

Asian Wealth Careers HSBC Jade, Singapore

Find out more about careers in Asian Wealth in Singapore

HSBC Jade is a bit different.

It's not all about number crunching.

The culture itself is very human.

I love my job because every day I'm working with the best colleagues.

There are lots of learning and training opportunities because HSBC invests in its people.

Your leaders will always be there and guide you.

Wherever I need help, help is always available.

We are a big family

Singapore is one of the key growth markets.

It presents endless opportunities.

I see a lot of potential and future at HSBC Jade because it's actually very unique in the market.

We are rolling out many new sophisticated products.

It's really an exciting time to work here.

Jade is the best, and you want to be the best.

You should come and join us in HSBC Jade.

Once you come here, likely you wouldn't leave.
