Programme for the Issuance of Notes and Warrants

Issue of USD 1,150,000 Fixed Rate Automatic Early Redemption Index-Linked Notes due May 2013 linked to the S&P 500[®] Index

PART A - CONTRACTUAL TERMS

This document constitutes the Final Terms relating to the issue of the Tranche of Notes described herein. Terms used herein shall be deemed to be defined as such for the purposes of the terms and conditions of the Notes (the "Conditions") set forth in the Base Prospectus dated 19 June 2012 in relation to the above Programme which together with each supplemental prospectus relating to the above Programme published by the Issuer after 19 June 2012 constitute a prospectus ("Prospectus") for the purposes of the Prospectus Directive (Directive 2003/71/EC) (the "Prospectus Directive"). This document constitutes the Final Terms of the Notes described herein for the purposes of Article 5.4 of the Prospectus Directive and must be read in conjunction with the Prospectus. Full information on the Issuer and the offer of the Notes is only available on the basis of the combination of these Final Terms and the Prospectus. The Prospectus is available for viewing at HSBC Bank plc, 8 Canada Square, London E14 5HQ and http://www.hsbc.com/1/2/investor-relations/fixed-income and copies may be obtained from HSBC Bank plc, 8 Canada Square, London E14 5HQ.

The Notes described herein have a scheduled maturity date at 21 May 2013, bear interest payable in arrears at 1.70 per cent. on scheduled interest payment dates and are linked to the level performance of the S&P 500[®] Index defined as the Index herein, as determined by the Calculation Agent (as defined herein). The performance of the Index on particular dates may result in the redemption of the Notes prior to scheduled maturity at their nominal amount. The performance of the Index will also determine the basis for redemption of the Notes at scheduled maturity. Unless the Notes have been redeemed early, the Notes will be redeemed at scheduled maturity at their nominal amount if, on the Valuation Date (as defined herein), the Calculation Agent determines that a Trigger Event (as defined herein) has not occurred with respect to the Index. Otherwise, if a Trigger Event has occurred with respect to the Index, the Notes will be redeemed at an amount which will be less than the nominal amount of the Notes, as determined by the Calculation Agent. The Notes are redeemable prior to scheduled maturity in certain circumstances at an amount determined by the Calculation Agent which may be less than their nominal amount.

It is advisable that prospective investors considering acquiring any Notes understand the risks of transactions involving the Notes and it is advisable that they reach an investment decision after carefully considering, with their financial, legal, regulatory, tax, accounting and other advisers, the suitability of the Notes in light of their particular circumstances (including without limitation their own financial circumstances and investment objectives and the impact the Notes will have on their overall investment portfolio) and the information contained in the Prospectus and these Final Terms. Prospective investors should consider carefully the risk factors set forth under "Risk Factors" in the Prospectus.
