PART A - CONTRACTUAL TERMS

This document constitutes the Final Terms relating to the issue of the Tranche of Warrants described herein. Terms used herein shall be deemed to be defined as such for the purposes of the Conditions (the "**Conditions**") set forth in the Base Prospectus dated 3 September 2008 which are incorporated by reference into the Base Prospectus dated 17 January 2012 and are attached hereto. This document constitutes the Final Terms of the Warrants described herein for the purposes of Article 5.4 of the Prospectus Directive (Directive 2003/71/EC) (the "**Prospectus Directive**") and must be read in conjunction with the Base Prospectus dated 17 January 2012 and the supplemental Prospectuses dated 12 March 2012, 28 June 2012, 7 August 2012 and 26 September 2012, each of which has been approved by and filed with the United Kingdom Financial Services Authority, which together constitute a base prospectus ("Prospectus") for the purposes of the Prospectus Directive, save in respect of the Conditions which are extracted from the Base Prospectus dated 3 September 2008 and are incorporated by reference into the Base Prospectus dated 17 January 2012. Full information on the Issuer and the offer of the Warrants is only available on the basis of the combination of these Final Terms, the Conditions and the Prospectus. The Prospectus(es) and Conditions are available for viewing at HSBC Bank plc, 8 Canada Square, London E14 5HQ and <http://www.hsbc.com/1/2/investor-relations/fixed-income> and copies may be obtained from HSBC Bank plc, 8 Canada Square, London E14 5HQ.

The Warrants reflect the risks of a direct investment in the A-share market of the People's Republic of China ("**PRC**") by a Qualified Foreign Institutional Investor ("**QFII**") which may be evidenced by investments by the Issuer or an affiliate of the Issuer that is registered as a QFII or any successor to such affiliate (each such affiliate, a "**QFII Affiliate**"). The effect of such risks on the Warrants will always be calculated in the sole and absolute discretion of the Calculation Agent. Certain of the risks are outlined in these Final Terms, though these are not exhaustive. Investors should conduct their own investigation of the risks involved in a direct investment in PRC equity by a QFII and investment in Renminbi and form their own view based on such investigations. In certain circumstances, the Warrantholders' entire investment may be at risk and the Warrants may become valueless.

A QFII is required to disclose to the regulators and other authorities or institutions the shareholding information of PRC equities held by itself and by the investors behind it in accordance with the relevant laws and regulations in the PRC. The Issuer may therefore request any investor to provide to it and pass to the QFII such information as required by the relevant laws, regulations and regulatory requirements.

Each Warrantholder represents and agrees, as a condition of acquiring or holding such Warrants: (i) that the Issuer is authorised to provide information regarding the Warrantholder and the Warrants to the QFII

investing in the Reference Assets ("**HSBC QFII**") for onward transmission to the regulators or any other authorities or institutions in the PRC in accordance with applicable PRC laws and regulations; and (ii) that such Warrantholder will provide the Issuer with such additional information that the Issuer and/or the HSBC QFII deems necessary or appropriate in order to comply with any laws and regulations in the PRC from time to time.

The Issuer accepts responsibility for the information set out in Annex I hereto (which forms part of these Final Terms) concerning the ordinary A shares of Jiangxi Copper Company Ltd. (the "**Share Information**") which is derived from publicly available information and is intended as a summary only of the information from which it is derived. The Issuer confirms that the Share Information has been accurately reproduced from information available from the information source specified herein and that, so far as the Issuer is aware and is able to ascertain from Information available from such source, no facts have been omitted which would render the reproduced Information inaccurate or misleading. The Issuer accepts responsibility for having correctly extracted the Share Information from such publicly available information.

The Warrants offered hereby have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the "**Securities Act**") or with any securities regulatory authority of any state or other jurisdiction of the United States. Accordingly, they may be offered and sold (i) in the United States, pursuant to Rule 144A under the Securities Act ("**Rule 144A**"), only to "qualified institutional buyers" (as defined in Rule 144A); or (ii) outside the United States, in accordance with Regulation S under the Securities Act ("**Regulation S**"), in each case to investors that have executed and delivered to the Issuer a letter of representations substantially in the form attached as the Exhibit hereto and in compliance with any applicable securities laws. Prospective investors in the United States are hereby notified that, with respect to any sales of Warrants in the United States, the Manager will be relying on the exemption from the registration requirements of the Securities Act provided by Rule 144A. Investors should also be aware that the Warrants may not be re-offered, re-sold, pledged or otherwise transferred within the United States (within the meaning of Regulation S) except in a transaction that is exempt from the registration requirements of the Securities Act and in compliance with any applicable state securities laws. See "Transfer Restrictions".

The Share Information is of limited scope. In deciding whether or not to purchase Warrants, investors should conduct their own investigations of Jiangxi Copper Company Ltd. and form their own view of the merits of Jiangxi Copper Company Ltd. based upon such investigations and not in reliance upon the Share Information.

$$\frac{\text{Realisable Sale Price}}{\text{Weighted Average Exchange Rate}} \times (1 - \text{Commission})$$

Where:

Commission represents the fee to be retained by the Manager or any of its affiliates as separately notified to the Warrantholder, which is calculated as a percentage of the gross consideration payable for the purchase of the Warrants.

QFII means a Qualified Foreign Institutional Investor pursuant to the *Interim Measures for the Administration of Securities Investments by Qualified Foreign Institutional Investors in*

China promulgated by the China Securities Regulatory Commission and the People's Bank of China on 5 November, 2002.

Realisable Sale Price means the weighted average of the prices at which the Underlying Hedge Transaction(s) are unwound on each Averaging Date, less all costs, expenses, fees and levies in respect thereof, including but not limited to brokers' fees, bank and custody charges, transaction processing fees and expenses, and all other taxes and other duties (including without limitation any capital gains tax such as PRC Capital Gains Tax) (together **Costs**) whether such Costs would be withheld at source or would otherwise be required to be paid, and provided that the same is or are introduced and/or imposed prior to the Tax Equalisation Long-stop Date and in all cases, including any interest thereon levied by the applicable PRC tax authorities, all as determined by the Calculation Agent in its sole and absolute discretion.

Where the amount of Costs (including, without limitation, PRC Capital Gains Tax) or the basis on which it is to be determined is not definitely known (each a **tax uncertainty** and together **tax uncertainties**) the Issuer may use the same basis for calculation of such amount as it would use in respect of a holding, purchase or, as applicable, sale of the Underlying Share either (a) for itself as beneficial owner, (b) for the QFII as beneficial owner, or (c) for the holder of Warrants as beneficial owner, as selected by the Issuer in its sole and absolute discretion (provided that the rate in respect of PRC Capital Gains Tax shall be the Fixed CGT Rate) until the applicable Tax Certainty Date.

In the event that the Issuer and/or its affiliates have not entered into any Underlying Hedge Transaction(s) or have entered into one or more Underlying Hedge Transaction(s) in respect of some only of the Warrants, the Realisable Sale Price shall be the aggregate price at which a QFII, being the holder of Securities underlying one Warrant would have been able to dispose of such Securities through the Exchange(s) on the Averaging Dates, less any costs, as determined by the Calculation Agent in its sole and absolute discretion.

In addition (and notwithstanding the provisions relating to PRC Capital Gains Tax stated above), once the relevant tax

uncertainties are clarified so as to remove the relevant tax uncertainties, (1) where the amount of tax which has actually been deducted (**Tax Deducted**) is greater than the amount of tax properly payable (the amount of the excess, the **Excess Deduction**), the Issuer will pay to the Warrantholder an amount in USD (converted at the Weighted Average Exchange Rate at the time the relevant determination of the Excess Deduction is made) equal to the Excess Deduction, or (2) where the Tax Deducted is less than the amount of tax properly payable (the amount of the excess, the **Deduction Shortfall**), the Warrantholder will pay to the Issuer an amount in USD (converted at the Weighted Average Exchange Rate at the time the relevant determination of the Deduction Shortfall is made) equal to the Deduction Shortfall. In either case, the relevant amount (the **Tax Equalisation Payment**) will be (x) conclusively determined as soon as reasonably practicable on or after the Tax Certainty Date by the Calculation Agent and notified as soon as practicable after such determination to Warrantholders (such notification date, the **Tax Equalisation Payment Notification Date**), and (y) (where the Tax Certainty Date falls on or before the Latest Final Averaging Date) payable on the Settlement Date applicable to an exercise of Warrants on the Expiry Date, or (where the Tax Certainty Date falls after the Latest Final Averaging Date but before the Tax Equalisation Long-stop Date) payable on the date notified to Warrantholders as the applicable payment date by the Issuer, being no less than two Business Days after the Tax Equalisation Payment Notification Date (such payment date, the **Tax Equalisation Payment Date**); provided always that such Tax Equalisation Payment Notification Date will be no later than the Tax Equalisation Long-stop Date. For the avoidance of doubt, (i) if the Tax Equalisation Payment Notification Date has not occurred on or prior to the Tax Equalisation Long-stop Date, no Tax Equalisation Payment will be payable and (ii) the Tax Equalisation Payment will be payable as stated above even if the Tax Equalisation Payment Date falls after the Expiry Date. The obligation to pay any Excess Deduction and Deduction Shortfall shall survive the expiration of the Warrants and any transfers of Warrants made by any Warrantholder prior thereto.

If no Tax Certainty Date occurs on or prior to

the Tax Equalisation Long-Stop Date, then the Issuer shall refund to the holder of record of the Warrants as at the time when the deduction was made any amounts previously deducted (without any interest thereon) on account of the tax uncertainties; such refund to be made as soon as practicable following the Tax Equalisation Long-Stop Date.

Where (i) the amount of Costs or the basis on which it is to be determined is not confirmed before the applicable Valuation Date and/or is subject to change in the future (such amount of Costs being **Unpaid Costs**) and (ii) the Unpaid Costs were not deducted from the calculation of the Cash Settlement Amount, each Warrantholder will be required to pay to the Issuer an amount equal to such Unpaid Costs upon notification from the Issuer. Any holder's obligation to pay such Unpaid Costs shall survive the expiration of the Warrants and any transfers made by any such holder prior to such date.

Latest Final Averaging Date means the final Averaging Date in respect of the latest Exercise Date, or if none, an Exercise Date that is deemed to fall on the Expiry Date.

PRC Capital Gains Tax means, unless and until definitively stated by any applicable PRC tax authorities (as determined by the Calculation Agent in its sole and absolute discretion), 10% (such rate, the **Fixed CGT Rate**) of the excess (if any) of (a) the Realisable Sale Price (without deduction of Costs) over (b) (Relevant Reference Price / 1 + Final Commission), and if (and once) so definitively stated (and provided that tax rate is definitively stated by any applicable PRC tax authorities at any time before the Tax Equalisation Long-stop Date), the capital gains tax properly applicable as so stated.

PRC means the People's Republic of China.

Relevant Reference Price means the CNY equivalent of the purchase price of one Warrant at the time a Warrantholder purchases the Warrant.

Tax Certainty Date means, in respect of any tax uncertainty, the date on which the Calculation Agent becomes aware of the clarification by the applicable tax authorities so as to remove the relevant uncertainty or, if later, the Tax Clarification Effective Date.

Tax Clarification Effective Date means the

first date on which the relevant clarified tax position becomes effective (and where the clarified tax position becomes effective with retrospective effect on a certain date or affecting a certain payment, the Tax Clarification Effective Date will be that certain date or the date of that certain payment), all as determined by the Calculation Agent in its sole and absolute discretion.

Tax Equalisation Long-stop Date means the date falling 7 years after the Latest Final Averaging Date.

Underlying Hedge Transaction means any holding (whether direct or synthetic) by the Issuer, or any affiliate of Securities and/or financial instruments (of any kind) which the Issuer consider necessary for the purposes of hedging, funding or otherwise performing the Issuer's obligations in respect of one Warrant.

Whilst it is the intention of the Issuer where possible to purchase Securities for such purposes, the Issuer is at no time obliged to hold Securities, nor any other positions, for such purposes.

Weighted Average Exchange Rate means the weighted average of the rates of exchange for the conversion of Renminbi (CNY) into USD, expressed as a number of CNY per one USD, less any costs incurred or would have been incurred by the Issuer and/or its affiliates in connection with such conversion (the **Underlying FX Rate**) at the time each Underlying Hedge Transaction is unwound, or (as the case may be) the Excess Deduction, or as applicable, the Deduction Shortfall is determined, as determined by the Calculation Agent in its sole and absolute discretion.

Warrantholders should note that if the PRC taxing authorities clarify the PRC Capital Gains Tax rate after the Cash Settlement Amount has been paid and such rate properly applied is different from the Fixed CGT Rate, either the Issuer or the Warrantholder (as the case may be) will have an obligation to pay the Excess Deduction or Deduction Shortfall (as the case may be).

(iii) Cash Settlement
Payment Date:

The fifth calendar day (other than a Saturday or Sunday) following the final Averaging Date or if such day is not an Exchange Business Day on which the CNY/USD

exchange markets are open for business in Shanghai, then the immediately following Exchange Business Day on which the CNY/USD exchange markets are open for business in Shanghai.

30. PERFORMANCE OF INDEX/FORMULA/OTHER VARIABLE, EXPLANATION OF EFFECT ON VALUE OF INVESTMENT AND ASSOCIATED RISKS AND OTHER INFORMATION CONCERNING THE UNDERLYING

The Warrants reflect the risks of a direct investment in PRC equity by a QFII, which may be evidenced by investments by the Issuer, any QFII Affiliates, and QFIIs generally. The effect of such risks on the Warrants will always be calculated in the sole and absolute discretion of the Calculation Agent. Investors should conduct their own investigation of the risks involved in a direct investment in PRC equity by a QFII and investment in Renminbi and form their own view based on such investigations. In certain circumstances, the Warrant holders' entire investment may be at risk and the Warrants may become valueless.

Due to the investment policies maintained by the relevant QFII, the Warrants cannot be used to facilitate any investment in any PRC Government Bond (as defined below) products, or to be used for any purpose of an excessively speculative nature.

"PRC Government Bond" means "any Renminbi denominated public government debt securities issued by the Ministry of Finance of the People's Republic of China on behalf of the central government as defined in the Interim Administrative Measures of the Custody of Government Bonds of the People's Republic of China".

If the Warrants are specified in the relevant Final Terms as being Physical Settlement Warrants, then, subject to Condition 3(g) (*Optional Cash Settlement*) if applicable, upon the exercise of a Warrant by a Warrantholder:

- (i) in the case of a Call Warrant, the Issuer will, on the Settlement Date in respect of such Warrant, procure the credit of the Securities to which such Warrant relates to the account with the relevant Clearing System specified, or as may otherwise be specified, for that purpose by the Warrantholder in the relevant Exercise Notice, following payment by the Warrantholder to or to the order of the Issuer on or before the Strike Price Payment Date of the Strike Price; and
- (ii) in the case of a Put Warrant, the Issuer will, on the Settlement Date in respect of such Warrant, procure the credit of the Strike Price in respect of the Warrant so exercised to the account with the relevant Clearing System specified, or as may otherwise be specified for that purpose by the Warrantholder in the relevant Exercise Notice, following the debit of the relevant Securities to which such Warrant relates to the account of the Warrantholder with the relevant Clearing System and the credit thereof to the account of the Principal Warrant

Agent (in favour of the Issuer) as aforesaid on or before the Settlement Date in respect of such Warrant;

("Physical Settlement") all as more fully described in Condition 4 (*Exercise Procedure*). In each case, the number of Securities so debited and credited will be rounded down to the nearest whole number of such Securities that may be separately transferred, with Warrants exercised at the same time by the same Warrantholder being aggregated for the purpose of determining the aggregate number of Securities applicable.

(f) *Optional Physical Settlement*

If this Condition 3(f) is specified in the relevant Final Terms as being applicable, then, upon the exercise of a Warrant by a Warrantholder, the Issuer may elect Physical Settlement in accordance with Condition 3(e) (*Physical Settlement*) instead of Cash Settlement in accordance with Condition 3(d) (*Cash Settlement*). The Warrants do not confer on the Holder any right to acquire Securities and the Issuer is not obliged to purchase or hold Securities. By exercising a Warrant, the Warrantholder shall be deemed to have agreed to such form of settlement as the Issuer shall elect.

If this Condition 3(g) is specified in the relevant Final Terms as being applicable, then, upon the exercise of a Warrant by a Warrantholder, the Issuer may elect Cash Settlement in accordance with Condition 3(d) (*Cash Settlement*) instead of Physical Settlement in accordance with Condition 3(e) (*Physical Settlement*). 4. **Exercise Procedure**

(a) *Exercise*

- (i) Subject to prior termination of the Warrants as provided in Condition 9 (*Force Majeure and Illegality*), if Automatic Exercise is not specified as applying in the applicable Final Terms:

Warrants may be exercised on the Exercise Date by the sending of a tested fax confirmed in writing of a duly completed Exercise Notice (copies of which may be obtained from the relevant Clearing System, or the Principal Warrant Agent) in accordance with Condition 4(b) (*Exercise Notice*) to the Principal Warrant Agent, not later than 10.00 a.m. (local time in the place where the Clearing System through which such Warrants are exercised is located):

- (A) in the case of Warrants specified in the relevant Final Terms as being American Style Warrants, on any Business Day during the Exercise Period;
- (B) in the case of Warrants specified in the relevant Final Terms as being European Style Warrants, on the Expiry Date, subject to Condition 3(b) ("*European Style Exercise*"); or
- (C) in the case of Warrants specified in the relevant Final Terms as being Bermudan Style Warrants, on a Potential Exercise Date, and/or the Expiry Date, subject to Condition 3(c) ("*Bermudan Style Exercise*").

Subject to Condition 3(h) (*Warrants Void on Expiry*), any Exercise Notice delivered after 10.00 a.m. (local time in the place where the Clearing System through which such Warrants are exercised) shall (a) in the case of European Style Warrants and Bermudan Style Warrants, be null and void and (b) in the case of American Style Warrants, be deemed to have been delivered on the next succeeding Business Day.

- (ii) Subject to prior termination of the Warrants as provided in Condition 9 (*Force Majeure and Illegality*), if Automatic Exercise is specified as applying in the applicable Final Terms, Warrants with respect to which no Exercise Notice has been delivered in the manner set out in Condition 4(a)(i) and in accordance with Condition 4(b) (*Exercise Notice*) shall be automatically exercised on the Expiry Date and the provisions of Condition 4(j) (*Automatic Exercise*) shall apply.

(b) *Exercise Notice*

Each Exercise Notice shall:

- (i) specify the name, address, telephone and facsimile details of the Warrantholder in respect of the Warrants being exercised;
- (ii) specify the number of Warrants of each Tranche being exercised (which must be not less than the Minimum Exercise Number (as defined in Condition 5 (*Minimum Number of Warrants Exercisable*)));
- (iii) specify the number of the Warrantholder's account at the relevant Clearing System to be debited with the Warrants being exercised and irrevocably instruct, or, as the case may be, confirm that the Warrantholder has irrevocably instructed, the relevant Clearing System to debit the Warrantholder's account with the Warrants being exercised and to credit the same to the account of the Principal Warrant Agent;
- (iv) where applicable, specify the number of the Warrantholder's account at the relevant Clearing System to be credited with the Cash Settlement Amount for the Warrants being exercised;
- (v) in the case of Warrants offered and sold in reliance on Regulation S, certify that (i) each person exercising such Warrants is not a U.S. person, that such Warrants are not beneficially owned by or on behalf of U.S. persons or persons within the United States, that such Warrants are not being exercised within the U.S. or by or on behalf of U.S. persons or persons within the United States, and that no cash, securities or other property have been or will be delivered within the United States or to or for the account or benefit of a U.S. person in connection with the exercise of the Warrants and authorise the production of such certification in applicable administrative or legal proceedings (the terms "United States" and "U.S. person" used in this paragraph having the meaning given to them in Regulation S); or (ii) the Warrant and the securities delivered upon exercise thereof have been registered under the Securities Act or are exempt from registration thereunder, as supported by a written opinion of counsel;

- (vi) in the case of Warrants offered and sold in reliance on Rule 144A, certify that each person exercising such Warrants is a "qualified institutional buyer" (as defined in Rule 144A); and
- (vii) include an irrevocable undertaking to pay any applicable stamp duty, stamp duty reserve tax and/or other taxes or duties ("**Taxes**") due by reason of the exercise of the Warrants and an authority to the Issuer and the relevant Clearing System to deduct an amount in respect thereof from any Cash Settlement Amount due to such Warrantholder or otherwise (on, or at any time after, the Cash Settlement Payment Date) to debit a specified account of the Warrantholder at the relevant Clearing System with an amount or amounts in respect thereof, all as provided in the Warrant Agency Agreement.

In addition, if the Warrants are specified in the relevant Final Terms as being Physical Settlement Warrants or if Condition 3(f) (*Optional Physical Settlement*) is specified in the relevant Final Terms as being applicable, the Exercise Notice shall also:

- (aa) irrevocably instruct the relevant Clearing System to debit on the Strike Price Payment Date a specified account of the Warrantholder with the aggregate Strike Price in respect of the Warrants being exercised (together with any applicable Taxes) and to transfer such amount to such account as shall have been specified by the Issuer to the relevant Clearing System for that purpose;
- (bb) include an irrevocable undertaking to pay any applicable Taxes due by reason of the transfer (if any) of the Securities to the account at the relevant Clearing System specified, or as otherwise specified, by the Warrantholder and an authority to the Issuer and the relevant Clearing System to debit a specified account of the Warrantholder with an amount in respect thereof; and
- (cc) specify the number of the Warrantholder's account with the relevant Clearing System to be credited with the relevant Securities or, as the case may be, the delivery details for such Securities.

(c) *Verification of Warrantholder*

To exercise Bearer Warrants, the Holder must duly complete an Exercise Notice and must have Warrants in the amount being exercised in its securities account with the relevant Clearing System on the Exercise Date. The relevant Clearing System will, in accordance with its normal operating procedures, verify that each person exercising Warrants is the Holder thereof according to the records of such Clearing System and that such Holder has an account at the relevant Clearing System which contains an amount equal to the aggregate Strike Price (if any) in respect of the Warrants being exercised. If the Exercise Notice is, in the determination of the relevant Clearing System, improperly completed, or sufficient Warrants or sufficient funds equal to the aggregate Strike Price are not available in the specified account(s) with the relevant Clearing System on the Exercise Date, the Exercise Notice will be treated as null and void and a new duly completed Exercise Notice must be submitted if exercise of the Holder's Warrants is still desired.

On or prior to the Cash Settlement Payment Date or the Settlement Date, as the case may be, the relevant Clearing System will debit the Warrantholder's account with the Warrants being exercised.

(d) *Notification to Principal Warrant Agent*

The relevant Clearing System shall notify the Principal Warrant Agent in writing (with a copy to the Issuer) not later than 11.00 a.m. (local time in the place where the Clearing System through which such Warrants are exercised is located) on the Business Day immediately following the Exercise Date of the number of the account with such Clearing System to which the Cash Settlement Amount or, in the case of Physical Settlement, the Securities are to be credited for the benefit of the Warrantholder.

(e) *Debit of Warrantholder's Account*

The relevant Clearing System will on or before the Cash Settlement Payment Date or the Settlement Date, as the case may be, debit the relevant account of the Warrantholder and credit the relevant account of the Principal Warrant Agent (in favour of the Issuer) with the Warrants being exercised and, if the Warrants are specified in the relevant Final Terms as being Physical Settlement Warrants or if the Issuer has elected for optional Physical Settlement in accordance with Condition 3(f) (*Optional Physical Settlement*), with the aggregate Strike Price, in the case of a Call Warrant, or the relevant number of Securities, in the case of a Put Warrant, in respect of the Warrants being exercised together in each case with any applicable Taxes. If the Warrants are specified in the relevant Final Terms as being Physical Settlement Warrants or if the Issuer has elected for optional Physical Settlement in accordance with Condition 3(f) (*Optional Physical Settlement*) and the aggregate Strike Price, in the case of a Call Warrant, or the relevant number of Securities, in the case of a Put Warrant, in respect of the Warrants being exercised together in each case with any applicable Taxes is not so credited, then the Issuer shall be under no obligation to transfer Securities or make payment of any nature to the relevant Warrantholder in respect of the Warrants being exercised, and the Exercise Notice delivered in respect of such Warrants shall thereafter be null and void for all purposes.

If Condition 3(f) (*Optional Physical Settlement*) or Condition 3(g) (*Optional Cash Settlement*) is specified in the relevant Final Terms as being applicable, the Issuer will, by the close of business (London time) on the Business Day following the relevant Determination Date, notify the relevant Clearing System, the Principal Warrant Agent and the relevant Warrantholder, if it has elected for Cash Settlement or Physical Settlement, as the case may be. Notice to the relevant Warrantholder shall be given by facsimile or telex to the number specified in the relevant Exercise Notice and any notice so sent shall be deemed received by the relevant Warrantholder.

(f) *Payment*

In respect of Warrants which have been exercised, the Calculation Agent shall by close of business or such other time as is specified in the relevant Final Terms on the date specified therefor in the relevant Final Terms determine the Cash Settlement Amount (if any) to be paid on the relevant Cash Settlement Payment Date in respect of the relevant Warrants provided that the Calculation Agent has received a tested telex from the relevant Clearing System specifying the number of Warrants which have been exercised in accordance with Condition 4(a) (*Exercise*) and, shall notify the Issuer and the Principal Warrant Agent of such amounts on the Business Day following the date so specified.

Unless the Warrants are specified in the relevant Final Terms as being Physical Settlement Warrants (and the Issuer has not elected for optional Cash Settlement in accordance with Condition 3(g) (*Optional Cash Settlement*)) or the Issuer shall have elected for optional Physical Settlement in accordance with Condition 3(f) (*Optional Physical Settlement*), the Issuer will transfer to the Principal Warrant Agent the Cash Settlement Amount in respect of the Warrants being exercised, less any amount in respect of Taxes which the Issuer is authorised to deduct therefrom, for value on the Cash Settlement Payment Date, and the Principal Warrant Agent will cause the Warrantholder's account with the relevant Clearing System to be credited with such amount for value on the Cash Settlement Payment Date.

If, however, the Warrants are specified in the relevant Final Terms as being Physical Settlement Warrants (and the Issuer has not elected for optional Cash Settlement in accordance with Condition 3(g) (*Optional Physical Settlement*)) or if the Issuer elects for optional Physical Settlement in accordance with Condition 3(f) (*Optional Physical Settlement*), then:

- (i) in the case of a Call Warrant, subject to the debit of the relevant account of the Warrantholder with the Strike Price and any applicable Taxes and the credit thereof to the relevant account of the Principal Warrant Agent (in favour of the Issuer) as aforesaid, the Issuer will, on the

relevant Settlement Date, procure the credit of the relevant Securities to the account specified, or as may otherwise be specified, in the relevant Exercise Notice; and

- (ii) in the case of a Put Warrant, the Issuer will, on the Settlement Date in respect of such Warrant, procure the transfer for value to the Principal Warrant Agent of the Strike Price in respect of the Warrant being exercised, less any amount in respect of Taxes which the Issuer is authorised to deduct therefrom, and the Principal Warrant Agent will, on the relevant Settlement Date, procure the credit of the relevant Strike Price to the account specified, or as may otherwise be specified, in the relevant Exercise Notice.

Exercise of the Warrants, payment by the Issuer and the Principal Warrant Agent and any transfer of Securities by the Issuer or the Principal Warrant Agent, will be subject in all cases to all applicable fiscal and other laws, regulations and practices in force at the relevant time (including, without limitation, any relevant exchange control laws or regulations and the rules and procedures of the relevant Clearing System) and neither the Issuer nor the Principal Warrant Agent shall incur any liability whatsoever if it is unable to effect the transactions contemplated, after using all reasonable efforts, as a result of any such laws, regulations and practices. Neither the Issuer nor the Principal Warrant Agent shall under any circumstances be liable for any acts or defaults of any Clearing System in the performance of its duties in relation to the Warrants.

(g) *Determinations*

Any determination as to whether an Exercise Notice is duly completed and in proper form shall be made by the relevant Clearing System, in consultation with the Principal Warrant Agent, and shall be conclusive and binding on the Issuer, the Warrant Agents and the relevant Warrantholder. Any Exercise Notice so determined to be incomplete or not in proper form or which is not copied to the Principal Warrant Agent immediately after being sent to the relevant Clearing System, shall be null and void. If such Exercise Notice is subsequently corrected to the satisfaction of the relevant Clearing System it shall be deemed to be a new Exercise Notice submitted at the time such correction is delivered to the relevant Clearing System.

If Automatic Exercise is not specified as applying in the applicable Final Terms, any Warrant with respect to which the Exercise Notice has not been duly completed and delivered in the manner set out above by the cut-off time specified in Condition 4(a)(i) shall become void.

(h) *Effect of Exercise Notice*

Delivery of an Exercise Notice shall constitute an irrevocable election and undertaking by the Warrantholder to exercise the Warrants specified therein, provided that the person exercising and delivering such Exercise Notice is the person then appearing in the books of the relevant Clearing System as the Holder of the relevant Warrants. If the person exercising and delivering the Exercise Notice is not the person so appearing, such Exercise Notice shall for all purposes become null and void and shall be deemed not to have been so delivered.

After the delivery of an Exercise Notice (other than an Exercise Notice which shall become void pursuant to Condition 4(a) (*Exercise*)), the Warrantholder specified in such Exercise Notice may not otherwise transfer such Warrants. Notwithstanding this, if any Warrantholder does so transfer or attempt to transfer such Warrants, the Warrantholder will be liable to the Issuer for any losses, costs and expenses suffered or incurred by the Issuer including those suffered or incurred as a consequence of it having terminated any related hedging operations in reliance on the relevant Exercise Notice and subsequently (i) entering into replacement hedging operations in respect of such Warrants or (ii) paying any amount on the subsequent exercise of such Warrants without having entered into any replacement hedging operations.

(i) *Fractions*

No fraction of any Securities will be transferred on exercise of any Warrant pursuant to Conditions 3(d) (*Cash Settlement*) or (e) (*Physical Settlement*), provided that all Warrants exercised at the same time by the same Warrantholder shall be aggregated for the purpose of determining whether any (and if so what) fraction of any Securities arises. Instead the Issuer shall make a cash refund of the corresponding fraction (rounded down to the nearest minimum unit of the Settlement Currency) of the aggregate Strike Price in respect of the relevant Warrants. Such refund shall be made by transfer by the Issuer to the account of the Principal Warrant Agent whereupon the Principal Warrant Agent shall transfer such amount to the account at the relevant Clearing System specified in the relevant Exercise Notice as the account to be credited with the relevant Cash Settlement Amount or, if none, then to the relevant Clearing System for credit by it to the account of the relevant Warrantholder with that Clearing System from which the Strike Price was originally debited.

(j) *Automatic Exercise*

This paragraph only applies if Automatic Exercise is specified as applying in the applicable Final Terms and Warrants are automatically exercised as provided in Condition 4(a)(ii).

In order to receive the Cash Settlement Amount, if the Warrants are Cash Settled Warrants, or the Securities, if the Warrants are Physical Settlement Warrants, in respect of a Warrant, the relevant Warrantholder must deliver or send by tested telex confirmed in writing a duly completed Exercise Notice to the Principal Warrant Agent on any Business Day until not later than 10.00 a.m. (local time in the place where the Clearing System through which such Warrants are exercised is located) on the day (the "**Cut-off Date**") falling 180 days after the Expiry Date.

The Exercise Notice shall include the applicable information set out in the Exercise Notice referred to in Condition 4(b) (*Exercise Notice*). The Business Day during the period from the Expiry Date until the Cut-off Date on which an Exercise Notice is delivered to the Principal Warrant Agent is referred to in this Condition 4(j) (*Automatic Exercise*) as the "**Exercise Notice Delivery Date**", provided that if the Exercise Notice is delivered to the Principal Warrant Agent at or after 10:00 a.m. (local time in the place where the Clearing System through which such Warrants are exercised is located) on a Business Day, the Exercise Notice Delivery Date shall be deemed to be the next succeeding Business Day.

Subject to the relevant Warrantholder performing its obligations in respect of the relevant Warrant in accordance with these Conditions, (i) in the case of Cash Settled Warrants, the Cash Settlement Payment Date shall be the fourth Business Day following the Exercise Notice Delivery Date and (ii) in the case of Physical Settlement Warrants and subject to Condition 17(f) (*Settlement Disruption of Physical Settlement Warrants*), the fourth Clearing System Business Day following the Exercise Notice Delivery Date. In the event that a Warrantholder does not so deliver an Exercise Notice in accordance with this Condition 4(j) (*Automatic Exercise*) prior to 10.00 a.m. (local time in the place where the Clearing System through which such Warrants are exercised is located) on the Cut-off Date, the Issuer's obligations in respect of such Warrants shall be discharged and no further liability in respect thereof shall attach to the Issuer.

5. **Minimum Number of Warrants Exercisable**

The Warrants are exercisable in the minimum number (the "**Minimum Exercise Number**") specified in the relevant Final Terms and integral multiples thereof (or, if a "Permitted Multiple" is specified in the relevant Final Terms, integral multiples of the Permitted Multiple) on any particular occasion or such lesser Minimum Exercise Number or other Permitted Multiple as the Issuer may from time to time notify to the Warrantholders in accordance with Condition 10 (*Notices*).

6. **Effects of European Economic and Monetary Union**

(a) Following the occurrence of an EMU Event (as defined below), the Calculation Agent may make such adjustment (and determine the effective date of such adjustment) as it, in its sole and absolute discretion, determines appropriate, if any, to the Strike Price (if any), the formula for the Cash

Settlement Amount, the Settlement Price, the number of Securities to which each Warrant relates, the number of securities comprised in a Security Basket Warrant, the amount, the number of or type of shares, bonds, other securities or other property which may be delivered in respect of such Warrants and/or any other adjustment and, in any case, any other variable relevant to the exercise, settlement or payment terms of the relevant Warrants which in the sole and absolute discretion of the Calculation Agent have been or may be affected by such EMU Event.

- (b) Following the occurrence of an EMU Event, without prejudice to the generality of the foregoing, the Issuer shall be entitled to: (i) make such conversions between amounts denominated in the national currency units (the "**National Currency Units**") of the member states of the European Union that have adopted the single currency in accordance with the Treaty establishing the European Communities as amended by the Treaty on European Union and the euro, and the euro and the National Currency Units, in each case, in accordance with the conversation rates and rounding rules established by the council of the European Union pursuant to the Treaty establishing the European Communities as amended by the Treaty on European Union as it, in its sole and absolute discretion, considers appropriate; (ii) make all payments in respect of the Warrants solely in euro as though references in the Warrants to the relevant National Currency Units were to euro and (iii) make such adjustments as it, in its sole and absolute discretion considers necessary to the Strike Price (if any), the formula for the Cash Settlement Amount, Settlement Price and any other amount as it determines, in its sole and absolute discretion, to be appropriate.
- (c) None of the Issuer, a Warrant Agent or the Calculation Agent will be liable to any Warrantholder or other person for any commissions, cost, losses or expenses in relation to or resulting from any currency conversion or rounding effected in connection therewith.
- (d) For the purposes hereof, "**EMU Event**" means the occurrence of any of the following, as determined by the Calculation Agent, acting in a commercially reasonable manner:
 - (i) the withdrawal from legal tender of any currency that, before the introduction of the euro, was lawful currency in one of the member state;
 - (ii) the redenomination of any security to which the Warrants relate into euro;
 - (iii) any change in the currency of denomination of any index to which the Warrants relate;
 - (iv) any change in the currency in which some or all such securities or other property contained in any such index is denominated;
 - (v) the disappearance or replacement of a relevant rate option or other price source for the national currency of any member state, or the failure of the agreed sponsor (or successor sponsor) to publish or display a relevant rate, index, price, page or screen; or
 - (vi) the change by any organised market, exchange or clearance, payment or settlement system in the unit of account of its operating procedures to the euro.

7. Warrant Agents and Calculation Agent

(a) Appointment of Agents

The Issuer reserves the right at any time to vary or terminate the appointment of the Principal Warrant Agent or the Calculation Agent or the Authentication Agent or the Registrar or the Transfer Agent and to appoint another Principal Warrant Agent or a substitute Calculation Agent or a substitute Authentication Agent or a substitute Registrar or a substitute Transfer Agent, *provided that* (i) so long as any Warrant is outstanding, the Issuer will maintain a Principal Warrant Agent and a Calculation Agent and an Authentication Agent and (ii) so long as the Warrants have been admitted to the Official List of the UK Listing Authority and admitted

to trading on the London Stock Exchange (or have been admitted to listing, trading and/or quotation by any listing authority, stock exchange and/or quotation system), there will be a Warrant Agent with a specified office in London (or in such other place as may be required by such other listing authority, stock exchange and/or quotation system by which the Warrants have then been admitted to listing, trading and/or quotation). Notice of any termination of appointment and of any change in the specified office of the Principal Warrant Agent or a Calculation Agent or an Authentication Agent or a Registrar or a Transfer Agent and of any appointment of a Warrant Agent or a Calculation Agent or an Authentication Agent or a Registrar or a Transfer Agent will be given to Warrantheolders in accordance with Condition 10 (*Notices*). In acting under the Warrant Agency Agreement, the Principal Warrant Agent acts solely as agent of the Issuer and does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Warrantheolders.

(b) *Calculation Agent*

The Calculation Agent shall not act as an agent for the Warrantheolders but shall be the agent of the Issuer. All calculation functions required of the Calculation Agent under these Conditions may be delegated to any such person as the Calculation Agent, in its absolute discretion, may decide.

Neither the Issuer nor the Calculation Agent shall have any responsibility for any errors or omissions in the calculation and dissemination of any variables used in any calculation made pursuant to these Conditions or in the calculation of any Cash Settlement Amount or of any entitlement to Physical Settlement arising from such errors or omissions.

(c) *Notifications*

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the Warrants by the Principal Warrant Agent or the Calculation Agent shall (in the absence of manifest error or wilful misconduct) be binding on the Issuer and the Warrantheolders and (subject as aforesaid) no liability to the Warrantheolders (or any of them) shall attach to the Principal Warrant Agent or the Calculation Agent in connection with the exercise or non-exercise by either of them of their powers, duties and discretions for such purposes.

8. Taxes

A Warrantheolder subscribing for, purchasing or exercising a Warrant shall pay all Taxes and securities transfer taxes and any other charges, if any, payable in connection with the subscription, purchase or exercise of such Warrant and the delivery of the Cash Settlement Amount and/or any Securities as a result of such exercise. The Issuer shall have the right, but not the duty, to withhold or deduct from any amounts otherwise payable to a Warrantheolder such amount as is necessary for the payment of any such taxes, duties or charges or for effecting reimbursement in accordance with the next sentence.

In any case where the Issuer is obliged to pay any such tax, duty or charge referred to in the previous paragraph, the relevant Warrantheolder shall promptly reimburse the Issuer therefor.

The Issuer shall not be liable for or otherwise obliged to pay any tax, duty, withholding or other payment which may arise as a result of the ownership, transfer or exercise of any Warrants.

9. Force Majeure and Illegality

(a) *Force Majeure*

The Issuer shall have the right to terminate its obligations under the Warrants if the Calculation Agent shall have determined in its absolute discretion, that the performance of such obligations (or the Issuer's or the Issuer's affiliates' obligations under any hedging or funding arrangement established in connection therewith) shall have become unlawful or impracticable in whole or in part, including without limitation as a result of compliance with any applicable present or future law, rule, regulation, judgment, order or directive or with

any requirement or request of any governmental, administrative, legislative or judicial authority or power. In such circumstances the Issuer will pay to each Warrantholder in respect of each Warrant held by it an amount determined by the Calculation Agent representing the fair market value of such Warrant upon or immediately after such termination adjusted to account fully for any reasonable expenses and costs incurred by the Issuer and/or its affiliates in connection with the Issuer's obligations under the Warrants or any related hedging or funding arrangements (including, without limitation, the holding of any underlying assets and/or any swaps or other instruments of any type whatsoever hedging the Issuer's obligations under the Warrants) as a result of such events, including, without limitation, the costs of unwinding any such related hedging and funding arrangements. Payment will be made in such manner as shall be notified to the Warrantholders in accordance with Condition 10 (*Notices*).

(b) *Illegality*

In the event that any one or more of the provisions contained in these terms should be held to be invalid, illegal or unenforceable in any respect, the Issuer will endeavour in good faith to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which is not detrimental on either the Issuer or the Warrantholder, and which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

10. Notices

All notices to Warrantholders will be given as soon as practicable after the Issuer has become aware of the relevant event to which a particular notice relates, and will, save where another means of communication has been specified in the relevant Final Terms, be deemed to have been duly given if notified to the relevant Clearing System and, in the case of Warrants admitted to the Official List of the UK Listing Authority and admitted to trading on the London Stock Exchange (or which have been admitted to listing, trading and/or quotation by any listing authority, stock exchange and/or quotation system), if copies of such notifications are forwarded in final form to the London Stock Exchange no later than the date of dispatch (or, in the case of Warrants admitted to listing, trading and/or quotation by any other listing authority, stock exchange, and/or quotation system published in any publication required by such other listing authority, stock exchange and/or quotation system). Any such notice shall be deemed to have been given on the date of such notification or, in the case of any of Warrants listed on any other listing authority, stock exchange and/or quotation system, the date of such publication or, if notified or published more than once or on different dates, on the date of the first such notification or publication.

11. Further Issues

The Issuer shall be at liberty from time to time without the consent of the Warrantholders to create and issue further warrants of any particular Series so as to form a single Series with the Warrants.

12. Purchase by the Issuer

The Issuer may at any time purchase Warrants at any price in the open market or by tender or private treaty. Any Warrants so purchased may, at the discretion of the Issuer, be held, resold, reissued or surrendered for cancellation, and Warrants so reissued or resold shall for all purposes be deemed to form part of the original Series of the Warrants.

13. Modification

The Issuer may modify the Conditions and the Warrant Agency Agreement (subject in the case of the Warrant Agency Agreement to the agreement of the other parties thereto) without the consent of the Warrantholders for purposes of curing any ambiguity or manifest error or correcting or supplementing any provision contained therein in any manner which the Issuer may deem necessary or desirable *provided that* such modification is not materially prejudicial to the interests of the Warrantholders or to correct an inconsistency between the Final Terms and the relevant termsheet relating to the Warrants. Notice of any

such modification will be given to the Warrantholders but failure to give, or non-receipt of, such notice will not affect the validity of such modification.

14. Substitution

The Issuer shall be entitled at any time and from time to time, without the consent of the Warrantholders, to the substitution of a subsidiary or holding company of the Issuer or any subsidiary of any such holding company (the "**New Issuer**") in place of the Issuer as principal debtor under the Warrants of any Series, *provided that* such Warrants are irrevocably guaranteed by the Issuer on a subordinated basis. In the event of any such substitution, any reference in these Conditions to the Issuer shall be construed as a reference to the New Issuer. Any such substitution shall be promptly notified to the relevant Warrantholders in accordance with Condition 10 (*Notices*). In connection with such right of substitution the Issuer shall not be obliged to have regard to the consequences of the exercise of such right for individual Warrantholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory, and no Warrantholder shall be entitled to claim from the Issuer any indemnification or payment in respect of any tax consequence of any such substitution upon such Warrantholder.

15. Governing Law

(a) *Governing law*

The Warrants and all matters arising from or connected with the Warrants are governed by, and shall be construed in accordance with, English law.

(b) *English courts*

The courts of England have exclusive jurisdiction to settle any dispute arising from or connected with the Warrants.

16. Third Party Rights

No person shall have any right to enforce any term or condition of the Warrants under the Contracts (Rights of Third Parties) Act 1999.

(b) *Consequences of Disrupted Days*

(i) If any Valuation Date is a Disrupted Day, then:

(A) in the case of an Index Warrant or a Security Warrant, the Valuation Date shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day, unless each of the eight Scheduled Trading Days immediately following the Scheduled Valuation Date is a Disrupted Day. In that case:

- (1) in respect of an Index Warrant, the Calculation Agent shall determine in its absolute discretion that either:
 - (aa) the eighth Scheduled Trading Day shall be deemed to be the Valuation Date, notwithstanding the Market Disruption Event; or
 - (bb) the Valuation Date shall be the first succeeding Exchange Business Day on which there is no Market Disruption Event, unless no such day has occurred by the thirtieth Scheduled Trading Day following the Scheduled Valuation Date, in which case that thirtieth Scheduled Trading Day shall be deemed to be the Valuation Date, notwithstanding the Market Disruption Event,

and, in each case, the Calculation Agent shall determine the level of the Index as of the Valuation Time on that eighth or (as the case may be) thirtieth Scheduled Trading Day determined in accordance with the formula for and method of calculating the Index last in effect prior to the occurrence of the first Disrupted Day using the Exchange traded or quoted price as of the Valuation Time on that eighth or (as the case may be) thirtieth Scheduled Trading Day of each security or other property comprised in the Index (or, if an event giving rise to a Disrupted Day has occurred in respect of the relevant security or other property on that eighth or (as the case may be) thirtieth Scheduled Trading Day, its good faith estimate of the value for the relevant security or other property as of the Valuation Time on that eighth or (as the case may be) thirtieth Scheduled Trading Day); and

- (2) in respect of a Security Warrant, that eighth Scheduled Trading Day shall be deemed to be the Valuation Date, notwithstanding the fact that such day is a Disrupted Day and the Calculation Agent shall determine its good faith estimate of the value for the relevant Security as of the Valuation Time on that eighth Scheduled Trading Day;
- (B) in the case of an Index Basket Warrant, the Valuation Date for each Index not affected by the occurrence of a Disrupted Day shall be the Scheduled Valuation Date and the Valuation Date for each Index affected by the occurrence of a Disrupted Day shall be the first succeeding Scheduled Trading Day which is not a Disrupted Day relating to that Index, unless each of the eight succeeding Scheduled Trading Days is a Disrupted Day relating to that Index. In that case, the Calculation Agent shall determine in its absolute discretion that either:
- (1) the eighth Scheduled Trading Day shall be deemed to be the Valuation Date for the relevant Index notwithstanding the fact that such day is Disrupted Day relating to that Index; or
 - (2) the Valuation Date shall be the first succeeding Scheduled Trading Day which is not a Disrupted Day relating to that Index, unless no such day has occurred by the thirtieth Scheduled Trading Day following the Scheduled Valuation Date, in which case that thirtieth Scheduled Trading Day shall be deemed to be the Valuation Date, notwithstanding the fact that such day is Disrupted Day,

and, in each case, the Calculation Agent shall determine, in its sole and absolute discretion, the level of that Index, as of the Valuation Time on that eighth or (as the case may be) thirtieth Scheduled Trading Day in accordance with the formula for and method of calculating that Index last in effect prior to the occurrence of the first

Disrupted Day using the Exchange traded or quoted price as of the Valuation Time on that eighth (or as the case may be) thirtieth Scheduled Trading Day of each security or other property comprised in the relevant Index (or, if an event giving rise to a Disrupted Day has occurred in respect to the relevant security or other property on that eighth (or as the case may be) thirtieth Scheduled Trading Day, its good faith estimate of the value for the relevant security or other property as of the Valuation Time on that eighth (or as the case may be) thirtieth Scheduled Trading Day); and

- (C) in the case of a Security Basket Warrant, the Valuation Date for each Security not affected by the occurrence of a Disrupted Day shall be the Scheduled Valuation Date, and the Valuation Date for each Security affected by the occurrence of a Disrupted Day shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day relating to that Security, unless each of the eight Scheduled Trading Days immediately following the Scheduled Valuation Date is a Disrupted Day relating to that Security. In that case, (1) that eighth Scheduled Trading Day shall be deemed to be the Valuation Date for the relevant Security, notwithstanding the fact that such day is a Disrupted Day, and (2) the Calculation Agent shall determine, in its sole and absolute discretion, its good faith estimate of the value for that Security as of the Valuation Time on that eighth Scheduled Trading Day.

(c) *Averaging Dates*

If Averaging Dates are specified in the relevant Final Terms, then notwithstanding any other provisions of these Conditions, the following provisions will apply to the valuation of the relevant Index or Securities:

- (A) For the purpose of determining the Settlement Price in relation to a Valuation Date, the Settlement Price will be:
 - (1) in respect of an Index Warrant or Cash Settlement Security Warrant, the arithmetic mean of the Relevant Prices of the Index or the Securities on each Averaging Date;
 - (2) in respect of an Index Basket Warrant, the arithmetic mean of the amounts for the Basket determined by the Calculation Agent in its sole and absolute discretion as provided in the relevant Final Terms as of the relevant Valuation Time(s) on each Averaging Date or, if no means for determining the Settlement Price is so provided, the arithmetic mean of the amounts for such basket calculated on each Averaging Date as the sum of the Relevant Prices of each Index comprised in the Basket (weighted or adjusted in relation to each Index as provided in the relevant Final Terms); and
 - (3) in respect of a Cash Settlement Security Basket Warrant, the arithmetic mean of the prices for the Basket determined by the Calculation Agent in its sole and absolute discretion as provided in the relevant Final Terms as of the relevant Valuation Time(s) on each Averaging Date or, if no means for determining the Settlement Price is so provided, the arithmetic mean of the prices for the Basket calculated on each Averaging Date as the sum of the values calculated for the Securities of each Underlying Company as the product of (aa) the Relevant Price of such Security and (bb) the number of such Securities comprised in such basket.
- (B) If any Averaging Date is a Disrupted Day, then, if the consequence specified in the relevant Final Terms in relation to "**Averaging Date Market Disruption**" is:

- (1) "**Omission**", then such Averaging Date will be deemed not to be a relevant Averaging Date for purposes of determining the relevant Settlement Price provided that, if through the operation of this provision no Averaging Date would occur with respect to the relevant Valuation Date, then Condition 17(b)(i) will apply for purposes of determining the relevant level, price or amount on the final Averaging Date in respect of that Valuation Date as if such final Averaging Date were a Valuation Date that was a Disrupted Day. If any Averaging Dates in relation to a Valuation Date occur after that Valuation Date as a result of the occurrence of a Disrupted Day, then (i) the relevant Cash Settlement Payment Date or the relevant Settlement Date, as the case may be, or (ii) the occurrence of an Extraordinary Event or a Potential Adjustment Event shall be determined by reference to the last such Averaging Date as though it were that Valuation Date;
- (2) "**Postponement**", then Condition 17(b)(i) will apply for purposes of determining the relevant level, price or amount on that Averaging Date as if such Averaging Date were a Valuation Date that was a Disrupted Day irrespective of whether, pursuant to such determination, that deferred Averaging Date would fall on a day that already is or is deemed to be an Averaging Date for the Warrant. If any Averaging Dates in relation to a Valuation Date occur after that Valuation Date as a result of the occurrence of a Disrupted Day, then (i) the relevant Cash Settlement Payment Date or the relevant Settlement Date, as the case may be, or (ii) the occurrence of an Extraordinary Event or a Potential Adjustment Event shall be determined by reference to the last such Averaging Date as though it were that Valuation Date; or
- (3) "**Modified Postponement**", then:
 - (aa) in the case of an Index Warrant or Security Warrant, the Averaging Date shall be the first succeeding Valid Date. If the first succeeding Valid Date has not occurred as of the Valuation Time on the eighth Scheduled Trading Day immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, would have been the final Averaging Date (the "**Scheduled Final Averaging Date**") in relation to the relevant Scheduled Valuation Date, then:
 - (i) in respect of an Index Warrant, the Calculation Agent shall determine in its absolute discretion that either:
 - (x) the eighth Scheduled Trading Day shall be deemed to be the Averaging Date, (irrespective of whether that eighth Scheduled Trading Day is already an Averaging Date); or
 - (y) the Averaging Date shall be the first succeeding Valid Date, unless no such day has occurred by the thirtieth Scheduled Trading Day following the Scheduled Final Averaging Date, in which case that thirtieth Scheduled Trading Day shall be deemed to be the Averaging Date (irrespective of whether that thirtieth Scheduled Trading Day is already an Averaging Date),

and, in each case, the Calculation Agent shall determine the relevant level for that Averaging Date in accordance with Condition 17(b)(i)(A)(1); and

- (ii) in respect of a Security Warrant, the eighth Scheduled Trading Day shall be deemed the Averaging Date (irrespective of whether that eighth Scheduled Trading Day is already an Averaging Date), and the Calculation Agent shall determine, in its sole and absolute discretion, the relevant price for that Averaging Date in accordance with Condition 17(b)(i)(A)(2); and
- (bb) in the case of an Index Basket Warrant or a Security Basket Warrant, the Averaging Date for each Index or Security not affected by the occurrence of a Disrupted Day shall be the day specified in the relevant Final Terms as an Averaging Date in relation to the relevant Valuation Date (the "**Scheduled Averaging Date**") and the Averaging Date for an Index or Security affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date in relation to such Index or Security. If the first succeeding Valid Date in relation to such Index or Security has not occurred as of the Valuation Time on the eighth Scheduled Trading Day immediately following the Scheduled Final Averaging Date, then:
 - (i) in respect of an Index Basket Warrant, the Calculation Agent shall determine in its absolute discretion that either:
 - (x) the eighth Scheduled Trading Day shall be deemed to be the Averaging Date, (irrespective of whether that eighth Scheduled Trading Day is already an Averaging Date) in relation to such Index; or
 - (y) the Averaging Date shall be the first succeeding Valid Date, unless no such day has occurred by the thirtieth Scheduled Trading Day following the Scheduled Final Averaging Date, in which case that thirtieth Scheduled Trading Day shall be deemed to be the Averaging Date (irrespective of whether that thirtieth Scheduled Trading Day is already an Averaging Date) in relation to such Index,

and, in each case, the Calculation Agent shall determine the relevant level for that Averaging Date in accordance with Condition 17(b)(i)(B); and

- (ii) in respect of a Security Basket Warrant, that eighth Scheduled Trading Day shall be deemed the Averaging Date (irrespective of whether that eighth Scheduled Trading Day is already an Averaging Date) in relation to such Security, and the Calculation Agent shall determine, in its sole and absolute discretion, the relevant amount for that Averaging Date in accordance with Condition 17(b)(i)(C).

If any Averaging Dates in relation to a Valuation Date occur after that Valuation Date as a result of the occurrence of a Disrupted Day, then (i) the relevant Cash Settlement Payment Date or Settlement Date, as the case may be, or (ii) the occurrence of an Extraordinary Event or Potential Adjustment Event shall be determined by reference to the last such Averaging Date as though it were that Valuation Date.

- (C) If (1) on or prior to any Averaging Date, in respect of an Index Warrant or Index Basket Warrant, an Index Modification, an Index Cancellation or an Index Disruption

(each as defined in Condition 17(d)(ii) occurs, or (2) on any Averaging Date in respect of an Index Warrant or Index Basket Warrant an Index Disruption Event occurs, then the Calculation Agent shall determine, in its sole and absolute discretion, the relevant Settlement Price using, in lieu of a published level of the relevant Index, the level for that Index as determined by the Calculation Agent in its sole and absolute discretion in accordance with the formula for and method of calculating that Index last in effect prior to that change or failure, but using only those securities or other property that comprised that Index immediately prior to that change or failure (other than those securities or other property that have since ceased to be listed on any relevant Exchange).

(d) *Adjustments to Indices*

This Condition 17(d) is applicable only in relation to Index Warrants and Index Basket Warrants.

(i) **Successor Index**

If a relevant Index is (A) not calculated and announced by the Index Sponsor but is calculated and published by a successor to the Sponsor acceptable to the Calculation Agent, or (B) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Index, then in each case that Index (the "**Successor Index**") will be deemed to be the Index.

(ii) **Index Adjustment Events**

If (A) on or prior to any Valuation Date, a relevant Index Sponsor announces that it will make a material change in the formula for or the method of calculating that Index or in any other way materially modifies that Index (other than a modification prescribed in that formula or method to maintain that Index in the event of changes in constituent stock and capitalisation or other routine events) (an "**Index Modification**") or permanently cancels the Index (an "**Index Cancellation**"), or (B) on any Valuation Date the Index Sponsor fails to calculate and announce a relevant Index (an "**Index Disruption**" and together with an Index Modification and an Index Cancellation, each an "**Index Adjustment Event**"), then the Issuer may take the action described in (1) or (2) below:

- (1) require the Calculation Agent to determine, in its sole and absolute discretion, the Final Price using, in lieu of a published level of that Index, the level for that Index as at that Valuation Date as determined by the Calculation Agent in its sole and absolute discretion in accordance with the formula for and method of calculating that Index last in effect prior to the change, failure or cancellation, but using only those securities that comprised that Index immediately prior to that Index Adjustment Event; or
- (2) cancel the Warrants by giving notice to Warrantheolders in accordance with Condition 10 (*Notices*). If the Warrants are so cancelled the Issuer will pay an amount to each Warrantheolder in respect of each Warrant held by him which amount shall be the fair market value of a Warrant taking into account the Index Adjustment Event, less the cost to the Issuer and/or any of its affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements) plus, if already paid, the Strike Price, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Warrantheolders in accordance with Condition 10 (*Notices*).

(iii) Correction of Index Levels

If, in respect of an Index Warrant or an Index Basket Warrant, the level of an Index published by the Index Sponsor at any time and used or to be used by the Calculation Agent for any calculation or determination under the Warrants is subsequently corrected and the correction is published by the Index Sponsor within one Settlement Cycle the Calculation Agent will make such adjustment as it in its sole and absolute discretion determines to be appropriate, if any, to the settlement or payment terms of the Warrants to account for such correction provided that if any amount has been paid or delivered in an amount or value which exceeds the amount that would have been payable or deliverable if the correction had been taken into account, no further amount in an amount at least equal to the excess is payable or deliverable in respect of the Warrants and the Calculation Agent determines that it is not practicable to make such an adjustment to account fully for such correction, the Issuer shall be entitled to reimbursement (or, in the case of a delivery, payment of the value) of, the relevant excess payment or delivery (or, as the case may be, the proportion thereof not accounted for by an adjustment made by the Calculation Agent) by the relevant Warrantholder, together with interest on that amount for the period from and including the day on which payment or delivery was originally made to (but excluding) the day of payment of reimbursement (or value) by the Warrantholder (all as calculated by the Calculation Agent in its sole and absolute discretion). Any such reimbursement shall be effected in such manner as the Issuer shall determine.

(e) *Delivery Disruption of Physical Settlement Warrants*

This Condition 17(e) is applicable only in relation to Warrants specified in the relevant Final Terms as being Physical Settlement Warrants and to Warrants in relation to which the Issuer has elected for optional Physical Settlement in accordance with Condition 3(f) (*Optional Physical Settlement*).

If the Calculation Agent determines, in its sole and absolute discretion, that a Delivery Disruption Event has occurred, it shall notify the Issuer who shall promptly notify the relevant Warrantholder(s) and the Issuer may then:

- (A) determine, in its sole and absolute discretion, that the obligation to deliver the relevant Securities Transfer Amount will be terminated and the Issuer will pay such amount as in the opinion of the Calculation Agent (such opinion to be made in its sole and absolute discretion) is fair in the circumstances by way of compensation for the non-delivery of the Securities Transfer Amount, in which event the entitlements of the respective Warrantholder(s) to receive the relevant Securities Transfer Amount shall cease and the Issuer's obligations under the Warrants shall be satisfied in full upon payment of such amount; or
- (B) deliver on the Settlement Date such amount of the Securities Transfer Amount (if any) as it can deliver on that date and pay such amount as in the opinion of the Calculation Agent (such opinion to be made in its sole and absolute discretion) is fair in the circumstances by way of compensation for the non-delivery of the remainder of the Securities Transfer Amount, in which event the entitlements of the respective Warrantholder(s) to receive the relevant Securities Transfer Amount shall cease and the Issuer's obligations under the Warrants shall be satisfied in full upon payment of such amount.

Where this Condition 17(e) fails to be applied, insofar as the Calculation Agent determines in its sole and absolute discretion to be practical, the same shall be applied as between the Warrantholders on a pro rata basis, but subject to such rounding down (whether of the amount of a payment or of a number of Securities to be delivered) and also to such other adjustments as the Calculation Agent determines, in its sole and absolute discretion, to be appropriate to give practical effect to such provisions.

(f) *Settlement Disruption of Physical Settlement Warrants*

This Condition 17(f) is applicable only in relation to Warrants specified in the relevant Final Terms as being Physical Settlement Warrants.

The Calculation Agent shall determine, in its sole and absolute discretion, whether or not at any time a Settlement Disruption Event has occurred and where it determines such an event has occurred and so has prevented delivery of Securities on the original day that but for such Settlement Disruption Event would have been the Settlement Date, then the Settlement Date will be the first succeeding day on which delivery of such Securities can take place through the relevant Clearing System unless a Settlement Disruption Event prevents settlement on each of the eighth relevant Clearing System Business Days immediately following the original date (or during such other period (the "**Disruption Period**") specified in the relevant Final Terms) that, but for the Settlement Disruption Event, would have been the Settlement Date. In that case, if the Securities are debt securities, the Issuer shall use reasonable efforts to deliver such Securities promptly thereafter in a commercially reasonable manner (as determined by the Calculation Agent in its sole and absolute discretion) outside the Clearing System and in all other cases (a) if such Securities can be delivered in any other commercially reasonable manner (as determined by the Calculation Agent in its sole and absolute discretion), then the Settlement Date will be the first day on which settlement of a sale of Securities executed on the eighth relevant Clearing System Business Day, or during such other period specified in the relevant Final Terms, customarily would take place using such other commercially reasonable manner (as determined by the Calculation Agent in its sole and absolute discretion) of delivery (which other manner of delivery will be deemed the relevant Clearing System for the purposes of delivery of the relevant Securities), and (b) if such Securities cannot be delivered in any other commercially reasonable manner (as determined by the Calculation Agent in its sole and absolute discretion), then the Settlement Date will be postponed until delivery can be effected through the relevant Clearing System or in any other commercially reasonable manner.

For the avoidance of doubt, where a Settlement Disruption Event affects some but not all of the Securities comprised in a basket, the Settlement Date for Securities not affected by the Settlement Disruption Event will be the first day on which settlement of a sale of such Securities executed on the Settlement Date customarily would take place through the relevant Clearing System.

(g) *Adjustments and Events affecting Securities*

This Condition 17(g) is applicable only in relation to Security Warrants and Security Basket Warrants.

(i) *Potential Adjustment Events*

The Calculation Agent shall determine, in its sole and absolute discretion, whether or not at any time a Potential Adjustment Event has occurred and where it determines such an event has occurred, the Calculation Agent will, in its sole and absolute discretion, determine, whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the relevant Securities and, if so, will make such adjustment as it in its sole and absolute discretion determines to be appropriate, if any, to the Strike Price, the number of Securities to which each Warrant relates and to any other exercise, settlement, payment or other term of the relevant Warrants, including without limitation the amount, number or type of cash, Securities, other securities or other property which may be transferred under such Warrants and determine the effective date(s) of such adjustment(s). In its determinations of the existence of any Potential Adjustment Event and extent of any diluting or concentrative effect a Potential Adjustment Event has on the theoretical value of the relevant Securities, and any related adjustments to the terms of each Warrant, the Calculation Agent shall take into account all such factors as it deems necessary, including

without limitation, the implication of taxes that may be imposed by any applicable authority having power to tax in respect of such Securities.

(ii) Extraordinary Events

Following the occurrence of any Extraordinary Event, the Calculation Agent will, in its sole and absolute discretion, determine whether or not the Warrants shall continue and, if so, determine, in its sole and absolute discretion, any adjustments to be made. If the Calculation Agent determines that the relevant Warrants shall continue, it may make such adjustment as it, in its sole and absolute discretion, determines to be appropriate, if any, to the amount, number or type of Securities, other property or securities which may be transferred under the Warrants, including, without limitation, the Strike Price, the formula for the Cash Settlement Amount set out in the relevant Final Terms and/or any other adjustment which change or adjustment shall be effective on such date selected by the Calculation Agent in its sole and absolute discretion determine. If the Calculation Agent determines in its sole and absolute discretion that the relevant Warrants shall be terminated, then the Warrants shall cease to be exercisable (or, in the case of Warrants which have been exercised, the entitlements of the respective exercising Warrantholders to receive Securities or the Cash Settlement Amount, as the case may be, pursuant to such exercise shall cease) and the Issuer's obligations under the relevant Warrants shall be satisfied in full upon payment of such amount as in the opinion of the Calculation Agent (such opinion to be made in its sole and absolute discretion) is fair in the circumstances by way of compensation for the termination of the Warrants.

(iii) Conversion

In respect of a Security Warrant or a Security Basket Warrant which relates to debt securities, following the occurrence of any Conversion, the Calculation Agent will, in its sole and absolute discretion, determine whether or not the Warrants will continue and, if so, determine, in its sole and absolute discretion, any adjustments to be made. If the Calculation Agent determines that the Warrants shall continue, it may make such adjustment as it, in its sole and absolute discretion, determines to be appropriate to the amount, number or type of Securities, other property or securities which may be transferred under the Warrants, including without limitation the Strike Price, the formula for the Cash Settlement Amount set out in the relevant Final Terms and/or any other adjustment and determine, in its sole and absolute discretion, the effective date(s) of such adjustment. If the Calculation Agent determines, in its sole and absolute discretion, that the Warrants shall be terminated, then the Warrants shall cease to be exercisable (or, in the case of any Warrants which have been exercised, the entitlements of the respective exercising Warrantholders to receive Securities or the Cash Settlement Amount, as the case may be, pursuant to such exercise shall cease) as of the date selected by the Calculation Agent in its sole and absolute discretion and the Issuer's obligations under the Warrants shall be satisfied in full upon payment of such amount as, in the opinion of the Calculation Agent (such opinion to be made by the Calculation Agent in its sole discretion) is fair in the circumstances by way of compensation for the termination of the Warrants.

(iv) Correction of Prices

In the event that any price published or announced on a given day and utilised or to be utilised for the purpose of any calculation or determination under the Warrants is subsequently corrected and the correction is published or announced by the Exchange within one Settlement Cycle after the original publication, the Calculation Agent will make such adjustment as it in its sole and absolute discretion determines to be appropriate, if any, to the settlement or payment terms of the Warrants to account for such correction *provided that* if any amount has been paid or delivered in an amount or value which exceeds the amount that

would have been payable or deliverable if the correction had been taken into account, no further amount in an amount at least equal to the excess is payable or deliverable in respect of the Warrants and the Calculation Agent determines that it is not practicable to make such an adjustment to account fully for such correction, the Issuer shall be entitled to reimbursement (or, in the case of a delivery, payment of the value) of, the relevant excess payment or delivery (or, as the case may be, the proportion thereof not accounted for by an adjustment made by the Calculation Agent) by the relevant Warrantholder, together with interest on that amount for the period from and including the day on which payment or delivery was originally made to (but excluding) the day of payment of reimbursement (or value) by the Warrantholder (all as calculated by the Calculation Agent in its sole and absolute discretion). Any such reimbursement shall be effected in such manner as the Issuer shall determine.

(h) *Additional Disruption Events*

Following the occurrence of any Additional Disruption Event, the Calculation Agent will, in its sole and absolute discretion, determine whether or not the Warrants shall continue and, if so, determine, in its sole and absolute discretion, any adjustments to be made. If the Calculation Agent determines that the relevant Warrants shall continue, it may make such adjustment as it, in its sole and absolute discretion, determines to be appropriate, if any, to the amount, number or type of Securities, other property or securities which may be transferred under the Warrants, including, without limitation, the Strike Price, the formula for the Cash Settlement Amount set out in the relevant Final Terms and/or any other adjustment which change or adjustment shall be effective on such date selected by the Calculation Agent in its sole and absolute discretion determine. If the Calculation Agent determines in its sole and absolute discretion that the relevant Warrants shall be terminated, then the Warrants shall cease to be exercisable (or, in the case of Warrants which have been exercised, the entitlements of the respective exercising Warrantholders to receive Securities or the Cash Settlement Amount, as the case may be, pursuant to such exercise shall cease) and the Issuer's obligations under the relevant Warrants shall be satisfied in full upon payment of such amount as in the opinion of the Calculation Agent (such opinion to be made in its sole and absolute discretion) is fair in the circumstances by way of compensation for the termination of the Warrants.

To the extent that the Calculation Agent determines that the Issuer shall suspend its obligations to make any payment or delivery in respect of the Warrants as a result of the occurrence or continuation of any Additional Disruption Event, Warrantholders shall not be entitled to any interest or other compensation in respect of any such suspension.

For the purposes of each Series of Warrants, "**Additional Disruption Event**" means any event specified as such in the relevant Final Terms, and for such purpose the following terms if so specified shall be deemed to have the following meanings unless otherwise provided in the relevant Final Terms:

- (i) "**Change in Law**" means that, on or after the Issue Date, (A) due to the adoption of or any change in any applicable law or regulation (including without limitation, any tax law), or (B) due to the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority), the Issuer determines in its sole and absolute discretion that (x) it will, or there is a substantial likelihood that it will, with the passing of time, or has, become illegal for the Issuer or any of its affiliates to hold, acquire, dispose of, or realise, recover or remit the proceeds of the sale or disposal of, Securities or any Component Security or any transaction(s) or asset(s) it deems necessary to hedge the equity price risk or any other relevant price risk including, without limitation, any currency risk, of the Issuer issuing and performing its obligations with respect to the Warrants or (y) the Issuer or any of its affiliates will incur a materially increased cost in the Issuer performing its obligations under the Warrants or under any transaction(s) or asset(s) it deems

necessary to hedge the equity price risk or any other relevant price risk including, without limitation, any currency risk, of the Issuer issuing and performing its obligations with respect to the Warrants (including, without limitation, due to any increase in tax liability, decrease in tax benefit or other adverse effect on its tax position);

- (ii) "**Hedging Disruption**" means that the Issuer or any of its affiliates is unable, after using commercially reasonable efforts, to (A) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity price risk or any other relevant price risk including, without limitation, any currency risk of the Issuer issuing and performing its obligations with respect to the Warrants or (B) realise, recover or remit the proceeds of any such transaction(s) or asset(s);
- (iii) "**Increased Cost of Hedging**" means that the Issuer or any of its affiliates would incur a materially increased cost (as compared with circumstances existing on the Issue Date) including, without limitation, amount of tax, duty, expense or fee (other than brokerage commissions) to (A) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity price risk or any other relevant price risk including, without limitation, any currency risk of the Issuer entering into and performing its obligations with respect to the Warrants, or (B) realise, recover or remit the proceeds of any such transaction(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer or its affiliate, as applicable, shall not be deemed an Increased Cost of Hedging; and
- (iv) "**Currency Event**" means the occurrence of an event or a condition which, in the opinion of the Calculation Agent, has the effect of further restricting, prohibiting or delaying the exchange of any currency in which any Security or Index component to which the Warrants relate is denominated and together with any other currency specified as such in the relevant Final Terms, a "**Reference Currency**", for the currency specified as the Settlement Currency in the relevant Final Terms or the transfer of the Settlement Currency out of any jurisdiction specified as a "**Reference Jurisdiction**" in the relevant Final Terms, or the transfer of a Reference Currency within any Reference Jurisdiction, in each case when compared with the restrictions, prohibitions and delays existing on the Issue Date.

(i) *Other Adjustments*

Upon the occurrence of any event(s) that the Calculation Agent determines (in its discretion, but acting reasonably) affects or could potentially affect the value of the Warrants, the Calculation Agent may (in its discretion, but acting reasonably) determine whether or not the Warrants shall continue and, if so, whether to make any adjustments to the Strike Price, the number and/or type of Securities and/or Indices to which such Warrants relate, or to any exercise, settlement, payment or other terms of such Warrants including, without limitation, the amount, number or type of cash, Securities, other securities or property which may be transferred under such Warrants and determine the effective date(s) of such adjustments.
