Notice of the 2023 Annual General Meeting and Explanatory Notes

HSBC Holdings plc

Notice is hereby given that the 2023 Annual General Meeting of HSBC Holdings plc will be held at The Eastside Rooms, 2 Woodcock Street, Birmingham, B7 4BL, United Kingdom on Friday, 5 May 2023 at 11.00am London time (6.00pm Hong Kong time) in accordance with the information set out on pages 17 to 21 and in Appendix 10 on page 34. Facilities will be made available to allow shareholders to attend, participate and vote electronically at the AGM and to ask questions in real time should they wish to do so. Further information on how to join the meeting electronically can be found on pages 20 to 21.

Resolutions numbered 1 to 7, 10 and 13 will be proposed as ordinary resolutions and those numbered 8, 9, 11, 12, 14 to 18 will be proposed as special resolutions. For ordinary resolutions to be passed, more than half of the votes cast must be in favour of the resolution, while in the case of special resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

The explanatory notes should be read in conjunction with the 2022 Annual Report & Accounts. This Notice of AGM, the 2022 Annual Report & Accounts and the 2022 Strategic Report are available at www.hsbc.com.

For the purpose of this Notice, the issued share capital (excluding treasury shares) of the Company on 9 March 2023, being the latest practicable date prior to the printing of this document, was 19,971,279,372 ordinary shares of US$0.50 each and carrying one vote each with total voting rights of 19,971,279,372.

1. **Annual Report & Accounts***

   **To receive the Annual Accounts and Reports of the Directors and of the Auditor for the year ended 31 December 2022.**

   The purpose of this resolution is for shareholders to receive and consider the Annual Accounts and the Reports of the Directors and of the Auditor for the year ended 31 December 2022.

2. **Directors’ Remuneration Report***

   **To approve the 2022 Directors’ Remuneration Report set out on pages 276 to 301 of the Annual Report & Accounts for the year ended 31 December 2022, excluding the summary of the Directors’ Remuneration Policy on page 280.**

   The purpose of this resolution is to seek shareholder approval of the 2022 Directors’ Remuneration Report for the year ended 31 December 2022 (other than the summary of the Directors’ Remuneration Policy on page 280 of the 2022 Annual Report & Accounts). The 2022 Directors’ Remuneration Report is on pages 276 to 301 of the 2022 Annual Report & Accounts. The actual remuneration paid to Directors in 2022 was made within the boundaries of the 2022 Directors’ Remuneration Policy which was approved by shareholders at the 2022 Annual General Meeting for a period of three years and is, therefore, not required to be put to shareholders for approval at this AGM. It will be put to shareholders for approval again no later than the 2025 Annual General Meeting. The vote on the 2022 Directors’ Remuneration Report is advisory in nature and cannot impact what is paid under the shareholder-approved 2022 Directors’ Remuneration Policy.

   **Directors’ biographies**

   Brief biographical details of each of the Directors standing for election and re-election, as at 9 March 2023 (being the latest practicable date prior to the printing of this document), are set out on pages 3 to 6.

   **Appointment**

   Appointments to the Board are made on merit and candidates are considered against objective criteria determined with reference to the Board’s skills matrix, having due regard to the benefits of diversity in line with the Board’s Diversity and Inclusion Policy. The Nomination & Corporate Governance Committee (the “Committee”) leads the Board appointment process, agrees the criteria for any appointments and engages independent external search consultants, as required. At the conclusion of this process, the Committee nominates potential candidates for appointment to the Board. In the exercise of its responsibilities, the Committee regularly reviews the Board’s structure, size and composition, including skills, knowledge, experience, independence and diversity.

   **Diversity**

   The biography of each Director located on pages 3 to 6 can be used to assess how each individual contributes to the diversity of the Board.

   **Independence**

   The Board has concluded that all of the non-executive Directors standing for election or re-election at the AGM are independent in character and judgement.

   When considering independence, the Board calculates the length of service of a non-executive Director by reference to the date of their election by shareholders following their appointment. The Board has determined that there are no relationships or circumstances which are likely to affect the judgement of any of the non-executive Directors. Any relationships or circumstances which could appear to do so are not considered to be material. Each of the Directors standing for election or re-election has confirmed that they have no material relationship with another Director, a member of senior management or any substantial or controlling shareholder of the Company. Each of the Independent non-executive Directors standing for election or re-election at the AGM has confirmed their independence pursuant to Rule 3.13 of the Hong Kong Listing Rules.

   **Election of new Directors**

   Geraldine Buckingham, Georges Elhedery and Kalpana Morparia will offer themselves for election as Directors at this AGM having been appointed to the Board on 1 May 2022, 1 January 2023 and 1 March 2023, respectively. Geraldine and Kalpana were appointed as Independent non-executive Directors and Georges Elhedery was appointed to the role of Executive Director and Group Chief Financial Officer.
Time commitment
The Board, both prior to a Director’s appointment and when nominating a Director for election or re-election, enquires and obtains assurance, that each Director is, or will be, capable of contributing the time expected of him or her and time that may be unanticipated should additional demands be placed on him or her in relation to HSBC or in relation to his or her other commitments.

The Board has carefully considered the other commitments held by the Directors and has applied the same standard of enquiry for each of them. Our focus is to determine the ability of each Director to commit sufficient time to fulfill their individual obligations, rather than a strict adherence to a numeric count of directorships. Where Directors hold other roles either outside of or elsewhere within the Group, or prior to accepting any additional roles, particular attention is paid to ensure that they are able to commit sufficient time to the Company.

As a non-executive Director and as Co-Chair of the Technology Governance Working Group, Steven Guggenheimer’s expected time commitment for his roles on the Board total approximately 105 days per annum. In advance of Steven’s appointment to the BT Group plc board with effect from 1 October 2022, and with reference to his other appointments, the Board considered Steven’s ability to commit sufficient time in order to fulfill his roles at HSBC. It was concluded that Steven’s acceptance of this role would not impact his commitment to the Group, which remains his primary appointment. In reaching this conclusion, the Board noted that the Software Acquisition Group Inc., a special purpose acquisition company, was inactive and was expected to remain inactive through 2023.

Due to prior commitments, James Forese was unable to attend the ad hoc Board meeting held on 10 February 2022, Eileen Murray was unable to attend the Board meeting held on 28 March 2022 and Steven Guggenheimer was unable to attend the Board meeting held on 2 November 2022.

Tenure
Non-executive Directors are appointed for an initial three-year term and, subject to re-election by shareholders at each AGM, are typically expected to serve two three-year terms. The Board may invite a Director to serve additional periods. Any term beyond six years is subject to a particularly rigorous review by the Committee, with any appointment beyond six years to be for a rolling one-year term and subject to thorough review and challenge with reference to the needs of the Board.

* For further details of the roles and accountabilities of each of these Board Committees, see pages 259 to 301 of the 2022 Annual Report & Accounts. Details of the role of the Technology Governance Working Group are set out on page 251 of the 2022 Annual Report & Accounts.

** The table does not include Committee members retiring and not standing for re-election at the 2023 AGM, and outlines the membership of each Committee with effect from the conclusion of the AGM.

*** The Group Chairman serves as the Chair of the Nomination & Corporate Governance Committee and receives no additional fee in respect of this position.

**** Following Jack Tai’s retirement from the Board at the conclusion of the 2023 AGM, with the exception of Eileen Murray and Steven Guggenheimer who will continue to jointly chair the Technology Governance Working Group, no other HSBC Holdings plc non-executive Director will be a member of the Working Group. The members will include other non-executive Directors representing our US, UK, European & Asian principal subsidiaries.

In view of the importance of continuity for key roles on the Board, particularly given the current economic and geopolitical environment, the Committee agreed that David Nish’s appointment should be extended for a further year to the 2024 AGM, subject to his re-election by shareholders. In taking this decision, the Committee considered the need for an effective transition in relation to the Senior Independent Director and Chair of the Group Audit Committee roles, both of which David currently holds. It is the Board’s strong belief that this extension of David’s appointment, given his performance and contribution to the Board during 2022, is in the best interests of the Group and all of its stakeholders.

The biographies on pages 3 to 6 set out the skills and experience which underpin the contribution that each Director brings to the Board for the long-term sustainable success of the Company. Based upon the review undertaken, the Board has satisfied itself that each of the Directors are fully able to discharge their duties to the Company and that they each have sufficient capacity to meet their commitments to the Company.

The Board has therefore concluded that all of the Directors should offer themselves for election or re-election in accordance with the Group’s regular practice. Jackson Tai is retiring at the conclusion of the AGM and is not offering himself for re-election.

Non-executive Directors’ fees
Following shareholder approval of the Directors’ Remuneration Policy at the Annual General Meeting held on 29 April 2022, each non-executive Director receives a fee of £127,000 per annum. The Senior Independent non-executive Director receives a fee of £200,000 per annum in addition to his non-executive Director fee and the fees payable for the Chairmanship or membership of Board Committees as applicable.

The non-executive Group Chairman receives a fee of £1.5 million per annum. There have been no changes to the above mentioned fees of the Group Chairman and non-executive Directors since 2019, apart from to the Senior Independent non-executive Director fee which changed in 2020.

The fees paid to non-executive Directors who are standing for election or re-election as members of Board Committees are set out in the table below (these Board Committees’ fees and Board fees are pro-rated for part year service where relevant).

James Forese is Chairman of HSBC North America Holdings Inc and receives an annual fee of US$550,000 which was approved by the shareholder and authorised by the Board of HSBC North America Holdings Inc.
In June 2022, José Meade was appointed to the newly created role of designated workforce engagement non-executive Director and receives an annual fee of £40,000. In this role, he will lead our workforce engagement on behalf of the Board, supported by the Corporate Governance and Secretariat and Human Resources functions. Further details on the role and initial areas of focus are set out on pages 253 to 254 of the 2022 Annual Report & Accounts.

Non-executive Directors also receive a travel allowance of £4,000 per annum towards the additional time commitment required for travel. During periods when the Board is unable to travel, non-executive Directors will not receive this allowance.

Non-executive Directors’ terms of appointment

Non-executive Directors do not have service agreements, but are bound by letters of appointment issued for and on behalf of the Company. Subject to their re-election by shareholders, the terms of appointment of the non-executive Directors will expire at the conclusion of the Annual General Meetings held in the following years: Geraldine Buckingham, Kalpana Morparia and David Nish – 2023; Mark E Tucker, James Forese, Steven Guggenheimer and Eileen Murray – 2024; and Dr José Antonio Meade Kuribreña, Rachel Duan and Dame Carolyn Fairbairn – 2025.

Geraldine Buckingham and Kalpana Morparia were appointed following the 2022 AGM and therefore their initial three-year appointment terms are subject to approval of their election by shareholders at the 2023 AGM. Their initial three-year term of appointment will end at the conclusion of the 2026 AGM, subject to annual re-election by shareholders at the relevant AGMs.

Executive Directors’ service contracts and remuneration

The executive Directors have rolling service contracts with a notice period of 12 months for either party. The dates of the service contracts are:

Noel Quinn 18 March 2021
George Elhedery 1 January 2023

Under the terms of their employment, Noel Quinn and George Elhedery each receive fixed pay consisting of base salary, cash in lieu of pension and fixed pay allowance and are eligible to receive discretionary variable pay awards.

There was no increase to the base salary for Noel Quinn for 2023, which remained at £1,336,000. The base salary for George Elhedery was set at £780,000 on appointment and has not changed for 2023. Noel Quinn and George Elhedery receive cash in lieu of pension allowance at 10 per cent of base salary. Fixed pay allowances delivered in shares (net of shares sold to cover any income tax and social security) will be subject to a retention period. Shares will be released annually on a pro rata basis over five years starting from the March immediately following the end of the financial year in respect of which the shares are granted. The fixed pay allowance paid to Noel Quinn is £1,700,000 per annum and for George Elhedery is £1,085,000 per annum.

Further details of the Directors’ emoluments are set out in the 2022 Directors’ Remuneration Report contained in the 2022 Annual Report & Accounts on pages 276 to 301.

The Directors as at the date of this document are: Geraldine Buckingham†, Rachel Duan†, George Elhedery, Carolyn Julie Fairbairn, James Anthony Forese†, Steven Guggenheimer†, José Antonio Meade Kuribreña†, Kalpana Morparia†, Eileen K Murray†, David Nish†, Noel Quinn, Jackson Tai†, and Mark E Tucker†.

* Non-executive Group Chairman
† Independent non-executive Director

4. Re-appointment of Auditor*

To re-appoint PricewaterhouseCoopers LLP (“PwC”) as Auditor of the Company, to hold office from the conclusion of this meeting until the conclusion of the next general meeting of the Company at which accounts are laid.

5. Remuneration of Auditor*

To authorise the Group Audit Committee to determine the remuneration of the Auditor.

The Directors may set the remuneration of the Auditor if authorised to do so by the shareholders. The Board have recommended that the Group Audit Committee be authorised to determine the remuneration of PwC. This resolution seeks authority for the Group Audit Committee to set the remuneration of the Auditor for 2023. An analysis of the remuneration paid in respect of audit and non-audit services provided by our Auditor and their affiliates for each of the past three years is disclosed on page 356 in the 2022 Annual Report & Accounts.

6. Political Donations*

THAT in accordance with sections 366 and 367 of the UK Companies Act 2006 (the “Act”) the Company, and any company which is a subsidiary of the Company at any time during the period for which this resolution has effect, be authorised to:

(a) make political donations to political parties and/or independent election candidates, not exceeding £200,000 in total;
(b) make political donations to political organisations other than political parties, not exceeding £200,000 in total; and
(c) incur political expenditure, not exceeding £200,000 in total,

in each case during the period starting on the date of the passing of this Resolution 6 and expiring at the conclusion of the Annual General Meeting of the Company to be held in 2024 or at the close of business on 30 June 2024, whichever is earlier, provided the aggregate amount of any such donations and expenditure shall not exceed £200,000 during the period for which this Resolution 6 has effect. For the purposes of this resolution, the terms ‘political donations’, ‘political parties’, ‘independent election candidates’, ‘political organisations’ and ‘political expenditure’ shall have the meanings given to them by sections 363 to 365 of the Act.

The UK Companies Act 2006 (the “Act”) requires companies to obtain shareholder authority for donations to registered political parties and other political organisations, totalling more than £5,000 in any 12 month period and for any political expenditure, subject to limited exceptions.

In accordance with Group policy, HSBC does not make any political donations or incur political expenditure within the ordinary meaning of those words. We have no intention of altering this policy. However, the definitions of political donations, political parties, political organisations and political expenditure used in the Act are very wide. As a result, they may cover routine activities that form part of the normal business activities of the Group and are an accepted part of engaging with stakeholders to ensure that issues and concerns which affect the Group’s operations are considered and addressed, but which would not be considered as political donations or political expenditure.

* Ordinary Resolution
* Special Resolution
in the ordinary sense of those words. Activities including contributions
to or support for bodies such as those concerned with policy review,
and law reform or with the representation of the business community
or sections of it may be deemed to be political donations or expenditure
as defined by the Act. The activities referred to above are not designed
to influence public support for any political party or political outcome.

The authority is being sought on a precautionary basis only to ensure
that neither the Company nor any of its subsidiaries inadvertently breaches
the Act. Resolution 6 proposes a cap of £200,000 per category of
political donation or expenditure subject to an aggregate overall cap
of £200,000 per annum for all such political donations and expenditure.

If Resolution 6 is passed, this authority will be effective until the
conclusion of the 2024 Annual General Meeting or the close of business
on 30 June 2024, whichever is the earlier.

7. Authority to allot shares*
THAT the Directors be generally and unconditionally
authorised pursuant to and for the purposes of section 551
of the UK Companies Act 2006 (the “Act”) to exercise all the
powers of the Company to allot shares in the Company and
to grant rights to subscribe for, or to convert any security
into, shares in the Company:

(a) up to an aggregate nominal amount of US$1,997,127,937
(such amount to be restricted to the extent that any
allotments or grants are made under paragraphs (b) or (c)
of this resolution so that in total no more than
US$3,328,546,562 can be allotted or granted under
paragraphs (a) and (b) of this resolution and no more than
US$6,657,093,124 can be allotted under paragraphs (a),
(b) and (c) of this resolution); and

(b) up to an aggregate nominal amount of US$3,328,546,562
(such amount to be restricted to the extent that any
allotments or grants are made under paragraphs (a) or (c)
of this resolution so that in total no more than
US$3,328,546,562 can be allotted or granted under
paragraphs (a) and (b) of this resolution and no more than
US$6,657,093,124 can be allotted under paragraphs (a),
(b) and (c) of this resolution) in connection with an offer
or invitation to:

(i) holders of ordinary shares in proportion (as nearly
as may be practicable) to the respective number
of ordinary shares held by them; and

(ii) holders of other securities, bonds, debentures
or warrants which, in accordance with the rights
attaching thereto, are entitled to participate in such
offers or agreements as if the authority conferred
hereby had not expired.

This year, the Directors are again seeking authority under section 551
of the Act to allot shares up to an aggregate total nominal amount of
two-thirds of the Company’s issued ordinary share capital subject to
the restrictions set out below. The authority given to the Directors at the
2022 Annual General Meeting will expire at the conclusion of the 2023
AGM. Resolution 7 will give the Directors authority to allot new ordinary
shares (or rights to ordinary shares) of up to an aggregate nominal amount
of US$6,657,093,124, representing two-thirds of the Company’s issued
ordinary share capital. However, that authority is limited as follows:

(a) under paragraph (a) of Resolution 7, up to an aggregate nominal
amount of US$1,997,127,937, representing approximately 20 per
cent of the Company’s issued ordinary share capital, may be used
for general allotments;

(b) under paragraph (b) of Resolution 7, the Directors would have
authority to make allotments which exceed the 20 per cent authority
in paragraph (a) of Resolution 7 in connection with a pre-emptive
offering such as a rights issue, open offer or a scrip dividend up
to an aggregate nominal amount, when combined with allotments
made under paragraph (a), of US$3,328,546,562. This represents
approximately one-third of the issued ordinary share capital of
the Company; and

(c) under paragraph (c) of Resolution 7, the Directors would have
authority to allot up to an aggregate nominal amount of
US$6,657,093,124 in connection with a rights issue only. This
represents approximately two-thirds of the Company’s issued
ordinary share capital. Any allotments or grants under paragraphs (a)
or (b) of Resolution 7 will reduce the level of this two-thirds authority.

* Ordinary Resolution
# Special Resolution
In Resolution 7 paragraph (d), the Board is again seeking authority to issue sterling, US dollar and euro preference shares without having first to obtain the consent of shareholders at a general meeting. These preference shares were created to underpin issues of preferred securities, which are a tax efficient form of regulatory capital. If approved by shareholders, this authority will give Directors the flexibility to raise regulatory capital should circumstances so require. If any preference shares were to be issued they would, subject to regulatory approval, be redeemable at the Company’s option and carry no voting rights other than in exceptional circumstances, but would rank in priority to the Company’s ordinary shares with respect to participation in any return of capital.

Other than pursuant to the Company’s employee share plans, the Board has no present intention of issuing any shares pursuant to the authority in Resolution 7.

If granted, this authority will be effective until the conclusion of the 2024 Annual General Meeting or the close of business on 30 June 2024, whichever is the earlier.

As at 9 March 2023, being the latest practicable date prior to printing of this document, the Company held 325,273,407 of its ordinary shares in treasury, representing 1.60 per cent of the issued ordinary share capital (including treasury shares) and 1.63 per cent of the issued ordinary share capital (excluding treasury shares).

8. Disapplication of pre-emption rights*  

THAT if Resolution 7 set out in the Notice convening this meeting is passed, the Directors be authorised to allot equity securities (as defined in section 560 of the UK Companies Act 2006 (the “Act”)) for cash under the authority given by Resolution 7 and/or to sell shares held by the Company as treasury shares for cash as if section 561(1) of the Act did not apply to any such allotment or sale, such authority to be limited:

(a) to the allotment of equity securities and/or sale of treasury shares for cash in connection with any rights issue, or other offer or invitation (but in the case of the authority granted under paragraph (c) of Resolution 7, by way of a rights issue only) to:

(i) holders of ordinary shares in proportion (as nearly as may be practicable) to the respective number of ordinary shares held by them; and

(ii) holders of other securities, bonds, debentures or warrants which, in accordance with the rights attaching thereto, are entitled to participate in such an issue, offer or invitation or as the Directors consider necessary,

but in each case subject to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to record dates, fractional entitlements, treasury shares or securities represented by depositary receipts or having regard to any restrictions, obligations, practical or legal problems under the laws of or the requirements of any regulatory body or stock exchange in any territory or otherwise howsoever; and

(b) to the allotment of equity securities and/or sale of treasury shares (otherwise than under paragraph (a) above) up to an aggregate nominal amount of US$499,281,984,

provided that unless previously renewed, varied or revoked by the Company in general meeting, such authority shall expire at the conclusion of the Annual General Meeting of the Company to be held in 2024 or at the close of business on 30 June 2024, whichever is the earlier, save that this authority shall allow the Company before expiry of this authority to make offers, and enter into agreements, which would or might require equity securities to be allotted (or treasury shares to be sold) after the authority expires and the Directors may allot equity securities (or sell treasury shares) under any such offer or agreement as if the authority had not expired.

Resolution 8 is to approve the disapplication of statutory pre-emption rights under the Act in respect of certain allotments of shares made under the authorities in Resolution 7. If the Directors wish to exercise the authority under Resolution 7 and offer shares (or sell any shares which the Company may purchase or elect to hold as treasury shares) for cash, the Act requires that unless shareholders have given specific authority for the disapplication of their statutory pre-emption rights, the new shares must be offered first to existing shareholders in proportion to their existing shareholdings. Resolution 8 seeks to give the Directors flexibility, in certain circumstances, to allot new shares (or to grant rights over shares) for cash or to sell treasury shares for cash without first offering them to existing shareholders in proportion to their holdings.

Resolution 8 also seeks to give the Directors additional flexibility in the context of pre-emptive offerings such as a rights issue, open offer, or scrip dividend, to deal with legal or practical difficulties in countries outside the UK which prevent the offer being made on a purely pro rata basis. It also seeks a disapplication of pre-emption rights in respect of allotments or sales of treasury shares for cash up to an aggregate nominal amount of US$499,281,984, representing a further five per cent of the Company’s issued ordinary share capital.

The Directors are aware of the revised Statement of Principles and new template resolutions published by the Pre-emption Group in November 2022 (the “Pre-emption Group’s Statement of Principles”) and the revised guidelines on share capital management issued by the UK’s Investment Association (the “IA Guidelines”) which include an increase in the dis-application of pre-emption rights limit. The Directors have decided that they do not wish to increase the dis-application threshold at the current time but will keep emerging market practice under review. The Directors confirm that in considering the exercise of the authority under this Resolution 8, they intend to follow the shareholder protections in Part 2B of the Pre-emption Group’s Statement of Principles to the extent reasonably practicable.

Other than allotments under employee share plans, the Board has no present intention of issuing any further ordinary shares pursuant to the authority in Resolution 8. No issue will be made which would effectively change the control of the Company or the nature of its business without the prior approval of shareholders at a general meeting.

If granted, the authority sought in Resolution 8 will be effective until the conclusion of the 2024 Annual General Meeting or the close of business on 30 June 2024, whichever is the earlier.

In addition, the Company is seeking authority under Resolutions 13 and 14 to allot shares or rights to subscribe for shares in connection with the issue of Contingent Convertible Securities (“CCSs”), and to disapply statutory pre-emption rights in respect of such allotment, in each case up to an amount equivalent to approximately 20 per cent of the Company’s issued ordinary share capital. Assuming Resolutions 13 and 14 are passed, the authority sought under Resolutions 7, 8 and 9 would not be utilised for the purpose of the issuance of CCSs.

Unless otherwise stated, references in these Explanatory Notes to the issued ordinary share capital, and to percentages or fractions of the issued ordinary share capital, are to the issued ordinary share capital of the Company (calculated exclusive of treasury shares) as at 9 March 2023, being the latest practicable date prior to printing this document.
9. Further disapplication of pre-emption rights for acquisitions*

THAT if Resolution 7 set out in the Notice convening this meeting is passed, the Directors be authorised (in addition to any authority granted under Resolution 8 set out in the Notice convening this meeting) to allot equity securities (as defined in section 560 of the UK Companies Act 2006 (the “Act”)) for cash under the authority given by Resolution 7 and/or to sell shares held by the Company as treasury shares for cash as if section 561(1) of the Act did not apply to any such allotment or sale, such authority to be:

(a) limited to the allotment of equity securities and/or sale of treasury shares up to a nominal amount of US$499,281,984; and

(b) used only for the purposes of financing (or refinancing, if the authority is to be used within 12 months after the original transaction) a transaction which the Directors determine to be either an acquisition or a specified capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of the Notice convening the meeting, provided that unless previously renewed, varied or revoked by the Company in general meeting, such authority shall expire at the conclusion of the Annual General Meeting of the Company to be held in 2024 or at the close of business on 30 June 2024, whichever is the earlier, save that this authority shall allow the Company before expiry of this authority to make offers, and enter into agreements, which would or might require equity securities to be allotted (or treasury shares to be sold) after the authority expires and the Directors may allot equity securities (or sell treasury shares) under any such offer or agreement as if the authority had not expired.

Resolution 9 also seeks to approve the disapplication of statutory pre-emption rights under the Act in respect of certain allotments of shares made under the authorities in Resolution 7.

Resolution 9 is proposed as a separate resolution to Resolution 8, to authorise the Directors to allot an additional quantity of shares (or sell treasury shares) for cash otherwise than to existing shareholders pro rata to their holdings up to an aggregate nominal amount of US$499,281,984, representing a further five per cent of the Company’s issued share capital. The additional authority in this Resolution 9 may be used only in connection with the financing (or refinancing) of an acquisition or specified capital investment.

In accordance with the Pre-Emption Group’s Statement of Principles, the Directors confirm that they intend to use the authority sought in Resolution 9 only in connection with such an acquisition or specified capital investment which is announced contemporaneously with the issue, or which has taken place in the preceding 12 month period and is disclosed in the announcement of the issue, and will provide shareholders with information regarding the transaction if the authority is used. The Directors confirm that in considering the exercise of the authority under this Resolution 9, they intend to follow the shareholder protections in Part 2B of the Pre-emption Group’s Statement of Principles to the extent reasonably practicable.

Other than allotments under employee share plans, the Board has no present intention of issuing any further ordinary shares pursuant to the authority in Resolution 9. No issue will be made which would effectively change the control of the Company or the nature of its business without the prior approval of shareholders at a general meeting.

If granted, the authority sought in Resolution 9 will be effective until the conclusion of the 2024 Annual General Meeting or the close of business on 30 June 2024, whichever is the earlier.

# Special Resolution

10. Addition of any repurchased shares to general authority to allot shares*

THAT the authority granted to the Directors to allot shares or grant rights to subscribe for, or convert any security into, shares in the Company pursuant to paragraph (a) of Resolution 7 set out in the Notice convening this meeting be extended by the addition of such number of ordinary shares of US$0.50 each representing the nominal amount of the Company’s share capital repurchased by the Company under the authority granted pursuant to Resolutions 11 and 12 set out in the Notice convening this meeting, to the extent that such extension would not result in any increase in the authority to allot shares or grant rights to subscribe for, or convert securities into, shares pursuant to paragraphs (b) and (c) of Resolution 7 set out in the Notice convening this meeting.

Resolution 10 seeks to extend the Directors’ authority to allot shares and grant rights to subscribe for or convert any security into shares pursuant to paragraph (a) of Resolution 7 to include the shares repurchased by the Company under the authority sought by Resolutions 11 and 12. This is permitted by the Rules Governing the Listing of Securities on the Stock Exchange of Hong Kong Limited (“Hong Kong Listing Rules”).

11. Purchases of Ordinary Shares by the Company*

THAT the Company be and is hereby generally and unconditionally authorised for the purposes of section 701 of the UK Companies Act 2006 (the “Act”) to make market purchases (within the meaning of section 693(4) of the Act) of Ordinary Shares of US$0.50 each (“Ordinary Shares”) and on such terms and in such manner as the Directors shall from time to time determine provided that:

(a) the maximum aggregate number of Ordinary Shares hereby authorised to be purchased is 1,997,127,937 Ordinary Shares, such limit to be reduced by the number of Ordinary Shares purchased from time to time pursuant to the authority granted by Resolution 12;

(b) the minimum price (exclusive of expenses) which may be paid for each Ordinary Share is US$0.50 or the equivalent in the relevant currency in which the purchase is effected calculated by reference to the spot rate of exchange for the purchase of United States dollars with such other currency as quoted by HSBC Bank plc in the London Foreign Exchange Market at or about 11.00am London time on the business day (being a day on which banks are ordinarily open for the transaction of normal banking business in London) prior to the date on which the Ordinary Share is contracted to be purchased, in each case such rate to be the rate as conclusively certified by an officer of HSBC Bank plc;

(c) the maximum price (exclusive of expenses) which may be paid for each Ordinary Share is the lower of (i) 105 per cent of the average of the middle market quotations for the Ordinary Shares (as derived from the Daily Official List of the London Stock Exchange plc) for the five dealing days immediately preceding the day on which the Ordinary Share is contracted to be purchased, or (ii) 105 per cent of the average of the closing prices of the Ordinary Shares on The Stock Exchange of Hong Kong Limited for the five dealing days immediately preceding the day on which the Ordinary Share is contracted to be purchased, in each case converted (where relevant) into the relevant currency in which the purchase is effected calculated by reference to the spot rate of exchange for the purchase of such currency with the currency in which the quotation and/or price is given as quoted by HSBC Bank plc in the London Foreign Exchange Market at or about 11.00am London time on the business day prior to the date on which the purchase is to be made.
Ordinary Share is contracted to be purchased, in each case such rate to be the rate as conclusively certified by an officer of HSBC Bank plc;

(d) unless previously renewed, revoked or varied by the Company in general meeting, this authority shall expire at the conclusion of the Annual General Meeting of the Company to be held in 2024 or at the close of business on 30 June 2024, whichever is the earlier; and

(e) the Company may prior to the expiry of this authority make a contract or contracts to purchase Ordinary Shares under this authority which will or may be completed or executed wholly or partly after such expiry and may make a purchase of Ordinary Shares pursuant to any such contract or contracts as if the authority conferred hereby had not expired.

The purpose of the authority to be conferred by Resolution 11 is to enable the Company to make purchase of its own shares. The maximum and minimum prices at which they may be bought, exclusive of expenses, are specified in the resolution.

These notes should be read together with the notes to Resolution 12 which relate to the ability of the Company to make off-market purchases (within the meaning of section 693(2) of the Act) of its own shares.

The Directors consider that it is appropriate to seek authority for the Company to make purchases under Resolutions 11 and 12 which together represent up to 10 per cent of its own Ordinary Shares. Any repurchases under the authority in Resolution 12 will reduce the available authority under this Resolution 11 and vice versa.

The Company will consider share buy-backs in periods where we have an excess capital position absent compelling investment opportunities to deploy that excess. It remains the Directors’ policy to maintain a strong capital base, a policy which has consistently been one of the Group’s strengths. As the Group executes its strategy, the appropriate level of capital to be held will be continually reviewed. Having these authorities will give Directors the flexibility, if they consider it in the interests of the Company and shareholders, to purchase Ordinary Shares in appropriate circumstances, for example, in the event that the Company is unable to deploy the retained capital to create incremental value for shareholders, subject to regulatory approval.

The Company may decide to retain any shares it purchases as treasury shares with a view to a possible re-issue at a later date, transfer in connection with an employee scheme, or it may cancel the shares. The current intention is that all shares repurchased pursuant to Resolution 11 will be cancelled.

The Company exercised its authority to make market and off-market purchases of its own shares pursuant to the authority granted at last year’s AGM, being the equivalent of this year’s Resolutions 11 and 12. Under the buy-back announced on 3 May 2022 and completed on 28 July 2022 (the “2022 Buy-back”), the Company repurchased 156,673,157 of its ordinary shares, all of which were cancelled.

Under section 693 of the Act, the Company is only permitted to make market purchases of its Ordinary Shares on a recognised investment exchange. Of the venues where the Company’s Ordinary Shares are listed, only the London Stock Exchange is currently designated as a recognised investment exchange.

If Resolution 11 is passed, the authority will be effective until the conclusion of the 2024 Annual General Meeting or the close of business on 30 June 2024, whichever is earlier.

Notes which apply to Resolutions 11 and 12

The Act permits the Company to elect to hold in treasury any Ordinary Shares it may repurchase, rather than automatically cancelling those shares. Approval has been received from the relevant regulatory authorities in Hong Kong to enable the Company to hold repurchased shares in treasury. The conditional waiver granted by The Stock Exchange of Hong Kong Limited (the “Hong Kong Stock Exchange”) on 19 December 2005 was granted on the basis of certain agreed modifications to the Hong Kong Listing Rules applicable to the Company. Details of the modifications are available at www.hsbc.com and the Hong Kong Stock Exchange’s HKEX news website at www.hkexnews.hk. Copies of the modifications are also available from the Group Company Secretary and Chief Governance Officer, HSBC Holdings plc, 8 Canada Square, London E14 5HQ, United Kingdom and the Corporation Secretary and Regional Company Secretary Asia-Pacific, The Hongkong and Shanghai Banking Corporation Limited, 1 Queen’s Road Central, Hong Kong SAR.

Further details regarding the proposed authority to be given to the Company to purchase its own shares and the waiver granted by the Hong Kong Stock Exchange are set out in Appendix 2.

The total number of options to subscribe for Ordinary Shares outstanding on 9 March 2023, being the latest practicable date prior to printing of this document, was 112,872,950 which represented 0.57 per cent of the issued ordinary share capital (excluding treasury shares) as at that date. If the Company were to purchase the maximum number of Ordinary Shares permitted by Resolution 11 and Resolution 12, the options outstanding on 9 March 2023 would represent 0.63 per cent of the issued ordinary share capital (excluding treasury shares) as at 9 March 2023.

12. Approval of form of share repurchase contract*

THAT the terms of a share repurchase contract (in the form produced to the meeting and initialled by the Chairman for the purposes of identification) (the “Contract”) providing for off-market purchases (within the meaning of section 693(2) of the UK Companies Act 2006) by the Company of its ordinary shares of US$0.50 each (“Ordinary Shares”) pursuant to such Contract be and are hereby approved and the Company be and is hereby authorised to enter into and complete one or more Contracts between the Company and any or all of Merrill Lynch International and Morgan Stanley & Co. International plc, provided that:

(a) the maximum aggregate number of Ordinary Shares hereby authorised to be purchased is 1,997,127,937 Ordinary Shares, such limit to be reduced by the number of Ordinary Shares purchased from time to time pursuant to the authority granted by Resolution 11;

(b) the minimum price (exclusive of expenses) which may be paid for each Ordinary Share is US$0.50 or the equivalent in the relevant currency in which the purchase is effected calculated by reference to the spot rate of exchange for the purchase of United States dollars with such other currency as quoted by HSBC Bank plc in the London Foreign Exchange Market at or about 11.00am London time on the business day (being a day on which banks are ordinarily open for the transaction of normal banking business in London) on which the Ordinary Share is contracted to be purchased, in each case such rate to be the rate as conclusively certified by an officer of HSBC Bank plc;

(c) the maximum price (exclusive of expenses) which may be paid for each Ordinary Share is the lower of (i) 105 per cent of the average of the middle market quotations for the Ordinary Shares (as derived from the Daily Official List of the London Stock Exchange plc) for the five dealing days immediately preceding the day on which the Ordinary Share is contracted to be purchased, or (ii) 105 per cent of the average of the closing prices of the Ordinary Shares on The Stock Exchange of Hong Kong Limited for the five dealing days immediately preceding the day on which the Ordinary Share is contracted to be purchased, in each

case converted (where relevant) into the relevant currency in which the purchase is effected calculated by reference to the spot rate of exchange for the purchase of such currency with the currency in which the quotation and/or price is given as quoted by HSBC Bank plc in the London Foreign Exchange Market at or about 11.00am London time on the business day prior to the date on which the Ordinary Share is contracted to be purchased, in each case such rate to be the rate as conclusively certified by an officer of HSBC Bank plc;

(d) unless previously renewed, revoked or varied by the Company in general meeting, this authority shall expire at the conclusion of the Annual General Meeting of the Company to be held in 2024 or at the close of business on 30 June 2024, whichever is earlier; and

(e) the Company may purchase Ordinary Shares under this authority which will or may be completed or executed wholly or partly after the expiry of the authority as if the authority conferred hereby had not expired."

As mentioned in the notes to Resolution 11, market purchases of a company’s own shares may only be made on a recognised investment exchange. The Hong Kong Stock Exchange is not currently a recognised investment exchange. Therefore, in order to undertake share buy-backs on the Hong Kong Stock Exchange as well as in the UK, the Company needs to comply with specific procedures under the Act for “off market” purchases of shares. The Hong Kong Buy-backs (as defined below) will be an “On-market share buy-back” under the Hong Kong Listing Rules and the Hong Kong Codes on Takeovers and Mergers and Share Buy-backs and will comply with the requirements of Rule 10.06 of the Hong Kong Listing Rules (save to the extent set out below).

In order for the Company to carry out repurchases on the Hong Kong Stock Exchange ("Hong Kong Buy-backs") within the legal framework of the Act, the Company proposes to approve a form of repurchase contract (the “Contract”) and the appointment of Merrill Lynch International and/or Morgan Stanley & Co. International plc (each a “Broker”) separately under one or more Contracts which will provide that:

(a) the Broker will buy Ordinary Shares on the Hong Kong Stock Exchange on a principal basis; and

(b) the Broker will be contractually bound to sell all of the Ordinary Shares bought on the Hong Kong Stock Exchange to the Company at the same price at which the Broker purchased the Ordinary Shares.

The intention is for the Company to be able to carry out share buy-backs in the UK and Hong Kong. Any such buy-backs could be carried out in the UK and Hong Kong in parallel or separately. While it is possible that separate Brokers could be appointed to carry out a buy-back in each of the UK and Hong Kong, the Company will not appoint two Brokers to carry out a buy-back in the same market (e.g. Hong Kong) at the same time. Under the 2022 Buy-back, the Company repurchased ordinary shares in the UK and Hong Kong in parallel.

Under any Contract, the relevant Broker will be appointed on an irrevocable, non-discretionary basis for a specified period to buy Ordinary Shares within certain parameters set out in the Schedule to the Contract. Subject to these parameters, decisions on when to buy or how much to pay for the Ordinary Shares will be made by the Broker independently of the Company.

The appointment of the Broker to manage the buy-back programme and take decisions independently of the Company is to ensure that the share buy-back fits within the parameters of the safe harbour in article 4 of the regulatory technical standards contained in Commission Delegated Regulation EU 2016/1052 as it applies in the UK (the “UK Buyback Safe Harbour”). The arrangements include the Broker taking the decision to buy the shares (with information barriers in place to ensure that the team at the Broker making the purchases does not have access to inside information or unpublished financial information of the Company) and the Company being under a pre-existing obligation to purchase whatever shares the Broker buys at the same price. This allows the buy-back to continue during the Company’s closed periods prior to the announcement of its financial results and during periods when it has inside information. However, the Company would only enter into the Contract when it was outside a closed period and at a time when it was not in possession of inside information. As well as to fit within the parameters of the UK Buyback Safe Harbour (and equivalent safe harbours under the rules in the United States), this structure also ensures compliance with the Rule 10.06(2)(e) Waiver (as defined below) granted by the Hong Kong Stock Exchange which is described in further detail below.

The buying parameters set out in the Schedule to the Contract place certain restrictions on the price that the Broker may pay and the volume and speed with which it can make purchases. These restrictions are in place to comply with the UK Buyback Safe Harbour, equivalent safe harbours under the rules in the United States, the limits in Resolutions 11 and 12, the UK Listing Rules and the Hong Kong Listing Rules. These include restrictions to ensure that purchases on any day do not exceed 25% of the average daily trading volume for that venue, that the price paid on any venue is not higher than the last independent trade and the highest current independent bid on that venue, and that no purchases will be made as the opening transaction on a venue or in the last 10 minutes before the scheduled close of the primary trading session on that venue.

These arrangements are the same as those adopted by the Company for its previous buy-backs in the UK and Hong Kong.

On 8 February 2023, the Hong Kong Stock Exchange granted to the Company a waiver from strict compliance with Rule 10.06(2)(e) of the Hong Kong Listing Rules to enable it to conduct the Hong Kong Buy-backs during the Company’s closed periods and when it is in possession of inside information provided that the Broker is appointed on an irrevocable non-discretionary basis during these periods (“Rule 10.06(2)(e) Waiver”) and that the Hong Kong Buy-Back is subject to the purchase restrictions summarised above.

Approval of the form of the Contract and counterparties is not an approval of a specific share buy-back activity or the amount or timing of any repurchase activity. Ordinary Shares will be repurchased by the Company in accordance with a specific share buy-back activity or share buy-back programme if it is approved by the Board. There can be no assurance as to whether a Hong Kong Buyback will be used to repurchase any of the Ordinary Shares or, if a Hong Kong Buyback is used, the amount of any such buy-back or the prices at which such buy-back may be made. However, the maximum and minimum prices at which any buy-back may be made, exclusive of expenses, are specified in the resolution.

As mentioned in the notes to Resolution 11, the Company will consider share buy-backs in periods where we have an excess capital position absent compelling investment opportunities to deploy that excess. It remains the Directors’ policy to maintain a strong capital base, a policy which has consistently been one of the Group’s strengths. As the Group executes its strategy, the appropriate level of capital to be held will be continually reviewed. Having these authorities will give Directors the flexibility, if they consider it in the interests of the Company and shareholders, to purchase Ordinary Shares in appropriate circumstances, for example, in the event that the Company is unable to deploy the retained capital to create incremental value for shareholders, subject to regulatory approval. The Contract provides for any share repurchased under the Contract to be cancelled.

The Directors consider that it is appropriate to seek authority for the Company to make purchases under Resolutions 11 and 12 which together represent up to 10 per cent of its own Ordinary Shares.

The Directors’ intention is only to use the authority under this resolution to carry out Hong Kong Buy-backs. If the Directors decided to exercise the authority given to them under this resolution, it may be exercised in conjunction with any repurchases under Resolution 11 or separately. Any repurchases under the authority in Resolution 11 will reduce the available authority under this Resolution 12 and vice versa.
As mentioned in the notes to Resolution 11, the Company exercised its authority to make market and off-market purchases of its own shares pursuant to the authority granted at last year’s AGM, being the equivalent of this year’s Resolutions 11 and 12. Under the 2022 Buy-back, the Company repurchased 156,673,157 of its ordinary shares, all of which were cancelled.

The disclosures contained in the notes to Resolution 11 under the heading “Notes which apply to Resolutions 11 and 12” apply equally to this Resolution.

Copies of the Contract and the list of proposed counterparties to such Contract will be made available for shareholders to inspect at the Company’s registered office at 8 Canada Square, London E14 5HQ, United Kingdom from 24 March 2023 until the date of the AGM. Copies of the Contract and the list of repurchase counterparties will also be available for inspection at the AGM.

If Resolution 12 is passed, the authority will be effective and the Company may repurchase shares pursuant to the form of Contract with the relevant counterparties until the conclusion of the 2024 Annual General Meeting or the close of business on 30 June 2024, whichever is earlier.

13. Additional authority to allot equity securities in relation to the issue of Contingent Convertible Securities*

THAT in addition to any authority granted pursuant to Resolution 7 set out in the Notice convening this meeting, the Directors be generally and unconditionally authorised under and for the purposes of section 551 of the UK Companies Act 2006 (the “Act”) to exercise all the powers of the Company to allot shares in the Company and to grant rights to subscribe for, or to convert any security into, shares in the Company up to an aggregate nominal amount of US$1,997,127,937 in relation to any issue by the Company or any member of the Group of Contingent Convertible Securities (“CCSs”) that automatically convert into or are exchanged for ordinary shares in the Company in prescribed circumstances where the Directors consider such an issue of CCSs would be desirable in connection with, or for the purposes of, complying with or maintaining compliance with regulatory capital requirements or targets applicable to the Group from time to time and otherwise on terms as may be determined by the Directors, provided that, unless previously renewed, varied or revoked by the Company in general meeting, such authority shall expire at the conclusion of the Annual General Meeting of the Company to be held in 2024 or at the close of business on 30 June 2024, whichever is the earlier, save that this authority shall allow the Company before the expiry of this authority to make offers, and enter into agreements, which would or might require shares to be allotted or rights to subscribe for, or to convert any security into, shares to be granted after the authority expires and the Directors may allot shares or grant rights to subscribe for, or to convert any security into, shares (as the case may be) in pursuance of such offers or agreements as if the authority conferred hereby had not expired.

Resolution 13 is to give the Directors the authority to allot shares and grant rights to subscribe for, or to convert, any security into ordinary shares in the Company up to an aggregate nominal amount of US$1,997,127,937, representing approximately 20 per cent of the ordinary shares in issue on 9 March 2023, being the latest practicable date prior to printing this document. This authority relates to the issue of CCSs.

This should be read together with the notes to Resolution 14 which relate to the ability of the Company to allot CCSs, or shares issued upon conversion or exchange of CCSs, without the need to first offer them to existing shareholders.

CCSs are debt securities which benefit from a specific regulatory capital treatment under European Union and United Kingdom legislation. They are treated as Additional Tier 1 Capital and, as a banking group, HSBC is able to hold a certain amount of its Tier 1 Capital in the form of Additional Tier 1 Capital. The CCSs will be converted or exchanged into ordinary shares if a defined trigger event occurs (which currently is the HSBC Group’s Common Equity Tier 1 Capital ratio falling below 7 per cent). Issuing CCSs gives the Company greater flexibility to manage its capital in the most efficient and economic way for the benefit of the shareholders. Please see Appendix 1 for more information on CCSs.

This authority is in addition to the authority proposed in Resolutions 7, 8 and 9, which contain the general authority sought on an annual basis in line with IA Guidelines and the Hong Kong Listing Rules.

If Resolutions 13 and 14 are passed, the Company will only issue CCSs pursuant to the authority granted under these resolutions and not under the authority granted under Resolutions 7, 8 and 9. Although the authority in Resolutions 13 and 14 is not contemplated by the IA Guidelines, it has previously been discussed with the Investment Association with no-objection.

The authorities in Resolutions 13 and 14 will be utilised as considered desirable to comply with or maintain compliance with the regulatory capital requirements arising in connection with the relevant European Union and United Kingdom legislation and the prudential regulatory requirements imposed by the Prudential Regulation Authority (“PRA”) and only for those purposes. The Company will not utilise the authority in Resolutions 13 and 14 to issue new securities for any other purposes. However, pursuant to the authority under Resolutions 13 and 14, the Company may issue additional securities in order to manage the redemption of outstanding CCSs.

The authority in Resolution 13 would be effective until the conclusion of the Company’s 2024 Annual General Meeting or the close of business on 30 June 2024, whichever is the earlier. The Directors expect to seek similar authorities on an annual basis.

14. Limited disapplication of pre-emption rights in relation to the issue of Contingent Convertible Securities*

THAT if Resolution 13 set out in the Notice convening this meeting is passed, the Directors be authorised (in addition to any authority granted under Resolutions 8 and 9) to allot shares and grant rights to subscribe for, or to convert any security into, shares held by the Company following any purchase (or to sell treasury shares held by the Company following any purchase of its own shares) on a non-pre-emptive basis up to an aggregate nominal amount of US$1,997,127,937, representing approximately 20 per cent of the ordinary shares in issue on 9 March 2023 such authority to be exercised in connection with the issue of CCSs.

The effect of Resolution 14 is to give the Directors’ authority to allot CCSs, or shares issued upon conversion or exchange of CCSs, without the need to first offer them to existing shareholders. If passed, Resolution 14 will authorise the Directors to allot shares and grant rights to subscribe for, or to convert any security into, shares in the Company (or to sell treasury shares held by the Company following any purchase of its own shares) on a non-pre-emptive basis up to an aggregate nominal amount of US$1,997,127,937, representing approximately 20 per cent of the ordinary shares in issue on 9 March 2023 such authority to be exercised in connection with the issue of CCSs.
As at 9 March 2023, being the latest practicable date prior to printing of this document, the Company held 325,273,407 of its ordinary shares in treasury, representing 1.60 per cent of the issued ordinary share capital (including treasury shares) and 1.63 per cent of the issued ordinary share capital (excluding treasury shares).

As mentioned in the notes to Resolution 13, the authorities in Resolutions 13 and 14 will be utilised as considered desirable to comply with or maintain compliance with the regulatory capital requirements arising in connection with the relevant European Union and United Kingdom legislation and the prudential regulatory requirements imposed by the PRA and only for those purposes. The Company will not utilise the authority in Resolutions 13 and 14 to issue new securities for any other purposes. However, pursuant to the authority under Resolutions 13 and 14, the Company may issue additional securities in order to manage the redemption of outstanding CCSs.

The authority in Resolution 14 would be effective until the conclusion of the Company’s 2024 Annual General Meeting or the close of business on 30 June 2024, whichever is the earlier. The Directors expect to seek similar authorities on an annual basis.

15. Notice of general meetings*

THAT the Directors be authorised to call general meetings (other than annual general meetings) on a minimum of 14 clear days’ notice.

The Act provides that the minimum notice period for general meetings of the Company is 21 days unless shareholders approve a shorter notice period. The passing of this resolution would enable the Company to call general meetings (other than annual general meetings) on a minimum of 14 clear days’ notice. This shorter notice period of between 14 and 20 days would not be used as a matter of routine, but only when the Directors determine that calling a meeting on less than 21 days’ notice is merited by the business of the meeting and consider it to be to the advantage of shareholders as a whole. The approval would be effective until the conclusion of the Company’s 2024 Annual General Meeting or the close of business on 30 June 2024, whichever is the earlier, when it is intended that a similar resolution will be proposed.

16. Shareholder requisitioned resolution – Midland Clawback Campaign#

This Special Resolution requests the Board of Directors revisits the “State Deduction” applied to members of the post 1974 section of the Midland Bank Pension Scheme by introducing a “safety net”.

We propose the amount deducted should be capped so no pensioner suffers a deduction greater than 5%, thereby helping resolve the disparity and making it fairer for all scheme members.

Resolution 16 is a special resolution that has not been proposed by your Board but has been requisitioned by a group of shareholders represented by Mr Lui Yu Kin. Resolution 16 should be read together with their explanatory statement in support of the proposed resolution set out in Appendix 3 on page 26.

Your Board’s response, which sets out why the Directors unanimously recommend that you vote AGAINST Resolution 16, is provided in Appendix 4 on pages 27 to 28. Your Board considers that Resolution 16 is not in the best interests of the Company and its shareholders as a whole and unanimously recommends that you vote AGAINST Resolution 16.

17. Shareholder requisitioned resolution – Strategy Review*

THAT HSBC do devise, implement and report quarterly on a plan and strategy aiming at increasing its value by structural reforms including but not limited to spinning off, strategic reorganisation and restructuring its Asia businesses.

Resolution 17 is a special resolution that has not been proposed by your Board but has been requisitioned by a group of shareholders represented by Mr Lui Yu Kin. Resolution 17 should be read together with their explanatory statement in support of the proposed resolution set out in Appendix 5 on page 29.

Your Board’s response, which sets out why the Directors unanimously recommend that you vote AGAINST Resolution 17, is provided in Appendix 6 on page 30. Your Board considers that Resolution 17 is not in the best interests of the Company and its shareholders as a whole and unanimously recommends that you vote AGAINST Resolution 17.

18. Shareholder requisitioned resolution – Dividend Policy*

THAT HSBC do devise and implement a long-term and stable dividend policy that for and as long as there are sufficient distributable profits, HSBC should distribute dividends to its members at the pre-Covid-19 pandemic level i.e. not less than US$0.51 per share per annum (to be paid quarterly).

Resolution 18 is a special resolution that has not been proposed by your Board but has been requisitioned by a group of shareholders represented by Mr Lui Yu Kin. Resolution 18 should be read together with their explanatory statement in support of the proposed resolution set out in Appendix 7 on page 31.

Your Board’s response, which sets out why the Directors unanimously recommend that you vote AGAINST Resolution 18, is provided in Appendix 8 on page 32. Your Board considers that Resolution 18 is not in the best interests of the Company and its shareholders as a whole and unanimously recommends that you vote AGAINST Resolution 18.

Anyone who does not comply may be removed from the meeting.

Shareholders are reminded that cameras and recording equipment will not be allowed and all mobile telephones must be switched off to the exclusion of the votes of the other joint holder(s). For this purpose, each shareholder present or represented (in person or electronically) will be able to exercise one vote for each share held. In the case of joint holders, each shareholder entitled to attend and vote at the AGM or any adjourned meeting (as the case may be) shall be disregarded in determining the rights of a shareholder to attend or vote at the AGM or any adjourned meeting (as the case may be). Accordingly, a shareholder entered on the Principal Register or the Branch Registers at 12.01am London time (7.01am Hong Kong time) on Thursday, 4 May 2023 or 12.01am London time (7.01am Hong Kong time) on the day immediately before the day of any adjourned meeting (as the case may be) shall be entitled to attend and vote at the AGM or any adjourned meeting (as the case may be) in respect of the number of such shares entered against the shareholder’s name at that time.

Voting
Voting at the AGM will be conducted by way of a poll. This means that each shareholder present or represented (in person or electronically) will be able to exercise one vote for each share held. In the case of joint registered holders of any share, the vote of the senior who tenders a vote, whether in person, electronically or by proxy, shall be accepted to the exclusion of the votes of the other joint holder(s). For this purpose, seniority shall be determined by the order in which the names of the holders stand in the Principal Register or the Branch Registers of the Company, as appropriate.

HSBC Holdings plc Notice of Annual General Meeting 2023
Shareholders will be able to vote by either submitting a proxy in advance of the AGM or by voting on the day of the AGM either in person at the meeting or via the Lumi website following the instructions set out on pages 20 to 21 and in Appendix 10 on page 34 for those shareholders attending the AGM electronically.

Shareholders are strongly encouraged to appoint the Chairman of the AGM as their proxy, even if they intend to attend the AGM in person or electronically. This is to ensure that your vote is counted if you are unable to attend on the day of the AGM.

The completion and submission of a form of proxy will not preclude you from attending and voting in person or electronically at the AGM. Information on how to appoint a proxy is set out below.

Shareholders who attend the AGM electronically will be able to vote on each of the resolutions put to the AGM. Instructions on how shareholders can exercise their votes whilst attending the AGM electronically are set out below.

Following the conclusion of the AGM, voting results will be published on the Company’s website at www.hsbc.com/agm.

Appointing a proxy
Shareholders are strongly encouraged to vote on the resolutions in advance of the AGM by completing a proxy form appointing the Chairman of the AGM as your proxy. You may appoint the Chairman of the AGM to vote on your behalf or a person of your choice to attend, speak and vote on your behalf. A proxy need not be a member of the Company. You may appoint more than one proxy, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by you. If you require additional forms of proxy, you may photocopy the original form of proxy enclosed or ask our registrar to send you additional forms (see “How to submit your form of proxy” below for the registrar’s address).

As explained above under “Voting”, shareholders are strongly encouraged to appoint the Chairman of the AGM as their proxy, even if they intend to attend the AGM in person or electronically. This is to ensure that your vote is counted if you are unable to attend on the day.

If you appoint a proxy, other than the Chairman of the AGM, and they wish to attend the meeting electronically, they will need to contact the Company’s registrar before 11.00am London time (6.00pm Hong Kong time) on Wednesday, 3 May 2023 to arrange for the necessary details to be sent to them. See further details set out on pages 20 to 21.

A form of proxy is enclosed with this document or may be accessed at www.hsbc.com/proxy.

How to submit your form of proxy
The form of proxy must be received by 11.00am London time (6.00pm Hong Kong time) on Wednesday, 3 May 2023, or not less than 48 hours before the time of the holding of any adjourned meeting.

You may submit your form of proxy electronically at www.hsbc.com/proxy by entering your Shareholder Reference Number and the Personal Identification Number which is either printed on your form of proxy or which has been sent to you by email if you have registered an email address to receive electronic communications.

Alternatively, you may send your completed form of proxy to:
- Computershare Investor Services PLC, The Pavilions, Bridgewater Road, Bristol, BS99 6ZY, United Kingdom;
- Computershare Hong Kong Investor Services Limited, Rooms 1712-1716, 17th Floor, Hopewell Centre, 183 Queen’s Road East, Hong Kong SAR; or
- Investor Relations Team, HSBC Bank Bermuda Limited, 37 Front Street, Hamilton HM 11, Bermuda.

For shares held through CREST, proxy appointments may be submitted via the CREST proxy voting system (see section on “CREST” set out below).

In order to be valid, the completed form of proxy (together with any power of attorney or other authority under which it is signed, or a copy of such authority certified notarially or in some other way approved by the Board) must be deposited by 11.00am London time (6.00pm Hong Kong time) on Wednesday, 3 May 2023, or not less than 48 hours before the time of the holding of any adjourned meeting, at the offices of the Company’s registrar (see above for the registrar’s address). Any power of attorney or other authority relating to an appointment of a proxy cannot be submitted electronically and must be deposited as referred to above for the appointment to be valid.

CREST
CREST members who wish to appoint a proxy or proxies by using the CREST electronic proxy appointment service may do so for the AGM or any adjourned meeting by following the procedures described in the CREST manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a “CREST Proxy Instruction”) must be properly authenticated in accordance with Euroclear UK & International Limited’s specifications and must contain the information required for such instructions, as described in the CREST manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer’s agent (ID 3RA50) by 11.00am London time (6.00pm Hong Kong time) on Wednesday, 3 May 2023, or not less than 48 hours before the time of the holding of any adjourned meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointees through other means.

CREST members, and, where applicable, their CREST sponsor or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that their CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.

Pursuant to Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended) the Company may treat as invalid a CREST Proxy Instruction if the Company has actual notice that:
- information in the instruction is incorrect;
- the person expressed to have sent the instruction did not in fact send it; or
- the person sending the instruction on behalf of the relevant shareholder did not have the authority to do so.
Nominated persons
The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person who has been nominated to receive communications from the Company in accordance with section 146 of the UK Companies Act 2006 (the "Act") ("nominated persons"). Nominated persons may have a right under an agreement with the registered shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy for the AGM. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights at the AGM.

The main point of contact for nominated persons remains the registered shareholder (for example the stockbroker, investment manager, custodian or other person who manages the investment). Any changes or queries relating to nominated persons’ personal details and holdings (including any administration thereof) must continue to be directed to the registered shareholder and not the Company’s registrar. The only exception is where the Company, in exercising one of its powers under the Act, writes to nominated persons directly for a response.

Corporate representatives
Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that, if it is appointing more than one corporate representative, it does not do so in relation to the same share or shares. If a corporate representative elects to attend the AGM in person, any such representative should bring to the meeting written evidence of their appointment, such as a certified copy of a board resolution of, or a letter from, the corporation concerned confirming the appointment. Shareholders can obtain a template of the type of letter we will accept for the appointment of a corporate representative by sending an email to shareholderquestions@hsbc.com.

If you appoint a corporate representative and they wish to attend the meeting electronically, they will need to contact the Company’s registrar before 11.00am London time (6.00pm Hong Kong time) on Wednesday, 3 May 2023 to arrange for the necessary details to be sent to them. See further details set out on pages 20 to 21.

Proxymity
If you are an institutional investor on the Principal Register in the UK you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Company’s registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 11:00am London time (6.00pm Hong Kong time) on Wednesday, 3 May 2023 or not less than 48 hours before the time of the holding of any adjourned meeting in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity’s associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.

Shareholders’ power to require circulation of resolutions
Under section 338 and section 338A of the Act, shareholders meeting the threshold requirements in those sections have the right to require the Company (i) to give to shareholders of the Company entitled to receive notice of the AGM, notice of a resolution which may properly be moved and is intended to be moved at the AGM and/or (ii) to include in the business to be dealt with at the AGM any matter (other than a proposed resolution) which may be properly included in the business. A resolution may properly be moved or a matter may properly be included in the business of the AGM unless (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company’s constitution or otherwise), (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business of the AGM, must be authorised by the person or persons making it, must be received by the Company not later than six weeks before the AGM, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request. Shareholders may send enquiries to the Board in writing to the Group Company Secretary and Chief Governance Officer, HSBC Holdings plc, 8 Canada Square, London E14 5HQ, United Kingdom or by sending an email to shareholderquestions@hsbc.com.

Shareholders’ power to require website publication of audit concerns
Under section 527 of the Act, shareholders meeting the threshold requirements in that section may require the Company to publish on its website a statement setting out any matter that the shareholders propose to raise at the AGM relating to (i) the audit of the Company’s accounts (including the Auditor’s report and the conduct of the audit) that are to be laid before the AGM, or (ii) any circumstance connected with an Auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company’s Auditor no later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on its website.

Webcast
The AGM will be webcast live and can be accessed via www.hsbc.com/agm. A recording will be available for viewing for approximately two months after the AGM. This is a view only service and does not allow shareholders to participate in the AGM electronically. Shareholders wishing to participate electronically are recommended to view the webcast via the Lumi AGM website where you can also vote and ask questions. Details on how to join are set out on pages 20 to 21 and in Appendix 10 on page 34.

Asking questions related to the business of the AGM
You have the right to ask questions in relation to the business of the AGM but no answer need be given if (a) to do so would interfere unduly with the preparation for the AGM or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the AGM that the question be answered. Shareholders are reminded to keep their questions and comments appropriate to the business of the AGM.

Shareholders attending the AGM electronically may submit questions in writing via the Lumi AGM website or may ask questions by telephone by following the instructions set out in the “Electronic attendance at the AGM” section on pages 20 to 21.

Shareholders can also submit their questions relating to the business of the AGM in advance of the AGM by sending an email to shareholderquestions@hsbc.com referencing your Shareholder Reference Number. We will consider all questions received and, if appropriate and relating to the business of the AGM, will endeavour to give an answer at the AGM, provide a written response or publish answers on the Company’s website at www.hsbc.com/agm. We encourage shareholders to submit questions in advance of the AGM by no later than 11:00am London time (6:00pm Hong Kong time) on Wednesday, 3 May 2023.

Any questions submitted that are not relevant to the business of the AGM will be forwarded for the attention of a relevant HSBC colleague or the registrar, as appropriate. These might include matters relating to a shareholder’s bank account or affairs which are unlikely to be relevant to the business of the AGM.

Where a number of questions are received on a similar topic, these may be grouped together to avoid repetition and address as many queries as possible.

Submitting a question in advance of the AGM does not affect your rights as a shareholder to attend and speak at the AGM, either in person or electronically.

A User Guide on how to join the AGM via the Lumi AGM website is set out in Appendix 10 on page 34.

Duly appointed proxies and corporate representatives attending electronically
If your investment is not held in your name on the Principal Register or the Branch Registers (for example, it is held in a broker account or by a custodian or nominee), it will be necessary for you to be appointed as a proxy or corporate representative to attend the meeting electronically. You should therefore contact the person through which your investment is held in order to arrange for you to be appointed as a proxy or corporate representative. Once you have been validly appointed as a proxy or corporate representative, you will need to contact the Company’s registrar to provide your email address and details of the person through which your investment is held. For both proxies and corporate representatives, you will be able to change or cancel your vote at any time whilst the poll remains open and before the Chairman of the AGM announces its closure.

American Depositary Shares ("ADSs")
If you are a registered ADS holder (i.e. you hold your ADSs through Computershare US, the transfer agent of the Depositary, The Bank of New York Mellon), you will need to register in advance to attend and participate at the AGM electronically. Please follow the instructions on the notice that you received with your voting instruction card.

Non-registered ADS holders: If you hold your shares through an intermediary, such as a bank or broker, and wish to attend and participate at the AGM electronically, you must register in advance with Computershare US. You must submit proof of your proxy power (legal proxy) reflecting your ADS holdings along with your name and email address to Computershare US at legalproxy@computershare.com or write to Computershare US, HSBC Holdings plc Legal Proxy, P.O. Box 43001 Providence, RI 02940-3001, labelled as "Legal Proxy", and be received no later than 5.00pm New York time, on Tuesday, 25 April, 2023 (Virtual Meeting Pre Registration and voting cut-off Date). The details of the AGM arrangements, including login details to access the Lumi AGM website, will be sent by Computershare US to the email address provided by the ADS holder.

By providing the information required to register in advance to attend and participate at the AGM electronically, you confirm that you consent to the provision of such information, including any personal data contained therein, to The Bank of New York Mellon and Computershare US and to the further transfer by them of that information and personal data (if applicable) to other agents of the Company for the purpose of facilitating your attendance and participation at the AGM electronically.

Electronic voting
Voting on all resolutions will be enabled at the AGM once the Chairman of the AGM formally declares the poll open. Shareholders may, at any time while the poll is open, vote electronically on any or all of the resolutions in the Notice. Resolutions will not be proposed individually.

Once the poll is open, the list of resolutions being put to the AGM will appear on the Lumi AGM platform. The voting options available will appear when you click on the voting icon. Select the option that corresponds with how you wish to vote on each resolution: “FOR”, “AGAINST” or “WITHHELD”. Once you have selected your choice, the option will change colour and a confirmation message will appear to indicate your vote has been cast and received – there is no submit button.

You may attend the AGM electronically by accessing the Lumi AGM website: https://web.lumiagm.com/105855637.

You may ask a question or wish to change your vote, simply re-select the correct voting option. If you wish to “cancel” your vote, select the “cancel” button. You will be able to change or cancel your vote at any time whilst the poll remains open and before the Chairman of the AGM announces its closure.

An active internet connection is required in order to successfully cast your vote when the Chairman of the AGM commences polling on the resolutions. It is the user’s own responsibility to ensure that they have a sufficient internet connection.

Asking questions via Lumi
Shareholders attending electronically may ask questions via the Lumi AGM website by typing and submitting their question in writing. To ask a question via the Lumi AGM website, you should select the messaging icon from within the navigation bar to open the chat box and type your question at the top of the screen. Once finished, press the ‘send’ icon to the right of the message box to submit your question.

Questions sent via the chat box on the Lumi AGM website will be moderated before being sent to the Chairman of the AGM, in line with the approach outlined in the “Asking questions related to the business of the AGM” section on page 19. In some circumstances a direct response may be given to your question via the platform, rather than the question being put to the meeting to avoid repetition or where the question is not relevant to the business of the meeting.

An active internet connection is required in order to allow you to submit questions via the Lumi AGM website. It is the user’s own responsibility to ensure that they have a sufficient internet connection.
