

HSBC Securities Services (Luxembourg) SA

HSBC Securities Services Luxembourg (HSSL) provides integrated fund services to domestic and offshore funds in both the alternative and traditional fund sectors, and is due to being a part of HSBC Securities Services able to offer a broad range of HSBC Group products.

Our multi-national team cover 24 languages, besides French and English.

Culturally and geographically we are ideally placed to service European and international clients. HSSL's expertise meets your requirements whether your investment strategy is traditional or alternative.

This includes, amongst others, the most regulated Luxembourg fund structures UCITS III. The overall services cover Managed Accounts/Sovereign Funds, Traditional Funds, Private Equity Funds, Fund of Hedge Funds and Real Estate Funds. In addition HSSL is now able to support Shariah compliant fund structures; and HSBC Securities Services have gained considerable experience setting up Islamic funds involving Islamic banking services.

Key Benefits

One-stop shop: In addition to core services, clients are able to access a broad range of HSBC products and services, including financing solutions, advisory services, research, global execution, and FX.

Tailored solutions: We have a consultancy approach to our business relationships.

Local market expertise: HSSL's expertise ranges from Luxembourg fund structures to Shariah compliant fund structures.

Global footprint: HSSL can accommodate offshore funds (Bermuda, BVI, Cayman) and offer value added services to domestic French, Spanish, Italian, and German funds.

Relationship management: We embrace the complexities of our clients and recognise that the key to a successful business relationship is a deep understanding of client objectives. Our Client Relationship Managers are focused on building a long term trusted relationship with our clients and ensures a single point of contact to coordinate the relationship across all the services and products of the Group and covers both traditional and alternative fund clients.

Security: We are backed by one of the strongest balance sheets in the industry, as well as being known for our strong control and compliance culture.

Flexibility: Investment in our global operating model has resulted in increasing capacity and has dramatically improved customer service, facilitating amongst others daily valuations and reconciliations for complex funds within a matter of hours of the last market closing.
