HSBC CONTINENTAL EUROPE
UPDATE ON SALE OF RETAIL BANKING BUSINESS IN FRANCE

NOT FOR RELEASE, PUBLICATION OR DISTRIBUTION, IN WHOLE OR IN PART, DIRECTLY OR INDIRECTLY, IN OR INTO OR FROM ANY JURISDICTION WHERE TO DO SO WOULD CONSTITUTE A VIOLATION OF THE RELEVANT LAWS OR REGULATIONS OF SUCH JURISDICTION

• Significant interest rate rises since the sale terms were agreed and the related fair value accounting treatment on acquisition have made completion by the Purchaser Group less certain
• Parties remain committed to the sale, but appropriate amendments yet to be agreed meaning a delay to closing expected if the sale completes
• Given sale is less certain, HBCE’s French retail banking business no longer classified as held for sale – EUR2bn reversal of impairment as at 31 March 23

On 18 June 2021, HSBC Continental Europe (‘HBCE’) announced it had signed a Memorandum of Understanding (‘MoU’) with Promontoria MMB SAS (‘My Money Group’) and its subsidiary Banque des Caraïbes SA (the ‘Purchaser’, and together with My Money Group, the ‘Purchaser Group’) regarding the potential sale of HBCE’s retail banking business in France (the ‘Transaction’). The parties subsequently entered into a binding framework agreement (‘Framework Agreement’) on 25 November 2021. My Money Group and the Purchaser are under the control, directly or indirectly, of funds and accounts managed or advised by Cerberus Capital Management L.P.

The Purchaser Group has informed us that the significant, unexpected interest rate rises in France since the Framework Agreement was signed in 2021, and the related fair value accounting treatment on acquisition, will significantly increase the amount of capital required by the enlarged Purchaser Group at closing of the Transaction. Unless this issue is addressed, the Purchaser will be unable to obtain regulatory approval for the Transaction. Under the terms of the Framework Agreement, the Purchaser is required to use its best efforts to obtain this approval. However, the Purchaser Group has advised us that they consider that they will be unable to obtain regulatory approval without amending the previously agreed Transaction terms. The parties are continuing discussions. If the Transaction does proceed, it is expected that closing will be delayed.

On 30 September 2022, HSBC Holdings plc (‘HSBC’) and HBCE reclassified HBCE’s retail banking operations in France to held for sale as, at that point in time, the Transaction was anticipated to complete in the second half of 2023, subject to the satisfaction of certain conditions including
regulatory approval. Each quarter, HSBC and HBCE review the ‘held for sale’ classification of HBCE’s French retail banking operations in accordance with IFRS 5 (an accounting standard which requires a high probability of a transaction completing within a 12-month period).

Given completion of the Transaction has become less certain, as at 31 March 2023 HSBC and HBCE are required to change the accounting classification of their retail banking operations in France. They will no longer be classified as held for sale. The consequence of this, for HBCE is a EUR2bn reversal of the previously recognised impairment in respect of the sale of the French retail banking operations, with a resulting benefit to common equity tier 1 (estimated at c. 3% based on CET1 as at 31 December 2022).

HSBC remains committed to pursuing the sale providing appropriate terms can be agreed and to supporting our clients and colleagues in France at all times.

If the Transaction has not completed by 31 May 2024, the Framework Agreement will terminate automatically, although that date can be extended to 30 November 2024 in certain circumstances.

HSBC will provide further updates on the Transaction as required.
