Tranche No.:

### **HSBC** Bank plc

Warrant and Certificate Programme (the "Programme")

Issue of 3,000,000 Warrants linked to the ordinary A shares of Hunan Mendale Hometextile Co., Ltd.

### **PART A - CONTRACTUAL TERMS**

This document constitutes the Final Terms relating to the issue of the Tranche of Warrants described herein. Terms used herein shall be deemed to be defined as such for the purposes of the Conditions (the "Conditions") set forth in the Base Prospectus dated 17 January 2011 in relation to the above Programme, and the supplemental prospectuses dated 4 March 2011, 16 May 2011, 10 June 2011 and 13 June 2011 (the "Supplement"), each of which has been approved by and filed with the United Kingdom Financial Services Authority, which together constitute a base prospectus ("Prospectus") for the purposes of the Prospectus Directive (Directive 2003/71/EC) (the "Prospectus Directive"). This document constitutes the Final Terms of the Warrants described herein for the purposes of Article 5.4 of the Prospectus Directive and must be read in conjunction with such Prospectus. Full information on the Issuer and the offer of the Warrants is only available on the basis of the combination of these Final Terms and the Prospectus. The Prospectus is available for viewing at HSBC Bank plc, 8 Canada Square, London E14 5HQ and copies may be obtained from HSBC Bank plc, 8 Canada Square, London E14 5HQ.

The Warrants reflect the risks of an investment in PRC equity by a Qualified Foreign Institutional Investor ("QFII") who is subject to the same securities laws and rules and regulations of any securities regulators, exchanges and self-regulating organisations as apply to the Issuer and/or its Affiliates had the Issuer and/or its Affiliates held the Securities. The effect of such risks on the Warrants will always be calculated in the sole and absolute discretion of the Calculation Agent. Investors should conduct their own investigation of the risks involved in a direct investment in PRC equity by a QFII and investment in Renminbi and form their own view based on such investigations. In certain circumstances, the Warrantholders' entire investment may be at risk and the Warrants may become valueless.

Due to the investment policies maintained by the relevant QFII, the Warrants cannot be used for any purpose of an excessively speculative nature.

The Warrants offered hereby have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the "Securities Act") or with any securities regulatory authority of any state or other jurisdiction of the United States. Accordingly, they may be offered and sold (i) in the United States, pursuant to Rule 144A under the Securities Act ("Rule 144A"), only to "qualified institutional buyers" (as defined in Rule 144A); or (ii) outside the United States, in accordance with Regulation S under the Securities Act ("Regulation S"), in each case to investors that have executed and delivered to the Issuer a letter of representations substantially in the form set out in Exhibit hereto, subject to such amendments as may be agreed between the Issuer and the relevant investor and in compliance with any applicable securities laws. Prospective investors in the United States are hereby notified that, with respect to any sales of Warrants in the United States, the Manager will be relying on the exemption from the registration requirements of the Securities Act provided by Rule 144A. Investors should also be aware that the Warrants may not be re-

offered, re-sold, pledged or otherwise transferred within the United States (within the meaning of Regulation S) except in a transaction that is exempt from the registration requirements of the Securities Act and in compliance with any applicable state securities laws. See "Transfer Restrictions".

A QFII is required to disclose to the PRC regulators and other relevant PRC authorities or institutions the holding information of PRC securities, including exchange-traded bonds, held by it (including information on securities held by investors through the QFII) in accordance with the relevant laws and regulations in the PRC. The Issuer may therefore request any investor to provide to it and pass to the QFII such information as required by the relevant laws, regulations and regulatory requirements.

Each Warrantholder represents and agrees, as a condition of acquiring or holding such Warrants: (i) that the Issuer is authorised to provide information regarding the Warrantholder and the Warrants to the QFII investing in the Reference Assets ("HSBC QFII") for onward transmission to the regulators or any other authorities or institutions in the PRC in accordance with applicable PRC laws and regulations; and (ii) that such Warrantholder will provide the Issuer with such additional information that the Issuer and/or the HSBC QFII deems necessary or appropriate in order to comply with any laws and regulations in the PRC from time to time.

The Issuer accepts responsibility for the information set out in the Schedule hereto (which forms part of these Final Terms) concerning Hunan Mendale Hometextile Co., Ltd. (the "Information"), which is derived from publicly available information and is intended as a summary only of the information from which it is derived. The Issuer confirms that the Information has been accurately reproduced from information available from the information source specified herein and that, so far as the Issuer is aware and is able to ascertain from the Information available from such source, no facts have been omitted which would render the reproduced Information inaccurate or misleading. The Issuer accepts responsibility for having correctly extracted the Information from such publicly available information.

The Information is of limited scope. In deciding whether or not to purchase Warrants, investors should conduct their own investigations of Hunan Mendale Hometextile Co., Ltd. and form their own view of the merits of Hunan Mendale Hometextile Co., Ltd. based upon such investigations and not in reliance upon the Information.

Not Applicable.

(ii) Permitted Multiple:

Not Applicable.

21. Cash Settlement:

Applicable. The Warrants are Cash Settlement Warrants. Condition 3(d) (*Cash Settlement*) applies.

(i) Settlement Currency:

USD.

(ii) Cash Settlement Amount:

In respect of each Warrant exercised an amount in USD calculated in accordance with the following formula:

Where:

"Fee" represents the fee to be retained by the Manager or any of its Affiliates as separately notified to the Warrantholder, which is calculated as a percentage of the gross consideration payable for the purchase of the Warrants.

"Underlying Hedge Transaction" means any holding (whether direct or synthetic) by the Issuer or its Affiliates of Securities and/or financial instruments (of any kind) which the Issuer consider necessary for the purposes of hedging, funding or otherwise performing the Issuer's obligations in respect of one Warrant. For the avoidance of doubt, the Issuer is not obliged to hold any Underlying Hedge Transaction.

In the event that the Issuer and/or its Affiliates have not entered into any Underlying Hedge Transaction(s) or have entered into one or more Underlying Hedge Transaction(s) in respect of some only of the Warrants, the Realisable Sale Price shall be the aggregate price at which a QFII, being the holder of Securities underlying one Warrant would have been able to dispose of such Securities through the Exchange(s) on the Averaging Dates, less any Costs, as determined by the Calculation Agent in its sole and absolute discretion.

"Weighted Average Exchange Rate" means the weighted average of the rates of exchange for the conversion of Renminbi (CNY) into USD, expressed as a number of CNY per one USD, less any costs incurred or would have been incurred by the Issuer and/or its Affiliates in connection with such conversion (the "Underlying FX Rate") at the time each Underlying Hedge Transaction is unwound, or (as the case may be) the Excess Deduction, or as applicable, the Deduction Shortfall is determined, as determined by the Calculation Agent in its sole and absolute discretion.

The Issuer is at no time obliged to hold Securities, nor any other positions, for such purposes.

"Realisable Sale Price" means the weighted average of the prices at which the Underlying Hedge Transaction(s) are unwound on each Averaging Date, less all costs, expenses, fees and levies in respect thereof, including but not limited to brokers' fees, bank and custody charges, transaction processing fees and expenses, and all other taxes (including potential taxes which the Issuer considers may arise) and other duties (including without limitation any capital gains tax such as PRC Capital Gains Tax) (together "Costs") whether such Costs would be withheld at source or would otherwise be required to be paid, and provided that the same is or are introduced and/or imposed prior to the Tax Equalisation Long-stop Date and in all cases, including any interest thereon levied by the applicable PRC tax authorities, all as determined by the Calculation Agent in its sole and absolute discretion.

Where the amount of Costs (including, without limitation, PRC Capital Gains Tax) or the basis on which it is to be determined is not definitely known (each a "tax uncertainty" and together "tax uncertainties") the Issuer may use the same basis for

calculation of such amount as it would use in respect of a holding, purchase or, as applicable, sale of the Security either (a) for itself as beneficial owner, (b) for the QFII as beneficial owner, or (c) for the holder of Warrants as beneficial owner, as selected by the Issuer in its sole and absolute discretion (*provided that* the rate in respect of PRC Capital Gains Tax shall be the Fixed CGT Rate) until the applicable Tax Certainty Date.

In addition (and notwithstanding the provisions relating to PRC Capital Gains Tax stated above), once the relevant tax uncertainties are clarified so as to remove the relevant tax uncertainties, (1) where the amount of tax which has actually been deducted ("Tax Deducted") is greater than the amount of tax properly payable (the amount of the excess, the "Excess Deduction"), the Issuer will pay to the Warrantholder an amount in USD (converted at the Weighted Average Exchange Rate at the time the relevant determination of the Excess Deduction is made) equal to the Excess Deduction, or (2) where the Tax Deducted is less than the amount of tax properly payable (the amount of the excess, the "Deduction Shortfall"), the Warrantholder will pay to the Issuer an amount in USD (converted at the Weighted Average Exchange Rate at the time the relevant determination of the Deduction Shortfall is made) equal to the Deduction Shortfall. In either case, the relevant amount (the "Tax Equalisation **Payment**") will be (x) conclusively determined as soon as reasonably practicable on or after the Tax Certainty Date by the Calculation Agent and notified as soon as practicable after such determination to Warrantholders (such notification date, the "Tax **Equalisation Payment Notification Date**"), and (y) (where the Tax Certainty Date falls on or before the Latest Final Averaging Date) payable on the Settlement Date applicable to an exercise of Warrants on the Expiry Date, or (where the Tax Certainty Date falls after the Latest Final Averaging Date but before the Tax Equalisation Long-stop Date) payable on the date notified to Warrantholders as the applicable payment date by the Issuer, being no less than two Business Days after the Tax Equalisation Payment Notification Date (such payment date, the "Tax **Equalisation Payment Date**"); provided always that such Tax Equalisation Payment Notification Date will be no later than the Tax Equalisation Long-stop Date. For the avoidance of doubt, (i) if the Tax Equalisation Payment Notification Date has not occurred on or prior to the Tax Equalisation Longstop Date, no Tax Equalisation Payment will be payable and (ii) the Tax Equalisation Payment will

be payable as stated above even if the Tax Equalisation Payment Date falls after the Expiry Date. The obligation to pay any Excess Deduction and Deduction Shortfall shall survive the expiration of the Warrants and any transfers of Warrants made by any Warrantholder prior thereto.

If no Tax Certainty Date occurs on or prior to the Tax Equalisation Long-stop Date, then the Issuer shall refund to the holder of record of the Warrants as at the time when the deduction was made any amounts previously deducted (without any interest thereon) on account of the tax uncertainties; such refund to be made as soon as practicable following the Tax Equalisation Long-stop Date.

Where (i) the amount of Costs or the basis on which it is to be determined is not confirmed before the applicable Valuation Date and/or is subject to change in the future (such amount of Costs being "Unpaid Costs") and (ii) the Unpaid Costs were not deducted from the calculation of the Cash Settlement Amount, each Warrantholder will be required to pay to the Issuer an amount equal to such Unpaid Costs upon notification from the Issuer. Any holder's obligation to pay such Unpaid Costs shall survive the expiration of the Warrants and any transfers made by any such holder prior to such date.

"Latest Final Averaging Date" means the final Averaging Date in respect of the latest Exercise Date, or if none, an Exercise Date that is deemed to fall on the Expiry Date.

"PRC" means the People's Republic of China.

"PRC Capital Gains Tax" means, unless and until definitively stated by any applicable PRC tax authorities (as determined by the Calculation Agent in its sole and absolute discretion), 10% (such rate, the "Fixed CGT Rate") of the excess (if any) of (a) the Realisable Sale Price (without deduction of Costs) over (b) Relevant Reference Price / (1 + Fee ), and if (and once) so definitively stated (and provided that tax rate is definitively stated by any applicable PRC tax authorities at any time before the Tax Equalisation Long-stop Date), the capital gains tax properly applicable as so stated.

"QFII" means a Qualified Foreign Institutional Investor pursuant to the Measures for the Administration of Securities Investments by Qualified Foreign Institutional Investors, which were jointly promulgated by the China Securities

Regulatory Commission, the People's Bank of China and The State Administration of Foreign Exchange on 24 August 2006, and which became effective on 1 September 2006.

"Relevant Reference Price" means the CNY equivalent of the purchase price of one Warrant at the time a Warrantholder purchases the Warrant.

"Tax Certainty Date" means, in respect of any tax uncertainty, the date on which the Calculation Agent becomes aware of the clarification by the applicable tax authorities so as to remove the relevant uncertainty or, if later, the Tax Clarification Effective Date.

"Tax Clarification Effective Date" means the first date on which the relevant clarified tax position becomes effective (and where the clarified tax position becomes effective with retrospective effect on a certain date or affecting a certain payment, the Tax Clarification Effective Date will be that certain date or the date of that certain payment), all as determined by the Calculation Agent in its sole and absolute discretion.

"**Tax Equalisation Long-stop Date**" means the date falling 7 years after the Latest Final Averaging Date.

Warrantholders should note that if the PRC taxing authorities clarify the PRC Capital Gains Tax rate after the Cash Settlement Amount has been paid and such rate properly applied is different from the Fixed CGT Rate, either the Issuer or the Warrantholder (as the case may be) will have an obligation to pay the Excess Deduction or Deduction Shortfall (as the case may be).

Not Applicable.

# 5. PERFORMANCE OF INDEX/FORMULA/OTHER VARIABLE, EXPLANATION OF EFFECT ON VALUE OF INVESTMENT AND ASSOCIATED RISKS AND OTHER INFORMATION CONCERNING THE UNDERLYING

The Warrants reflect the risks of an investment in PRC equity by a Qualified Foreign Institutional Investor ("QFII") who is subject to the same securities laws and rules and regulations of any securities regulators, exchanges and self-regulating organisations as apply to the Issuer and/or its Affiliates had the Issuer and/or its Affiliates held the Securities. The effect of such risks on the Warrants will always be calculated in the sole and absolute discretion of the Calculation Agent. Investors should conduct their own investigation of the risks involved in a direct investment in PRC equity by a QFII and investment in Renminbi and form their own view based on such investigations. In certain circumstances, the Warrantholders' entire investment may be at risk and the Warrants may become valueless.

Due to the investment policies maintained by the relevant QFII, the Warrants cannot be used

The terms and conditions of each issue of LEPOs shall be contained in a prospectus (the "Prospectus") which shall be prepared by, or on behalf of, the Issuer for the purposes of such LEPOs. While all information produced by the Issuer or any of its Affiliates is based on sources believed to be reliable, it acknowledges that the Issuer and its Affiliates do not guarantee or warrant the accuracy, reliability or timeliness of such information, and further, all information and opinions are current only as of the time provided, and are subject to rapid change without prior notice.
