under paragraphs (a), (b) and (c) of this resolution); and
- (b) up to an aggregate nominal amount of US\$3,175,175,376 (such amount to be restricted to the extent that any allotments or grants are made under paragraphs (a) or (c) of this resolution so that in total no more than US\$3,175,175,376 can be allotted or granted under paragraphs (a) and (b) of this resolution and no more than US\$6,350,350,753 can be allotted under paragraphs (a), (b) and (c) of this resolution) in connection with an offer or invitation to:
- (i) holders of ordinary shares in proportion (as nearly as may be practicable) to the respective number of ordinary shares held by them; and
- (ii) holders of other securities, bonds, debentures or warrants which, in accordance with the rights attaching thereto, are entitled to participate in such an offer or invitation or as the Directors consider necessary,

but in each case subject to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to record dates, fractional entitlements, treasury shares or securities represented by depositary receipts or having regard to any restrictions, obligations, practical or legal problems under the laws of or the requirements of any regulatory body or stock exchange in any territory or otherwise howsoever; and

- (c) comprising equity securities (as defined in section 560 of the Act) up to an aggregate nominal amount of US\$6,350,350,753 (such amount to be restricted to the extent that any allotments or grants are made under paragraphs (a) or (b) of this resolution so that in total no more than US\$6,350,350,753 can be allotted under paragraphs (a), (b) and (c) of this resolution) in connection with a rights issue to:
- (i) holders of ordinary shares in proportion (as nearly as may be practicable) to the respective number of ordinary shares held by them; and
- (ii) holders of other securities, bonds, debentures or warrants which, in accordance with the rights attaching thereto, are entitled to participate in such an issue or as the Directors consider necessary,

but in each case subject to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to record dates, fractional entitlements, treasury shares or securities represented by depositary receipts or having regard to any restrictions, obligations, practical or legal problems under the laws of or the requirements of any regulatory body or stock exchange in any territory or otherwise howsoever; and

- (d) up to an aggregate nominal amount of £150,000 (in the form of 15,000,000 non-cumulative preference shares of £0.01 each), €150,000 (in the form of 15,000,000 non-cumulative preference shares of €0.01 each) and US\$150,000 (in the form of 15,000,000 non-cumulative preference shares of US\$0.01 each),

provided that, unless previously renewed, varied or revoked by the Company in general meeting, such authority shall expire at the conclusion of the Annual General Meeting of the Company to be held in 2025 or at the close of business on 30 June 2025, whichever is the earlier, save that this authority shall allow the Company before the expiry of this authority to make offers, and enter into agreements, which would, or might, require shares to be allotted or rights to subscribe for, or to convert any security into, shares to be granted after the authority expires and the Directors may allot shares or grant rights to subscribe for, or to convert any security into, shares (as the case may be) in pursuance of such offers or agreements as if the authority conferred hereby had not expired.

This year, the Directors are again seeking authority under section 551 of the Act to allot shares up to an aggregate total nominal amount of two-thirds of the Company's issued ordinary share capital subject to the restrictions set out below. The authority given to the Directors at the 2023 Annual General Meeting will expire at the conclusion of the 2024 AGM. Resolution 8 will give the Directors authority to allot new ordinary shares (or rights to ordinary shares) of up to an aggregate nominal amount of US\$6,350,350,753, representing two-thirds of the Company's issued ordinary share capital. However, that authority is limited as follows:

- (a) under paragraph (a) of Resolution 8, up to an aggregate nominal amount of US\$1,905,105,226, representing approximately 20 per cent of the Company's issued ordinary share capital, may be used for general allotments;
- (b) under paragraph (b) of Resolution 8, the Directors would have authority to make allotments which exceed the 20 per cent authority in paragraph (a) of Resolution 8 in connection with a pre-emptive offering such as a rights issue, open offer or a scrip dividend up to an aggregate nominal amount, when combined with allotments made under paragraph (a), of US\$3,175,175,376. This represents approximately one-third of the issued ordinary share capital of the Company; and
- (c) under paragraph (c) of Resolution 8, the Directors would have authority to allot up to an aggregate nominal amount of US\$6,350,350,753 in connection with a rights issue only. This represents approximately two-thirds of the Company's issued ordinary share capital. Any allotments or grants under paragraphs (a) or (b) of Resolution 8 will reduce the level of this two-thirds authority.

In paragraph (d) of Resolution 8, the Board is again seeking authority to issue sterling, US dollar and euro preference shares without having first to obtain the consent of shareholders at a general meeting. These preference shares were created to underpin issues of preferred securities, which are a tax efficient form of regulatory capital. If approved by shareholders, this authority will give Directors the flexibility to raise regulatory capital should circumstances so require. If any preference shares were to be issued they would, subject to regulatory approval, be redeemable at the Company's option and carry no voting rights other than in exceptional circumstances, but would rank in priority to the Company's ordinary shares with respect to participation in any return of capital.

Other than pursuant to the Company's employee share plans, the Board has no present intention of issuing any shares pursuant to the authority in Resolution 8.

If granted, this authority will be effective until the conclusion of the 2025 Annual General Meeting or the close of business on 30 June 2025, whichever is the earlier.

* Ordinary Resolution
Special Resolution

As at 7 March 2024, being the latest practicable date prior to printing of this document, the Company held no ordinary shares in treasury.

9. Disapplication of pre-emption rights#

THAT if Resolution 8 set out in the Notice convening this meeting is passed, the Directors be authorised to allot equity securities (as defined in section 560 of the UK Companies Act 2006 (the "Act")) for cash under the authority given by Resolution 8 and/or to sell shares held by the Company as treasury shares for cash as if section 561(1) of the Act did not apply to any such allotment or sale, such authority to be limited:

(a) to the allotment of equity securities and/or sale of treasury shares for cash in connection with any rights issue, or other offer or invitation (but in the case of the authority granted under paragraph (c) of Resolution 8, by way of a rights issue only) to:

- (i) holders of ordinary shares in proportion (as nearly as may be practicable) to the respective number of ordinary shares held by them; and**
- (ii) holders of other securities, bonds, debentures or warrants which, in accordance with the rights attaching thereto, are entitled to participate in such an issue, offer or invitation or as the Directors consider necessary,**

but in each case subject to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to record dates, fractional entitlements, treasury shares or securities represented by depositary receipts or having regard to any restrictions, obligations, practical or legal problems under the laws of or the requirements of any regulatory body or stock exchange in any territory or otherwise howsoever; and

b) to the allotment of equity securities and/or sale of treasury shares (otherwise than under paragraph (a) above) up to an aggregate nominal amount of US\$476,276,306,

provided that unless previously renewed, varied or revoked by the Company in general meeting, such authority shall expire at the conclusion of the Annual General Meeting of the Company to be held in 2025 or at the close of business on 30 June 2025, whichever is the earlier, save that this authority shall allow the Company before expiry of this authority to make offers, and enter into agreements, which would or might require equity securities to be allotted (or treasury shares to be sold) after the authority expires and the Directors may allot equity securities (or sell treasury shares) under any such offer or agreement as if the authority had not expired.

Resolution 9 is to approve the disapplication of statutory pre-emption rights under the Act in respect of certain allotments of shares made under the authorities in Resolution 8. If the Directors wish to exercise the authority under Resolution 8 and offer shares (or sell any shares which the Company may purchase or elect to hold as treasury shares) for cash, the Act requires that unless shareholders have given specific authority for the disapplication of their statutory pre-emption rights, the new shares must be offered first to existing shareholders in proportion to their existing shareholdings. Resolution 9 seeks to give the Directors flexibility, in certain circumstances, to allot new shares (or to grant rights over shares) for cash or to sell treasury shares for cash without first offering them to existing shareholders in proportion to their holdings.

Resolution 9 also seeks to give the Directors additional flexibility in the context of pre-emptive offerings such as a rights issue, open offer, or scrip dividend, to deal with legal or practical difficulties in countries outside the UK which prevent the offer being made on a purely pro rata basis. It also seeks a disapplication of pre-emption rights in respect of allotments or sales of treasury shares for cash up to an aggregate nominal amount of US\$476,276,306, representing a further five per cent of the Company's issued ordinary share capital.

The Directors have considered the revised Statement of Principles and template resolutions published by the Pre-Emption Group in November 2022 (the "Pre-Emption Group's Statement of Principles") and the revised guidelines on share capital management issued by the UK's Investment Association (the "IA Guidelines") in February 2023 which include an increase in the disapplication of pre-emption rights limit. Consistent with the position adopted last year, the Directors have decided that they do not wish to increase the disapplication threshold at the current time but will keep emerging market practice under review. The Directors confirm that, in considering the exercise of the authority under this Resolution 9, they intend to follow the shareholder protections in Part 2B of the Pre-emption Group's Statement of Principles to the extent reasonably practicable.

Other than allotments under employee share plans, the Board has no present intention of issuing any further ordinary shares pursuant to the authority in Resolution 9. No issue will be made which would effectively change the control of the Company or the nature of its business without the prior approval of shareholders at a general meeting.

If granted, the authority sought in Resolution 9 will be effective until the conclusion of the 2025 Annual General Meeting or the close of business on 30 June 2025, whichever is the earlier.

In addition, the Company is seeking authority under Resolutions 14 and 15 to allot shares or rights to subscribe for shares in connection with the issue of Contingent Convertible Securities ("CCSs"), and to disapply statutory pre-emption rights in respect of such allotment, in each case up to an amount equivalent to approximately 20 per cent of the Company's issued ordinary share capital. Assuming Resolutions 14 and 15 are passed, the authority sought under Resolutions 8, 9 and 10 would not be utilised for the purpose of the issuance of CCSs.

Unless otherwise stated, references in these Explanatory Notes to the issued ordinary share capital, and to percentages or fractions of the issued ordinary share capital, are to the issued ordinary share capital of the Company as at 7 March 2024, being the latest practicable date prior to printing this document.

10. Further disapplication of pre-emption rights for acquisitions#

THAT if Resolution 8 set out in the Notice convening this meeting is passed, the Directors be authorised (in addition to any authority granted under Resolution 9 set out in the Notice convening this meeting) to allot equity securities (as defined in section 560 of the UK Companies Act 2006 (the "Act")) for cash under the authority given by Resolution 8 and/or to sell shares held by the Company as treasury shares for cash as if section 561(1) of the Act did not apply to any such allotment or sale, such authority to be:

- (a) limited to the allotment of equity securities and/or sale of treasury shares up to a nominal amount of US\$476,276,306; and**
- (b) used only for the purposes of financing (or refinancing, if the authority is to be used within 12 months after the original transaction) a transaction which the Directors determine to be either an acquisition or a specified capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of the Notice convening the meeting,**

* Ordinary Resolution
Special Resolution

provided that unless previously renewed varied or revoked by the Company in general meeting, such authority shall expire at the conclusion of the Annual General Meeting of the Company to be held in 2025 or at the close of business on 30 June 2025, whichever is the earlier, save that this authority shall allow the Company before expiry of this authority to make offers, and enter into agreements, which would or might require equity securities to be allotted (or treasury shares to be sold) after the authority expires and the Directors may allot equity securities (or sell treasury shares) under any such offer or agreement as if the authority had not expired.

Resolution 10 also seeks to approve the disapplication of statutory pre-emption rights under the Act in respect of certain allotments of shares made under the authorities in Resolution 8.

Resolution 10 is proposed as a separate resolution to Resolution 9, to authorise the Directors to allot an additional quantity of shares (or sell treasury shares) for cash otherwise than to existing shareholders pro rata to their holdings up to an aggregate nominal amount of US\$476,276,306, representing a further five per cent of the Company's issued share capital. The additional authority in this Resolution 10 may be used only in connection with the financing (or refinancing) of an acquisition or specified capital investment.

In accordance with the Pre-Emption Group's Statement of Principles, the Directors confirm that they intend to use the authority sought in Resolution 10 only in connection with such an acquisition or specified capital investment which is announced contemporaneously with the issue, or which has taken place in the preceding 12 month period and is disclosed in the announcement of the issue, and will provide shareholders with information regarding the transaction if the authority is used. Consistent with the position adopted last year, the Directors confirm that in considering the exercise of the authority under this Resolution 10, they intend to follow the shareholder protections in Part 2B of the Pre-Emption Group's Statement of Principles to the extent reasonably practicable.

Other than allotments under employee share plans, the Board has no present intention of issuing any further ordinary shares pursuant to the authority in Resolution 10. No issue will be made which would effectively change the control of the Company or the nature of its business without the prior approval of shareholders at a general meeting.

If granted, the authority sought in Resolution 10 will be effective until the conclusion of the 2025 Annual General Meeting or the close of business on 30 June 2025, whichever is the earlier.

11. Addition of any repurchased shares to general authority to allot shares*

THAT the authority granted to the Directors to allot shares or grant rights to subscribe for, or convert any security into, shares in the Company pursuant to paragraph (a) of Resolution 8 set out in the Notice convening this meeting be extended by the addition of such number of ordinary shares of US\$0.50 each representing the nominal amount of the Company's share capital repurchased by the Company under the authority granted pursuant to Resolutions 12 and 13 set out in the Notice convening this meeting, to the extent that such extension would not result in any increase in the authority to allot shares or grant rights to subscribe for, or convert securities into, shares pursuant to paragraphs (b) and (c) of Resolution 8 set out in the Notice convening this meeting.

Resolution 11 seeks to extend the Directors' authority to allot shares and grant rights to subscribe for or convert any security into shares pursuant to paragraph (a) of Resolution 8 to include the shares repurchased by the Company under the authority sought by Resolutions 12 and 13. This is permitted by the Rules Governing the Listing of Securities on the Stock Exchange of Hong Kong Limited ("Hong Kong Listing Rules").

12. Purchases of Ordinary Shares by the Company#

THAT the Company be and is hereby generally and unconditionally authorised for the purposes of section 701 of the UK Companies Act 2006 (the "Act") to make market purchases (within the meaning of section 693(4) of the Act) of Ordinary Shares of US\$0.50 each ("Ordinary Shares") and on such terms and in such manner as the Directors shall from time to time determine provided that:

- (a) the maximum aggregate number of Ordinary Shares hereby authorised to be purchased is 1,905,105,226 Ordinary Shares, such limit to be reduced by the number of Ordinary Shares purchased from time to time pursuant to the authority granted by Resolution 13;**
- (b) the minimum price (exclusive of expenses) which may be paid for each Ordinary Share is US\$0.50 or the equivalent in the relevant currency in which the purchase is effected calculated by reference to the spot rate of exchange for the purchase of United States dollars with such other currency as quoted by HSBC Bank plc in the London Foreign Exchange Market at or about 11.00am London time on the business day (being a day on which banks are ordinarily open for the transaction of normal banking business in London) prior to the date on which the Ordinary Share is contracted to be purchased, in each case such rate to be the rate as conclusively certified by an officer of HSBC Bank plc;**
- (c) the maximum price (exclusive of expenses) which may be paid for each Ordinary Share is the lower of (i) 105 per cent of the average of the middle market quotations for the Ordinary Shares (as derived from the Daily Official List of the London Stock Exchange plc) for the five dealing days immediately preceding the day on which the Ordinary Share is contracted to be purchased, or (ii) 105 per cent of the average of the closing prices of the Ordinary Shares on The Stock Exchange of Hong Kong Limited for the five dealing days immediately preceding the day on which the Ordinary Share is contracted to be purchased, in each case converted (where relevant) into the relevant currency in which the purchase is effected calculated by reference to the spot rate of exchange for the purchase of such currency with the currency in which the quotation and/or price is given as quoted by HSBC Bank plc in the London Foreign Exchange Market at or about 11.00am London time on the business day prior to the date on which the Ordinary Share is contracted to be purchased, in each case such rate to be the rate as conclusively certified by an officer of HSBC Bank plc;**
- (d) unless previously renewed, revoked or varied by the Company in general meeting, this authority shall expire at the conclusion of the Annual General Meeting of the Company to be held in 2025 or at the close of business on 30 June 2025, whichever is the earlier; and**
- (e) the Company may prior to the expiry of this authority make a contract or contracts to purchase Ordinary Shares under this authority which will or may be completed or executed wholly or partly after such expiry and may make a purchase of Ordinary Shares pursuant to any such contract or contracts as if the authority conferred hereby had not expired.**

* Ordinary Resolution
Special Resolution

The purpose of the authority to be conferred by Resolution 12 is to enable the Company to make market purchases of its own shares. The maximum and minimum prices at which they may be bought, exclusive of expenses, are specified in the resolution.

These notes should be read together with the notes to Resolution 13 which relate to the ability of the Company to make off-market purchases (within the meaning of section 693(2) of the Act) of its own shares.

The Directors consider that it is appropriate to seek authority for the Company to make purchases under Resolutions 12 and 13 which together represent up to 10 per cent of its own Ordinary Shares. Any repurchases under the authority in Resolution 13 will reduce the available authority under this Resolution 12 and vice versa. The Company will consider share buy-backs in periods where we have an excess capital position absent compelling investment opportunities to deploy that excess. It remains the Directors' policy to maintain a strong capital base, a policy which has consistently been one of the Group's strengths. As the Group executes its strategy, the appropriate level of capital to be held will be continually reviewed. Having these authorities will give Directors the flexibility, if they consider it in the interests of the Company and shareholders, to purchase Ordinary Shares in appropriate circumstances, for example, in the event that the Company is unable to deploy the retained capital to create incremental value for shareholders, subject to regulatory approval. The Company may decide to retain any shares it purchases as treasury shares with a view to a possible re-issue at a later date, transfer in connection with an employee scheme, or it may cancel the shares. The current intention is that all shares repurchased pursuant to Resolution 12 will be cancelled.

The Company exercised its authority to make market and off-market purchases of its own shares pursuant to the authority granted at last year's AGM, being the equivalent of this year's Resolutions 12 and 13. Under the buy-back announced on 9 May 2023 and completed on 27 July 2023 (the "First Buy-back"), the Company repurchased 257,775,763 of its Ordinary Shares, all of which were cancelled. Under the buy-back announced on 2 August 2023 and completed on 26 October 2023 (the "Second Buy-back"), the Company repurchased 258,923,990 of its Ordinary Shares, all of which were cancelled. Under the buy-back announced on 31 October 2023 and completed on 16 February 2024 (the "Third Buy-back"), the Company repurchased 388,069,953 of its Ordinary Shares, all of which were cancelled. Under the buy-back announced on 22 February 2024 the "Fourth Buy-back"), as at 7 March 2024 (being the latest practicable date prior to the printing of this document) the Company repurchased 60,245,426 of its Ordinary Shares, all of which have been or are in the process of being cancelled.

Under section 693 of the Act, the Company is only permitted to make market purchases of its Ordinary Shares on a recognised investment exchange. Of the venues where the Company's Ordinary Shares are listed, only the London Stock Exchange is currently designated as a recognised investment exchange.

If Resolution 12 is passed, the authority will be effective until the conclusion of the 2025 Annual General Meeting or the close of business on 30 June 2025, whichever is earlier.

Notes which apply to Resolutions 12 and 13

The Act permits the Company to elect to hold in treasury any Ordinary Shares it may repurchase, rather than automatically cancelling those shares. Approval has been received from the relevant regulatory authorities in Hong Kong to enable the Company to hold repurchased shares in treasury. The conditional waiver granted by The Stock Exchange of Hong Kong Limited (the "Hong Kong Stock Exchange") on 19 December 2005 was granted on the basis of certain agreed modifications to the Hong Kong Listing Rules applicable to the Company. Details of the modifications are available at www.hsbc.com and the Hong Kong Stock Exchange's HKEX news website at www.hkexnews.hk. Copies of the modifications are also available from the Group Company Secretary and Chief Governance Officer, HSBC Holdings plc, 8 Canada Square, London E14 5HQ, United Kingdom and the Corporation Secretary and Regional Company Secretary Asia-Pacific, The Hongkong and Shanghai Banking Corporation Limited, 1 Queen's Road Central, Hong Kong SAR.

Further details regarding the proposed authority to be given to the Company to purchase its own shares and the waiver granted by the Hong Kong Stock Exchange are set out in Appendix 2.

The total number of options to subscribe for Ordinary Shares outstanding on 7 March 2024, being the latest practicable date prior to printing of this document, was 78,188,791 which represented 0.41 per cent of the issued ordinary share capital as at that date. If the Company was to purchase the maximum number of Ordinary Shares permitted by Resolution 12 and Resolution 13, the options outstanding on 7 March 2024 would represent 0.46 per cent of the issued ordinary share capital as at 7 March 2024.

13. Approval of form of share repurchase contract#

THAT the terms of a share repurchase contract (in the form produced to the meeting and initialled by the Chairman for the purposes of identification) (the "Contract") providing for off-market purchases (within the meaning of section 693(2) of the UK Companies Act 2006) by the Company of its ordinary shares of US\$0.50 each ("Ordinary Shares") pursuant to such Contract be and are hereby approved and the Company be and is hereby authorised to enter into and complete one or more Contracts between the Company and any or all of Merrill Lynch International and Morgan Stanley & Co. International plc, provided that:

- (a) the maximum aggregate number of Ordinary Shares hereby authorised to be purchased is 1,905,105,226 Ordinary Shares, such limit to be reduced by the number of Ordinary Shares purchased from time to time pursuant to the authority granted by Resolution 12;**
- (b) the minimum price (exclusive of expenses) which may be paid for each Ordinary Share is US\$0.50 or the equivalent in the relevant currency in which the purchase is effected calculated by reference to the spot rate of exchange for the purchase of United States dollars with such other currency as quoted by HSBC Bank plc in the London Foreign Exchange Market at or about 11.00am London time on the business day (being a day on which banks are ordinarily open for the transaction of normal banking business in London) prior to the date on which the Ordinary Share is contracted to be purchased, in each case such rate to be the rate as conclusively certified by an officer of HSBC Bank plc;**

* Ordinary Resolution
Special Resolution

(c) the maximum price (exclusive of expenses) which may be paid for each Ordinary Share is the lower of (i) 105 per cent of the average of the middle market quotations for the Ordinary Shares (as derived from the Daily Official List of the London Stock Exchange plc) for the five dealing days immediately preceding the day on which the Ordinary Share is contracted to be purchased, or (ii) 105 per cent of the average of the closing prices of the Ordinary Shares on The Stock Exchange of Hong Kong Limited for the five dealing days immediately preceding the day on which the Ordinary Share is contracted to be purchased, in each case converted (where relevant) into the relevant currency in which the purchase is effected calculated by reference to the spot rate of exchange for the purchase of such currency with the currency in which the quotation and/or price is given as quoted by HSBC Bank plc in the London Foreign Exchange Market at or about 11.00am London time on the business day prior to the date on which the Ordinary Share is contracted to be purchased, in each case such rate to be the rate as conclusively certified by an officer of HSBC Bank plc;

(d) unless previously renewed, revoked or varied by the Company in general meeting, this authority shall expire at the conclusion of the Annual General Meeting of the Company to be held in 2025 or at the close of business on 30 June 2025, whichever is the earlier; and

(e) the Company may purchase Ordinary Shares under this authority which will or may be completed or executed wholly or partly after the expiry of the authority as if the authority conferred hereby had not expired.

As mentioned in the notes to Resolution 12, market purchases of a company's own shares may only be made on a recognised investment exchange. The Hong Kong Stock Exchange is not currently a recognised investment exchange. Therefore, in order to undertake share buy-backs on the Hong Kong Stock Exchange as well as in the UK, the Company needs to comply with specific procedures under the Act for "off market" purchases of shares. The Hong Kong Buy-backs (as defined below) will be an "On-market share buy-back" under the Hong Kong Listing Rules and the Hong Kong Codes on Takeovers and Mergers and Share Buy-backs and will comply with the requirements of Rule 10.06 of the Hong Kong Listing Rules (save to the extent set out below).

In order for the Company to carry out repurchases on the Hong Kong Stock Exchange ("Hong Kong Buy-backs") within the legal framework of the Act, the Company proposes to approve a form of repurchase contract (the "Contract") and the appointment of Merrill Lynch International and/or Morgan Stanley & Co. International plc (each a "Broker") separately under one or more Contracts which will provide that:

- (a) the Broker will buy Ordinary Shares on the Hong Kong Stock Exchange on a principal basis; and
- (b) the Broker will be contractually bound to on-sell all of the Ordinary Shares bought on the Hong Kong Stock Exchange to the Company at the same price at which the Broker purchased the Ordinary Shares.

The intention is for the Company to be able to carry out share buy-backs in the UK and Hong Kong. Any such buy-backs could be carried out in the UK and Hong Kong in parallel or separately. While it is possible that separate Brokers could be appointed to carry out a buy-back in each of the UK and Hong Kong, the Company will not appoint two Brokers to carry out a buy-back in the same market (e.g. Hong Kong) at the same time. Under the First Buy-back, Second Buy-back, Third Buy-back and Fourth Buy-back the Company repurchased Ordinary Shares in the UK and Hong Kong in parallel.

Under any Contract, the relevant Broker will be appointed on an irrevocable, non-discretionary basis for a specified period to buy Ordinary Shares within certain parameters set out in the Schedule to the Contract. Subject to these parameters, decisions on when to buy or how much to pay for the Ordinary Shares will be made by the Broker independently of the Company.

The appointment of the Broker to manage the buy-back programme and take decisions independently of the Company is to ensure that the share buy-back fits within the parameters of the safe harbour in article 4 of the regulatory technical standards contained in Commission Delegated Regulation EU 2016/1052 as it applies in the UK (the "UK Buyback Safe Harbour"). The arrangements include the Broker taking the decision to buy the shares (with information barriers in place to ensure that the team at the Broker making the purchases does not have access to inside information or unpublished financial information of the Company) and the Company being under a pre-existing obligation to purchase whatever shares the Broker buys at the same price. This allows the buy-back to continue during the Company's closed periods prior to the announcement of its financial results and during periods when it has inside information. However, the Company would only enter into the Contract when it was outside a closed period and at a time when it was not in possession of inside information. As well as to fit within the parameters of the UK Buyback Safe Harbour (and equivalent safe harbours under the rules in the United States), this structure also ensures compliance with the Rule 10.06(2)(e) Waiver (as defined below) granted by the Hong Kong Stock Exchange which is described in further detail below.

The buying parameters set out in the Schedule to the Contract place certain restrictions on the price that the Broker may pay and the volume and speed with which it can make purchases. These restrictions are in place to comply with the UK Buyback Safe Harbour, equivalent safe harbours under the rules in the United States, the limits in Resolutions 12 and 13, the UK Listing Rules and the Hong Kong Listing Rules. These include restrictions to ensure that purchases on any day do not exceed 25% of the average daily trading volume for that venue, that the price paid on any venue is not higher than the last independent trade and the highest current independent bid on that venue, and that no purchases will be made as the opening transaction on a venue or in the last 10 minutes before the scheduled close of the primary trading session on that venue.

These arrangements are the same as those adopted by the Company for its previous buy-backs in the UK and Hong Kong.

On 30 January 2024, the Hong Kong Stock Exchange granted to the Company a waiver from strict compliance with Rule 10.06(2)(e) of the Hong Kong Listing Rules to enable it to conduct the Hong Kong Buy-backs during the Company's closed periods and when it is in possession of inside information provided that the Broker is appointed on an irrevocable non-discretionary basis during these periods ("Rule 10.06(2)(e) Waiver") and that the Hong Kong Buy-Back is subject to the purchase restrictions summarised above.

Approval of the form of the Contract and counterparties is not an approval of a specific share buy-back activity or the amount or timing of any repurchase activity. Ordinary Shares will be repurchased by the Company in accordance with a specific share buy-back activity or share buy-back programme if it is approved by the Board. There can be no assurance as to whether a Hong Kong Buy-back will be used to repurchase any of the Ordinary Shares or, if a Hong Kong Buy-back is used, the amount of any such buy-back or the prices at which such buy-back may be made. However, the maximum and minimum prices at which any buy-back may be made, exclusive of expenses, are specified in the resolution.

* Ordinary Resolution
Special Resolution

As mentioned in the notes to Resolution 12, the Company will consider share buy-backs in periods where we have an excess capital position absent compelling investment opportunities to deploy that excess. It remains the Directors' policy to maintain a strong capital base, a policy which has consistently been one of the Group's strengths. As the Group executes its strategy, the appropriate level of capital to be held will be continually reviewed. Having these authorities will give Directors the flexibility, if they consider it in the interests of the Company and shareholders, to purchase Ordinary Shares in appropriate circumstances, for example, in the event that the Company is unable to deploy the retained capital to create incremental value for shareholders, subject to regulatory approval. The Contract provides for any share repurchased under the Contract to be cancelled.

The Directors consider that it is appropriate to seek authority for the Company to make purchases under Resolutions 12 and 13 which together represent up to 10 per cent of its own Ordinary Shares.

The Directors' intention is only to use the authority under this resolution to carry out Hong Kong Buy-backs. If the Directors decided to exercise the authority given to them under this resolution, it may be exercised in conjunction with any repurchases under Resolution 12 or separately. Any repurchases under the authority in Resolution 12 will reduce the available authority under this Resolution 13 and vice versa.

As mentioned in the notes to Resolution 12, the Company exercised its authority to make market and off-market purchases of its own shares pursuant to the authority granted at last year's AGM, being the equivalent of this year's Resolutions 12 and 13. As at 7 March 2024 (being the latest practicable date prior to the printing of this document), under the First Buy-back, Second Buy-back, Third Buy-back and Fourth Buy-back, the Company repurchased 965,015,132 of its ordinary shares, all of which were cancelled or are in the process of being cancelled.

The disclosures contained in the notes to Resolution 12 under the heading "Notes which apply to Resolutions 12 and 13" apply equally to this Resolution.

Copies of the Contract and the list of proposed counterparties to such Contract will be made available for shareholders to inspect at the Company's registered office at 8 Canada Square, London E14 5HQ, United Kingdom from 22 March 2024 until the date of the AGM. Copies of the Contract and the list of repurchase counterparties will also be available for inspection at the AGM.

If Resolution 13 is passed, the authority will be effective and the Company may repurchase shares pursuant to the form of Contract with the relevant counterparties until the conclusion of the 2025 Annual General Meeting or the close of business on 30 June 2025, whichever is earlier.

14. Additional authority to allot equity securities in relation to the issue of Contingent Convertible Securities*

THAT in addition to any authority granted pursuant to Resolution 8 set out in the Notice convening this meeting, the Directors be generally and unconditionally authorised under and for the purposes of section 551 of the UK Companies Act 2006 (the "Act") to exercise all the powers of the Company to allot shares in the Company and to grant rights to subscribe for, or to convert any security into, shares in the Company up to an aggregate nominal amount of US\$1,905,105,226 in relation to any issue by the Company or any member of the Group of Contingent Convertible Securities ("CCSs") that automatically convert into or are exchanged for ordinary shares in the Company in prescribed circumstances where the Directors consider such an issue of CCSs would be desirable in connection with, or for the purposes of, complying with or maintaining compliance with regulatory capital requirements or targets applicable to the Group from time to time and otherwise on terms as may be determined by the Directors, provided that, unless previously renewed, varied or revoked by the Company in general meeting, such authority shall expire at the conclusion of the Annual General Meeting of the Company to be held in 2025 or at the close of business on 30 June 2025, whichever is the earlier, save that this authority shall allow the Company before the expiry of this authority to make offers, and enter into agreements, which would or might require shares to be allotted or rights to subscribe for, or to convert any security into, shares to be granted after the authority expires and the Directors may allot shares or grant rights to subscribe for, or to convert any security into, shares (as the case may be) in pursuance of such offers or agreements as if the authority conferred hereby had not expired.

Resolution 14 is to give the Directors the authority to allot shares and grant rights to subscribe for, or to convert, any security into ordinary shares in the Company up to an aggregate nominal amount of US\$1,905,105,226 equivalent to approximately 20 per cent of the Ordinary Shares in issue on 7 March 2024, being the latest practicable date prior to printing this document. This authority relates to the issue of CCSs.

This should be read together with the notes to Resolution 15 which relate to the ability of the Company to allot CCSs, or shares issued upon conversion or exchange of CCSs, without the need to first offer them to existing shareholders.

CCSs are debt securities which benefit from a specific regulatory capital treatment under European Union and United Kingdom legislation. They are treated as Additional Tier 1 Capital and, as a banking group, HSBC is able to hold a certain amount of its Tier 1 Capital in the form of Additional Tier 1 Capital. The CCSs will be converted or exchanged into ordinary shares if a defined trigger event occurs (which currently is the HSBC Group's Common Equity Tier 1 Capital ratio falling below 7 per cent). Issuing CCSs gives the Company greater flexibility to manage its capital in the most efficient and economic way for the benefit of the shareholders. Please see Appendix 1 for more information on CCSs.

This authority is in addition to the authority proposed in Resolutions 8, 9 and 10, which contain the general authority sought on an annual basis in line with IA Guidelines and the Hong Kong Listing Rules.

If Resolutions 14 and 15 are passed, the Company will only issue CCSs pursuant to the authority granted under these resolutions and not under the authority granted under Resolutions 8, 9 and 10. Although the authority in Resolutions 14 and 15 is not contemplated by the IA Guidelines, it has previously been discussed with the Investment Association with no objection.

* Ordinary Resolution
Special Resolution

The authorities in Resolutions 14 and 15 will be utilised as considered desirable to comply with or maintain compliance with the regulatory capital requirements arising in connection with the relevant European Union and United Kingdom legislation and the prudential regulatory requirements imposed by the PRA and only for those purposes. The Company will not utilise the authority in Resolutions 14 and 15 to issue new securities for any other purposes. However, pursuant to the authority under Resolutions 14 and 15, the Company may issue additional securities in order to manage the redemption of outstanding CCSs.

The authority in Resolution 14 would be effective until the conclusion of the Company's 2025 Annual General Meeting or the close of business on 30 June 2025, whichever is the earlier. The Directors expect to seek similar authorities on an annual basis.

15. Limited disapplication of pre-emption rights in relation to the issue of Contingent Convertible Securities#

THAT if Resolution 14 set out in the Notice convening this meeting is passed, the Directors be authorised (in addition to any authority granted under Resolutions 9 and 10 set out in the Notice convening this meeting) to allot equity securities (as defined in section 560 of the UK Companies Act 2006 (the "Act")) for cash under the authority given by Resolution 14 and/or to sell shares held by the Company as treasury shares for cash as if section 561(1) of the Act did not apply to any such allotment or sale, provided that, unless previously renewed, varied or revoked by the Company in general meeting, such authority shall expire at the conclusion of the Annual General Meeting of the Company to be held in 2025 or at the close of business on 30 June 2025, whichever is the earlier, save that this authority shall allow the Company before expiry of this authority to make offers, and enter into agreements, which would or might require equity securities to be allotted (or treasury shares to be sold) after the authority expires and the Directors may allot equity securities (or sell treasury shares) under any such offer or agreement as if the authority had not expired.

The effect of Resolution 15 is to give the Directors' authority to allot CCSs, or shares issued upon conversion or exchange of CCSs, without the need to first offer them to existing shareholders. If passed, Resolution 15 will authorise the Directors to allot shares and grant rights to subscribe for, or to convert any security into, shares in the Company (or to sell treasury shares held by the Company following any purchase of its own shares) on a non-pre-emptive basis up to an aggregate nominal amount of US\$1,905,105,226, representing approximately 20 per cent of the ordinary shares in issue on 7 March 2024 such authority to be exercised in connection with the issue of CCSs.

As at 7 March 2024, being the latest practicable date prior to printing of this document, the Company held no shares in treasury.

As mentioned in the notes to Resolution 14, the authorities in Resolutions 14 and 15 will be utilised as considered desirable to comply with or maintain compliance with the regulatory capital requirements arising in connection with the relevant European Union and United Kingdom legislation and the prudential regulatory requirements imposed by the PRA and only for those purposes. The Company will not utilise the authority in Resolutions 14 and 15 to issue new securities for any other purposes. However, pursuant to the authority under Resolutions 14 and 15, the Company may issue additional securities in order to manage the redemption of outstanding CCSs.

The authority in Resolution 15 would be effective until the conclusion of the Company's 2025 Annual General Meeting or the close of business on 30 June 2025, whichever is the earlier. The Directors expect to seek similar authorities on an annual basis.

16. Notice of general meetings#

THAT the Directors be authorised to call general meetings (other than annual general meetings) on a minimum of 14 clear days' notice.

The Act provides that the minimum notice period for general meetings of the Company is 21 days unless shareholders approve a shorter notice period. The passing of this resolution would enable the Company to call general meetings (other than annual general meetings) on a minimum of 14 clear days' notice. This shorter notice period of between 14 and 20 days would not be used as a matter of routine, but only when the Directors determine that calling a meeting on less than 21 days' notice is merited by the business of the meeting and consider it to be to the advantage of shareholders as a whole. The approval would be effective until the conclusion of the Company's 2025 Annual General Meeting or the close of business on 30 June 2025, whichever is the earlier, when it is intended that a similar resolution will be proposed.

17. Shareholder requisitioned resolution – Midland Clawback Campaign#

This Special Resolution seeks shareholders to instruct the board to align pension inequality with their commitment to reduce the gender pay gap, by removing the impact of State Deduction from the members of the post 1974 Midland Section of the HSBC Bank (UK) Pension Scheme.

(The basis of this proposal is an independent study conducted by academics in the Law School at the University of Exeter, which has found that the practice of State Deduction has a negative and disproportionate impact on the pensions of women and the lowest paid, as detailed further in the accompanying "Explanatory Statement")

Resolution 17 is a special resolution that has not been proposed by your Board but has been requisitioned by a group of shareholders on behalf of the Midland Clawback Campaign. Resolution 17 has been submitted to HSBC by a representative of the shareholder group proposing Resolution 17 and it should be read together with their explanatory statement in support of the proposed special resolution set out in Appendix 3 on page 31.

Your Board's response, which sets out why the Directors unanimously recommend that you vote AGAINST Resolution 17, is provided in Appendix 4 on page 32. Your Board considers that Resolution 17 is not in the best interests of the Company and its shareholders as a whole and unanimously recommends that you vote AGAINST Resolution 17.

Security

Security checks will be carried out on entry to the AGM, and you will be asked to pass through our security systems before entering the meeting. This will involve security arches, and bag and body searches may be in operation. You should arrive at least 20 minutes early to allow time to pass through security and complete registration formalities before the meeting starts. We do not permit behaviour that may interfere with anyone's security, comfort, safety or the good order of the meeting and any such behaviour will be dealt with appropriately by the Chairman of the AGM and/or those appropriately authorised by the Chairman of the AGM. Anyone who does not comply may not be permitted to enter the meeting or may be removed from the meeting.

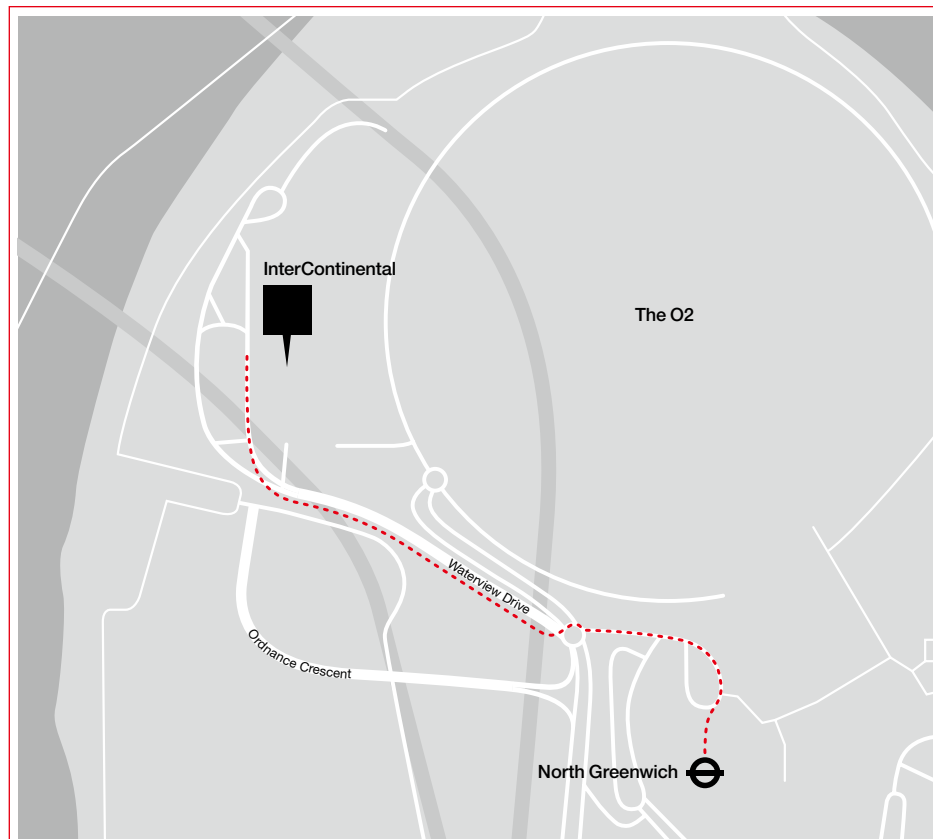

Shareholders are reminded that cameras and recording equipment will not be allowed. Mobile telephones may not be permitted inside the meeting room, and if permitted must be switched off or set to silent. Any items deemed to be inappropriate will not be permitted into the venue and will be stored until the end of the event. Shareholders are encouraged to leave coats and bags in the cloakroom provided. Only small handbags will be allowed into the meeting.

To ensure optimum security within the meeting room, please note that you will be provided with a wristband once you have been through the security checks at the venue. You must show your wristband to gain entry to the AGM.

For the security and reassurance of shareholders, the security guards at the AGM may be using body-worn video cameras. They do not record all the time, and will provide an indication if they start recording. The cameras record audio and video, and display a red light when activated. In most situations, the data from these cameras is deleted after 30 days.

The AGM is a private meeting of shareholders and their duly authorised representatives. Guests are not entitled to attend the meeting but they may be permitted in limited circumstances at the absolute discretion of the Company. Information on how to vote

Entitlement to attend and vote

Pursuant to the Uncertificated Securities Regulations 2001 (as amended), changes to entries on the principal register of members of the Company maintained in England (the "Principal Register") or either the Hong Kong or Bermuda Overseas Branch Registers of the Company (the "Branch Registers"), as appropriate, after 12.01am London time (7.01am Hong Kong time) on Thursday, 2 May 2024 or 12.01am London time (7.01am Hong Kong time) on the day immediately before the day of any adjourned meeting (as the case may be) shall be disregarded in determining the rights of a shareholder to attend or vote at the AGM or any adjourned meeting (as the case may be). Accordingly, a shareholder entered on the Principal Register or the Branch Registers at 12.01am London time (7.01am Hong Kong time) on Thursday, 2 May 2024 or 12.01am London time (7.01am Hong Kong time) on the day immediately before the day of any adjourned meeting (as the case may be) shall be entitled to attend and vote at the AGM or any adjourned meeting (as the case may be) in respect of the number of such shares entered against the shareholder's name at that time.

Voting

Voting at the AGM will be conducted by way of a poll. This means that each shareholder present or represented (in person or electronically) will be able to exercise one vote for each share held. In the case of joint registered holders of any share, the vote of the senior who tenders a vote, whether in person, electronically or by proxy, shall be accepted to the exclusion of the votes of the other joint holder(s). For this purpose, seniority shall be determined by the order in which the names of the holders stand in the Principal Register or the Branch Registers of the Company, as appropriate.

Shareholders will be able to vote by either submitting a proxy in advance of the AGM or by voting on the day of the AGM either in person at the meeting or via the Lumi website following the instructions set out on pages 25 to 26 and in Appendix 6 on page 34 for those shareholders attending the AGM electronically.

Shareholders are strongly encouraged to appoint the Chairman of the AGM as their proxy, even if they intend to attend the AGM in person or electronically. This is to ensure that your vote is counted if you are unable to attend on the day of the AGM.

The completion and submission of a form of proxy will not preclude you from attending and voting in person or electronically at the AGM. Information on how to appoint a proxy is set out below.

Shareholders who attend the AGM electronically will be able to vote on each of the resolutions put to the AGM. Instructions on how shareholders can exercise their votes whilst attending the AGM electronically are set out below.

Following the conclusion of the AGM, voting results will be published on the Company's website at www.hsbc.com/agm.

Appointing a proxy

Shareholders are strongly encouraged to vote on the resolutions in advance of the AGM by completing a proxy form appointing the Chairman of the AGM as your proxy. You may appoint the Chairman of the AGM to vote on your behalf or a person of your choice to attend, speak and vote on your behalf. A proxy need not be a member of the Company. You may appoint more than one proxy, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by you. If you require additional forms of proxy, you may photocopy the original form of proxy enclosed or ask our registrar to send you additional forms (see "How to submit your form of proxy" below for the registrar's address).

As explained above under "Voting", shareholders are strongly encouraged to appoint the Chairman of the AGM as their proxy, even if they intend to attend the AGM in person or electronically. This is to ensure that your vote is counted if you are unable to attend on the day.

If you appoint a proxy, other than the Chairman of the AGM, and they wish to attend the meeting electronically, they will need to contact the Company's registrar before 11.00am London time (6.00pm Hong Kong time) on Wednesday, 1 May 2024 to arrange for the necessary details to be sent to them. See further details set out on pages 25 to 26.

A form of proxy is enclosed with this document or may be accessed at www.hsbc.com/proxy.

How to submit your form of proxy

The form of proxy must be received by 11.00am London time (6.00pm Hong Kong time) on Wednesday, 1 May 2024, or not less than 48 hours before the time of the holding of any adjourned meeting.

You may submit your form of proxy electronically at www.hsbc.com/proxy by entering your Shareholder Reference Number and the Personal Identification Number which is either printed on your form of proxy or which has been sent to you by email if you have registered an email address to receive electronic communications.

Alternatively, you may send your completed form of proxy to:

- Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol, BS99 6ZY, United Kingdom;
- Computershare Hong Kong Investor Services Limited, Rooms 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Hong Kong SAR; or
- Investor Relations Team, HSBC Bank Bermuda Limited, 37 Front Street, Hamilton HM 11, Bermuda.

For shares held through CREST, proxy appointments may be submitted via the CREST proxy voting system (see section on "CREST" set out below).

In order to be valid, the completed form of proxy (together with any power of attorney or other authority under which it is signed, or a copy of such authority certified notarially or in some other way approved by the Board) must be deposited by 11.00am London time (6.00pm Hong Kong time) on Wednesday, 1 May 2024, or not less than 48 hours before the time of the holding of any adjourned meeting, at the offices of the Company's registrar (see above for the registrar's address). Any power of attorney or other authority relating to an appointment of a proxy cannot be submitted electronically and must be deposited as referred to above for the appointment to be valid.

Please note that 1 May 2024 is a public holiday in Hong Kong and Computershare Hong Kong Investor Services Limited's offices will not be open on that day for physical delivery of forms of proxy. To be effective, all proxy appointments must be lodged with Computershare Hong Kong Investor Services Limited before the deadline.

CREST

CREST members who wish to appoint a proxy or proxies by using the CREST electronic proxy appointment service may do so for the AGM or any adjourned meeting by following the procedures described in the CREST manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a “CREST Proxy Instruction”) must be properly authenticated in accordance with Euroclear UK & International Limited’s specifications and must contain the information required for such instructions, as described in the CREST manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer’s agent (ID 3RA50) by 11.00am London time (6.00pm Hong Kong time) on Wednesday, 1 May 2024, or not less than 48 hours before the time of the holding of any adjourned meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointees through other means.

CREST members, and, where applicable, their CREST sponsor or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that their CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.

Pursuant to Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended) the Company may treat as invalid a CREST Proxy Instruction if the Company has actual notice that:

- information in the instruction is incorrect;
- the person expressed to have sent the instruction did not in fact send it; or
- the person sending the instruction on behalf of the relevant shareholder did not have the authority to do so.

Nominated persons

The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person who has been nominated to receive communications from the Company in accordance with section 146 of the UK Companies Act 2006 (the “Act”) (“nominated persons”). Nominated persons may have a right under an agreement with the registered shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy for the AGM. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights at the AGM.

The main point of contact for nominated persons remains the registered shareholder (for example, the stockbroker, investment manager, custodian or other person who manages the investment). Any changes or queries relating to nominated persons’ personal details and holdings (including any administration thereof) must continue to be directed to the registered shareholder and not the Company’s registrar. The only exception is where the Company, in exercising one of its powers under the Act, writes to nominated persons directly for a response.

Corporate representatives

Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that, if it is appointing more than one corporate representative, it does not do so in relation to the same share or shares. If a corporate representative wishes to attend the AGM in person, any such representative should bring to the meeting written evidence of their appointment, such as a certified copy of a board resolution of, or a letter from, the corporation concerned confirming the appointment. Shareholders can obtain a template of the type of letter we will accept for the appointment of a corporate representative by sending an email to shareholderquestions@hsbc.com.

If you appoint a corporate representative and they wish to attend the meeting electronically, they will need to contact the Company’s registrar before 11.00am London time (6.00pm Hong Kong time) on Wednesday, 1 May 2024 to arrange for the necessary details to be sent to them. See further details set out on pages 25 to 26.

Proxymity

If you are an institutional investor on the Principal Register in the UK you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Company’s registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 11.00am London time (6.00pm Hong Kong time) on Wednesday, 1 May 2024 or not less than 48 hours before the time of the holding of any adjourned meeting in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity’s associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.

Shareholders’ power to require circulation of resolutions

Under section 338 and section 338A of the Act, shareholders meeting the threshold requirements in those sections have the right to require the Company (i) to give to shareholders of the Company entitled to receive notice of the AGM, notice of a resolution which may properly be moved and is intended to be moved at the AGM and/or (ii) to include in the business to be dealt with at the AGM any matter (other than a proposed resolution) which may be properly included in the business. A resolution may properly be moved or a matter may properly be included in the business of the AGM unless (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company’s constitution or otherwise), (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business of the AGM, must be authorised by the person or persons making it, must be received by the Company not later than six weeks before the AGM, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request. Shareholders may send enquiries to the Board in writing to the Group Company Secretary and Chief Governance Officer, HSBC Holdings plc, 8 Canada Square, London E14 5HQ, United Kingdom or by sending an email to shareholderquestions@hsbc.com.

Shareholders' power to require website publication of audit concerns

Under section 527 of the Act, shareholders meeting the threshold requirements in that section may require the Company to publish on its website a statement setting out any matter that the shareholders propose to raise at the AGM relating to (i) the audit of the Company's accounts (including the Auditor's report and the conduct of the audit) that are to be laid before the AGM, or (ii) any circumstance connected with an Auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's Auditor no later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on its website.

Webcast

The AGM will be webcast live and can be accessed via www.hsbc.com/agm. A recording will be available for viewing for approximately two months after the AGM. This is a view only service and does not allow shareholders to participate in the AGM electronically. Shareholders wishing to participate electronically are recommended to view the webcast via the Lumi AGM website where you can also vote and ask questions. Details on how to join are set out on pages 25 to 26 and in Appendix 6 on page 34.

Asking questions related to the business of the AGM

You have the right to ask questions in relation to the business of the AGM but no answer need be given if (a) to do so would interfere unduly with the preparation for the AGM or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the AGM that the question be answered. Shareholders are reminded to keep their questions and comments appropriate to the business of the AGM.

Shareholders attending the AGM electronically may submit questions in writing via the Lumi AGM website or may ask questions by telephone by following the instructions set out in the "Electronic attendance at the 2024 Annual General Meeting" section on pages 25 to 26.

Shareholders can also submit their questions relating to the business of the AGM in advance of the AGM by sending an email to shareholderquestions@hsbc.com referencing your Shareholder Reference Number. We will consider all questions received and, if appropriate and relating to the business of the AGM, will endeavour to give an answer at the AGM, provide a written response or publish answers on the Company's website at www.hsbc.com/agm. We encourage shareholders to submit questions in advance of the AGM by no later than 11.00am London time (6.00pm Hong Kong time) on Wednesday, 1 May 2024.

Any questions submitted that are not relevant to the business of the AGM will be forwarded for the attention of a relevant HSBC colleague or the Company's registrar, as appropriate. These might include matters relating to a shareholder's bank account or affairs which are unlikely to be relevant to the business of the AGM.

Where a number of questions are received on a similar topic, these may be grouped together to avoid repetition and address as many queries as possible.

Submitting a question in advance of the AGM does not affect your rights as a shareholder to attend and speak at the AGM, either in person or electronically.

Duly appointed proxies and corporate representatives attending electronically

If your investment is not held in your name on the Principal Register or the Branch Registers (for example, it is held in a broker account or by a custodian or nominee), it will be necessary for you to be appointed as a proxy or corporate representative to attend the meeting electronically. You should therefore contact the person through which your investment is held in order to arrange for you to be appointed as a proxy or corporate representative. Once you have been validly appointed as a proxy or corporate representative, you will need to contact the Company's registrar before 11.00am London time (6.00pm Hong Kong time) on Wednesday, 1 May 2024 to arrange for you to be sent a Unique Username and Personal Identification Number to access the Lumi AGM website. The Unique Username can be entered in place of the Shareholder Reference Number. Specific instructions are set out below for non-registered shareholders in Hong Kong and for holders of American Depositary Shares.

It is recommended that the Company's registrar is contacted as early as possible. For corporate representatives, in relation to shares held on the UK Principal Register or the Bermuda Branch Register, email a scanned copy of your letter of representation to corporate-representatives@computershare.co.uk or telephone +44 (0) 370 702 0137. In relation to shares held on the Hong Kong Branch Register, email a scanned copy of your letter of representation to hsbc.proxy@computershare.com.hk or telephone +852 2862 8646. For proxy appointments, you should contact the Company's registrar to provide your email address and details of the person through which your investment is held. For both proxies and corporate representatives, your Unique Username and Personal Identification Number will be sent to you by email 24 hours prior to the meeting.

Hong Kong non-registered shareholders

Non-registered shareholders whose shares are held in the Central Clearing and Settlement System in Hong Kong have the option to attend and participate at the AGM electronically. They should liaise with their banks, brokers, custodians or nominees through which their shares are held (together, the "Intermediary") and provide their email address to their Intermediary. The Intermediary should register the details with HKSCC Nominees Limited and arrange for details regarding the AGM arrangements, including login details to access the Lumi AGM website, to be sent by the Company's Hong Kong registrar to the email addresses provided by the non-registered shareholders. It is recommended that instructions are sent to the Intermediary by the non-registered shareholder as early as possible to allow time for the instructions to be processed.

American Depositary Shares ("ADSs")

If you are a registered ADS holder (i.e. you hold your ADSs through Computershare US, the transfer agent of the Depository, The Bank of New York Mellon), you will need to register in advance to attend and participate at the AGM electronically. Please follow the instructions on the notice that you received with your voting instruction card.

Non-registered ADS holders: If you hold your shares through an intermediary, such as a bank or broker, and wish to attend and participate at the AGM electronically, you must register in advance with Computershare US. You must submit proof of your proxy power (legal proxy) reflecting your ADS holdings along with your name and email address to Computershare US at legalproxy@computershare.com or write to Computershare US, HSBC Holdings plc Legal Proxy, P.O. Box 43001 Providence, RI 02940-3001, labelled as "Legal Proxy", and be received no later than 5.00pm New York time, on Wednesday, 24 April, 2024 (Virtual Meeting Pre Registration and voting cut-off Date). The details regarding the AGM arrangements, including login details to access the Lumi AGM website, will be sent by Computershare US to the email address provided by the ADS holder.

By providing the information required to register in advance to attend and participate at the AGM electronically, you confirm that you consent to the provision of such information, including any personal data contained therein, to The Bank of New York Mellon and Computershare US and to the further transfer by them of that information and personal data (if applicable) to other agents of the Company for the purpose of facilitating your attendance and participation at the AGM electronically.

Electronic voting

Voting on all resolutions will be enabled at the AGM once the Chairman of the AGM formally declares the poll open. Shareholders may, at any time while the poll is open, vote electronically on any or all of the resolutions in the Notice. Resolutions will not be proposed individually.

Once the poll is open, the list of resolutions being put to the AGM will appear on the Lumi AGM platform. The voting options available will appear when you click on the voting icon. Select the option that corresponds with how you wish to vote on each resolution: "FOR", "AGAINST" or "WITHHELD". Once you have selected your choice, the option will change colour and a confirmation message will appear to indicate your vote has been cast and received – there is no submit button.

If you make a mistake or wish to change your vote, simply re-select the correct voting option. If you wish to "cancel" your vote, select the "cancel" button. You will be able to change or cancel your vote at any time whilst the poll remains open and before the Chairman of the AGM announces its closure.

An active internet connection is required in order to successfully cast your vote when the Chairman of the AGM commences polling on the resolutions. It is the user's own responsibility to ensure that they have a sufficient internet connection.

Asking questions via Lumi

Shareholders attending electronically may ask questions via the Lumi AGM website by typing and submitting their question in writing. To ask a question via the Lumi AGM website, you should select the messaging icon from within the navigation bar to open the chat box and type your question at the top of the screen. Once finished, press the 'send' icon to the right of the message box to submit your question.

Questions sent via the chat box on the Lumi AGM website will be moderated before being sent to the Chairman of the AGM, in line with the approach outlined in the "Asking questions related to the business of the AGM" section on page 24. In some circumstances a direct response may be given to your question via the platform, rather than the question being put to the meeting to avoid repetition or where the question is not relevant to the business of the meeting.

An active internet connection is required in order to allow you to submit questions via the Lumi AGM website. It is the user's own responsibility to ensure that they have a sufficient internet connection.

Asking questions via the telephone

To be able to speak via telephone at the AGM, shareholders can request to be called once they have logged into the Lumi AGM website and completed the registration process. The Lumi AGM website will be

accessible from 9.00am London time (4.00pm Hong Kong time) on Friday, 3 May 2024.

Once connected, you will receive further instructions on how to ask a question. Once your call has been put through to the meeting, you will then be able to ask your question to the meeting. Questions asked on the telephone will be answered in line with the approach outlined in the "Asking questions related to the business of the AGM" section on page 24.

If you join the telephone call to ask a question but are also listening to the webcast of the AGM, please ensure the webcast is muted, so that there is no interference between the two when speaking.

We cannot guarantee that all shareholders that wish to ask a question by telephone will be able to do so. If you do not think that your question has been answered during the AGM or by other means outside of the meeting, please send an email to shareholderquestions@hsbc.com as outlined in the "Asking questions related to the business of the AGM" section on page 24.

Participation by telephone is solely to facilitate questions and does not permit voting.
