## **Protecting a world of opportunity**

At HSBC, we are committed to helping protect the financial system on which millions of people depend.

By only doing business with customers who meet our high standards of transparency; building an unrivalled team of financial crime experts; empowering our colleagues with specialist tools and training; investing significantly in crime-detecting technology, and collaborating with law enforcement agencies around the world – by working together, with each of us playing our part – we are leading the fight against financial crime, helping businesses to grow and communities to thrive.

HSBC: together, protecting a world of opportunity.
