Accordingly, Noteholders do not have the benefit of the specific investor protection provided under the CISA. Noteholders bear the issuer risk.

It is advisable that investors considering acquiring any Notes understand the risks of transactions involving the Notes and it is advisable that they reach an investment decision after carefully considering, with their financial, legal, regulatory, tax, accounting and other advisers, the suitability of the Notes in light of their particular circumstances (including without limitation their own financial circumstances and investment objectives and the impact the Notes will have on their overall investment portfolio) and the information contained in the Base Prospectus and these Final Terms.
