

## **Asian Wealth Careers HSBC Jade, mainland China**

Find out more about careers in Jade

Working at HSBC Jade has put me at the very centre of the wealth management industry.

HSBC Jade is an international platform.

It gives me access to the most sophisticated and elite customer base.

The HSBC Jade team is made up of top financial experts.

Here you can meet the most knowledgeable, intuitive and humorous people, and work side by side with the strongest team.

What makes HSBC different is its longstanding history, culture and heritage, and its sense of responsibility and commitment.

HSBC is open to different ideas and offers diversified experiences.

We can really learn a lot here and broaden our horizons.

HSBC Jade offers us a broader platform and more challenges.

In a company like this, you can go further, and reach higher, and become the best version of yourself on the best platform.
